Olsen Restricted Share Plan II.

REOFFER PROSPECTUS

INTERNATIONAL SPECIALTY PRODUCTS INC.

COMMON STOCK (PAR VALUE \$.01 PER SHARE)

20,000 SHARES OF INTERNATIONAL SPECIALTY PRODUCTS COMMON STOCK UNDER THE INTERNATIONAL SPECIALTY PRODUCTS INC. OLSEN RESTRICTED SHARE PLAN II

This prospectus is being used in connection with the offering from time to time by Stephen R. Olsen, who may be considered our "affiliate", or by his donees, pledgees, transferees or other successors in interest, with respect to shares of ISP common stock that have been originally acquired by Mr. Olsen pursuant to the International Specialty Products Inc. Olsen Restricted Share Plan II. We will not receive any of the proceeds from those sales.

The shares of ISP common stock may be sold from time to time to purchasers directly by Mr. Olsen or by Mr. Olsen's donees, pledgees, transferees or other successors in interest, in each case in such holder's capacity as selling stockholder. Alternatively, any such selling stockholder may

sell shares of ISP common stock in one or more transactions (which may involve one or more block transactions) on the New York Stock Exchange, in sales occurring in the public market off the NYSE, in separately negotiated transactions, or in a combination of those transactions. Each sale may be made either at market prices prevailing at the time of that sale or at negotiated prices. Some or all of these shares may be sold through brokers acting on behalf of any selling stockholder contemplated above or to dealers for resale by those dealers. In connection with those sales, those brokers or dealers may receive compensation in the form of discounts or commissions from a selling stockholder and/or the purchasers of those shares for whom they may act as broker or agent (which discounts or commissions are not anticipated to exceed those customary in the types of transactions involved). However, any securities covered by this prospectus that qualify for sale pursuant to Rule 144 under the Securities Act may be sold under Rule 144 rather than pursuant to this prospectus. We will pay all expenses of registration incurred in connection with this offering, but the applicable selling stockholder will pay all brokerage commissions and other expenses.

The applicable selling stockholder and any dealer participating in the distribution of any shares of ISP common stock or any broker executing selling orders on behalf of the selling stockholder may be deemed to be "underwriters" within the meaning of the Securities Act. In that event, any profit on the sale of any or all of the shares of ISP common stock sold by them and any discounts or commissions received by any of those brokers or dealers may be deemed to be underwriting discounts and commissions under the Securities Act.

Our common stock is traded on the New York Stock Exchange under the symbol "ISP". On January 25, 2002, the closing price of a share of our common stock as reported by the NYSE was \$8.70.

As of December 31, 2001, there were 64,694,517 shares of ISP's common stock issued and outstanding.

PLAN OF DISTRIBUTION

We have been advised that the selling stockholder, and/or his donees, pledgees, transferees or other successors in interest, may effect sales of the shares of ISP common stock directly, or indirectly by or through underwriters, agents or broker-dealers, and that the shares of ISP common stock may be sold by one or a combination of several of the following methods:

1. ordinary brokerage transactions;

2. an underwritten public offering in which one or more underwriters participate;

3. purchases by a broker-dealer as principal and resale by that broker-dealer for its own account;

4. in "block" sale transactions; and

5. in privately negotiated transactions.

7

The shares of ISP common stock will be sold at prices and on terms then prevailing in the market, at prices related to the then-current market price of the shares of ISP common stock, or at negotiated prices. At the time that a particular offer is made, a prospectus Supplement, if required, will be distributed that describes the name or names of underwriters, agents or broker-dealers, any discounts, commissions and other terms constituting selling compensation and any other required information. Moreover, in effecting sales, broker-dealers engaged by any selling stockholder and/or the purchasers of the shares of ISP common stock may arrange for other broker-dealers to participate in the sale process. Broker-dealers will receive discounts or commissions from the applicable selling stockholder and/or the purchasers of the shares of ISP common stock in amounts that be negotiated prior to the time of sale. Sales will be made only through broker-dealers properly registered in a subject jurisdiction or in transactions exempt from registration. Any of these underwriters, broker-dealers or agents may perform services for us or our affiliates in the ordinary course of business. We have not been advised of any definitive selling arrangement at the date of this prospectus between any selling stockholder and any underwriter, broker-dealer or agent.

The applicable selling stockholder also may resell all or a portion of the shares of ISP common stock in open market transactions in reliance upon Rule 144 of the Securities Act rather than pursuant to this prospectus, provided that they meet the criteria and conform to the requirements of such rule.

When shares of ISP common stock are to be sold to underwriters, unless otherwise described in the applicable prospectus supplement, the obligations of the underwriters to purchase the shares of ISP common stock will be subject to conditions precedent but the underwriters will be obligated to purchase all of the shares of ISP common stock if any are purchased. The shares of ISP common stock will be acquired by the underwriters for their own account and may be resold by the underwriters, either directly to the public or to securities dealers, from time to time in one or more transactions, including negotiated transactions. These sales can occur either at fixed public offering prices or at varying prices determined at the time of sale. The initial public offering price, if any, and any concessions allowed or reallocated to dealers, may be changed from time to time. Those underwriters may be entitled, under agreements with us, to indemnification from us against certain civil liabilities, including liabilities under the Securities Act, or to contribution by us to payments that they may be required to make in respect of those civil liabilities.

8

Any broker or dealer participating in any distribution of shares of ISP common stock in connection with the offering made by this prospectus may be deemed to be an "underwriter" within the meaning of the Securities Act and may be required to deliver a copy of this prospectus, including a prospectus supplement, if required, to any person who purchases any of the shares of ISP common stock from or through that broker or dealer.

We will not receive any of the proceeds from the sales of the shares of ISP common stock by the applicable selling stockholder. We have agreed to pay for the costs of registering the shares of ISP common stock under the Securities Act, including the registration fee under the Securities Act, reasonable fees and disbursements of our counsel, accounting fees and printing fees. The applicable selling stockholder will bear all other expenses in connection with this offering, including brokerage commissions.

ITEM 4. DESCRIPTION OF SECURITIES.

Not applicable.

ITEM 5. INTERESTS OF NAMED EXPERTS AND COUNSEL.

Not applicable.

ITEM 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

ISP is a Delaware corporation. Subsection (b)(7) of Section 102 of the Delaware General Corporation Law (the "DGCL") enables a corporation in its original certificate of incorporation or an amendment thereto to eliminate or limit the personal liability of a director to the corporation or its stockholders for monetary damages for violations of the director's fiduciary duty, except (i) for any breach of the director's duty of loyalty to the corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) pursuant to Section 174 of the DGCL (providing for liability of directors for unlawful payment of dividends or unlawful stock purchases or redemptions) or (iv) for any transaction from which a director derived an improper personal benefit. Article SEVENTH of ISP's Amended and Restated Certificate of Incorporation provides that directors and officers shall not be personally liable to the corporation or its stockholders for monetary damages if a director or officer acts in good faith and in a manner he reasonably believes to be in or not opposed to the best interests of ISP and provides for indemnification of the officers and directors of ISP to the full extent permitted by applicable law.

Edgar Filing: INTERNATIONAL SPECIALTY PRODUCTS INC /NEW/ - Form S-8

Subsection (a) of Section 145 of the DGCL empowers a corporation to indemnify any director or officer, or former director or officer, who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that such person is or was a director or officer of the corporation or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred in connection with such action, suit or proceeding provided that such director or officer acted in good faith in a manner reasonably believed to be in, or not opposed to, the best interests of the corporation, and, with respect to any criminal action or proceeding, provided further that such director or officer has no reasonable cause to believe his conduct was unlawful.

Subsection (b) of Section 145 empowers a corporation to indemnify any director or officer, or former director or officer, who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that such person acted in any of the capacities set forth above, against expenses (including attorneys' fees) actually and reasonably incurred in connection with the defense or settlement of such action or suit provided that such director or officer acted in good faith and in a manner he reasonably believed to be in, or not opposed to, the best interests of the corporation, except that no indemnification may be made in respect of any claim, issue or matter as to which such director or officer shall have been adjudged to be liable to the corporation unless and only to the extent that the Court of Chancery or the court in which such action or suit was brought shall determine upon application that despite the adjudication of liability but in view of all of the circumstances of the case, such director or officer is fairly and reasonably entitled to indemnity for such expenses which the Court of Chancery or such other court shall deem proper.

Section 145 further provides that (i) to the extent a present or former director or officer of a corporation has been successful in the defense of any action, suit or proceeding referred to in subsections (a) and (b) or in the defense of any claim, issue or matter therein, such person shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by such person, in connection therewith; and (ii) indemnification and advancement of expenses provided for, by, or granted pursuant to, Section 145 shall not be deemed exclusive of any other rights to which the indemnified party may be entitled. In addition, Section 145 empowers the corporation to purchase and maintain insurance on behalf of any person who is or was a director or officer of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against him or incurred by him in any such capacity, or arising out of his status as such, whether or not the corporation would have the power to indemnify him against such liabilities under Section 145.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of ISP pursuant to the foregoing provisions, or otherwise, ISP has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by ISP of expenses incurred or paid by a director, officer or

controlling person of ISP in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, ISP will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

ITEM 7. EXEMPTION FROM REGISTRATION CLAIMED.

Effective December 31, 2001, ISP granted, subject to certain vesting provisions, 20,000 shares of its common stock under the Olsen Restricted Share Plan II to Stephen R. Olsen, ISP's Senior Vice President, Corporate Development and Strategy, pursuant to an exemption from registration provided by Section 4(2) of the Securities Act. Such shares were issued to such officer in connection with such officer's employment with ISP.

ITEM 9. UNDERTAKINGS.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) to reflect in the prospectus any facts or events arising after the effective date of this registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this registration statement. Notwithstanding the foregoing, any increase or decrease in the volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high and the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

13

(iii) to include any material information with respect to the plan of distribution not previously disclosed in this registration statement or any material change to such information in this registration statement;

(iv) provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the registration statement is on Form S-3, Form S-8 or Form F-3, and the information required to be included in a post effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the SEC by the registrant pursuant to Section 13 or 15(d) of the Exchange Act that are incorporated by reference in this registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein,

and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
