11. OPINION ON THE PROPOSALS THAT THE BOARD OF DIRECTORS INTENDS TO SUBMIT TO THE ANNUAL ORDINARY GENERAL MEETING OF THE SHAREHOLDERS

The Board of Directors of the Company, at its meeting No. **346** held on March 8, 2017, decided to request the opinion of the Audit Committee, in accordance with section 110, subsections a) and e) of Law 26,831 and Section 10A of the U.S. Securities Exchange Act, on the proposals that the Board of Directors intends to submit for consideration to the Annual Ordinary General Meeting of the Shareholders.

The proposals formulated are included below:

- The proposal to allocate the aggregate compensation of \$36,900,000 to the members of the Board of Directors serving during Fiscal Year 2016 (from April 29, 2016 through the date of the Shareholders Meeting that would consider their compensation) and to empower the Board of Directors to distribute such amount among its members.
- 1) The abovementioned amount includes the fees for the performance of the Directors' duties and participation in the various Board Committees, as well as compensation for the technical and administrative functions served by a Director under employment contract.

The proposed amount represents 0.92% of Fiscal Year 2016 accountable earnings, calculated according to section 3, Chapter III, Title II of the Rules of the *Comision Nacional de Valores* (CNV) (N.T. 2013).

Furthermore, it is proposed that the Board of Directors be authorized to make advance

payments to the directors who will serve during Fiscal Year 2017 (from the date of the shareholders meeting that considers this matter through the date of the meeting that reviews Fiscal Year 2017 documents), in compliance with the provisions of the General Corporations Law, and contingent upon the decision of the Shareholders Meeting that considers the financial statements of such fiscal year.

2) The proposal to pay Price Waterhouse & Co. S.R.L., (“PwC”) for its services as External Independent Auditors of Telecom Argentina’s financial statements for Fiscal Year 2017, the amount of \$13,200,000 without VAT, broken down into \$6,600,000 for financial statement audit tasks, and \$6,600,000 for audit tasks related to the certification under Section 404 of the Sarbanes Oxley Act.

3) The proposal to appoint Price Waterhouse & Co. S.R.L. as Independent Auditors of the financial statements for the fiscal year ending on December 31, 2017, where Marcelo Daniel Pfaff would act as the regular certifying accountant and Walter Rafael Zablocky as his alternate. This proposal is formulated in accordance with the resolution of the Ordinary and Extraordinary Meeting held on April 29, 2016, which approved the extension of the turnover term for independent auditors for a term of up to three years, in accordance with CNV Resolution No 639/2015.

The Audit Committee has also been asked to report the amount of expenses assigned to its operation and training activities during Fiscal Year 2016 to be reported to the Shareholders Meeting, and perform an assessment of the funds it considers necessary to carry out its duties during Fiscal Year 2017, in order to request the Shareholders’ Meeting to approve the respective budget.

Opinion on the Proposal of compensation to the members of the Board of Directors acting during Fiscal Year 2016 and advance payments to those who shall serve in 2017

The Board of Directors submitted to the Audit Committee’s prior opinion the proposal that it would submit to the Shareholders, to assign to the directors acting in Fiscal Year 2016 (from April 29, 2016 until the date of the meeting that reviews their compensation) the aggregate compensation of \$36,900,000. Furthermore, it is proposed that the Shareholders’ Meeting should delegate to the Board of Directors the authority to distribute such amount among its members. The abovementioned amount includes the fees for the performance of Directors’ duties and participation in the various Board Committees, as well as compensation for the technical and

administrative functions served by a Director under employment contract.

In order to evaluate such proposal, the members of the Audit Committee have considered the following:

- a) the number of members of the Board of Directors (11 regular members and 11 alternate members), their roles, responsibilities and dedication to their functions;
the participation of members of the Board of Directors in several committees (Audit Committee, Regulatory Compliance Committee, Steering Committee and Operations Committee) which demand high professionalism and many hours of work, and involve a high level of responsibility; additionally, the compensation for technical and administrative tasks by a Director under employment contract has been considered;
- b) the consistency of this proposal with those submitted in previous fiscal years;
the updated survey conducted on the *Autopista de Informacion Financiera* of the *Comision Nacional de Valores*, “CNV”, regarding remunerations paid to directors of other companies similar to Telecom Argentina during the last
- d) fiscal year, as reported by such companies. Such survey shows that the fees proposed for Telecom Argentina’s directors, as a whole, are consistent with the average amounts paid by such organizations and by Telecom Argentina in previous years;
- e) the fact that total amount of fees proposed represents a small percentage (0.92%) of accountable earnings for Fiscal Year 2016, calculated according to CNV Rules.

Based on the above, it is agreed that the total remuneration of \$36,900,000 proposed by the Board of Directors for directors acting during Fiscal Year 2016 from April 29, 2016 through the date of the Shareholders’ Meeting reviewing its compensation is reasonable (under the terms of section 2 subsection d of Chapter III, Title II, of CNV Rules). The factors considered include the number of directors and their responsibilities, representation, and technical tasks as members of several Board committees; the technical and administrative tasks performed by a Director under employment contract; the dedication to the role, competence and professional reputation of directors, and the market value of their services. Furthermore, the proposal does not involve any infringement of any legal, regulatory or statutory provision applicable to the Company.

The Audit Committee also considers reasonable, according to market practices, the proposal to authorize the Board of Directors to make advance payments to those directors acting during Fiscal Year 2017 (from the date of the shareholders meeting that considers this matter through the date of the meeting that reviews Fiscal Year 2017 documents), in compliance with the provisions of the General Corporations Law, and contingent upon the decision of the Shareholders Meeting that considers the financial statements of such fiscal year.

2) Opinion on the Proposal of Fees payable to the Independent Auditors for Fiscal Year 2016

The Board of Directors has requested the opinion of the Audit Committee on the proposal it intends to submit to the Shareholders regarding the fees to be paid to Price Waterhouse & Co. S.R.L., for their services as Independent Auditors of the financial statements of Telecom Argentina for fiscal year 2016. The proposal to be submitted at the Shareholders' Meeting provides for the payment of \$13,200,000 without VAT, of which \$6,600,000 are fees for financial statement audit tasks and \$6,600,000 are fees for the audit activities performed in connection with the certification under Section 404 of the Sarbanes Oxley Act.

The Audit Committee considers that the amount of \$6,600,000 that the Board of Directors would propose to the Shareholders' Meeting as compensation for the financial statement audit tasks performed by the Independent Auditors during fiscal year 2016 is reasonable and consistent with the importance, magnitude and quality of the tasks performed, and is within the range of the fees approved by other listed companies similar to Telecom Argentina.

Likewise, taking into account the complexity of the task and the specialization required for the Independent Auditors to perform the audit in respect of the certification under Section 404 of the Sarbanes Oxley Act, the Audit Committee concludes that the amount of \$6,600,000 that the Board of Directors will propose to the Shareholders' Meeting as remuneration for audit tasks perform is also deemed reasonable.

3) Opinion on the Proposal to Appoint the Independent Auditors for Fiscal Year 2017

The Board will propose to the General Meeting the appointment of Price Waterhouse & Co. S.R.L. as Independent Auditors of the financial statements for the fiscal year ending on December 31, 2017, where Marcelo Daniel Pfaff would act as the regular certifying accountant and Walter Rafael Zablocky as his alternate. This proposal is formulated consistently with the resolution of the Ordinary and Extraordinary Meeting held on April 29, 2016, which approved the extension of the turnover term for independent auditors for a term of up to three years, in accordance with CNV Resolution No 639/2015.

In early 2016, the Audit Committee conducted an evaluation of the background and performance of Price Waterhouse & Co. S.R.L. ("PwC"), the current external independent auditors, in order to issue a substantiated opinion as required by section 28 subsection c), Section VI, Chapter 111, Title II of the Standards (N.T. 2013 and amendments) of the CNV.

The assessment conducted on this occasion was based mainly on the knowledge of the background and performance of the firm, as part of the Audit Committee's activities of annual oversight and evaluation of external auditors with the aim to achieve reliability in the financial information that the Company provides to regulatory entities, investors, and markets.

Additionally, as part of the assessment process, the Committee interacted with the Company's Management, the Internal Audit Department and other professionals, managers and directors in the organization who are in touch with the signing partner and with other members of the PwC audit team. The goal was to gather views on the firm's performance, which, jointly with the Audit Committee's own analysis and evaluation, led to an opinion, reaching a conclusion on the performance of the abovementioned professional firm.

Additionally, in the conduct of the Audit Committee's day-to-day oversight of the external audit function, it has been verified that the audit team has a proper understanding of the Company's business, its operations, the telecommunications industry and the impact that relevant industry aspects and circumstances have on the Company's business. Additionally, its staff, both the audit and the support teams, at national and international level, have deep knowledge of its systems and business processes, in particular, the financial reporting process.

Another element considered in the analysis and evaluation of the work team is the adequate interaction and communication with the Audit Committee. In this regard, PwC's audit team and, in particular, the partners in charge of leading the assignment have kept frequent and open communication with this Committee. The quality of communications, the drafting of audit findings, and their timely execution have also been considered in our evaluation of PwC's performance.

To summarize, PwC is a renowned local and international firm with a vast and outstanding professional record, and its procedures meet high levels of quality and independence from audited companies. Additionally, it is deeply knowledgeable of the business of the Telecom Argentina Group and of its administrative and internal control structure.

Therefore, the Audit Committee, based on the background of the proposed firm, considering its performance in previous years and the abovementioned considerations, unanimously resolved to submit to the Board a favorable opinion on the proposal to appoint PwC as External Independent Auditors for the Fiscal Year 2017.

Audit Committee Expenses - 2016 Report and 2017 Budget

The Board of Directors requested the Audit Committee to report the expenses incurred in its operation and training activities in Fiscal Year 2016, and to estimate the amount that it considers necessary to carry out its activities in 2017, in order to request the approval by the Shareholders' Meeting of the relevant budget.

Mr. Cazzasa submitted a report on the expenses incurred by the Committee from May 2016 through April 2017, segregating those already incurred and those to be accrued until the closing of such budget period. The members of the Committee reviewed the different items included in the report, which showed aggregate expenses of \$1,011,038 for such period.

Continuing with discussions concerning the budget, in view of the activities performed during the previous fiscal year, the training and advisory needs estimated for the current year, and the hiring of services required for the effective performance of its tasks and responsibilities, as well as the general evolution of costs, the members of the Audit Committee resolved to request the Shareholders' Meeting to approve an operating budget of \$3,400,000 for Fiscal Year 2017.

A copy of the expense report submitted by Mr. Cazzasa and of the directors' fees survey in the '*Autopista de Información Financiera*' were included in the folder with supporting and background documentation of the matters discussed by the Committee.

There being no further business to transact, it was unanimously resolved that the Chairman, Mr. Esteban G. Macek, sign this document on behalf of the Audit Committee and forward it to the Board of Directors of Telecom Argentina S.A.
