Exhibit 99.1

Press Release

July 15, 2005

LCNB CORP. REPORTS FINANCIAL RESULTS FOR
THE SIX MONTHS ENDED JUNE 30, 2005

LCNB Corp. announced today its financial results for the first half of 2005. These results included growth in total assets of \$39.9 million or 7.9%, from \$503.2 million at June 30, 2004 to \$543.1 million at June 30, 2005. Loans increased \$20.2 million or 6.1%, from \$328.3 million at June 30, 2004 to \$348.5 million at June 30, 2005, and bank owned life insurance increased \$10.3 million. The loan growth was primarily due to growth in the real estate mortgage loan and commercial loan portfolios. LCNB did not hold bank owned life insurance during the first half, 2004. Funding the asset growth was a \$40.8 million or 9.2% increase in total deposits. The deposit growth was primarily in NOW accounts and certificate of deposit accounts.

Assets under management include LCNB's corporate assets discussed above, the trust and brokerage businesses, mortgage loans serviced for others, and business cash management accounts. Total assets under management grew \$62.1 million or 8.0%, from \$772.3 million at June 30, 2004 to \$834.4 million at June 30, 2005. In addition to the \$39.9 million growth in LCNB's assets, the trust business grew by \$14.9 million or 8.5% and brokerage accounts grew by \$13.3 million, or 75.2%. Brokerage accounts are offered through a partnership with UVEST Investment Services, Inc.

Net income for the first half of 2005 was \$3,098,000 or \$0.93 basic earnings per share, compared to \$3,218,000 or \$0.96 per share for the same period in 2004. Contributing \$350,000 in after-tax gain, or \$530,000 on a before-tax basis, to the 2004 results were gains from the sales of \$11.4 million in investment securities and approximately \$2.5 million in credit card receivables. No investment securities were sold during the first six months of 2005. Return on average assets (ROAA) and return on average equity (ROAE) for the six months ended June 30, 2005 were 1.18% and 11.92%, respectively. This compares with a ROAA of 1.28% and a ROAE of 12.25% for the six months ended June 30, 2004.

Edgar Filing: LCNB CORP - Form 8-K

Net interest income for the first half of 2005 was \$173,000 or 1.9% greater than for the first half of 2004. The increase was primarily due to the growth in LCNB's loan portfolio discussed above. Non-interest income for the first half of 2005 was \$316,000 greater than for the same period in 2004, excluding the investment security and credit card gains discussed above. The increase is primarily due to income from bank owned life insurance and service charges and fees. Non-interest expenses for the first half, 2005 were \$331,000 greater than for the first half, 2004 primarily due to increases in salaries and wages, pension, and health insurance costs. Also contributing on a smaller scale were increases in equipment, occupancy, marketing, and state franchise tax expenses.

As a result of LCNB's positive earnings and its stock repurchase program, LCNB's book value per share at June 30, 2005 was \$15.72, a 3.4% increase from \$15.21 at June 30, 2004. Dividends paid to shareholders for the first half of 2005 totaled \$0.58 per share, a 4.5% increase from total dividends of \$0.555 per share for the first half of 2004.

LCNB Corp. is a financial holding company headquartered in Lebanon, Ohio.
