Neither the Corporation nor the Trustee shall be liable to a Warranholder or any other person for any delay in delivery of such instructions and may conclusively act and rely on, and shall be protected in acting and relying on, such instructions. The Trustee shall not be liable for any delay in the delivery to it of certificates representing definitive Warrants for certification and delivery, or for any resulting delay in the delivery of such certificates to any holder. Upon the issuance of such definitive Warrants, the Corporation and the Trustee shall recognize the registered holders of such definitive Warrants as Warranholders hereunder.

- (d) If definitive Warrants have been issued and thereafter the Trustee advises the Corporation of the availability of the global certificate procedure described in Section 2.12(a) in regard to such Warrants, the Trustee and the Corporation may agree to allow for the re-registration of such definitive Warrants under such procedure and the Trustee shall forthwith deliver notice thereof to each registered holder of such Warrants. Upon surrender by any such Warranholder of its definitive Warrant accompanied by instructions for re-registration of the Warrant under such procedure, such Warrant shall thereafter be re-registered under such procedure and be subject to Subsections 2.12(a), (b) and (c), mutatis mutandis. The Corporation shall pay all expenses incurred by the Trustee and the reasonable fees of the Trustee associated with any termination of the use of such procedure and of any such re-registration of the definitive Warrants under such procedure.
- (e) Notwithstanding anything herein or in the terms of the Warrant Certificates to the contrary, neither the Corporation nor the Trustee nor any agent thereof shall have any responsibility or liability for (i) the records maintained by the Clearing Agency relating to any ownership interests or any other interests in the Warrants or the depository system maintained by the Clearing Agency, or payments made on account of any ownership interest or any other interest of any person in any Warrant represented by any global Warrant Certificate (other than the applicable Clearing Agency or its nominee), (ii) maintaining, supervising or reviewing any records of the Clearing Agency or any Participant relating to any such interest, or (iii) any advice or representation made or given by the Clearing Agency or those contained herein that relate to the rules and regulations of the Clearing Agency or any action to be taken by the Clearing Agency on its own direction or at the direction of any Participant.

2.13 Cancellation of Surrendered Warrants

All Warrant Certificates surrendered pursuant to Sections 2.8, 2.9, 2.10, 2.12, 3.1, 3.5 or 5.4 shall be returned to the Trustee for cancellation and, after the expiry of any period of retention prescribed by law, destroyed by the Trustee. Upon request by the Corporation, the Trustee shall furnish to the Corporation a destruction certificate identifying the Warrant Certificates so destroyed, the number of Warrants evidenced thereby and the number of Common Shares, if any, issued pursuant to such Warrants.

2.14 Assumption by Transferee and Release of Transferor

Upon becoming a Warrantholder in accordance with the provisions of this Indenture, the transferee thereof shall be deemed to have acknowledged and agreed to be bound by this Indenture. Upon the registration of such transferee as the Warrantholder of a Warrant, the transferor shall cease to have any further rights under this Indenture with respect to such Warrant or the Common Share in respect thereof.

ARTICLE III

EXERCISE OF WARRANTS

3.1 Exercise of Warrants by the Holder

- (a) Subject to the terms hereof, including the provisions of Section 3.1(b) and Section 3.1(d), each holder of Warrants may exercise the right conferred on such holder to purchase one Common Share for each whole Warrant held by surrendering to the Trustee at the Warrant Agency, after the Effective Date and prior to the Time of Expiry:
 - (i) the Warrant Certificate with a duly completed and executed Exercise Form in the form substantially set out in Schedule "A"; and
 - (ii) a certified cheque, bank draft or money order in lawful money of Canada payable to or to the order of the Trustee, at par in the city where such Warrant Certificate is surrendered in an amount equal to the Exercise Price multiplied by the number of Common Shares subscribed for.

A Warrant Certificate with the duly completed and executed Exercise Form referred to in subsection 3.1(a)(i), together with the payment of the Exercise Price of the Common Shares subscribed for and referred to in subsection 3.1(a)(ii), shall be deemed to be surrendered only upon personal delivery thereof or, if sent by mail or other means of transmission, upon actual receipt thereof by the Trustee at the Warrant Agency.

- (b) Notwithstanding any provision to the contrary contained in this Indenture, no person in the United States, U.S. Person or person holding a Warrant for the account of or benefit of a person in the United States or U.S. Person shall exercise any Warrant pursuant to this Section 3.1 at any time when no U.S. Registration Statement is effective, provided that at any such time, any person in the United States, U.S. Person or person holding a Warrant for the account or benefit of a person in the United States or U.S. Person shall be entitled to the rights and benefits set forth in Section 3.9 hereof. If no U.S. Registration Statement is effective at any time when a Warrant is exercised, as a condition to the exercise of any Warrant the Corporation may require that the holder of such Warrant provide such evidence as the Corporation shall reasonably request that such person is not exercising in the United States, a U.S. Person or person holding such Warrant for the account or benefit of a person in the United States or U.S. Person and certification from the holder of such Warrant that all offer and sales of the Common Shares acquired pursuant to exercise of the Warrants will be conducted in compliance with Regulation S under the U.S Securities Act, registration under the U.S. Securities Act or pursuant to an applicable exemption from such registration requirements.
 - (c) Any Exercise Form referred to in subsection 3.1(a) and any Notice of Intent to Exercise Form referred to in Section 3.9 shall be signed by the Warrantholder and shall specify:
-

- (i) the number of Common Shares which the holder wishes to acquire (being not more than the number of Common Shares which the holder is entitled to acquire pursuant to the Warrant Certificate(s) surrendered);
- (ii) the person or persons in whose name or names such Common Shares are to be issued;
- (iii) the address or addresses of such person or persons; and
- (iv) the number of Common Shares to be issued to each such person if more than one is so specified.

The Warrantholder must comply with all applicable securities laws in connection with the issuance of Common Shares upon exercise of Warrants.

- (d) If Warrants have been issued in the manner described in Section 2.12, a beneficial owner of Warrants who desires to exercise Warrants should ensure that the Participant is provided with the required exercise form sufficiently in advance of the relevant notice date so as to permit the Participant to deliver notice to the Clearing Agency and to the Trustee at the Warrant Agency, after the Effective Date and prior to the Expiry. Any expense associated with the preparation and delivery of such exercise form will be for the account of the beneficial owner exercising the Warrants. The Corporation and the Trustee shall not be liable to the Warrantholder or any other person for any delay in the Trustee receiving such exercise form.

3.2 Transfer Fees and Taxes

If any of the Common Shares subscribed for are to be issued to a person or persons other than the Warrantholder, the Warrantholder shall comply with such reasonable requirements as the Trustee may prescribe and shall pay to the Corporation or the Warrant Agency on behalf of the Corporation, all applicable transfer or similar taxes and the Corporation shall not be required to issue or deliver certificates evidencing Common Shares unless or until such Warrantholder shall have paid to the Corporation, or the Warrant Agency on behalf of the Corporation, the amount of such tax or shall have established to the satisfaction of the Corporation that such tax has been paid or that no tax is due.

3.3 Warrant Agency

In connection with the exchange or transfer of Warrant Certificates and exercise of Warrants and compliance with such other terms and conditions hereof as may be required, the Corporation has appointed the principal office of the Trustee in the City of Calgary, Alberta as the agency at which Warrant Certificates may be surrendered for exchange or transfer or at which Warrants may be exercised and the Trustee has accepted such appointment. The Corporation may from time to time designate alternate or additional places as the Warrant Agency and shall give notice to the Trustee of any change of the Warrant Agency.

3.4 Effect of Exercise of Warrants

- (a) Upon the exercise of Warrants pursuant to Section 3.1 or upon the Determination Date (as defined below) pursuant to Section 3.9, as the case may be, and subject to Section 3.5, the Common Shares to be issued shall be deemed to have been issued and the person or persons to whom such Common Shares are to be issued shall be deemed to have become

the holder or holders of record of such Common Shares on the Exercise Date unless the transfer registers of the Corporation shall be closed on such date, in which case the Common Shares issued upon the exercise of any Warrants shall be deemed to have been issued and such person or persons deemed to have become the holder or holders of record of such Common Shares, on the date on which such transfer registers are reopened.

- (b) Upon the exercise of Warrants pursuant to Section 3.1 and subject to Section 3.5, the Corporation or its nominee shall, upon receipt by the Trustee of the Warrant Certificate, the payment of the Exercise Price and the Exercise Form duly completed, as soon as practicable and in any event within five (5) Business Days after the Exercise Date, cause to be mailed to the person or persons in whose name or names the Warrant is registered or, if so specified in writing by the holder, cause to be delivered to such person or persons at the Warrant Agency where the Warrant Certificate was surrendered, a certificate or certificates for the appropriate number of Common Shares issued upon exercise of the Warrants evidenced by the Warrant Certificate.

3.5 Partial Exercise of Warrants; Fractions

- (a) The holder of any Warrants may exercise his right to acquire Common Shares in part and may thereby acquire a number of Common Shares less than the aggregate number which such holder is entitled to acquire pursuant to the surrendered Warrant Certificate(s). In the event of any exercise of a number of Warrants less than the number which the holder is entitled to exercise, the holder of the Warrants upon such exercise shall, in addition, be entitled to receive, without charge therefor, a new Warrant Certificate(s) in respect of the balance of the Warrants represented by the surrendered Warrant Certificate(s) and which were not then exercised.
- (b) Notwithstanding anything herein contained including any adjustment provided for in Article 4, the Corporation shall not be required, upon the exercise of any Warrants, to issue fractions of Common Shares or to distribute certificates or Warrants which evidence a fractional Common Share. In lieu of a fractional Common Share, the Corporation shall pay to the holder who would otherwise be entitled to receive a fractional Common Share upon an exercise of Warrants, within five (5) Business Days after the Exercise Date, an amount in lawful money of Canada equal to the Current Market Price of the Common Shares on the Exercise Date multiplied by an amount equal to the fractional interest such holder would otherwise be entitled to receive upon such exercise, provided that the Corporation shall make only one such payment for each beneficial holder exercising such Warrants.

3.6 Expiration of Warrants

Immediately after the Time of Expiry, all rights under any Warrant in respect of which the right of acquisition herein and therein provided for shall not have been exercised shall cease and terminate and such Warrant shall be void and of no further force or effect except to the extent that the Warrantholder has not received certificates representing the Common Shares held by it, in which instances the Warrantholder's rights hereunder shall continue until it has received that to which it is entitled hereunder.

3.7 Accounting and Recording

- (a) The Trustee shall promptly account to the Corporation with respect to Warrants exercised. Any securities or other instruments (including any property), from time to
-

time received by the Trustee shall be received in trust for, and shall be segregated and kept apart by the Trustee in trust for, the Warrantholders and the Corporation, as their interests may appear.

- (b) The Trustee shall record the particulars of Warrants exercised which particulars shall include the names and addresses of the persons who become holders of Common Shares and the Exercise Date in respect thereof. The Trustee shall provide such particulars in writing to the Corporation within five Business Days of any request by the Corporation therefor.

3.8 Securities Restrictions

Notwithstanding anything herein contained, no Common Shares will be issued pursuant to the exercise of any Warrant if the issuance of such Common Shares would constitute a violation of the securities laws of any applicable jurisdiction, and without limiting the generality of the foregoing, in the event that the Warrants are exercised pursuant to Section 3.1, the certificates representing the Common Shares thereby issued will bear such legend as may, in the opinion of Counsel to the Corporation, be necessary in order to avoid a violation of any securities laws of any province in Canada or of the United States or to comply with the requirements of any stock exchange on which the Common Shares are listed, provided that if, at any time, in the opinion of Counsel to the Corporation, such legends are no longer necessary in order to avoid a violation of any such laws, or the holder of any such legended certificate, at the holder's expense, provides the Corporation with evidence satisfactory in form and substance to the Corporation (which may include an opinion of Counsel satisfactory to the Corporation) to the effect that such holder is entitled to sell or otherwise transfer such Common Shares in a transaction in which such legends are not required, such legended certificate may thereafter be surrendered to the Corporation in exchange for a certificate which does not bear such legend. For greater certainty, should no U.S. Registration Statement be effective, the Corporation shall permit the cashless exercise of Warrants held by U.S. Persons as set forth in Section 3.9 and shall not be permitted to issue legended Common Shares in lieu thereof.

3.9 Cashless Exercise by U.S. Persons

- (a) If the U.S. Registration Statement ceases to be effective, prior to the Time of Expiry and for so long as the U.S. Registration Statement is not effective, any holder of any Warrant that is a person in the United States, U.S. Person or person holding a Warrant for the account or benefit of a person in the United States or U.S. Person may provide the Corporation with a notice of intent to exercise such Warrant by surrendering the certificate representing such Warrant at any time during such period to the Trustee at the Warrant Agency, with a duly completed and executed Exercise Form, in substantially the form attached hereto upon which the holder shall indicate that he or she is exercising his or her right to exercise the Warrants on a cashless basis. Upon receipt of the Exercise Form, the Trustee at the Warrant Agency shall inform the Corporation of the Warrantholder's intent to exercise on a cashless basis. Within three business days of notice from the Trustee at the Warrant Agency of the provision of a Exercise Form on a cashless basis, the Corporation shall authorize such cashless exercise or request further evidence that the holder of the Warrants is in the United States, a U.S. Person or is holding for the account or benefit of a person in the United States or U.S. Person, as provided below. As a condition of such cashless exercise, the Corporation may require that the holder of such Warrant provide such evidence that it is a U.S. Person as the Corporation shall reasonably request, provided that if the Corporation, acting reasonably, is not satisfied in such circumstance that such Warrantholder is a U.S. Person or person

holding such Warrant for the account of a U.S. Person, such Warrantholder shall be notified forthwith by the Trustee that such Warrantholder is entitled to exercise his or her Warrant, in whole or in part, in accordance with Section 3.1. If the holder exercises the right provided for in this Section 3.9(a) in respect of a lesser number of Warrants than the aggregate number of Warrants represented by the Warrant Certificate surrendered, the Warrantholder shall be entitled to receive a further Warrant Certificate in respect of the Warrants represented by the Warrant Certificates that have not been part of a cashless exercise.

- (b) Forthwith following the election of the Corporation to permit the exercise by a Warrantholder of the cashless exercise, the Trustee shall deliver to the Corporation a notice setting out the particulars of the Warrants to be exercised and the name and address of the Warrantholder and the number of Common Shares to be issued (“Final Exercise Notice”).
- (c) Within three Business Days of receipt of the Final Exercise Notice referred to in (b), the Corporation shall cause a certificate to be mailed to such Warrantholder at the address specified in such Final Exercise Notice, or, if so specified in such Final Exercise Notice, to be made available for pick-up by such Warrantholder at the Warrant Agency representing the number of Common Shares calculated using the following formula:

$$X = \frac{Y(A-B)}{A}$$

- Where
- X = the number of Common Shares to be issued to the Warrantholder
 - Y = the number of shares of Common Shares purchasable under this Warrant or, if only a portion of this Warrant is being exercised, the portion of this Warrant being cancelled (at the date of such calculation)
 - A = the Current Market Price of one Common Share (at the date of such calculation)
 - B = Exercise Price (as adjusted to the date of such calculation)

- (d) “Determination Date” means, with respect to any Warrants subject to the provisions of Section 5.1(h) hereof, the date the Warrant Certificate together with a duly completed and executed Notice of Intent to Exercise Form is surrendered to the Trustee. A Warrant Certificate with the duly completed and executed Notice of Intent to Exercise Form shall be deemed to be surrendered upon personal delivery thereof, or if sent by mail or other means of transmission, upon actual receipt thereof by the Trustee at the Warrant Agency.

ARTICLE IV

ADJUSTMENT OF NUMBER OF COMMON SHARES

4.1 Adjustment of Number of Common Shares

The acquisition rights in effect at any date attaching to the Warrants shall be subject to adjustment from time to time as follows:

- (a) if and whenever at any time from the date hereof and prior to the Exercise Date, the

Corporation shall:

- (i) subdivide, redivide or change its outstanding Common Shares into a greater number of shares;
- (ii) reduce, combine or consolidate its outstanding Common Shares into a smaller number of shares; or
- (iii) issue Common Shares or securities exchangeable for or convertible into Common Shares to all or substantially all the holders of the then outstanding Common Shares by way of stock dividend or otherwise (other than the issue of Common Shares to holders of Common Shares pursuant to their exercise of options or the exercise of previously granted warrants, including the Warrants issued hereunder, or as dividends in the form of Common Shares in lieu of dividends paid in the ordinary course on the Common Shares);

the number of Common Shares obtainable under each Warrant shall be adjusted immediately after the effective date of such subdivision, redivision, change, reduction, combination or consolidation, by multiplying the number of Common Shares obtainable immediately prior to such date on the exercise of such Warrant by a fraction of which the numerator shall be the total number of Common Shares outstanding immediately after such date and the denominator shall be the total number of Common Shares outstanding immediately prior to such date and the Exercise Price in effect immediately after such subdivision, redivision or change shall be proportionately reduced, and conversely, in case the outstanding Common Shares of the Corporation shall be reduced, combined or consolidated into a smaller number of shares, the Exercise Price in effect immediately after such reduction, combination or consolidation shall be proportionately increased. Such adjustment shall be made successively whenever any event referred to in this subsection 4.1(a) shall occur;

- (b) if and whenever at any time from the date hereof and prior to the Exercise Date, there is a reclassification of the Common Shares or a capital reorganization of the Corporation other than as described in subsection 4.1(a) or a consolidation, amalgamation, arrangement or merger of the Corporation with or into any other body corporate, trust, partnership or other entity, or a sale, lease, exchange or transfer of the property and assets of the Corporation as an entirety or substantially as an entirety to any other body corporate, trust, partnership or other entity, a Warrantholder shall be entitled to receive and shall accept, in lieu of the number of Common Shares originally sought to be acquired by it, the number of shares or other securities or property of the Corporation or of the body corporate, trust, partnership or other entity resulting from such merger, amalgamation, arrangement or consolidation, or to which such sale, lease, exchange or transfer may be made, as the case may be, that such Warrantholder would have been entitled to receive on such reclassification, capital reorganization, consolidation, amalgamation, merger, sale, lease, exchange or transfer, if, on the record date or the effective date thereof, as the case may be, the Warrantholder had been the registered holder of the number of Common Shares originally sought to be acquired by it and to which it was entitled to acquire upon the exercise of the Warrants. If determined appropriate by the Trustee to give effect to or to evidence the provisions of this subsection 4.1(b), the Corporation, its successor, or such purchasing body corporate, partnership, trust or other entity, as the case may be, shall, prior to or contemporaneously with any such reclassification, reorganization, consolidation, amalgamation, arrangement,
-

merger, sale, lease, exchange or transfer, enter into an indenture which shall provide, to the extent possible, for the application of the provisions set forth in this Indenture with respect to the rights and interests thereafter of the Warranholders to the end that the provisions set forth in this Indenture shall thereafter correspondingly be made applicable, as nearly as may reasonably be, with respect to any shares, other securities or property to which a Warranholder is entitled on the exercise of its acquisition rights thereafter. Any indenture entered into between the Corporation and the Trustee pursuant to the provisions of this subsection 4.1(b) shall be a supplemental indenture entered into pursuant to the provisions of Article 8 hereof. Any indenture entered into between the Corporation, any successor to the Corporation or such purchasing body corporate, partnership, trust or other entity and the Trustee shall provide for adjustments which shall be as nearly equivalent as may be practicable to the adjustments provided in this Section 4.1 and which shall apply to successive reclassifications, reorganizations, amalgamations, arrangements, consolidations, mergers, sales, lease, exchange or transfer;

- (c) if and whenever at any time after the date hereof and prior to the Expiry Time:
 - (i) the Corporation shall fix a record date for the issuance of rights, options or warrants to all or substantially all of the holders of Common Shares entitling them to subscribe for or purchase Common Shares (or securities convertible into or exchangeable for Common Shares) at a price per share (or having a conversion price per share or exchange price per share) less than 80% of the Current Market Price on such record date, and
 - (ii) the Corporation does not fix a record date for the same date as the record date provided for in (c)(i) for the issuance to Warranholders of equivalent rights, options or warrants as provided to holders of Common Shares in the event described in (c)(i) and on equivalent terms thereto,

then, the Exercise Price shall be adjusted immediately after such record date so that it shall equal the price determined by multiplying the Exercise Price in effect on such record date by the following fraction:

$$\frac{A + (B / C)}{A + D}$$

Where:

A = Total number of Common Shares outstanding on the record date

B = Aggregate gross price of the total number of additional Common Shares offered for subscription or purchase (or the aggregate conversion or exchange price of the convertible or exchangeable securities so offered)

C = Current Market Price on the record date

D = Total number of additional Common Shares offered for subscription or purchase (or into or for which the convertible or exchangeable securities so offered are convertible or exchangeable)

and,

- (iii) any Common Shares owned by or held for the account of the Corporation or any subsidiary (as defined in the *Business Corporations Act* (Alberta)) of the Corporation shall be deemed not to be outstanding for the purpose of any such computation;
 - (iv) such adjustment shall be made successively whenever such a record date is fixed;
 - (v) to the extent that any such rights, options or warrants are not so issued or any such rights, options or warrants are not exercised prior to the expiration thereof, the Exercise Price shall then be readjusted to the Exercise Price which would then be in effect if such record date had not been fixed or to the Exercise Price which would then be in effect based upon the number and aggregate price of Common Shares (or securities convertible into Common Shares) actually issued upon the exercise of such rights, options or warrants, as the case may be; and
 - (vi) upon any adjustment of the Exercise Price pursuant to this subsection 4.1(c), the number of Common Shares subject to the right of purchase under each Warrant shall be contemporaneously adjusted by multiplying the number of Common Shares theretofore obtainable on the exercise thereof by a fraction of which the numerator shall be the respective Exercise Price in effect immediately prior to such adjustment and the denominator shall be the respective Exercise Price resulting from such adjustment;
- (d) if and whenever at any time after the date hereof and prior to the Expiry Time:
- (i) the Corporation shall fix a record date for the making of a distribution to all or substantially all the holders of its outstanding Common Shares of:
 - (A) shares of any class, whether of the Corporation or any other corporation (other than Common Shares);
 - (B) evidence of its indebtedness; or
 - (C) assets or property of the Corporation; and
 - (ii) the Corporation does not fix a record date for the same date as the record date provided for in (d)(i) for the issuance to Warrantheholders of equivalent shares, evidence of indebtedness, assets or property as provided to holders of Common Shares in the event described in (d)(i) and on equivalent terms thereto,
- then, and in each such case, the Exercise Price shall be adjusted immediately after such record date so that it shall equal the price determined by multiplying the Exercise Price in effect on such record date by the following fraction:

(A x B) - C

A x B

Where:

date A = Total number of Common Shares outstanding on such record

B = Current Market Price on such record date

C = Aggregate fair market value of such shares, evidence of indebtedness or assets so distributed

and,

- (iii) any Common Shares owned by or held for the account of the Corporation or any subsidiary of the Corporation shall be deemed not to be outstanding for the purpose of any such computation;
- (iv) such adjustment shall be made successively whenever such a record date is fixed;
- (v) to the extent that such distribution is not so made, the Exercise Price shall then be readjusted to the Exercise Price which would then be in effect if such record date had not been fixed or to the Exercise Price which would then be in effect based upon such shares, evidences of indebtedness or assets actually distributed, as the case may be; and
- (vi) upon any adjustment of the Exercise Price pursuant to clauses 4.1(d)(i)(A) and 4.1(d)(i)(B), the number of Common Shares subject to the right of purchase under each Warrant shall be contemporaneously adjusted by multiplying the number of Common Shares theretofore obtainable on the exercise thereof by a fraction of which the numerator shall be the respective Exercise Price in effect immediately prior to such adjustment and the denominator shall be the respective Exercise Price resulting from such adjustment;
- (e) the adjustments provided for in this Article 4 in the number of Common Shares and classes of securities which are to be received on the exercise of Warrants are cumulative. After any adjustment pursuant to this Section 4.1, the term "Common Shares" where used in this Indenture shall be interpreted to mean securities of any class or classes which, as a result of such adjustment and all prior adjustments pursuant to this Section 4.1, the Warrantholder is entitled to receive upon the exercise of its Warrant, and the number of Common Shares indicated by any exercise made pursuant to a Warrant shall be interpreted to mean the number of Common Shares or other property or securities a Warrantholder is entitled to receive, as a result of such adjustment and all prior adjustments pursuant to this Section 4.1, upon the full exercise of a Warrant; and
- (f) subject only to this Article 4, no Warrantholder shall be entitled to receive at any time cash or property of any kind in lieu of those Common Shares issuable on the exercise of the Warrants held by such Warrantholder.

4.2 Entitlement to Shares on Exercise of Warrant

All shares of any class or other securities which a Warrantholder is at the time in question entitled to receive on the exercise of its Warrant, whether or not as a result of adjustments made pursuant to this

Article 4, shall, for the purposes of the interpretation of this Indenture, be deemed to be shares which such Warrantholder is entitled to acquire pursuant to such Warrant.

4.3 Determination by Corporation's Auditors

In the event of any question arising with respect to the adjustments provided for in this Article 4, such question shall be conclusively determined by the Corporation's Auditors who shall have access to all necessary records of the Corporation, and such determination shall be binding upon the Corporation, the Trustee, all Warrantholders and all other persons interested therein.

4.4 Proceedings Prior to any Action Requiring Adjustment

As a condition precedent to the taking of any action which would require an adjustment in any of the acquisition rights pursuant to any of the Warrants, including the number of Common Shares which are to be received upon the exercise thereof, the Corporation shall take any corporate action which may, in the opinion of Counsel, be necessary in order that the Corporation has unissued and reserved in its authorized capital and may validly and legally issue as fully paid and non-assessable all the shares which the holders of such Warrants are entitled to receive on the full exercise thereof in accordance with the provisions hereof.

4.5 Certificate of Adjustment

The Corporation shall from time to time immediately after the occurrence of any event which requires an adjustment or readjustment as provided in Article 4, deliver a certificate of the Corporation to the Trustee specifying the nature of the event requiring the same and the amount of the adjustment or readjustment necessitated thereby and setting forth in reasonable detail the method of calculation and the facts upon which such calculation is based, which certificate shall be supported by a certificate of the Corporation's Auditors verifying such calculation.

4.6 Notice of Special Matters

The Corporation covenants with the Trustee that, so long as any Warrants remain outstanding, it will give notice to the Trustee and to the Warrantholders of its intention to fix a record date that is prior to the Expiry Date for the issuance of rights, options or warrants (other than the Warrants) to all or substantially all the holders of its outstanding Common Shares. Such notice shall specify the particulars of such event and the record date for such event, provided that the Corporation shall only be required to specify in the notice such particulars of the event as shall have been fixed and determined on the date on which the notice is given. The notice shall be given in each case at least 14 days prior to such applicable record date.

4.7 No Action after Notice

The Corporation covenants with the Trustee that it will not close its transfer books or take any other corporate action which might deprive the holder of a Warrant of the opportunity to have exercised its right of acquisition pursuant thereto during the period of 14 days after the giving of the notice set forth in Section 4.6.

4.8 Protection of Trustee

Except as provided in Section 9.2, the Trustee:

- (a) shall not at any time be under any duty or responsibility to any Warrantholder to determine whether any facts exist which may require any adjustment contemplated by Section 4.1, or with respect to the nature or extent of any such adjustment when made, or with respect to the method employed in making the same;
- (b) shall not be accountable with respect to the validity or value (or the kind or amount) of any Common Shares or of any shares or other securities or property which may at any time be issued or delivered upon the exercise of the rights attaching to any Warrant;
- (c) shall not be responsible for any failure of the Corporation to issue, transfer or deliver Common Shares or certificates for the same upon the surrender of any Warrants for the purpose of the exercise of such rights or to comply with any of the covenants contained in this Article; and
- (d) shall not incur any liability or responsibility whatsoever or be in any way responsible for the consequences of any breach on the part of the Corporation of any of the representations, warranties or covenants herein contained or of any acts of the directors, officers, employees, agents or servants of the Corporation.

5.3 Performance of Covenants by Trustee

If the Corporation shall fail to perform any of its covenants contained in this Indenture, the Trustee may notify the Warrantholders of such failure on the part of the Corporation or may itself perform

any of the covenants capable of being performed by it but, subject to Section 9.2, shall be under no obligation to perform said covenants or to notify the Warrantholders of such performance by it. All sums expended or advanced by the Trustee in so doing shall be repayable as provided in Section 5.2. No such performance, expenditure or advance by the Trustee shall relieve the Corporation of any default hereunder or of its continuing obligations under the covenants herein contained.

Any Warrant Certificates representing the Warrants purchased pursuant to this Section 5.4 shall forthwith be cancelled by the Trustee upon receipt by the Trustee of the Warrant Certificate and a direction from the Corporation to cancel such Warrant Certificate. No Warrants shall be issued in replacement thereof.

ARTICLE VI

ENFORCEMENT

6.1 Suits by Warrantholders

All or any of the rights conferred upon any Warrantholder by any of the terms of the Warrant Certificates or of this Indenture, or of both, may be enforced by the Warrantholder by appropriate proceedings but without prejudice to the right which is hereby conferred upon the Trustee to proceed in its own name to enforce each and all of the provisions herein contained for the benefit of the Warrantholders.

6.2 Immunity of Shareholders, etc.

The Trustee and, by the acceptance of the Warrant Certificates and as part of the consideration for the issue of the Warrants, the Warrantholders hereby waive and release any right, cause of action or remedy now or hereafter existing in any jurisdiction against any incorporator or any past, present or future shareholder, director, officer, employee or agent of the Corporation or of any "successor Corporation" (as such term is defined in Section 8.2) on any covenant, agreement, representation or warranty by the Corporation contained herein or in the Warrant Certificates.

6.3 Limitation of Liability

The obligations hereunder are not personally binding upon, nor shall resort hereunder be had to, the private property of any of the past, present or future shareholders, directors, officers, employees or agents of the Corporation or of any successor Corporation, but only the property of the Corporation or of any successor Corporation shall be bound in respect hereof.

6.4 Waiver of Default

Upon the happening of any default hereunder, the Trustee shall provide a notice as provided in Section 10.2 to the Warrantholders setting out, in reasonable detail, the particulars of such default and:

- (a) the holders of not less than 51% of the Warrants then outstanding shall have the power (in addition to the powers exercisable by Extraordinary Resolution) by requisition in

ARTICLE VII

MEETINGS OF WARRANTHOLDERS

7.1 Right to Convene Meetings

The Trustee may at any time and from time to time, and shall on receipt of a written request of the Corporation or of a Warranholders' Request and upon being indemnified to its reasonable satisfaction by the Corporation or by the Warranholders signing such Warranholders' Request against the cost which may be incurred in connection with the calling and holding of such meeting, convene a meeting of the Warranholders. In the event of the Trustee failing to so convene a meeting within ten (10) days after receipt of such written request of the Corporation or such Warranholders' Request and indemnity given as aforesaid, the Corporation or such Warranholders, as the case may be, may convene such meeting. Every such meeting shall be held in the City of Calgary, Alberta or at such other place as may be approved or determined by the Trustee.

7.2 Notice

At least twenty-one days' prior notice of any meeting of Warranholders shall be given to the Warranholders in the manner provided for in Section 10.2 and a copy of such notice shall be sent by mail to the Trustee (unless the meeting has been called by the Trustee) and to the Corporation (unless the meeting has been called by the Corporation). Such notice shall state the time when and the place where the meeting is to be held, shall state briefly the general nature of the business to be transacted thereat and shall contain such information as is reasonably necessary to enable the Warranholders to make a reasoned decision on the matter, but it shall not be necessary for any such notice to set out the terms of any resolution to be proposed or any of the provisions of this Article 7.

7.3 Chairman

An individual (who need not be a Warranholder) designated in writing by the Trustee shall be chairman of any meeting of Warranholders and if no individual is so designated, or if the individual so designated is not present within 15 minutes from the time fixed for the holding of the meeting, the Warranholders present in person or by proxy shall choose some individual present to be chairman.

7.4 Quorum

Subject to the provisions of Section 7.11, at any meeting of the Warranholders a quorum shall consist of Warranholders present in person or by proxy and entitled to acquire at least 25% of the aggregate number of Common Shares which could be acquired pursuant to all the then outstanding

Warrants, provided that at least two persons entitled to vote thereat are personally present. If a quorum of the Warrantholders shall not be present within 30 minutes from the time fixed for holding any meeting, the meeting, if summoned by Warrantholders or on a Warrantholders' Request, shall be dissolved; but in any other case the meeting shall be adjourned to the same day in the next week (unless such day is not a Business Day, in which case it shall be adjourned to the next following Business Day) at the same time and place and no notice of the adjournment need be given. Any business may be brought before or dealt with at an adjourned meeting which might have been dealt with at the original meeting in accordance with the notice calling the same. No business shall be transacted at any meeting unless a quorum be present at the commencement of business. At the adjourned meeting the Warrantholders present in person or by proxy shall form a quorum and may transact the business for which the meeting was originally convened, notwithstanding that they may not be entitled to acquire at least 25% of the aggregate number of Common Shares which may be acquired pursuant to all then outstanding Warrants.

7.5 Power to Adjourn

The chairman of any meeting at which a quorum of the Warrantholders is present may, with the consent of the meeting, adjourn any such meeting, and no notice of such adjournment need be given except such notice, if any, as the meeting may prescribe.

7.6 Show of Hands

Every question submitted to a meeting shall be decided in the first place by a majority of the votes given on a show of hands except that votes on an Extraordinary Resolution shall be given in the manner hereinafter provided. At any such meeting, unless a poll is duly demanded as herein provided, a declaration by the chairman that a resolution has been carried or carried unanimously or by a particular majority or lost or not carried by a particular majority shall be conclusive evidence of the fact.

7.7 Poll and Voting

On every Extraordinary Resolution, and on any other question submitted to a meeting and after a vote by show of hands when demanded by the chairman or by one or more of the Warrantholders acting in person or by proxy and entitled to acquire in the aggregate at least 5% of the aggregate number of Common Shares which could be acquired pursuant to all the Warrants then outstanding, a poll shall be taken in such manner as the chairman shall direct. Questions other than those required to be determined by Extraordinary Resolution shall be decided by a majority of the votes cast on the poll.

On a show of hands, every person who is present and entitled to vote, whether as a Warrantholder or as proxy for one or more absent Warrantholders, or both, shall have one vote. On a poll, each Warrantholder present in person or represented by a proxy duly appointed by instrument in writing shall be entitled to one vote in respect of each whole Common Share which he is entitled to acquire pursuant to the Warrant or Warrants then held or represented by it. A proxy need not be a Warrantholder. The chairman of any meeting shall be entitled, both on a show of hands and on a poll, to vote in respect of the Warrants, if any, held or represented by him.

7.8 Regulations

The Trustee, or the Corporation with the approval of the Trustee, may from time to time make and from time to time vary such regulations as it shall think fit for:

- (a) the setting of the record date for a meeting of Warrantholders for the purpose of determining Warrantholders entitled to receive notice of and to vote at the meeting;
-

- (b) the issue of voting certificates by any bank, trust company or other depository satisfactory to the Trustee stating that the Warrant Certificates specified therein have been deposited with it by a named person and will remain on deposit until after the meeting, which voting certificate shall entitle the persons named therein to be present and vote at any such meeting and at any adjournment thereof or to appoint a proxy or proxies to represent them and vote for them at any such meeting and at any adjournment thereof in the same manner and with the same effect as though the persons so named in such voting certificates were the actual bearers of the Warrant Certificates specified therein;
- (c) the deposit of voting certificates and instruments appointing proxies at such place and time as the Trustee, the Corporation or the Warranholders convening the meeting, as the case may be, may in the notice convening the meeting direct;
- (d) the deposit of voting certificates and instruments appointing proxies at some approved place or places other than the place at which the meeting is to be held and enabling particulars of such instruments appointing proxies to be mailed or telecopied before the meeting to the Corporation or to the Trustee at the place where the same is to be held and for the voting of proxies so deposited as though the instruments themselves were produced at the meeting;
- (e) the form of the instrument of proxy; and
- (f) generally for the calling of meetings of Warranholders and the conduct of business thereat.

Any regulations so made shall be binding and effective and the votes given in accordance therewith shall be valid and shall be counted. Save as such regulations may provide, the only persons who shall be recognized at any meeting as a Warranholder, or be entitled to vote or be present at the meeting in respect thereof (subject to Section 7.9), shall be Warranholders or their counsel, or proxies of Warranholders.

7.9 Corporation and Trustee May be Represented

The Corporation and the Trustee, by their respective directors and officers, and the Counsel for the Corporation and for the Trustee may attend any meeting of the Warranholders, but shall not be entitled to vote thereat, whether in respect of any Warrants held by them or otherwise.

7.10 Powers Exercisable by Extraordinary Resolution

In addition to all other powers conferred upon them by any other provisions of this Indenture or by law, the Warranholders at a meeting shall, subject to the provisions of Section 7.11, have the power, exercisable from time to time by Extraordinary Resolution:

- (a) to agree to any modification, abrogation, alteration, compromise or arrangement of the rights of Warranholders or the Trustee in its capacity as trustee hereunder or on behalf of the Warranholders against the Corporation whether such rights arise under this Indenture or the Warrant Certificates or otherwise;
 - (b) to amend, alter or repeal any Extraordinary Resolution previously passed or sanctioned by the Warranholders;
 - (c) to direct or to authorize the Trustee to enforce any of the covenants on the part of the
-

Corporation contained in this Indenture or the Warrant Certificates or to enforce any of the rights of the Warranholders in any manner specified in such Extraordinary Resolution or to refrain from enforcing any such covenant or right;

- (d) to waive, and to direct the Trustee to waive, any default on the part of the Corporation in complying with any provisions of this Indenture or the Warrant Certificates either unconditionally or upon any conditions specified in such Extraordinary Resolution;
- (e) to restrain any Warranholder from taking or instituting any suit, action or proceeding against the Corporation for the enforcement of any of the covenants on the part of the Corporation in this Indenture or the Warrant Certificates or to enforce any of the rights of the Warranholders;
- (f) to direct any Warranholder who, as such, has brought any suit, action or proceeding to stay or to discontinue or otherwise to deal with the same upon payment of the costs, charges and expenses reasonably and properly incurred by such Warranholder in connection therewith;
- (g) to assent to any change in or omission from the provisions contained in the Warrant Certificates and this Indenture or any ancillary or supplemental instrument which may be agreed to by the Corporation, and to authorize the Trustee to concur in and execute any ancillary or supplemental indenture embodying the change or omission; and
- (h) with the consent of the Corporation (which consent shall not be unreasonably withheld), to remove the Trustee or its successor in office and to appoint a new trustee or trustees to take the place of the Trustee so removed.

7.11 Meaning of Extraordinary Resolution

- (a) The expression "Extraordinary Resolution" when used in this Indenture means, subject as hereinafter provided in this Section 7.11 and in Section 7.14, a resolution proposed at a meeting of Warranholders duly convened for that purpose and held in accordance with the provisions of this Article 7 at which there are present in person or by proxy Warranholders entitled to acquire at least 25% of the aggregate number of Common Shares which may be acquired pursuant to all the then outstanding Warrants and passed by the affirmative votes of Warranholders entitled to acquire not less than 66 2/3% of the aggregate number of Common Shares which may be acquired pursuant to all the then outstanding Warrants represented at the meeting and voted on the poll upon such resolution.
 - (b) If, at the meeting at which an Extraordinary Resolution is to be considered, Warranholders entitled to acquire at least 25% of the aggregate number of Common Shares which may be acquired pursuant to all the then outstanding Warrants are not present in person or by proxy within 30 minutes after the time appointed for the meeting, then the meeting, if convened by Warranholders or on a Warranholders' Request, shall be dissolved; but in any other case it shall stand adjourned to such day, being not less than 15 or more than 60 days later, and to such place and time as may be appointed by the chairman. Not less than ten days' prior notice shall be given of the time and place of such adjourned meeting in the manner provided for in Section 10.2. Such notice shall state that at the adjourned meeting the Warranholders present in person or by proxy shall form a quorum but it shall not be necessary to set forth the purposes for which the
-

meeting was originally called or any other particulars. At the adjourned meeting the Warranholders present in person or by proxy shall form a quorum and may transact the business for which the meeting was originally convened and a resolution proposed at such adjourned meeting and passed by the requisite vote as provided in subsection 7.11(a) shall be an Extraordinary Resolution within the meaning of this Indenture notwithstanding that Warranholders entitled to acquire at least 25% of the aggregate number of Common Shares which may be acquired pursuant to all the then outstanding Warrants are not present in person or by proxy at such adjourned meeting.

- (c) Votes on an Extraordinary Resolution shall always be given on a poll and no demand for a poll on an Extraordinary Resolution shall be necessary.

7.12 Powers Cumulative

Any one or more of the powers or any combination of the powers in this Indenture stated to be exercisable by the Warranholders by Extraordinary Resolution or otherwise may be exercised from time to time and the exercise of any one or more of such powers or any combination of powers from time to time shall not be deemed to exhaust the right of the Warranholders to exercise such power or powers or combination of powers then or thereafter from time to time.

7.13 Minutes

Minutes of all resolutions and proceedings at every meeting of Warranholders shall be made and duly entered in books to be provided from time to time for that purpose by the Trustee at the expense of the Corporation, and any such minutes as aforesaid, if signed by the chairman or the secretary of the meeting at which such resolutions were passed or proceedings had shall be prima facie evidence of the matters therein stated and, until the contrary is proved, every such meeting in respect of the proceedings of which minutes shall have been made shall be deemed to have been duly convened and held, and all resolutions passed thereat or proceedings taken shall be deemed to have been duly passed and taken.

7.14 Instruments in Writing

All actions which may be taken and all powers that may be exercised by the Warranholders at a meeting held as provided in this Article 7 may also be taken and exercised by Warranholders entitled to acquire at least 66 2/3% of the aggregate number of Common Shares which may be acquired pursuant to all the then outstanding Warrants by an instrument in writing signed in one or more counterparts by such Warranholders in person or by attorney duly appointed in writing, and the expression "Extraordinary Resolution" when used in this Indenture shall include an instrument so signed.

7.15 Binding Effect of Resolutions

Every resolution and every Extraordinary Resolution passed in accordance with the provisions of this Article 7 at a meeting of Warranholders shall be binding upon all the Warranholders, whether present at or absent from such meeting, and every instrument in writing signed by Warranholders in accordance with Section 7.14 shall be binding upon all the Warranholders, whether signatories thereto or not, and each and every Warranholder and the Trustee (subject to the provisions for indemnity herein contained) shall be bound to give effect accordingly to every such resolution and instrument in writing.

7.16 Holdings by Corporation Disregarded

In determining whether Warrantholders holding Warrant Certificates evidencing the entitlement to acquire the required number of Common Shares are present at a meeting of Warrantholders for the purpose of determining a quorum or have concurred in any consent, waiver, Extraordinary Resolution, Warrantholders' Request or other action under this Indenture, Warrants owned legally or beneficially by the Corporation or any Subsidiary of the Corporation shall be disregarded in accordance with the provisions of Section 10.6.

ARTICLE VIII

8.1 Provision for Supplemental Indentures for Certain Purposes

From time to time the Corporation (when authorized by action of the directors) and the Trustee may, subject to the provisions hereof and to the prior approval of the TSX, and they shall, when so directed in accordance with the provisions hereof, execute and deliver by their proper officers, indentures or instruments supplemental hereto, which thereafter shall form part hereof, for any one or more or all of the following purposes:

- (a) setting forth any adjustments resulting from the application of the provisions of Article 4;
 - (b) adding to the provisions hereof such additional covenants and enforcement provisions as, in the opinion of Counsel, are necessary or advisable in the premises, provided that the same are not in the opinion of the Trustee prejudicial to the interests of the Warrantholders as a group;
 - (c) giving effect to any Extraordinary Resolution passed as provided in Article 7;
 - (d) making such provisions not inconsistent with this Indenture as may be necessary or desirable with respect to matters or questions arising hereunder or for the purpose of obtaining a listing or quotation of the Warrants on any stock exchange, provided that such provisions are not, in the opinion of the Trustee, prejudicial to the interests of the Warrantholders;
 - (e) adding to or altering the provisions hereof in respect of the transfer of Warrants, making provision for the exchange of Warrant Certificates, and making any modification in the form of the Warrant Certificates which does not affect the substance thereof;
 - (f) modifying any of the provisions of this Indenture, including relieving the Corporation from any of the obligations, conditions or restrictions herein contained, provided that such modification or relief shall be or become operative or effective only if, in the opinion of the Trustee, such modification or relief in no way prejudices any of the rights of the Warrantholders or of the Trustee, and provided further that the Trustee may in its sole discretion decline to enter into any such supplemental indenture which in its opinion may not afford adequate protection to the Trustee when the same shall become operative; and
 - (g) for any other purpose not inconsistent with the terms of this Indenture, including the correction or rectification of any ambiguities, defective or inconsistent provisions, errors, mistakes or omissions herein, provided that in the opinion of the Trustee the rights of the
-

Trustee and of the Warranholders are in no way prejudiced thereby.

8.2 Successor Corporations

In the case of the consolidation, amalgamation, merger or transfer of the undertaking or assets of the Corporation as an entirety or substantially as an entirety to another Corporation (“successor Corporation”), the successor Corporation resulting from such consolidation, amalgamation, merger or transfer (if not the Corporation) shall expressly assume, by supplemental indenture satisfactory in form to the Trustee and executed and delivered to the Trustee, the due and punctual performance and observance of each and every covenant and condition of this Indenture to be performed and observed by the Corporation.

ARTICLE IX

CONCERNING THE TRUSTEE

9.1 Trust Indenture Legislation

- (a) If and to the extent that any provision of this Indenture limits, qualifies or conflicts with a mandatory requirement of Applicable Legislation, such mandatory requirement shall prevail.
- (b) The Corporation and the Trustee agree that each will, at all times in relation to this Indenture and any action to be taken hereunder, observe and comply with and be entitled to the benefits of Applicable Legislation.

9.2 Rights and Duties of Trustee

- (a) In the exercise of the rights and duties prescribed or conferred by the terms of this Indenture, the Trustee shall exercise that degree of care, diligence and skill that a reasonably prudent trustee and/or custodian would exercise in comparable circumstances. No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own wilful misconduct or bad faith.
 - (b) The obligation of the Trustee to commence or continue any act, action or proceeding for the purpose of enforcing any rights of the Trustee or the Warranholders hereunder shall be conditional upon the Warranholders furnishing, when required by notice by the Trustee, sufficient funds to commence or to continue such act, action or proceeding and an indemnity reasonably satisfactory to the Trustee to protect and to hold harmless the Trustee against the costs, charges and expenses and liabilities to be incurred thereby and any loss and damage it may suffer by reason thereof. None of the provisions contained in this Indenture shall require the Trustee to expend or to risk its own funds or otherwise to incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers unless indemnified as aforesaid.
 - (c) The Trustee may, before commencing or at any time during the continuance of any such act, action or proceeding, require the Warranholders, at whose instance it is acting to deposit with the Trustee the Warrants held by them, for which Warrants the Trustee shall issue receipts.
 - (d) Every provision of this Indenture that by its terms relieves the Trustee of liability or
-

entitles it to rely upon any evidence submitted to it is subject to the provisions of Applicable Legislation, of this Section 9.2 and of Section 9.3.

9.3 Evidence, Experts and Advisers

- (a) In addition to the reports, certificates, opinions and other evidence required by this Indenture, the Corporation shall furnish to the Trustee such additional evidence of compliance with any provision hereof, and in such form, as may be prescribed by Applicable Legislation or as the Trustee may reasonably require by written notice to the Corporation.
- (b) In the exercise of its rights and duties hereunder, the Trustee may, if it is acting in good faith, rely as to the truth of the statements and the accuracy of the opinions expressed in statutory declarations, opinions, reports, written requests, consents, or orders of the Corporation, certificates of the Corporation or other evidence furnished to the Trustee pursuant to a request of the Trustee, provided that such evidence complies with Applicable Legislation and that the Trustee complies with Applicable Legislation and that the Trustee examines the same and determines that such evidence complies with the applicable requirements of this Indenture.
- (c) Whenever it is provided in this Indenture or under Applicable Legislation that the Corporation shall deposit with the Trustee resolutions, certificates, reports, opinions, requests, orders or other documents, it is intended that the trust, accuracy and good faith on the effective date thereof and the facts and opinions stated in all such documents so deposited shall, in each and every such case, be conditions precedent to the right of the Corporation to have the Trustee take the action to be based thereon.
- (d) Proof of the execution of an instrument in writing, including a Warranholders' Request, by any Warranholder may be made by the certificate of a notary public, or other officer with similar powers, that the person signing such instrument acknowledged to it the execution thereof, or by an affidavit of a witness to such execution or in any other manner which the Trustee may consider adequate.
- (e) The Trustee may employ or retain such Counsel, accountants, appraisers or other experts or advisers as it may reasonably require for the purpose of discharging its duties hereunder and may pay reasonable remuneration for all services so performed by any of them, without taxation of costs of any Counsel, and shall not be responsible for any misconduct or negligence on the part of any such experts or advisers who have been appointed with due care by the Trustee.

9.4 Documents, Monies, etc. Held by Trustee

Any securities, documents of title or other instruments that may at any time be held by the Trustee subject to the trusts hereof may be placed in the deposit vaults of the Trustee or of any Canadian chartered bank listed in Schedule I of the *Bank Act* (Canada) or deposited for safekeeping with any such bank. Unless herein otherwise expressly provided, any monies so held pending the application or withdrawal thereof under any provisions of this Indenture, upon the direction of the Corporation, shall be or, with the consent of the Corporation, may be:

- (a) deposited in the name of the Trustee in any Canadian chartered bank listed in Schedule I of the *Bank Act* (Canada) at the rate of interest (if any) then current on similar deposits;
-

- (b) deposited in the deposit department of the Trustee; or
- (c) invested in securities issued or guaranteed by the Government of Canada or a province thereof, any Canadian chartered bank listed in Schedule I of the *Bank Act* (Canada) or the Trustee, provided that the securities shall not have a maturity date of more than 60 days from the date of investment. Unless the Corporation shall be in default hereunder or unless otherwise specifically provided herein, all interest or other income received by the Trustee in respect of such deposits and investments shall belong to the Corporation.

9.5 Actions by Trustee to Protect Interest

The Trustee shall have power to institute and to maintain such actions and proceedings as it may consider necessary or expedient to preserve, protect or enforce its interests and the interests of the Warrantholders.

9.6 Trustee Not Required to Give Security

The Trustee shall not be required to give any bond or security in respect of the execution of the trusts and powers of this Indenture or otherwise in respect of the premises.

9.7 Protection of Trustee

By way of supplement to the provisions of any law for the time being relating to trustees it is expressly declared and agreed as follows:

- (a) the Trustee shall not be liable for or by reason of any statements of fact or recitals in this Indenture or in the Warrant Certificates (except the representation contained in Section 9.9 or in the certificate of the Trustee on the Warrant Certificates) or be required to verify the same, but all such statements or recitals are and shall be deemed to be made by the Corporation;
- (b) nothing herein contained shall impose any obligation on the Trustee to see to or to require evidence of the registration or filing (or renewal thereof) of this Indenture or any instrument ancillary or supplemental hereto;
- (c) the Trustee shall not be bound to give notice to any person or persons of the execution hereof; and
- (d) the Corporation indemnifies and saves harmless the Trustee and its officers from and against any and all liabilities, losses, costs, claims, actions, or demands whatsoever which may be brought against the Trustee or which it may suffer or incur as a result of or arising out of the performance of its duties and obligations under this Indenture, save only in the event of the negligent failure to act, or the wilful misconduct or bad faith of the Trustee. It is understood and agreed that this indemnification shall survive the termination or discharge of this Indenture or the resignation of the Trustee.

9.8 Replacement of Trustee; Successor by Merger

- (a) The Trustee may resign its trust and be discharged from all further duties and liabilities hereunder, subject to this Section 9.8, by giving to the Corporation not less than 90 days prior notice in writing or such shorter prior notice as the Corporation may accept as
-

sufficient. The Warrantholders by Extraordinary Resolution shall have power at any time to remove the existing Trustee and to appoint a new Trustee. In the event of the Trustee resigning or being removed as aforesaid or being dissolved, becoming bankrupt, going into liquidation or otherwise becoming incapable of acting hereunder, the Corporation shall forthwith appoint a new trustee unless a new trustee has already been appointed by the Warrantholders; failing such appointment by the Corporation, the retiring Trustee or any Warrantholder may apply to a justice of the Court of Queen's Bench of the Province of Alberta on such notice as such justice may direct, for the appointment of a new trustee; but any new trustee so appointed by the Corporation or by the Court shall be subject to removal as aforesaid by the Warrantholders. Any new trustee appointed under any provision of this Section 9.8 shall be a Corporation authorized to carry on the business of a trust company in the Province of Alberta and, if required by the Applicable Legislation for any other provinces, in such other provinces. On any such appointment the new trustee shall be vested with the same powers, rights, duties and responsibilities as if it had been originally named herein as Trustee hereunder.

- (b) Upon the appointment of a successor trustee, the Corporation shall promptly notify the Warrantholders thereof in the manner provided for in Section 10.2 hereof.
- (c) Any corporation into or with which the Trustee may be merged or consolidated or amalgamated, or any corporation resulting therefrom to which the Trustee shall be a party, or any corporation succeeding to the trust business of the Trustee shall be the successor to the Trustee hereunder without any further act on its part or any of the parties hereto, provided that such corporation would be eligible for appointment as a successor trustee under subsection 9.8(a).

9.9 Conflict of Interest

- (a) The Trustee represents to the Corporation that at the time of execution and delivery hereof no material conflict of interest exists between its role as a trustee hereunder and its role in any other capacity and agrees that in the event of a material conflict of interest arising hereafter it will, within 90 days after ascertaining that it has such material conflict of interest, either eliminate the same or assign its trust hereunder to a successor trustee approved by the Corporation and meeting the requirements set forth in subsection 9.8(a). Notwithstanding the foregoing provisions of this subsection 9.9(a), if any such material conflict of interest exists or hereafter shall exist, the validity and enforceability of this Indenture and the Warrant Certificate shall not be affected in any manner whatsoever by reason thereof.
- (b) Subject to subsection 9.9(a), the Trustee, in its personal or any other capacity, may buy, lend upon and deal in securities of the Corporation and generally may contract and enter into financial transactions with the Corporation or any Subsidiary of the Corporation without being liable to account for any profit made thereby.

9.10 Acceptance of Trust

The Trustee hereby accepts the trusts in this Indenture declared and provided for and agrees to perform the same upon the terms and conditions herein set forth.

9.11 Trustee Not to be Appointed Receiver

The Trustee and any person related to the Trustee shall not be appointed a receiver, a receiver and manager or liquidator of all or any part of the assets or undertakings of the Corporation.

9.12 Anti-Money Laundering and Anti-Terrorist Legislation

The Trustee shall retain the right not to act and shall not be liable for refusing to act if, due to lack of information or for any other reason whatsoever, the Trustee, in its sole judgment, determines that such act might cause it to be in non-compliance with any applicable anti-money laundering or anti-terrorist legislation, regulation or guideline. Further, should the Trustee, in its sole judgment, determine at any time that its acting under this Indenture has resulted in its being in non-compliance with any applicable anti-money laundering or anti-terrorist legislation, regulation or guideline, then it shall have the right to resign on ten (10) days written notice to the Corporation, provided that (a) the Trustee's written notice shall describe the circumstances of such non-compliance; and (b) if such circumstances are rectified to the Trustee's satisfaction within such ten (10) day period, then such resignation shall not be effective.

9.13 Accounts Opened for Corporation

Any Warrants not exercised prior to the Time of Expiry shall be void and of no effect. Any terms utilized herein and not otherwise defined shall have the meanings ascribed thereto in the Indenture.

The certificates representing the Common Shares issued may be obtained upon duly completing and executing the Exercise Form attached hereto and surrendering this Warrant Certificate to the Trustee at the principal office of the Trustee in the City of Calgary, Alberta, together with certified cheque, bank draft or money order payable to the Trustee for the applicable Exercise Price. These Warrants shall be deemed to be surrendered only upon personal delivery hereof or, if sent by mail or other means of transmission, upon actual receipt thereof by the Trustee at the office referred to above, unless the Corporation accepts another form of delivery.

Upon surrender of these Warrants, the person or persons in whose name or names the Common Shares issuable upon exercise of the Warrants are to be issued shall be deemed for all purposes (except as provided in the Indenture) to be the holder or holders of record of such Common Shares and the Corporation has covenanted that it will (subject to the provisions of the Indenture) use its reasonable best efforts to cause a certificate or certificates representing such Common Shares to be delivered to the Warrant Agency or to be mailed to the person or persons at the address or addresses specified in the Exercise Form within five Business Days of the receipt of this Warrant Certificate and the Exercise Form duly completed.

The Indenture provides for adjustments to the right of exercise, including the amount of and class and kind of securities or other property issuable upon exercise, upon the happening of certain stated events, including the subdivision or consolidation of the Common Shares, certain distributions of Common Shares or securities convertible into Common Shares or of other securities or assets of the Corporation, certain offerings of rights, warrants or options and certain reorganizations.

During any such time when a U.S. Registration Statement is not effective, any holder of the Warrants evidenced hereby may be required to agree that all offers and sales of the Common Shares issued pursuant to such exercise shall be made only in accordance with Regulation S, pursuant to registration under the U.S. Securities Act or pursuant to an available exemption from the registration requirements of the U.S. Securities Act.
