The General Partner serves as the sole general partner of the Fund. Adam Kauffman, Steven Graham and Rajinder Singh directly or indirectly manage or advise the General Partner. Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer.

The information set forth in Items 3 and 4 is incorporated herein by reference.

On June 28, 2013, the Company and its wholly-owned subsidiary, Lakeland Protective Wear Inc. (collectively with the Company, the Borrowers), entered into a Loan and Security Agreement (the "Senior Loan Agreement") with AloStar Business Credit, a division of AloStar Bank of Commerce, a state banking institution formed under Alabama law. The Senior Loan Agreement provides the Borrowers with a three year \$15 million revolving line of credit, at a variable interest rate based on LIBOR, with a first priority lien on substantially all of the United States and Canada assets of the Company.

On June 28, 2013, the Borrowers also entered into a Loan and Security Agreement (the Subordinated Loan Agreement) with the Lender. The Subordinated Loan Agreement provides for a \$3.5 million term loan to be made to the Borrowers and a second priority lien on substantially all of the assets of the Company in the United States and Canada, except for a first lien on a Mexican facility. Pursuant to the Subordinated Loan Agreement, among other things, Borrowers issued to the Lender a five year term loan promissory note (the "Note"). At the election of the Lender, interest under the Note may be paid in cash, by payment in kind (PIK) in additional notes or payable in shares of Common Stock of the Company (the "Interest Shares"). If shares of Common Stock are used to make interest payments on the Note, the number of Interest Shares will be based upon 100% of an average of the then current market value of

the Common Stock, subject to the limitations set forth in the Subordinated Loan Agreement. In connection with this transaction, the Lender received a common stock purchase warrant (the Warrant) to purchase up to 566,015 shares of Common Stock (subject to adjustment), representing beneficial ownership of approximately 9.6% of the outstanding Common Stock of the Company, as of the closing of the transactions contemplated by the Subordinated Loan Agreement.

Cusip No. 511795106

The Warrant, which is exercisable in whole or in part at any time within five years of June 28, 2013, is subject to customary anti-dilution adjustment provisions, including for issuances of Common Stock or Common Stock equivalents at a price less than \$5.00 per share, computed on a weighted average basis; provided, that in order to comply with the rules and regulations of The NASDAQ Global Market, and regardless of whether or not the Common Stock is traded thereon, the Company shall not issue any shares of Common Stock upon exercise of the Warrant if the issuance of such shares of Common Stock would, when added to the aggregate number of shares of Common Stock previously issued upon the exercise of the Warrant and as Interest Shares pursuant to the Subordinated Loan Agreement, exceed in the aggregate 1,068,506 shares of Common Stock (appropriately adjusted for any stock split, reverse stock split, stock dividend or other reclassification or combination of the Common Stock occurring after the closing date). The Company is allowed to issue up to 500,000 shares without triggering this provision, to allow for restricted shares and other new compensatory issuances.

Pursuant to the terms of a Registered Rights Agreement dated as of June 28, 2013 between the Company and the Lender, the Company also committed to filing with the Securities and Exchange Commission a registration statement covering the shares issuable in connection with the subordinated loan transaction within 90 days of the closing date (June 28, 2013) and to have it effective no later than 180 days from the closing date. In addition, as described in more detail in Item 4 above, the Lender will have the right to designate one board member or a board observer, subject to certain conditions.

The descriptions of the transactions and agreements set forth in this Schedule 13D are qualified in their entirety by reference to the complete agreements governing such matters, each of which are incorporated by reference to this Schedule 13D as exhibits pursuant to Item 7 hereof.

Except as otherwise described herein, no contracts, arrangements, understandings or similar relationships exist with respect to the securities of the Company between the persons identified on Item 2, or any other person or entity controlled by the Reporting Persons, or any person or entity for which the Reporting Persons possess voting or investment control, and any other person or entity.
