[ ] (c) The accountant's statement or other exhibit required by Rule 12b-25(c) has been attached if applicable.

PART III. NARRATIVE

State below in reasonable detail the reasons why Form 10-K, 11-K, 20-F, 10-Q, N-SAR or the transition report portion thereof could not be filed within the prescribed time period:

In connection with the Registrant's emergence from bankruptcy in December 2002, the Registrant implemented fresh-start accounting under the provisions of SOP 90-7. The implementation of such accounting methods, together with the Registrant's concurrent transition to fiscal year ending December 31, has caused delays in completing its Transition Report on Form 10-Q. The Quarterly Report on Form 10-Q will be filed on or before February 19, 2003.

Kenneth M. Hale  
(713) 654-9502

(2) Have all other periodic reports required under Section 13 or 15(d) of the Securities Exchange Act of 1934 or Section 30 of the Investment Company Act of 1940 during the preceding 12 months or for such shorter period that the registrant was required to file such report(s) been filed? If the answer is no, identify report(s)

Yes       No

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof?

Yes       No

If so: Attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

Due to the sale of the Registrant's pulp chemicals and acrylic fibers businesses in connection with the implementation of its plan of reorganization, and the adoption of fresh-start accounting in connection with the Registrant's emergence from bankruptcy, the quarterly financial results will reflect a significant change in results of operations from the corresponding quarterly period for calendar year 2001. Finalizing the results of operations in respect of such changes is a primary reason for the relief requested pursuant to Rule 12b-25 and, therefore a quantitative explanation of the changes anticipated, including a reasonable estimate thereof, cannot be made at this time.

Sterling Chemicals, Inc. has caused this notification to be signed on its behalf by the undersigned thereunto duly authorized.
