INTEGRATION Team Notes

From: Marie Dreher, Myra Perkinson, Gus Williamson Date: April 29, 2004  
Subject: INTEGRATION ACTIVITIES SINCE MID-APRIL RELATED  
TO THE PROPOSED TRANSACTION WITH LYONDELL Location: Hunt Valley

To: All Millennium Employees

Since the last update to employees on April 13, members of the joint Lyondell-Millennium Integration Team have been engaged in numerous activities to plan for and coordinate the integration of Millennium businesses into the Lyondell enterprise when the transaction closes, expected in the third quarter of 2004.

Q: WHAT IS THE INTEGRATION TEAM FOCUSING ON?

A: The Integration sub-teams are tasked with developing recommendations and implementation plans for all major functional groups ranging from manufacturing and supply chain to finance and human resources. Their first priority has been to review business processes in place and current organizational structure to more fully understand the businesses and functions.

Lyondell and Millennium representatives have been visiting various Millennium sites globally, discussing current processes and participating in employee meetings. In meetings among integration team members, the focus has been on "discovery," learning about how Millennium and Lyondell do things. The sessions have been very open and informative. Timelines have been set for each sub-team, and they are preparing for a smooth transition once the transaction closes.

Q: HAVE ANY ORGANIZATIONAL DECISIONS BEEN MADE?

A: The sub-teams are in the early stages of reviewing the current organization and developing staffing proposals related to the integration of Millennium into Lyondell; remember that no actions will be implemented unless and until the proposed transaction closes. Dan Smith has announced that Bart de Jong will become General Manager, TiO2, upon the close of the proposed business combination with

Lyondell, and assume overall responsibility for Millennium's global titanium dioxide (TiO<sub>2</sub>) business. The business will continue to be operated out of Baltimore, Md., with business and support resources necessary for the ongoing needs of the business. No other decisions have been made, but we will communicate with you as soon as possible once that happens.

Q: WHAT ARE THE NEXT STEPS IN THE TRANSACTION TIMELINE?

A: Lyondell filed a registration statement containing a preliminary joint proxy statement/prospectus of Lyondell and Millennium with the SEC on April 26, 2004. That document is now publicly available on the SEC website, as well as Lyondell's and Millennium's websites. We must receive Hart-Scott-Rodino and other competition law clearance; approval by both companies' shareholders, obtain amendments to the Lyondell and Millennium credit facilities and meet other customary conditions before the transaction can close. We expect this all to be completed and the transaction to close in the third quarter.

Q: SINCE SOME LYONDELL AND EQUICOR EMPLOYEES ARE FORMER MILLENNIUM EMPLOYEES, ARE THERE ANY CHANGES LYONDELL EMPLOYEES SHOULD KNOW ABOUT REGARDING MILLENNIUM'S PENSION PLAN?

A: For employees who have earned Millennium U.S. pension benefits, Lyondell intends to assume the obligation.

Q: WHAT IF I HAVE OTHER QUESTIONS?

A: First, talk with your supervisor or HR manager and let them know of your questions or concerns. Senior Leaders (generally directors and vice presidents) have received basic information about the transaction, and are available to respond to your questions.

In addition, we have established "Ask Millennium," a special email box for integration-related questions.
