CRYPTOLOGIC SENDS BATMAN & WONDER WOMAN

INTO ACTION WITH NEW GAMES

First Games Launched in Multi-Year Deal with Warner Bros. Digital Distribution and DC Comics

October 28, 2009 (Dublin, IRELAND) CryptoLogic Limited, a global developer of branded online betting games and Internet casino software, today announces a new downloadable game lineup that will bring DC Comics Super Heroe Batman and Wonder Woman to the world s top Internet casinos for the first time.

CryptoLogic developed these two slot games after signing an exclusive multi-year licensing agreement with Warner Bros. Digital Distribution and DC Comics to bring these and other legendary characters to the Internet gaming environment to adults in countries where online gaming is permitted. CryptoLogic will earn recurring revenue based on a share of wagers placed by players on the games. Other games, including one based on <u>Superman</u>, will follow in December of this year and then continue to be rolled out in 2010.

With th<u>Batman</u> and Wonder Woman on our side, we re confident CryptoLogic will again demonstrate the connection between big brands and revenue growth, said Brian Hadfield, CryptoLogic s President and CEO. CryptoLogic s greatest strength is partnering with the brands that attract players to the biggest gaming sites in the world providing increased revenue for our licensees and value for our shareholders.

The new game pack also features a video slot game, **Monkeys to Mars**, a new table game called **Triple Action Hold em**, and a new video poker game known as **Aces and Faces**. Also in the bonus pack are updated versions of perennial favourites **Let it Ride** and **Three Card Poker**.

Batman

Batman battles The Joker in the internet world s first and only Batman slot machine. This groundbreaking 50-line game features stacked wilds and a Batman re-spin feature where all prizes are doubled as three free spins are played with one reel completely wild. Armed with a <u>Batarang</u>, players fight through the inmates of <u>Arkham Asylum</u> to stop The Joker, earning cash prizes.

Wonder Woman

Excitement and opportunity come together in this 50-line game with a bonus bet that features Wonder Woman battling an island of zombies. Watch Wonder Woman use her <u>Golden Lasso of Truth</u> to create wild symbols during the Wonder Wilds Free Spins Feature; wild symbols are held on the reels for up to five spins.

Monkeys to Mars

This new comical space exploration game features riveting graphics and sound, with nine spectacular animated symbols to make all players go bananas with excitement. This 25-line slot game from CryptoLogic is packed with enough stellar special features and out-of-this-world animations for players to explore for light years.

Triple Action Hold Em

Triple Action Hold Em Poker is a fast-paced table game with three wagering options: a main ante bet and two optional side bets that provide extra chances to win. Using only the top 28 cards in the deck, Triple Action Hold Em gives the player an option to place an additional bet on the flop, as well as a bonus bet that pays out even more for any hand of two pair or better.

Aces and Faces

Developed for the more sophisticated video poker player, Aces and Faces features a fully resizable window and a new auto hold feature for easier and faster play. Players can play 1 to 100 hands and never need to exit and re-launch the game if they want to switch the number of hands being played.

Other games

CryptoLogic has also launched updated versions of two table game favorites, Let it Ride and Three Card Poker. Both games have been upgraded to offer a new, more modern appearance and improved graphics to enhance the gaming experience.

CryptoLogic s strength is extraordinary e-gaming innovation, and when we match big brands with big ideas, we have a partnership that s built for success, said Justin Thouin, CryptoLogic s Vice President.

About CryptoLogic® (www.cryptologic.com)

Focused on integrity and innovation, CryptoLogic Limited is a leading public developer and supplier of Internet gaming software. With more than 280 games, CryptoLogic has one of the most comprehensive casino suites on the Internet, with award-winning games featuring some of the world s most famous action and entertainment characters. The company s licensees include many top Internet gaming brands, including the big four international operators. CryptoLogic s leadership in regulatory compliance makes it one of the few companies with gaming software certified to strict standards similar to land-based gaming. WagerLogic® Limited, a wholly-owned subsidiary of CryptoLogic, is responsible for the licensing of gaming software and services to blue-chip customers that offer their games to non-U.S. based players around the world. For information on WagerLogic, please visit www.wagerlogic.com.

CryptoLogic s common shares trade on the Toronto Stock Exchange (CRY, CXY), the NASDAQ Global Select Market (CRYP) and the Main Market of the London Stock Exchange (CRP).

About Warner Bros. Digital Distribution

Warner Bros. Digital Distribution (WBDD) manages Warner Bros. Home Entertainment Group s electronic distribution over existing, new and emerging digital platforms, including pay-per-view, electronic sell-through, video-on-demand, wireless and more.
