Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(e) As previously disclosed by CBL & Associates Properties, Inc. (herein the “Company” or “CBL”), all outstanding awards of restricted common stock granted under both the CBL & Associates Properties, Inc. 2012 Stock Incentive Plan (the “2012 Plan”) and its predecessor, the CBL & Associates Properties, Inc. Second Amended and Restated Stock Incentive Plan (as amended), provide for the following terms:

The grantee generally has all of the rights of a stockholder during the vesting/restricted period, including the right to receive dividends on the same basis and at the same rate as all other outstanding shares of common stock and the right to vote such shares on any matter on which holders of the Company's common stock are entitled to vote.

The shares generally are not transferable during the restricted period, except for any transfers which may be required by law (such as pursuant to a domestic relations order).

If the grantee's employment terminates during the restricted period for any reason other than death, disability, or retirement after reaching age 70 with at least 10 years of continuous service, the award agreements provide that any non-vested portion of the restricted stock award is immediately forfeited by such grantee.

If employment terminates during the restricted period due to death or disability (as defined in the award), or due to the grantee having retired after reaching age 70 and having maintained at least 10 years of continuous employment with the Company, its subsidiaries or affiliates, any portion of the restricted stock award that is not vested as of such date shall immediately become fully vested in the officer or his estate, as applicable.

The shares vest over a five (5) year period, with restrictions expiring on 20% of the shares subject to each award annually beginning on the first anniversary of the date of grant.

On May 13, 2013, the Compensation Committee of the Company's Board of Directors modified the form of agreement that will be used for future awards of restricted common stock to provide that, on the date any grantee attains the age of 70 with 10 years or more continuous service with the Company, its subsidiaries or affiliates, any portion of the restricted stock award that is not vested shall immediately vest as of such date. In conjunction with this action, the Compensation Committee also approved amendments making the same change to all currently outstanding restricted stock awards held by approximately 19 employees who either have already attained age 70 with 10 or more years of continuous service or will do so during the remaining vesting period for such awards. This action had the effect of immediately vesting unvested shares of restricted common stock subject to awards held by two of the five individuals who qualify as “named executive officers” of the Company pursuant to Item 402(a)(3) of Securities and Exchange Commission Regulation S-K, as follows: Charles B. Lebovitz, Chairman of the Board (65,500 shares vested) and Augustus N. Stephas, Executive Vice President and Chief Operating Officer (31,950 shares vested).

A copy of the form of agreement for future restricted stock awards under the 2012 Plan, reflecting this change, is filed as an exhibit to this report.
