INFORMATION REQUIRED IN THE REGISTRATION STATEMENT

Item 3. Incorporation of Documents by Reference.

The following documents, which have been filed by CenturyTel, Inc. (the "Company") with the Securities and Exchange Commission (the "Commission"), are incorporated herein by reference:

- (a) The Company s latest Annual Report on Form 10-K filed pursuant to Section 13 of the Securities Exchange Act of 1934 (the "Exchange Act"); and
- (b) All other reports filed by the Company with the Commission pursuant to Section 13(a) or 15(d) of the Exchange Act since the end of the fiscal year covered by the Annual Report referred to in (a) above.

All documents filed by the Company with the Commission pursuant to Sections 13(a), 13(c), 14 and 15(d) of the Exchange Act subsequent to the date of this Registration Statement and prior to the filing of a post-effective amendment hereto that indicates that all securities offered have been sold or that deregisters all securities then remaining unsold shall, except to the extent otherwise provided by Regulation S-K or any other rule promulgated by the Commission, be deemed to be incorporated by reference in this Registration Statement and to be part hereof from the date of filing of such documents. Any statements contained in a document incorporated or deemed to be incorporated by reference shall be deemed to be modified or superseded to the extent that a statement contained herein or in any other document subsequently filed or incorporated by reference herein modifies or supersedes such statement. Any statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute a part of this Registration Statement.

The following description of the securities offered hereby is qualified by reference to the Registrant s Supplemental Dollars & Sense Plan (the "Plan"), filed as an exhibit to this Registration Statement.

Under the Plan, the Registrant will provide eligible employees with the opportunity to defer a specified percentage of their future cash compensation. The obligations of the Registrant under the Plan, as described below (collectively, the "Obligations"), will be unsecured general obligations of the Registrant to pay the deferred compensation in the future in accordance with the terms of the Plan, and will rank equally with other unsecured and unsubordinated indebtedness of the Registrant from time to time outstanding and payable from the general assets of the Registrant.

The amount of salary and bonus to be deferred by each participating employee (a "Participant") and the related matching contribution of the Participant s employer will be

II-1

determined in accordance with the Plan based on elections by each Participant. This Registration Statement relates to \$6,000,000 in deferred compensation. Each Obligation will be treated as invested in one or more investment funds chosen by each Participant from a list of investment funds designated by the Company. The Obligations will be

adjusted to reflect the investment experience, whether positive or negative, of the selected investment fund(s), including any appreciation or depreciation. The Obligations will be payable to participants upon termination of employment.

The Plan is not required to be funded and the amount of compensation deferred by each Participant is subject to all the risks of the Registrant s business and may be deposited, invested or expended in any manner whatsoever by the Registrant. The Registrant has chosen to establish a "rabbi trust" (the "Trust") for the purpose of funding the Obligations and T. Rowe Price Trust Company currently serves as trustee. Participants and their beneficiaries, however, have no secured interest or special claim to the assets of the trust, which are subject to the payment of claims of creditors of the Company upon the insolvency or bankruptcy of the Company.

The Obligations are not subject to redemption, in whole or in part, prior to payment following termination of employment of Participants, although the Obligations could be redeemed in case of termination of the Plan. The Registrant reserves the right to amend or terminate the Plan at any time, except that no such amendment or termination shall impair the rights of a Participant previously accrued.

The Obligations are not convertible into another security of the Registrant. The Obligations will not have the benefit of any affirmative or negative covenant on the part of the Registrant. The trustee of the Trust does not have the authority to take action with respect to the Obligations and each Participant will be responsible for acting independently with respect to, among other things, the making of elections and the giving of notices.

Not applicable.

Section 83 of the Louisiana Business Corporation Law provides in part that the Company may indemnify any of its directors, officers, employees or agents against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with any action, suit or proceeding to which he is or was a party or is threatened to be made a party (including any action by or in the right of the Company) if such action arises out of his acts on the Company's behalf, and he acted in good faith not opposed to the Company's best interests, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. The Company has the power to obtain and maintain insurance, or to create a form of self-insurance, on behalf of any person who is or was acting for the Company, regardless of whether the Company has the legal authority to indemnify the insured person against such liability.

II-2

Article II, Section 10 of the Company's by-laws (the "indemnification by-law") provides for mandatory indemnification for its current or former directors and officers to the fullest extent permitted by Louisiana law.

The Company's Articles of Incorporation authorize the Company to enter into contracts with its directors and officers providing for indemnification to the fullest extent permitted by law. The Company has entered into indemnification contracts providing its directors and officers the procedural and substantive rights to indemnification currently set forth in the indemnification by-law ("indemnification contracts"). The right to indemnification provided by an indemnification contract applies to all covered claims, whether such claims arose before or after the effective

date of the contract.

The Company maintains an insurance policy covering the liability of its directors and officers for actions taken in their official capacities. The indemnification contracts provide that, to the extent insurance is reasonably available, the Company will maintain comparable insurance coverage for each contracting party as long as he serves as an officer or director and thereafter for so long as he is subject to possible personal liability for actions taken in such capacity. The indemnification contracts also provide that if the Company does not maintain comparable insurance, the Company will hold harmless and indemnify a contracting party to the full extent of the coverage that would otherwise have been provided for his benefit.
