The Committee met one time during 2000.

The Company's executive compensation policy is designed to attract, retain and reward executive officers who contribute to the long-term success of the Company by maintaining a competitive salary structure and aligning individual compensation with the achievement of corporate and individual performance objectives.

The Committee reviews the entire executive compensation package for each officer, which consists of base salary, annual cash bonuses and stock option grants under the Company's 1996 Equity Incentive Plan.

#### Executive Officer Compensation

Overall, the Committee has determined that executive officer base salaries and cash bonuses should be based on industry averages for comparable positions as well as on individual and corporate performance.

For 2000, the Chief Executive Officer made recommendations to the Committee as to base salary amounts for each executive officer (including himself) based on his assessment of each officer's individual performance and current level of compensation. The Committee evaluated the Chief Executive Officer's recommendations, taking into account the officer's tenure in his position, the Committee's subjective assessment of individual performance and the Company's overall performance during the prior year. The Committee did not apply a strict formula but instead considered these factors together without giving any specific weight to any individual factor. The Committee gauged overall

Edgar Filing: LAMAR ADVERTISING CO/NEW - Form DEF 14A

performance of the Company based on several key indicators. These indicators included the number of acquisitions completed and the aggregate purchase price, the market performance of the Company's Class A common stock and the growth in net revenues and cash flows. The Committee also considered the current financial and economic environment in making its assessment. Based on its evaluation, the Committee approved the Chief Executive Officer's recommendations that his base compensation and the base compensation of the Director of Mergers and Acquisitions remain the same in 2000 as it was in 1999 and that the base compensation of the Chief Financial Officer be increased for 2000.

Each year, the Chief Executive Officer proposes to the Committee the size of annual bonuses, taking into account the growth of the Company for that year and each officer's individual performance. In 2000, cash bonuses paid to the Chief Executive Officer and other executive officers totaled \$750,000. The Chief Executive Officer's bonus was based on the overall financial performance of the Company during 2000 and the successful completion of over \$536 million in acquisitions during the year.

Stock Options

The Committee did not grant any stock options to management during 2000.

Deduction Limit for Executive Compensation

Section 162(m) of the Internal Revenue Code limits a publicly held company's tax deduction for compensation paid to the chief executive officer and the other four most highly paid officers. Generally, amounts paid in excess of \$1,000,000 to a covered executive in any year cannot be deducted. Certain

9

performance-based compensation that has been approved by stockholders is not subject to the limit. The Company does not currently expect to pay cash compensation exceeding the \$1,000,000 limitation. Stock options granted under the 1996 Equity Incentive Plan are not subject to the limitation under applicable regulations. In addition, the Committee will consider as appropriate other ways to maximize the deductibility of executive compensation, while retaining the discretion to compensate certain executive officers in a manner commensurate with performance and the competitive environment for executive talent without regard to deductibility.

ITEM 2 PROPOSAL TO APPROVE THE AMENDMENT OF LAMAR ADVERTISING COMPANY'S 1996 EQUITY INCENTIVE PLAN TO INCLUDE DIRECTORS AS ELIGIBLE PARTICIPANTS

### GENERAL

The 1996 Equity Incentive Plan, a copy of which is included as Appendix B to this Proxy Statement, was adopted by Lamar Advertising Company in July 1996. The 1996 Equity Incentive Plan is designed to provide the Company flexibility in awarding equity incentives by providing for different types of incentives that may be awarded. The purpose of the 1996 Equity Incentive Plan is to attract and retain key employees of and, consultants to the Company and its eligible affiliated companies and to enable them to participate in the long-term growth of the Company. In August 2000 the Board of Directors voted, subject to stockholder approval, to amend the 1996 Equity Incentive Plan to include directors as eligible participants. Stockholder approval of this amendment is required under the rules of the Nasdaq National Market. The Board of Directors believes that it is advisable to give the stockholders an opportunity to approve this amendment so that outside directors may participate in the 1996 Equity Incentive Plan. The holders of approximately 67% of the total voting power of the common stock have indicated that they will vote in favor of this amendment. The Company believes that the amendment is necessary and appropriate to enable the Company to attract and retain the quality of directors whose services are considered important to the Company's future progress. The Company believes that participation in the 1996 Equity Incentive Plan provides such directors with an incentive to remain as directors of the Company.

The following is a summary of the Equity Incentive Plan's features.

### ADMINISTRATION AND ELIGIBILITY

## Edgar Filing: LAMAR ADVERTISING CO/NEW - Form DEF 14A

The 1996 Equity Incentive Plan provides for the grant of stock options (incentive and nonstatutory), stock appreciation rights, restricted stock and unrestricted stock for the purchase of shares of Class A common stock. Awards under the 1996 Equity Incentive Plan can be granted to employees, consultants and, subject to stockholder approval, directors of the Company as well as employees, directors and consultants of its eligible subsidiaries who are capable of contributing significantly to the successful performance of the Company. The Compensation Committee administers the 1996 Equity Incentive Plan and selects the participants and establishes the terms and conditions of each option or other equity right granted under the 1996 Equity Incentive Plan including the exercise price, the number of shares subject to options or other equity rights and the time(s) at which such options become exercisable. Subject to certain limitations the Compensation Committee may delegate to one or more executive officers of the Company the power to make awards to participants who are not subject to Section 16 of the Securities Exchange Act of 1934 or "covered employees" for purposes of Section 162(m) of the Internal Revenue Code. The Compensation Committee has authorized the Chief Financial Officer to grant options to purchase shares of Class A common stock to each such participant.

The exercise price of all "incentive stock options" ("ISOs") within the meaning of Section 422 of the Internal Revenue Code granted under the 1996 Equity Incentive Plan must be at least equal to 100% of the fair market value of the option shares on the date of grant. The term of any ISO granted under the 1996 Equity Incentive Plan may not exceed ten years.

As of March 30, 2001, approximately 2,700 employees of the Company and its affiliates were eligible to participate in the 1996 Equity Incentive Plan. The closing price of the Company's Class A common stock as reported on the Nasdaq National Market on March 30, 2001 was \$36.75.

12

### 1996 EQUITY INCENTIVE PLAN ACTIVITY

As of March 30, 2001, options to purchase an aggregate of 4,798,000 shares of Class A common stock had been granted under the 1996 Equity Incentive Plan, of which options to purchase 279,008 shares had been cancelled and options to purchase 1,670,995 shares had been exercised. As of such date, 481,008 shares remained available for the of awards under the 1996 Equity Incentive Plan. No stock appreciation rights or awards other than option grants have been granted under the 1996 Equity Incentive Plan to date.

### FEDERAL INCOME TAX CONSEQUENCES RELATING TO STOCK OPTIONS

**Incentive Stock Options.** An optionee does not realize taxable income upon the grant or exercise of an ISO under the 1996 Equity Incentive Plan. If no disposition of shares issued to an optionee pursuant to the exercise of an ISO is made by the optionee within two years from the date of grant or within one year from the date of exercise, then (a) upon sale of such shares, any amount realized in excess of the option price (the amount paid for the shares) is taxed to the optionee as a capital gain and any loss sustained will be a capital loss and (b) no deduction is allowed to the Company for Federal income tax purposes. The exercise of ISOs gives rise to an adjustment in computing alternative minimum taxable income that may result in alternative minimum tax liability for the optionee.

If shares of common stock acquired upon the exercise of an ISO are disposed of prior to the expiration of the two-year and one-year holding periods described above (a "disqualifying disposition") then (a) the optionee realizes ordinary income in the year of disposition in an amount equal to the excess (if any) of the fair market value of the shares at exercise (or, if less, the amount

## Edgar Filing: LAMAR ADVERTISING CO/NEW - Form DEF 14A

realized on a sale of such shares) over the option price thereof and (b) the Company is entitled to deduct such amount. Any further gain realized is taxed as a capital gain and does not result in any deduction to the Company. A disqualifying disposition in the year of exercise will generally avoid the alternative minimum tax consequences of the exercise of an ISO.

Nonstatutory Stock Options. No income is realized by the optionee at the time a nonstatutory option is granted. Upon exercise, (a) ordinary income is realized by the optionee in an amount equal to the difference between the option price and the fair market value of the shares on the date of exercise and (b) the Company receives a tax deduction for the same amount. Upon disposition of the shares, appreciation or depreciation after the date of exercise is treated as a capital gain or loss and will not result in any deduction by the Company.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THIS PROPOSAL.

### ITEM 3 PROPOSAL TO APPROVE AN AMENDMENT TO 1996 EQUITY INCENTIVE PLAN REGARDING MAXIMUM ANNUAL GRANTS

In August 2000, the Board of Directors voted, subject to stockholder approval, to amend the 1996 Equity Incentive Plan to limit the maximum number of shares of common stock that may be granted as restricted or unrestricted stock awards to any participant in any calendar year to 300,000. If this limit is approved by the stockholders, then awards under this provision made to the Company's chief executive

13

officer and its other four most highly paid officers will not be subject to the limits on the Company's ability to deduct compensation paid to these persons under Section 162(m) of the Internal Revenue Code of 1986, as amended. The Board of Directors believes that it is advisable to give the stockholders an opportunity to approve this amendment so that the Company maximizes its ability to deduct executive compensation. If the stockholders are opposed to the proposal, the Board of Directors will reconsider the amendment. The Company believes that the amendment is advisable and sets an appropriate cap on annual grants to individual participants, while providing the Company with increased flexibility in executive compensation. Please refer to the "Compensation Committee Report on Executive Compensation - Deductible Limit for Executive Compensation" above for a further description of the Section 162(m) deduction limit for executive compensation. A detailed description of the 1996 Equity Incentive Plan is set forth in Item 2 above.

### VOTES REQUIRED

Abstentions and broker non-votes will not be treated as votes cast for the purpose of determining the outcome of the vote on this proposal.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THIS PROPOSAL.

### ITEM 4 PROPOSAL TO APPROVE AN AMENDMENT TO THE 1996 EQUITY INCENTIVE PLAN REGARDING PERFORMANCE GOALS

In August 2000, the Board of Directors voted, subject to stockholder approval, to amend the 1996 Equity Incentive Plan to allow the Compensation Committee of the Board of Directors to establish performance goals for the granting of restricted stock or unrestricted stock awards. Such performance goals may be based on earnings per share, revenues, sales or expense targets of the Company or any subsidiary, or stock price. If these performance goals are approved by the stockholders, then performance-based awards made to the Company's chief executive officer and its other four most highly paid officers will not be subject to the limits on the Company's ability to deduct compensation paid to these persons under Section 162(m) of the Internal Revenue Code of 1986, as amended. The Board of Directors believes that it is advisable to give the stockholders an opportunity to approve this amendment so that the Company maximizes its ability to deduct executive compensation. If the stockholders are opposed to the proposal, the Board of Directors will reconsider the amendment. The Company believes that the amendment is advisable and provides the Company with increased flexibility in executive compensation. Please refer to the "Compensation Committee Report on Executive Compensation - Deductible Limit for Executive Compensation" above for a further description of the Section 162(m) deduction limit for executive compensation. A detailed description of the 1996 Equity Incentive Plan is set forth in Item 2 above.

#### VOTES REQUIRED

The affirmative vote of a majority of the total votes properly cast on this proposal will constitute the approval of the proposed amendment to the 1996 Equity Incentive Plan. Abstentions and broker non-votes will not be treated as votes cast for the purpose of determining the outcome of the vote on this proposal.

LAMAR ADVERTISING COMPANY  
1996 EQUITY INCENTIVE PLAN  
(as amended through August 2000)

1. PURPOSE

The purpose of the Lamar Advertising Company 1996 Equity Incentive Plan (the "Plan") is to attract and retain directors, key employees and consultants of the Company and its Affiliates, to provide an incentive for them to achieve long-range performance goals, and to enable them to participate in the long-term growth of the Company by granting Awards with respect to the Company's Class A Common Stock (the "Common Stock"). Certain capitalized terms used herein are defined in Section 9 below.

2. ADMINISTRATION

The Plan shall be administered by the Committee. The Committee shall select the Participants to receive Awards and shall determine the terms and conditions of the Awards. The Committee shall have authority to adopt, alter and repeal such administrative rules, guidelines and practices governing the operation of the Plan as it shall from time to time consider advisable, and to interpret the provisions of the Plan. The Committee's decisions shall be final and binding. To the extent permitted by applicable law, the Committee may delegate to one or more executive officers of the Company the power to make Awards to Participants who are not Reporting Persons or Covered Employees and all determinations under the Plan with respect thereto, provided that the Committee shall fix the maximum amount of such Awards for all such Participants and a maximum for any one Participant.

3. ELIGIBILITY

All directors, employees and consultants of the Company or any Affiliate capable of contributing significantly to the successful performance of the Company, other than a person who has irrevocably elected not to be eligible, are eligible to be Participants in the Plan. Incentive Stock Options may be granted only to persons eligible to receive such Options under the Code.

4. STOCK AVAILABLE FOR AWARDS

(a) AMOUNT. Subject to adjustment under subsection (b), Awards may be made under the Plan for up to 5,000,000 shares of Common Stock. If any Award expires or is terminated unexercised or is forfeited or settled in a manner that results in fewer shares outstanding than were awarded, the shares subject to such Award, to the extent of such expiration, termination, forfeiture or decrease, shall again be available for award under the Plan. Common Stock issued through the assumption or substitution of outstanding grants from an acquired company shall not reduce the shares available for Awards under the Plan. Shares issued under the Plan may consist in whole or in part of authorized but unissued shares or treasury shares.

(b) ADJUSTMENT. In the event that the Committee determines that any stock dividend, extraordinary cash dividend, recapitalization, reorganization, merger, consolidation, split-up, spin-off, combination, exchange of shares or other

## Edgar Filing: LAMAR ADVERTISING CO/NEW - Form DEF 14A

transaction affects the Common Stock such that an adjustment is required in order to preserve the benefits intended to be provided by the Plan, then the Committee (subject in the case of Incentive Stock Options to any limitation required under the Code) shall equitably adjust any or all of (i) the number and kind of shares in respect of which Awards may be made under the

B-1

Plan, (ii) the number and kind of shares subject to outstanding Awards and (iii) the exercise price with respect to any of the foregoing, and if considered appropriate, the Committee may make provision for a cash payment with respect to an outstanding Award, provided that the number of shares subject to any Award shall always be a whole number.

(c) LIMIT ON INDIVIDUAL GRANTS. The maximum number of shares of Common Stock subject to Options and Stock Appreciation Rights that may be granted to any Participant in the aggregate in any calendar year shall not exceed 300,000 shares and the maximum number of shares of Common Stock that may be granted as Restricted Stock or Unrestricted Stock Awards, with respect to which performance goals apply under Section 7 below, to any Participant in the aggregate in any calendar year shall not exceed 300,000, subject to adjustment under subsection (b).

### 5. STOCK OPTIONS

(a) GRANT OF OPTIONS. Subject to the provisions of the Plan, the Committee may grant options ("Options") to purchase shares of Common Stock (i) complying with the requirements of Section 422 of the Code or any successor provision and any regulations thereunder ("Incentive Stock Options") and (ii) not intended to comply with such requirements ("Nonstatutory Stock Options"). The Committee shall determine the number of shares subject to each Option and the exercise price therefor, which shall not be less than 100% of the Fair Market Value of the Common Stock on the date of grant with respect to Incentive Stock Options. Nonstatutory Stock Options may be granted at such prices as the Committee may determine. No Incentive Stock Options may be granted hereunder more than ten years after the effective date of the Plan.

(b) TERMS AND CONDITIONS. Each Option shall be exercisable at such times and subject to such terms and conditions as the Committee may specify in the applicable grant or thereafter. The Committee may impose such conditions with respect to the exercise of Options, including conditions relating to applicable federal or state securities laws, as it considers necessary or advisable.

(c) PAYMENT. No shares shall be delivered pursuant to any exercise of an Option until payment in full of the exercise price therefor is received by the Company. Such payment may be made in whole or in part in cash or, to the extent permitted by the Committee at or after the grant of the Option, by delivery of a note or other commitment satisfactory to the Committee or shares of Common Stock owned by the optionee, including Restricted Stock, or by retaining shares otherwise issuable pursuant to the Option, in each case valued at their Fair Market Value on the date of delivery or retention, or such other lawful consideration as the Committee may determine.

### 6. STOCK APPRECIATION RIGHTS

(a) GRANT OF SARS. Subject to the provisions of the Plan, the Committee may grant rights to receive any excess in value of shares of Common Stock over the exercise price ("Stock Appreciation Rights" or "SARs") in tandem with an Option (at or after the award of the Option), or alone and unrelated to an Option. SARs in tandem with an Option shall terminate to the extent that the related Option is exercised, and the related Option shall terminate to the extent that

## Edgar Filing: LAMAR ADVERTISING CO/NEW - Form DEF 14A

the tandem SARs are exercised. The Committee shall determine at the time of grant or thereafter whether SARs are settled in cash, Common Stock or other securities of the Company, Awards or other property, and may define the manner of determining the excess in value of the shares of Common Stock.

(b) EXERCISE PRICE. The Committee shall fix the exercise price of each SAR or specify the manner in which the price shall be determined. An SAR granted in tandem with an Option shall have an exercise price not less than the exercise price of the related Option. SARs granted alone and unrelated to an Option may be granted at such exercise prices as the Committee may determine.

B-2

### 7. STOCK AWARDS

(a) GRANT OF RESTRICTED OR UNRESTRICTED STOCK. Subject to the provisions of the Plan, the Committee may grant shares of Common Stock subject to forfeiture ("Restricted Stock") and determine the duration of the period (the "Restricted Period") during which, and the conditions under which, the shares may be forfeited to the Company and the other terms and conditions of such Awards. Shares of Restricted Stock may be issued for no cash consideration, such minimum consideration as may be required by applicable law or such other consideration as the Committee may determine. Shares of Restricted Stock may not be sold, assigned, transferred, pledged or otherwise encumbered, except as permitted by the Committee, during the Restricted Period. Shares of Restricted Stock shall be evidenced in such manner as the Committee may determine. Any certificates issued in respect of shares of Restricted Stock shall be registered in the name of the Participant and unless otherwise determined by the Committee, deposited by the Participant, together with a stock power endorsed in blank, with the Company. At the expiration of the Restricted Period, the Company shall deliver such certificates to the Participant or if the Participant has died, to the Participant's Designated Beneficiary. The Committee also may make Awards of shares of Common Stock that are not subject to restrictions or forfeiture, on such terms and conditions as the Committee may determine from time to time ("Unrestricted Stock").

(b) PERFORMANCE GOALS. The Committee may establish performance goals for the granting of Restricted Stock or Unrestricted Stock Awards or the lapse of risk of forfeiture of Restricted Stock. Such performance goals may be based on earnings per share, revenues, sales or expense targets of the Company or any subsidiary or division thereof, stock price, or such other business criteria as the Committee may determine. The achievement of the performance goals shall be determined by the Committee. Shares of Restricted Stock or Unrestricted Stock may be issued for no cash consideration, such minimum consideration as may be required by applicable law or such other consideration as the Committee may determine.

### 8. GENERAL PROVISIONS APPLICABLE TO AWARDS

(a) DOCUMENTATION. Each Award under the Plan shall be evidenced by a writing delivered to the Participant or agreement executed by the Participant specifying the terms and conditions thereof and containing such other terms and conditions not inconsistent with the provisions of the Plan as the Committee considers necessary or advisable to achieve the purposes of the Plan or to comply with applicable tax and regulatory laws and accounting principles.

(b) COMMITTEE DISCRETION. Each type of Award may be made alone, in addition to or in relation to any other Award. The terms of each type of Award need not be identical, and the Committee need not treat Participants uniformly. Except as otherwise provided by the Plan or a particular Award, any determination with respect to an Award may be made by the Committee at the time of grant or at any

time thereafter.

(c) DIVIDENDS AND CASH AWARDS. In the discretion of the Committee, any Award under the Plan may provide the Participant with (i) dividends or dividend equivalents payable (in cash or in the form of Awards under the Plan) currently or deferred with or without interest and (ii) cash payments in lieu of or in addition to an Award.

(d) TERMINATION OF EMPLOYMENT. The Committee shall determine the effect on an Award of the disability, death, retirement or other termination of employment of a Participant and the extent to which, and the period during which, the Participant's legal representative, guardian or Designated Beneficiary may receive payment of an Award or exercise rights thereunder.

(e) CHANGE IN CONTROL. In order to preserve a Participant's rights under an Award in the event of a change in control of the Company (as defined by the Committee), the Committee in its

discretion may, at the time an Award is made or at any time thereafter, take one or more of the following actions: (i) provide for the acceleration of any time period relating to the exercise or payment of the Award, (ii) provide for payment to the Participant of cash or other property with a Fair Market Value equal to the amount that would have been received upon the exercise or payment of the Award had the Award been exercised or paid upon the change in control, (iii) adjust the terms of the Award in a manner determined by the Committee to reflect the change in control, (iv) cause the Award to be assumed, or new rights substituted therefor, by another entity, or (v) make such other provision as the Committee may consider equitable to Participants and in the best interests of the Company.

(f) TRANSFERABILITY. In the discretion of the Committee, any Award may be made transferable upon such terms and conditions and to such extent as the Committee determines, provided that Incentive Stock Options may be transferable only to the extent permitted by the Code. The Committee may in its discretion waive any restriction on transferability.

(g) LOANS. The Committee may authorize the making of loans or cash payments to Participants in connection with the grant or exercise any Award under the Plan, which loans may be secured by any security, including Common Stock, underlying or related to such Award (provided that the loan shall not exceed the Fair Market Value of the security subject to such Award), and which may be forgiven upon such terms and conditions as the Committee may establish at the time of such loan or at any time thereafter.

(h) WITHHOLDING TAXES. The Participant shall pay to the Company, or make provision satisfactory to the Committee for payment of, any taxes required by law to be withheld in respect of Awards under the Plan no later than the date of the event creating the tax liability. The Company and its Affiliates may, to the extent permitted by law, deduct any such tax obligations from any payment of any kind otherwise due to the Participant hereunder or otherwise. In the Committee's discretion, the minimum tax obligations required by law to be withheld in respect of Awards may be paid in whole or in part in shares of Common Stock, including shares retained from the Award creating the tax obligation, valued at their Fair Market Value on the date of delivery.

(i) FOREIGN NATIONALS. Awards may be made to Participants who are foreign nationals or employed outside the United States on such terms and conditions different from those specified in the Plan as the Committee considers necessary or advisable to achieve the purposes of the Plan or to comply with applicable

laws.

(j) AMENDMENT OF AWARD. The Committee may amend, modify or terminate any outstanding Award, including substituting therefor another Award of the same or a different type, changing the date of exercise or realization and converting an Incentive Stock Option to a Nonstatutory Stock Option. Any such action shall require the Participant's consent unless:

(i) In the case of a termination of, or a reduction in the number of shares issuable under, an Option, any time period relating to the exercise of such Option or the eliminated portion, as the case may be, is waived or accelerated before such termination or reduction (and in such case the Committee may provide for the Participant to receive cash or other property equal to the net value that would have been received upon exercise of the terminated Option or the eliminated portion, as the case may be); or

(ii) In any other case, the Committee determines that the action, taking into account any related action, would not materially and adversely affect the Participant.
