EVERGREEN UTILITIES AND HIGH INCOME FUND

PROXY STATEMENT

This proxy statement is furnished in connection with the solicitation of proxies by and on behalf of the Board of Trustees of Evergreen Utilities and High Income Fund (the “Fund”) for use at the Annual Meeting of Shareholders (the “Meeting”) to be held at Evergreen Investments, 200 Berkeley Street, 26th Floor, Boston, Massachusetts 02116-5034, on December 15, 2006 at 10:30 a.m. Eastern time. The address of the principal office of the Fund is Evergreen Investments, 200 Berkeley Street, Boston, Massachusetts 02116-5034.

This proxy statement and the accompanying Notice of Annual Meeting and proxy card will be first sent to shareholders on or about October 30, 2006.

Proxy Solicitation and Other Meeting Information

All proxy cards which are properly executed and returned to the Fund will be voted as provided therein at the Meeting or at any adjournments thereof. A holder of either common or preferred shares (the “Shareholder”) executing and returning a proxy card has the power to revoke it at any time before it is exercised by giving written notice of such revocation to an officer of the Fund or by submitting a subsequent, validly executed proxy card. Signing and mailing the proxy card will not affect your right to execute a later proxy card or to attend the Meeting and vote your common shares or preferred shares (together, the “Shares”) in person.

The Board of Trustees intends to bring before the Meeting the matters set forth in the foregoing notice. The persons named in the enclosed proxy card and acting thereunder will vote in accordance with the directions of the Shareholders as specified on the proxy cards; if no choice is specified, the Shares will be voted FOR the election of the nominees named in the enclosed proxy card and IN FAVOR of the Sub-Advisory Agreement with Crow Point Partners, LLC. Shareholders holding either common shares or preferred shares of the Fund may vote on the election of Ms. Norris and Messrs. Salton and Wagoner. Only shareholders holding preferred shares of the Fund may vote on the election of Messrs. Pettit and Richardson. Shareholders holding any shares may vote on the Sub-Advisory Agreement with Crow Point Partners, LLC. If any other matters are properly presented at the Meeting for action, it is intended that the persons named in the enclosed proxy card and acting thereunder will vote in accordance with the views of management thereon. Abstentions and broker non-votes (i.e., Shares held by brokers or nominees as to which (i) instructions have not been received from the beneficial owners or the persons entitled to vote and (ii) the

broker or nominee does not have discretionary voting power on a particular matter) are counted as present for quorum purposes. The Fund's Second Amended and Restated Agreement and Declaration of Trust (the "Declaration") provides that the holders of thirty-three and a third percent (33 1/3%) of the Shares issued and outstanding and entitled to vote, present in person or by proxy, shall constitute a quorum for the transaction of business at the Meeting. With regard to the election of trustees, votes may be cast in favor or withheld. Abstentions, broker non-votes and votes that are withheld will be excluded entirely from the vote and will have no effect other than for quorum purposes. With regard to the sub-advisory agreement, abstentions and broker non-votes will have the effect of votes against the sub-advisory agreement. With respect to matters on which common and preferred shareholders vote together as a single class, each preferred share shall be entitled to the same number of votes as each common share (one vote per dollar of the common share's net asset value). On matters as to which the preferred shareholders vote separately, each preferred shareholder is entitled to one vote per preferred share. Any shareholder who has returned a properly executed proxy card has the right to revoke it at any time prior to its exercise by attending the Meeting and voting his or her Shares in person, by submitting a letter of revocation to the Trust at the above address prior to the date of the Meeting or by submitting a later-dated and properly executed proxy card to the Trust at the above address prior to the date of the Meeting.

In the event a quorum is not present at the Meeting or in the event that a quorum is present but sufficient votes to approve a proposal are not received, the persons named as proxies may propose one or more adjournments of the Meeting to permit further solicitation of proxies. The persons named as proxies will vote in favor of adjournment those proxies that they are entitled to vote in favor of the proposals. They will vote against any such adjournment those proxies required to be voted against the proposals. The Meeting, whether or not a quorum is present, may be adjourned from time to time by the vote of the majority of the Shares represented at the Meeting, either in person or by proxy; or in his or her discretion by the chair of the meeting. Abstentions and broker non-votes will not be voted on a motion to adjourn.

Any proposals for which sufficient favorable votes have been received by the time of the Meeting may be acted upon and considered final regardless of whether the Meeting is adjourned to permit additional solicitation with respect to any other proposal. In certain circumstances in which the Fund has received sufficient votes to approve a matter being recommended for approval by the Fund's Trustees, the Fund may request that brokers and nominees, in their discretion, withhold submission of broker non-votes in order to avoid the need for solicitation of additional votes in favor of the proposal.

The Fund will bear the typical costs associated with an annual proxy statement. Evergreen Investment Management Company, LLC ("EIMC"), the Fund's investment advisor, will bear any expenses beyond such expenses. Solicitation may be undertaken by mail, telephone, facsimile and personal contact. The Fund has engaged The Altman Group to solicit proxies from brokers, banks, other institutional holders and individual Shareholders for a fee of approximately \$3,500.00. The Annual Report of the Fund will be mailed, along with this proxy statement, to all Shareholders on or about October 30, 2006.

Voting Securities and Principal Holders Thereof

Holders of record of the Fund's Shares at the close of business on October 13, 2006 will be entitled to vote at the Meeting or any adjournment thereof to the extent set forth in this proxy statement. As of October 13, 2006, the Fund had outstanding XXX common shares and XXX preferred shares. Each holder of common shares will be entitled to

one vote for each dollar, and a fractional vote for each fraction of a dollar, of net asset value per share for each common share, as to any matter on which the common share is entitled to vote.

To the knowledge of the Fund, as of October 13, 2006, there was no beneficial owner of more than 5.00% of the common or preferred shares of the Fund.

As of October 13, 2006, the officers and Trustees of the Fund as a group beneficially owned in aggregate less than 1.00% of the common or preferred shares of the Fund and less than 1.00% of the outstanding securities of Wachovia Corporation (“Wachovia”), parent of EIMC.

I. ELECTION OF TRUSTEES (Proposal 1)

The Board has nominated five persons for election to the Fund’s Board of Trustees. Each of the nominees currently serves on the Fund’s Board of Trustees. Two of the nominees will be elected by a vote of the holders of the Fund’s preferred shares voting separately; the others will be elected by a vote of the common and preferred shareholders of the Fund voting together as a single class. In accordance with the Fund’s Declaration, the Trustees have been divided into three classes (each a “Class”): Class I, Class II and Class III. The present Trustees in each Class serve until the annual meeting in the year indicated, except in the case of Ms. Norris, whose initial term expires at the 2006 meeting: Class I, 2007, Class II, 2008 and Class III, 2006 or, if later, until their respective successors are elected and qualified. At each subsequent annual meeting, the persons elected to the Class of Trustees whose terms are expiring will be identified as being of that same Class and will generally be nominated for a three-year term. The effect of these staggered terms is to limit the ability of other entities or persons to acquire control of the Fund by delaying the replacement of a majority of the Board of Trustees. If any nominee for any reason becomes unable to serve, the persons named as proxies will vote for the election of such other person or persons as they believe will carry on the present policies of the Fund and as they deem to be qualified. The Board of Trustees has no reason to believe that any of the five nominees will be unable to serve.

The Board of Trustees of the Fund proposes the following nominees for election at the 2006 Meeting:

<u>Non-Interested Nominee Trustees</u>	<u>Class</u>	<u>Expiration of Term if Elected</u>
Patricia B. Norris	Class I	2007 Annual Meeting
William W. Pettit (only preferred shares voting)	Class III	2009 Annual Meeting
David M. Richardson (only preferred shares voting)	Class III	2009 Annual Meeting
Dr. Russell A. Salton, III	Class III	2009 Annual Meeting
<u>Interested Nominee Trustee</u>	<u>Class</u>	<u>Expiration of Term if Elected</u>
Richard K. Wagoner	Class III	2009 Annual Meeting

As described above, there are five nominees for election to the Board of Trustees at this time. Proxies cannot be voted for a greater number of persons than the five nominees currently proposed to serve on the Board of Trustees.

The Fund is supervised by a Board of Trustees that is responsible for representing the interests of shareholders. The Trustees meet periodically throughout the year to oversee the Fund's activities, reviewing, among other things, the Fund's performance and its contractual arrangements with various service providers. During the fiscal year ended August 31, 2006, the Board of Trustees held X regular meetings and X special meetings. Each Trustee attended at least 75% of the aggregate of the total number of meetings of the Board and Committee meetings on which he or she served.

The Fund has an Executive Committee which consists of K. Dun Gifford, Dr. Russell A. Salton, III

The Nominating Committee is responsible for nominating candidates for election to the Board of Trustees by the full Board of Trustees. The Committee may solicit suggestions for persons to fill vacancies on the Board of Trustees from such sources as it deems appropriate, including EIMC. The Committee will consider nominations for openings on the Board of Trustees from shareholders who have separately or as a group held for at least one full year at least 5% of the outstanding shares of a Fund. Shareholder recommendations should be sent to the attention of the Nominating Committee in care of the Fund's Secretary and should include biographical information, including the proposed nominee's business experience for the past ten years and a description of the qualifications of the proposed nominee, along with a statement from the proposed nominee that he or she is willing to serve and meets the requirements to be an Independent Trustee, if applicable.

The Fund has a 15(c) Committee which consists of Charles A. Austin III, K. Dun Gifford, Dr. Leroy Keith, Jr., Dr. Russell A. Salton, III, Richard Shima and the Chairman of the Committee, Michael S. Scofield. The 15(c) Committee is responsible for gathering relevant information to assist the full Board in fulfilling its obligations relating to the initial approval and renewal of advisory and distribution contracts pursuant to Section 15 of the 1940 Act. It may request information from and submit questions to the Fund's investment advisor and its affiliates in order for the full Board of Trustees to determine whether or not to enter into or renew Fund contracts.

The Qualified Legal Compliance Committee is responsible for the establishment of written procedures for the confidential receipt, retention and consideration of any report of evidence of a material violation of an applicable U.S. federal or state securities law, a material breach of a fiduciary duty arising under U.S. federal or state law, or a similar material violation of any U.S. federal or state law by a Fund or by any officer, Trustee, employee or agent of a Fund. The Committee is also responsible for determining whether an investigation is necessary regarding any report of evidence of a material violation. If it is determined that there has been a material violation, the Committee is responsible for informing the Fund's chief legal officer and chief executive officer and taking all other appropriate actions to respond to evidence of a material violation.

The Executive Committee also functions as the Nominating Committee. The members of the Executive Committee are "independent" as defined in the American Stock Exchange's listing standards. The Executive Committee Charter details the Nominating Committee functions. A copy of the Evergreen funds' Executive Committee Charter is attached as Exhibit A.

On June 17, 2004, the Board of Trustees approved a policy pursuant to which the Board of Trustees may consider nominees for election as Trustees. The policy states the minimum nominee qualifications, the process for identifying and evaluating trustee nominees and the process for considering nominees recommended by shareholders. The Evergreen funds' Policy for the Consideration of Trustee Nominees is attached as Exhibit B.

-

The Evergreen funds which are listed on the American Stock Exchange are required to hold an Annual Meeting of Shareholders. On March 18, 2004, the Board of Trustees approved a policy for Trustee attendance at annual shareholder meetings that encourages Trustees' attendance at each Annual Meeting of Shareholders in person or by video conference.

II. APPROVAL OF SUB-ADVISORY AGREEMENT WITH CROW POINT PARTNERS, LLC (Proposal 2)

The Sub-Advisor and Evaluation by the Trustees

Mr. Tim O'Brien serves as the portfolio manager of the Fund's assets allocated to utilities companies. Mr. O'Brien recently informed EIMC that he has joined a new investment management firm, Crow Point Partners, LLC ("Crow Point"), and that he will resign his position at EIMC in the near future to focus his efforts at that firm. Crow Point has agreed to serve as the sub-advisor to the portion of the Fund allocated by EIMC for investment in utilities companies, subject to shareholder approval, and Mr. O'Brien has agreed to remain an employee of EIMC and to manage the Fund's

assets allocated to utilities companies as an employee of EIMC until the Sub-Advisory Agreement (as defined below) has been presented to the shareholders of the Fund for approval. EIMC believes, in light of the investment performance of the Fund under Mr. O'Brien, that implementation of these arrangements is desirable and in the best interests of the Fund and its shareholders. In the event that shareholders do not approve the Sub-Advisory Agreement (as defined below), EIMC will replace Mr. O'Brien with another portfolio manager.

Crow Point is located at 10 The New Driftway, Scituate, MA 02066. Crow Point is wholly owned by M.D. Sass/Macquarie Financial Strategies, L.P., a joint venture among M.D. Sass Group ("M.D. Sass"), the Macquarie Group Timothy O'Brien and Peter J. DeCaprio. M.D. Sass is a New York based money management firm with \$8 billion in assets under management as of August 31, 2006. M.D. Sass/Macquarie Financial Strategies, L.P. and M.D. Sass are both located at 1185 Avenue of the Americas, New York, NY 10036. The Macquarie Group is a publicly traded Australian investment bank with \$111 billion in AUM as of August 31, 2006 and is located at 20 Bond Street, Level 22, Sydney, Australia 2000. Messrs. O'Brien and DeCaprio are Managing Directors of Crow Point.

Mr. O'Brien has been a portfolio manager with EIMC since 2002 and serves as a portfolio manager of the Fund. Mr. O'Brien also manages the Evergreen Utility and Telecommunications Fund. He was the lead portfolio manager for the Gabelli Utilities Fund from September 1999 until March 2002 and Eaton Vance Utilities from January 1995 until March 1999. Mr. O'Brien has been managing a portion of the Fund since 2004.

If the proposal is approved, Crow Point would be subject to the review and oversight of EIMC, which serves as investment advisor to the Fund pursuant to an investment advisory agreement dated March 18, 2004 (the "Advisory Agreement"). The Advisory Agreement was last approved by an action of the sole shareholder of the Fund on April 19, 2004. Under the Advisory Agreement, and subject to the supervision of the Fund's Board of Trustees, EIMC furnishes to the Fund investment advisory, management and administrative services, and office facilities in connection with its services for managing the investment and reinvestment of the Fund's assets. EIMC pays all expenses incurred by it in connection with the provision of its services.

For the reasons and based on an analysis of factors described below and upon the recommendation of EIMC at a meeting held on September 20-21, 2006, the Trustees of the Fund, including those Trustees that are not "interested persons" (the "Independent Trustees") as that term is defined in the Investment Company Act of 1940 (the "1940 Act") of the Fund, EIMC and Crow Point, unanimously approved the form of sub-advisory agreement with Crow Point and resolved to recommend that shareholders of the Fund approve the sub-advisory agreement with Crow Point. The Executive Committee of the Fund, acting on behalf of the Trustees, approved a revised form of sub-advisory agreement with Crow Point at a telephonic meeting held on October 3, 2006. The final form of sub-advisory agreement, attached hereto as Exhibit D (the "Sub-Advisory Agreement") will be proposed for formal approval at a meeting of the full Board of Trustees scheduled to be held on December 7 and 8, 2006, prior to implementation of the Sub-Advisory Agreement.

Under the Sub-Advisory Agreement, Crow Point would become responsible for day-to-day investment of a portion of the Fund's assets, subject to the supervision of EIMC and the Board of Trustees. EIMC, and not the Fund, would pay Crow Point's fees under the Sub-Advisory Agreement, and there would be no change in the advisory fees paid by the Fund to EIMC.

The Trustees noted that the purpose of the Sub-Advisory Agreement is to provide for the continuous management of the Fund's assets allocated to utilities companies by Mr. O'Brien. The material factors considered by the Trustees in approving the form of Sub-Advisory Agreement were:

the expected nature, extent and quality of services to be provided by Crow Point to the Fund, including the fact that the existing portfolio manager of the Utility Portion (as defined below) of the Fund is expected to continue managing that portion of the Fund under the Sub-Advisory Agreement;

the favorable investment performance of the Fund;

the fact that there would be no change in the advisory fees paid by the Fund compared to amounts paid under the Advisory Agreement;

the investment advisory experience and reputation of the personnel of Crow Point, including the fact that the current investment personnel of EIMC will continue managing the Fund; and

the depth of Crow Point's administrative support services.

In approving the Sub-Advisory Agreement, the Trustees did not consider profitability of Crow Point or the potential for the fund to achieve economies of scale through the fee structure because the Trustees determined that profitability and economies of scale were not relevant to its consideration of the Sub-Advisory Agreement since EIMC negotiated the sub-advisory fees with Crow Point, and EIMC will pay the sub-advisory fee to Crow Point out of its own advisory fees. Based on these and other factors, the Trustees approved the form of Sub-Advisory Agreement.

Terms of the Sub-Advisory Agreement

The following description of the Sub-Advisory Agreement is qualified entirely by reference to the Sub-Advisory Agreement, the form of which is attached as Exhibit D to this Proxy Statement. The Sub-Advisory Agreement provides that: (1) subject to the control and direction of the Board of Trustees of the Fund and the oversight of EIMC and the Board of Trustees, Crow Point is responsible for the day-to-day investment and reinvestment of the Fund's portfolio assets allocated from time to time by EIMC to the investment strategy that focuses on investment in utility companies (the "Utility Portion"), (2) EIMC will pay Crow Point at an annual rate of 0.20% of the average daily total assets (defined as net assets of the Fund plus borrowings or other leverage for investment purposes to the extent excluded in calculating net assets) of the Utility Portion; (3) it may be terminated, without payment of any penalty, by Crow Point, by EIMC, by the Trustees, by a majority vote of the outstanding shares of the Fund upon 60 days prior written notice, or upon shorter notice as may be mutually agreed upon, or by EIMC under certain other conditions; and (4) it will terminate automatically in the event of its "assignment" as such term is defined in the 1940 Act. If approved, the Sub-Advisory Agreement will have an initial term of two years, and thereafter may be renewed on an annual basis by a vote of the Trustees, including a separate vote of a majority of the Independent Trustees. The Sub-Advisory Agreement also provides that Crow Point is not liable to either the Fund or EIMC for any act or omission under the Sub-Advisory Agreement, but that Crow Point is not protected against liability arising out of its own willful misfeasance, bad faith, gross negligence or reckless disregard of its duties or obligations.

Other Funds Managed by Crow Point

As a newly-organized investment advisor, Crow Point does not currently manage any other funds. Shareholders of another Evergreen fund, Evergreen Utility and Telecommunications Fund, have also been asked to approve a sub-advisory agreement with Crow Point.

Crow Point expects to manage other investment vehicles in the future, including some, like Evergreen Utilities and High Income Fund, that may have investment objectives and strategies similar to the Fund's. The management of multiple funds and other accounts may require the portfolio manager to devote less than all of his or her time to the Fund, particularly if the other funds and accounts have different objectives, benchmarks and time horizons. The portfolio manager may also be required to allocate his or her investment ideas across multiple funds and accounts. In addition, if a portfolio manager identifies a limited investment opportunity, such as an initial public offering, that may be suitable for more than one fund or other account, the Fund may not be able to take full advantage of that opportunity due to an allocation of that investment across all eligible funds and accounts. Further, security purchase and sale orders for multiple accounts often are aggregated for purpose of execution. Although such aggregation generally benefits clients, it may cause the price or brokerage costs to be less favorable to a particular client than if similar transactions were not being executed concurrently for other accounts. It may also happen that the Fund's adviser or sub-adviser will determine that it would be in the best interest, and consistent with the investment policies, of another account to sell a security (including by means of a short sale) that the Fund holds long, potentially resulting in a decrease in the market value of the security held by the Fund.

The structure of a portfolio manager's or an investment adviser's compensation may create an incentive for the portfolio manager or investment adviser to favor accounts whose performance has a greater impact on such compensation. The portfolio manager may, for example, have an incentive to allocate favorable or limited opportunity investments or structure the timing of investments to favor such accounts. Similarly, if a portfolio manager holds a larger personal investment in one fund than he or she does in another, the portfolio manager may have an incentive to favor the fund in which he or she holds a larger stake.

In general, EIMC and Crow Point have policies and procedures that attempt to address the various potential conflicts of interest described above. However, there is no guarantee that such procedures will detect or address each and every situation where a conflict arises.

The Fund's Service Providers

Investment Advisor. EIMC, an indirect wholly owned subsidiary of Wachovia, a North Carolina-based, multi-bank financial holding company subject to the Bank Holding Company Act of 1956, as amended, and the rules and regulations promulgated thereunder, currently serves as the Fund's investment advisor. EIMC has been managing mutual funds and private accounts since 1932. For the fiscal year ended August 31, 2006, the Fund paid \$1,798,561 (0.87% of average daily net assets, or 0.60% of average daily total assets, which are generally the net assets of the Fund plus borrowings or other leverage for investment purposes to the extent excluded in calculating net assets) to EIMC in advisory fees. The principal business address of EIMC is 200 Berkeley Street, Boston, Massachusetts 02116-5034.

The Investment Advisory and Management Agreement between the Fund and EIMC provides that: (1) subject to the supervision of the Board of Trustees of the Trust, EIMC is responsible for managing the investment and reinvestment of the Fund's portfolio assets or that EIMC may enter into an agreement to retain a firm to provide the Fund with such services, (2) the Trust will pay EIMC a fee at an annual rate of 0.60% of its total assets (defined as net assets of the Fund plus borrowings or other leverage for investment purposes to the extent excluded in calculating net assets); (3) it may be terminated, without payment of any penalty, by EIMC, by the Trustees, and by a majority vote of the outstanding voting securities of the Fund upon 60 days prior written notice; and (4) it will terminate automatically in the event of its "assignment" as such term is defined in the 1940 Act. The Investment Advisory and Management Agreement may be renewed on an annual basis by a vote of the Trustees, including a majority of the Independent Trustees. The Investment Advisory and Management Agreement also provides that EIMC is not liable to the Trust for any error of judgment or mistake of law or for any loss suffered by the Trust in connection with the performance of the Investment Advisory and Management Agreement, but that EIMC is not protected against liability arising out of its own willful misfeasance, bad faith, gross negligence or from reckless disregard by it of its obligations and duties under the agreement.

Administrator. Administrative services are provided by Evergreen Investment Services, Inc. ("EIS"), an affiliated company of EIMC. EIS is located at 200 Berkeley Street, Boston, MA 02116-5034. For the fiscal year ended August 31, 2006, the Fund paid \$149,880 (0.05% of average daily total assets, which are generally the net assets of the Fund plus borrowings or other leverage for investment purposes to the extent excluded in calculating net assets) to EIS in service fees.

Affiliated Broker-Dealer. Wachovia Securities LLC ("Wachovia Securities") is an affiliated broker-dealer of the Fund. For the fiscal year ended August 31, 2006, the Fund paid \$78,918 in brokerage commissions to Wachovia Securities.

Transfer Agent. Evergreen Service Company, LLC ("ESC"), an affiliate of EIMC, is the Fund's transfer agent. ESC is located at P.O. Box 8400, Boston, MA 02266. For the fiscal year ended August 31, 2006, the Fund paid \$104,506 in transfer agency fees.

Independent Registered Public Accounting Firm. KPMG LLP (“KPMG”), 99 High Street, Boston, MA 02110, has been approved by the Trustees of the Fund to serve as the independent registered public accounting firm of the Fund for the current fiscal year ending August 31, 2007.

The Audit Committee of the Board of Trustees unanimously recommended the selection of KPMG, and the Trustees unanimously approved such selection, at a meeting held on September 20-21, 2006.

The Fund’s Audit Committee has established and adopted policies and procedures for pre-approving audit services, audit-related services, tax services and all other services provided by the Fund’s independent registered public accounting firm as well as the fee levels or budgeted amounts for those services. The Fund’s policies and procedures include reporting and request or application requirements that are intended to keep the Audit Committee informed of all the services provided by the Fund’s independent registered public accounting firm. In addition, the Fund’s Chief Compliance Officer is required to monitor the performance of all services provided by the Fund’s independent registered public accounting firm in order to determine whether those services are in compliance with the Fund’s pre-approval policies and procedures and to report the results of this monitoring to the Audit Committee on a periodic basis. The Fund’s pre-approval policies and procedures do not delegate any of the Audit Committee’s responsibilities under the Securities Exchange Act of 1934 for pre-approving services performed by the Fund’s independent registered public accounting firm to the Fund’s management.

A representative of KPMG, if requested by any Shareholder, will be present via telephone at the Meeting to respond to appropriate questions from Shareholders and will have an opportunity to make a statement if he or she chooses to do so. It is not expected that such representative will be present in person at the Meeting.

The following table presents fees billed for professional audit services rendered by KPMG for the audit of the Fund’s annual financial statements for the fiscal years ended August 31, 2006 and 2005, respectively, and for fees billed for other services rendered by KPMG to the Fund. There were no fees paid to KPMG during the fiscal years where the de minimis exception was used.

	2006	2005
Audit fees	\$73,425	\$35,250
Audit-related fees	\$0	\$0
Tax fees	\$0	\$0
<u>Non-audit fees¹</u>	<u>\$930,575</u>	<u>\$745,575</u>
<u>All other fees</u>	<u>\$</u>	<u>\$0</u>

Non-audit fees consist of the aggregate fees for non-audit services rendered to the Fund, EIMC (not including any sub-advisor whose role is primarily portfolio management and is subcontracted with or overseen by another investment advisor) and EIS.

In approving the selection of KPMG for the Fund, the Audit Committee considered, in addition to other practices and requirements relating to the selection of the Fund's independent registered public accounting firm, whether any services performed by KPMG for the Fund and its investment advisor and for certain related parties for which KPMG received non-audit fees are compatible with maintaining the independence of KPMG as the Fund's independent registered public accounting firm.

On October 18, 2006, the Audit Committee reviewed and discussed with management the Fund's audited financial statements for the fiscal year ended August 31, 2006. The Audit Committee has reviewed and discussed with KPMG the matters required to be discussed by Statements on Auditing Standards, No. 61, *Communication with Audit Committees*. The Audit Committee has received the written disclosures and the letter from KPMG required by Independence Standards Board Standard No. 1, and has discussed with KPMG its independence. Based on these reviews and discussions, the Audit Committee recommended to the Board of Trustees that the audited financial statements be included in the annual report to shareholders for the last fiscal year for filing with the SEC.

The Board of Trustees has adopted a written charter for the Audit Committee which is attached to this proxy statement as Exhibit C (the "Charter"). The Audit Committee reviews the Charter at least annually and may recommend changes to the Board. Each member of the Audit Committee is independent as independence is defined in the listing standards of the American Stock Exchange.

If the Proposals are approved, it is expected that the Fund's service providers will continue to perform services similar to those performed during the prior fiscal year, except with respect to the advisory services that would be performed by Crow Point pursuant to the sub-advisory agreement.

Other Business

As of the date of this Proxy Statement, the Fund's officers and the investment advisor are not aware of any other business to come before the Meeting other than as set forth in the Notice of Annual Meeting of Shareholders. If any other business properly comes before the Meeting, or any adjournment thereof, the persons named as proxies will vote in accordance with the views of management of the Fund.

Required Vote for Proposal 1

If a quorum is met, the affirmative vote of a plurality of the votes cast by shareholders present in person or represented by proxy at the Meeting and entitled to vote is required for the election of trustees (Proposal 1). With respect to the election of Ms. Norris and Messrs. Salton and Wagoner, the three nominees that receive the most affirmative votes cast at the Meeting by shareholders holding common shares or preferred shares voting together as a single class will be elected as trustees. With respect to the election of Messrs. Pettit and Richardson, the two nominees that receive the most affirmative votes cast at the Meeting by shareholders holding preferred shares will be elected as trustees.

Required Vote for Proposal 2

Approval of the Sub-Advisory Agreement with Crow Point (Proposal 2) requires the affirmative vote of a majority of the outstanding voting securities of the Fund which is defined in the 1940 Act as the lesser of (a) 67% or more of the

Shares of the Fund present at the Meeting, if more than 50% of the outstanding Shares of the Fund are present in person or by proxy at the Meeting; or (b) more than 50% of the outstanding Shares of the Fund.

Notice

A certificate of Trust in respect of the Fund is on file with the Secretary of the State of Delaware and recites to the effect that the same was executed or made by or on behalf of the Fund or by them as Trustees, or Trustee or as officers or officer, and not individually, and that the obligations of any instrument made or issued by the Trustees or by any officer or officers of the Trust are not binding upon any of them or the shareholders individually but are binding only upon the assets and property of the Fund.

THE BOARD OF TRUSTEES OF THE FUND UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE ELECTION OF EACH NOMINEE AS A TRUSTEE AND IN FAVOR OF THE SUB-ADVISORY AGREEMENT WITH CROW POINT PARTNERS, LLC.

SHAREHOLDER PROPOSALS

Any Shareholder desiring to present a proposal for consideration at the 2007 annual meeting of Shareholders of the Fund should submit such proposal in writing to the Secretary, c/o Evergreen Investment Services, Inc., Evergreen Utilities and High Income Fund, 200 Berkeley Street, Boston, MA 02116-5034 so that it is received by the Fund no later than August 1, 2007. According to the Fund's By-Laws, in order to be timely, a Shareholder's notice of a proposal must be delivered no earlier than July 1, 2007. Mere submission of a proposal does not guarantee inclusion of the proposal in the proxy statement or presentation of the proposal at the 2007 annual meeting since such inclusion and presentation are subject to various conditions and requirements, including those required by applicable law.

EXHIBIT D

FORM OF SUB-ADVISORY AGREEMENT

AGREEMENT made as of the ____ day of _____, 200__, by and among Evergreen Investment Management Company, LLC (the “Adviser”), Evergreen Utilities and High Income Fund (the “Fund”), a Delaware statutory trust, and Crow Point Partners, LLC (the “Sub-adviser”).

WHEREAS, the Adviser serves as investment adviser to the Fund, which has filed a registration statement under the Investment Company Act of 1940, as amended (the “1940 Act”) and the Securities Act of 1933, as amended; and

WHEREAS, the Adviser desires to avail itself of the services, advice and assistance of the Sub-adviser to assist the Adviser in providing investment advisory services to the Fund with respect to that portion of the Fund’s assets allocated from time to time by the Adviser to the investment strategy that focuses on investment in utility companies (the “Utility Portion”); and

WHEREAS, the Sub-adviser is registered under the Investment Advisers Act of 1940, as amended (the “Advisers Act”), is engaged in the business of rendering investment advisory services to investment companies and other clients and desires to provide such services to the Adviser;

NOW, THEREFORE, in consideration of the terms and conditions hereinafter set forth, it is agreed as follows:

1. Employment of the Sub-adviser. The Adviser hereby employs the Sub-adviser to manage the investment and reinvestment of the Fund’s Utility Portion, subject to the control and direction of the Fund’s Board of Trustees (the “Board”), for the period and on the terms hereinafter set forth. The Sub-adviser hereby accepts such employment and agrees during such period, subject to the oversight of the Board and the Adviser, to render the services and to assume the obligations herein set forth for the compensation herein provided. The Sub-adviser shall for all purposes herein be deemed to be an independent contractor and shall, except as expressly provided or authorized (whether herein or otherwise), have no authority to act for or represent the Adviser or the Fund in any way.

2. Obligations of and Services to be provided by the Sub-adviser. The Sub-adviser undertakes to provide the following services and to assume the following obligations:

a. The Sub-adviser shall manage the investment and reinvestment of the Utility Portion of the Fund, all without prior consultation with the Adviser, subject to and in accordance with (i) the investment objective and policies of the Fund set forth in the Fund’s Amended and Restated Agreement and Declaration of Trust, as amended, By-Laws, Prospectus and Statement of Additional Information as from time to time in effect (the “Governing Documents”) or in any report to

shareholders pursuant to Rule 8b-16 of the 1940 Act, (ii) the requirements applicable to registered investment companies under applicable laws, including without limitation the 1940 Act and Subchapter M of the Internal Revenue Code of 1986, as amended, and the rules and regulations thereunder (the "Code") and (iii) any written instructions which the Adviser or the Fund's Board of Trustees may issue from time to time. The Sub-adviser also agrees to conduct its activities hereunder in accordance with any applicable procedures or policies adopted by the Fund's Board of Trustees as from time to time in effect and communicated to the Sub-adviser (the "Procedures"). The Adviser has provided to the Sub-adviser copies of all current Governing Documents and current Procedures and shall provide to the Sub-adviser any amendments or supplements thereto. The Sub-adviser shall render such reports to the Fund's Board of Trustees and the Adviser as they may reasonably request concerning the investment activities of the Fund. The Sub-adviser shall not vote proxies submitted by issuers of securities held in the Fund. The voting of such proxies shall be the sole responsibility of the Adviser.

b. The Sub-adviser shall be responsible for daily monitoring of the investment activities and portfolio holdings associated with the Utility Portion to ensure compliance with the Governing Documents, the Procedures and applicable law. The Sub-adviser shall also cooperate with and provide sufficient information to the Adviser to assist the Adviser in its monitoring of the investment activities and portfolio holdings of the Fund, including, without limitation, the Fund's satisfaction of quarterly diversification requirements for qualification as a regulated investment company under the Code. Notwithstanding the investment discretion delegated to the Sub-adviser hereunder, the Sub-adviser shall act on any instructions of the Adviser with respect to the investment activities used to manage the Utility Portion to ensure the Fund's compliance with the Governing Documents, Procedures and applicable law.

c. Absent instructions of the Adviser to the contrary, the Sub-adviser shall, in the name of the Fund, place orders for the execution of portfolio transactions with or through such brokers, dealers or other financial institutions as it may select. The Sub-adviser shall use its best efforts to obtain the most favorable price and execution on all portfolio transactions executed on behalf of the Fund, provided that, so long as the Sub-adviser has complied with Section 28(e) of the Securities Exchange Act of 1934, the Procedures and such instructions as the Adviser may from time to time provide to the Sub-adviser, the Sub-adviser may cause the Fund to pay a commission on a transaction in excess of the amount of commission another broker-dealer would have charged. On occasions when the Sub-adviser deems the purchase or sale of a security to be in the best interest of the Fund as well as other clients of the Sub-adviser, the Sub-adviser shall, to the extent it determines such allocation would be beneficial to the Fund, aggregate the securities to be so purchased or sold with other orders for other accounts managed by the Sub-adviser in order to obtain best execution. In such event, allocation of the securities so purchased or sold, as well as the expenses incurred in the transaction, will be made by the Sub-adviser consistent with the Procedures and in the manner it considers to be the most equitable and consistent with its fiduciary obligations to the Fund and to such other clients.

d. The Sub-adviser (A) shall maintain such books and records as are required by law, including without limitation the 1940 Act and the Advisers Act, and the rules and regulations thereunder, (B) shall render to the Board such periodic and special reports as the Board or the Adviser may reasonably request in writing, and (C) shall meet with any persons at the reasonable request of the Adviser or the Board for the purpose of reviewing the Sub-adviser's performance under this Agreement at reasonable times and upon reasonable advance written notice. All such books and records shall be the property of the Fund, and the Sub-adviser will surrender promptly to the Fund any of such records upon the Fund's request (provided that the Sub-adviser may retain a copy of such records) and shall make all such books and records available for inspection and use by the Securities and Exchange Commission ("SEC"), the Fund, the Adviser or any person retained by the Fund at all reasonable times. Where applicable, such records shall be maintained by the Sub-adviser for the periods and in the places required by Rule 31a-2 under the 1940 Act.

On each business day, the Sub-adviser shall provide to the Fund's custodian and the Fund's administrator information relating to all transactions concerning the Fund's assets and shall provide the Adviser with such other information as the Adviser may request.

e. The Sub-adviser shall bear its expenses of providing services pursuant to this Agreement.

f. The Sub-adviser shall timely provide to the Adviser and the Fund all information and documentation they may reasonably request as necessary or appropriate in connection with the compliance by them or either of them with the requirements of any applicable law, including, without limitation, (i) information and commentary for the Fund's annual and semi-annual reports, in a format approved by the Adviser, together with (A) a certification that such information and commentary discuss all of the factors that materially affected the performance of the portion of the Fund allocated to the Sub-adviser under this Agreement, including the relevant market conditions and the investment techniques and strategies used, and do not contain an untrue statement of a material fact or omit to state a material fact necessary to make the information and commentary not misleading, and (B) additional certifications related to the Sub-adviser's management of the Fund in order to support the Fund's filings on Form N-CSR, Form N-Q and other applicable forms, and the Fund's Principal Executive Officer's and Principal Financial Officer's certifications under Rule 30a-2 under the 1940 Act, thereon; (ii) a quarterly sub-certification with respect to compliance matters related to the Sub-adviser and the Sub-adviser's management of the Fund, in a format reasonably requested by the Adviser, as it may be amended from time to time; and (iii) an annual certification from the Sub-adviser's Chief Compliance Officer, appointed under Rule 206(4)-7 under the Advisers Act, with respect to the design and operation of the Sub-adviser's compliance program, in a format reasonably requested by the Adviser.

g. Fidelity Bond and Code of Ethics. The Sub-adviser will provide the Fund with reasonable evidence that, with respect to its activities on behalf of the Fund, the Sub-adviser maintains (i) adequate fidelity bond insurance and (ii) an appropriate Code of Ethics and related reporting procedures.

3. Compensation of the Sub-adviser. In full consideration of the services rendered pursuant to this Agreement, the Adviser will pay the Sub-adviser, from the fees received by the Adviser from the Fund in respect of the period in question, a fee at the annual rate of .20% of the average daily total assets (defined as net assets of the Fund plus borrowings or other leverage for investment purposes to the extent excluded in calculating net assets) of the Utility Portion. Such fee shall be accrued daily and paid monthly as soon as practicable after the end of each month. If the Sub-adviser shall serve for less than the whole of any month, the foregoing compensation shall be prorated. For the purpose of determining fees payable to the Sub-adviser, the value of the Fund's total assets shall be computed at the times and in the manner determined by the Fund's Board of Trustees and set forth in the Governing Documents.

4. Other Activities of the Sub-adviser. The services of the Sub-adviser hereunder are not to be deemed exclusive, and the Sub-adviser shall be free to render similar services to others and to engage in other activities, so long as the services rendered hereunder are not materially impaired. Without limiting any fiduciary duty or similar obligation of the Sub-adviser to the Fund, the Sub-adviser will implement and maintain reasonable procedures that are acceptable to

the Fund and the Adviser, which acceptance shall not be unreasonably withheld, that are intended to address conflicts of interest associated with the side by side management of long only and long-short portfolios and operate in accordance with such procedures.

5. Use of Names. The Sub-adviser shall not use the name of the Fund or the Adviser in any material relating to the Sub-adviser in any manner not approved prior thereto by the Adviser; provided, however, that the Sub-adviser may use the name of the Adviser or the Fund in any material that merely refers in accurate terms to the Sub-adviser's provision of the sub-advisory services to the Fund and related performance information.

6. Liability of the Sub-adviser. Absent willful misfeasance, bad faith, gross negligence, or reckless disregard of obligations or duties hereunder on the part of the Sub-adviser, the Sub-adviser shall not be liable for any act or omission in the course of, or connected with, rendering services hereunder or for any losses that may be sustained in the purchase, holding or sale of any security. Subject to the foregoing, nothing herein shall constitute a waiver of any rights or remedies that the Fund may have under any federal or state securities laws.

7. Limitation of Fund's Liability. The Sub-adviser acknowledges that it has received notice of and accepts the limitations upon the Fund's liability set forth in its Amended and Restated Agreement and Declaration of Trust, as amended. The Sub-adviser agrees that any of the Fund's obligations shall be limited to the assets of the Fund and that the Sub-adviser shall not seek satisfaction of any such obligation from the shareholders of the Fund nor from any Trustees or Fund officer, employee or agent of the Fund.

8. Sub-adviser Insurance. The Sub-adviser agrees that it will maintain at its own expense an Errors and Omissions insurance policy with respect to the Sub-adviser in an amount not less than \$10 million and Commercial General Liability insurance in a commercially reasonable amount. The foregoing policies shall be issued by insurance companies that are acceptable to the Adviser. The minimum required amounts set forth in this insurance provision are not to be construed as a limitation on the Sub-adviser's liability under this Agreement. Any and all deductibles specified in the above-referenced insurance policies shall be assumed by the Sub-adviser.

9. Representations of the Sub-adviser. The Sub-adviser represents and warrants as follows:

(a) The Sub-adviser (i) is registered as an investment adviser under the Advisers Act and will continue to be so registered for so long as this Agreement remains in effect; (ii) is not prohibited by the 1940 Act or the Advisers Act from performing the services contemplated by this Agreement; (iii) has appointed a Chief Compliance Officer under Rule 206(4)-7 under the Advisers Act; (iv) has adopted written policies and procedures that are reasonably designed to prevent violations of the Advisers Act from occurring, detect violations that have occurred, and correct promptly any violations that have occurred, and will provide notice promptly to the Adviser of any material violations relating to the Fund; (v) has met and will seek to continue to meet for so long as this Agreement remains in effect, any other applicable federal or state requirements, or the applicable requirements of any regulatory or industry self-regulatory agency; and (vi) will promptly notify the Adviser of the occurrence of any event that would disqualify the Sub-adviser

from serving as an investment adviser of an investment company pursuant to Section 9(a) of the 1940 Act or otherwise.

(b) The Sub-adviser has adopted a written code of ethics complying with the requirements of Rule 17j-1 under the 1940 Act and will provide the Adviser with a copy of the code of ethics. Within 60 days of the end of each calendar quarter that this Agreement is in effect, a duly authorized officer of the Sub-adviser shall certify to the Adviser that the Sub-adviser, including its personnel, has complied with the requirements of Rule 17j-1 during the previous year and that there has been no material violation of the Sub-adviser's code of ethics or, if such a violation has occurred, that appropriate action was taken in response to such violation. The Sub-adviser will report quarterly, in reasonable detail, any violations of law or the Sub-adviser's code of ethics related to the Fund, the Sub-adviser's ability to comply with applicable law, or the Sub-adviser's ability to perform under this Agreement, and the action taken in response to such violations.

(c) The Sub-adviser will provide the Adviser and the Fund with a copy of its Form ADV Part II and promptly furnish a copy of all amendments thereto to the Adviser and the Fund.

(d) The Sub-adviser will promptly notify the Adviser of any changes in its managing members or in the key personnel who are either the portfolio manager(s) responsible for the Fund or the principal executive officers of the Sub-adviser, or if there is otherwise an actual or expected change in control or management of the Sub-adviser.

10. Renewal, Termination and Amendment. This Agreement shall continue in effect for two years from the date set forth above and after such date so long as such continuance is approved in the manner provided in the 1940 Act and the rules and regulations thereunder. This Agreement may be terminated at any time without payment of any penalty, by the Fund's Board of Trustees, or by a vote of a majority of the outstanding voting securities of the Fund upon 60 days prior written notice to the Sub-adviser or by the Sub-adviser upon 60 days prior written notice to the Adviser, or upon such shorter notice as may be mutually agreed upon. This Agreement may also be terminated, without the payment of any penalty, by the Adviser (i) upon 60 days prior written notice to the Sub-adviser; (ii) upon material breach by the Sub-adviser of any representations and warranties set forth in this Agreement, if such breach has not been cured within seven days after written notice of such breach; or (iii) immediately if, in the reasonable judgment of the Adviser, the Sub-adviser becomes unable to discharge its duties and obligations under this Agreement, including circumstances such as the insolvency of the Sub-adviser, the termination, resignation or other loss of a key portfolio manager, or other circumstances that the Adviser determines could adversely affect the Fund. This Agreement shall terminate automatically and immediately upon termination of the investment advisory agreement between the Adviser and the Fund. This Agreement shall terminate automatically and immediately in the event of its assignment. The terms "assignment" and "vote of a majority of the outstanding voting securities" shall have the meaning set forth for such terms in the 1940 Act. This Agreement may be amended at any time by the Sub-adviser and the Adviser, subject to approval by the Fund's Board of Trustees and, if required by applicable SEC rules and regulations, a vote of a majority of the Fund's outstanding voting securities.

In the event of termination of this Agreement, those paragraphs of this Agreement which govern conduct of the parties' future interactions with respect to the Sub-adviser having provided investment management services to the

Fund for the duration of this Agreement, including, but not limited to, Sections 5, 6, 7, 9, and 11, shall survive such termination of this Agreement.

11. Confidential Relationship. The Sub-adviser agrees that it shall exercise the same standard of care that it uses to protect its own confidential and proprietary information, but no less than reasonable care, to protect the confidentiality of the Portfolio Information. As used herein "Portfolio Information" means confidential and proprietary information of the Fund or the Adviser that is received by the Sub-adviser from or on behalf of the Fund or the Adviser in connection with this Agreement, and information with regard to the portfolio holdings and characteristics of the portion of the Fund allocated to the Sub-adviser that the Sub-adviser manages under the terms of this Agreement. The Sub-adviser will restrict access to the Portfolio Information to those employees of the Sub-adviser or its affiliates or their agents who will use it only for the purpose of managing the Utility Portion, and the Sub-adviser will be obligated to ensure that it is used only for such purpose. The foregoing shall not prevent the Sub-adviser from disclosing Portfolio Information that is (1) publicly known or becomes publicly known through no unauthorized act, (2) rightfully received from a third party without obligation of confidentiality, (3) approved in writing by the Adviser for disclosure, which approval shall not be unreasonably withheld, (4) required to be disclosed pursuant to a requirement of a governmental agency or law so long as the Sub-adviser provides the Adviser with prompt written notice of such requirement prior to any such disclosure, or (5) disclosed in accordance with the Funds' policy for disseminating portfolio holdings as disclosed in the Fund's then-current Prospectus and Statement of Additional Information.
