Item 10 Directors, Executive Officers and Corporate Governance

Board of Directors and Committees

Pursuant to the terms of the Company's charter, the board of directors (the "Board") is divided into three classes. The class up for election at the Annual Meeting will hold office for a term expiring at the annual meeting of shareholders to be held in 2012. A second class will hold office for a term expiring at the annual meeting of shareholders to be held in 2010 and a third class will hold office for a term expiring at the annual meeting of shareholders to be held in 2011. Each director will hold office for the term to which such director is elected and until such director's successor is duly elected and qualified. At each annual meeting of the shareholders of the Company, the successors to the class of directors whose terms expire at such meeting will be elected to hold office for a term expiring at the annual meeting of shareholders held in the third year following the year of their election.

The Board meets quarterly, or more often as necessary. The Board met seven (7) times during 2008 and took various actions pursuant to resolutions adopted by unanimous written consent. All directors attended at least 75% of the meetings of the Board and each committee on which they served. All directors attended the annual meeting of shareholders held on July 18, 2008.

Several important functions of the Board may be performed by committees that are comprised of members of the Board. The Company's Bylaws authorize the formation of these committees and grant the Board the authority to prescribe the functions of each committee and the standards for membership of each committee. In addition, the Board appoints the members of each committee. The Board has four (4) standing committees: an Audit Committee, a Compensation Committee, a Nominating and Corporate Governance Committee, and an Executive Committee. You may find copies of the charters of the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee under the "Investor Relations-Officers and Directors" section of the Company's website www.suncommunities.com. You may also find a copy of the Company's corporate governance guidelines and its code of business ethics under the "Investor Relations-Officers and Directors" section of the Company's website at www.suncommunities.com. All of the committee charters, our corporate governance guidelines and the Company's code of business ethics are available in print to any shareholder who requests them.

The Audit Committee operates pursuant to a third amended and restated charter that was approved by the Board in December 2007. It is available under the "Investor Relations-Officers and Directors" section of the Company's website www.suncommunities.com. The Audit Committee, among other functions, (i) has the sole authority to appoint, retain, terminate and determine the compensation of the Company's independent accountants, (ii) reviews with the Company's independent accountants the scope and results of the audit engagement, (iii) approves professional services provided by the Company's independent accountants, (iv) reviews the independence of the Company's independent accountants, and (v) directs and controls the Company's internal audit functions. The current members of the Audit Committee are Messrs. Robert H. Naftaly, Clunet R. Lewis (Chairman) and Ms. Stephanie W. Bergeron, all of whom are "independent" as that term is defined in the rules of the SEC and applicable rules of the New York Stock Exchange ("NYSE"). The Audit Committee held six (6) formal meetings and several informal meetings during the fiscal year ended December 31, 2008. The Board has determined that each member of the Audit Committee is an "audit committee financial expert," as defined by SEC rules. See "Report of the Audit Committee."

The Compensation Committee operates pursuant to a charter that was approved by the Board in March 2004. A copy of the Compensation Committee Charter is available under the "Investor Relations-Officers and Directors" section of our website www.suncommunities.com. The Compensation Committee, among other functions, (i) reviews and approves corporate goals and objectives relevant to the compensation of the Chief Executive Officer and such other executive officers as may be designated by the Chief Executive Officer, evaluates the performance of such officers in light of such goals and objectives, and determines and approves the compensation of such officers based on these evaluations,

Edgar Filing: SUN COMMUNITIES INC - Form 10-K/A

(ii) approves the compensation of the Company's other executive officers, (iii) recommends to the Board for approval the compensation of the non-employee directors and (iv) oversees the Company's incentive-compensation plans and equity-based plans. The current members of the Compensation Committee are Messrs. Ted J. Simon (Chairman), Clunet R. Lewis and Ronald L. Piasecki, all of whom are independent directors under the NYSE rules. During the fiscal year ended December 31, 2008, the Compensation Committee held five (5) formal meetings and took various actions pursuant to resolutions adopted by unanimous written consent. *See* "Report of the Compensation Committee on Executive Compensation."

Edgar Filing: SUN COMMUNITIES INC - Form 10-K/A

The Nominating and Corporate Governance Committee (the “NCG Committee”) operates pursuant to a charter that was approved by the Board in March 2004. A copy of the Nominating and Corporate Governance Committee Charter is available under the “Investor Relations-Officers and Directors” section of the Company’s website www.suncommunities.com. The Nominating and Corporate Governance Committee, among other functions, is responsible for (i) identifying individuals qualified to become Board members, consistent with criteria approved by the Board, (ii) recommending that the Board select the committee-recommended nominees for election at each annual meeting of stockholders, (iii) developing and recommending to the Board a set of corporate governance guidelines applicable to the Company, and (iv) periodically reviewing such guidelines and recommending any changes, and overseeing the evaluation of the Board. The current members of the Nominating and Corporate Governance Committee are Messrs. Ronald L. Piasecki (Chairman), Clunet R. Lewis and Ted J. Simon, all of whom are independent under the NYSE rules. The Nominating and Governance Committee held one (1) formal meeting during the fiscal year ended December 31, 2008.

The Executive Committee was established to generally manage the day-to-day business and affairs of the Company between regular Board meetings. In no event may the Executive Committee, without the prior approval of the Board acting as a whole: (i) recommend to the shareholders an amendment to the Company’s Charter; (ii) amend the Company’s Bylaws; (iii) adopt an agreement of merger or consolidation; (iv) recommend to the shareholders the sale, lease or exchange of all or substantially all of the Company’s property and assets; (v) recommend to the shareholders a dissolution of the Company or a revocation of a dissolution; (vi) fill vacancies on the Board; (vii) fix compensation of the directors for serving on the Board or on a committee of the Board; (viii) declare dividends or authorize the issuance of the Company’s stock; (ix) approve or take any action with respect to any related party transaction involving the Company; or (x) take any other action which is forbidden by the Company’s Bylaws. All actions taken by the Executive Committee must be promptly reported to the Board as a whole and are subject to ratification, revision and alteration by the Board, except that no rights of third persons created in reliance on authorized acts of the Executive Committee can be affected by any such revision or alteration. The current members of the Executive Committee are Messrs. Gary A. Shiffman and Ted J. Simon. The Executive Committee did not hold any formal meetings during the fiscal year ended December 31, 2008 but took various actions pursuant to resolutions adopted by unanimous written consent.

A Special Litigation Committee was established in April 2006, to oversee and monitor the ongoing civil litigation between the SEC and the Company’s Chief Executive Officer and two other employees of the Company arising out of the SEC’s inquiry into the accounting for the SunChamp transactions reflected in the Company’s 2000, 2001 and 2002 financial statements and the indemnification obligations of the Company with respect to such litigation. The Special Litigation Committee was disbanded in September 2008.

Independence of Non-Employee Directors

The NYSE rules require that a majority of the Board consist of members who are independent. There are different measures of director independence—under New York Stock Exchange rules, under Section 16 of the Exchange Act and under Section 162(m) of the Internal Revenue Code of 1986, as amended (the “Code”). The Board has reviewed information about each of the Company’s non-employee directors and determined that Paul D. Lapides, Clunet R. Lewis, Robert H. Naftaly, Ronald L. Piasecki, Ted J. Simon and Stephanie W. Bergeron are independent directors. The independent directors meet on a regular basis in executive sessions without management participation. In 2008, the executive sessions occurred after some of the regularly scheduled meetings of the entire Board and may occur at such other times as the independent directors deem appropriate or necessary. Although the Company has not designated a lead director, typically the Chairman of the Audit Committee presides at the executive sessions of the independent directors.

Compensation Committee Interlocks and Insider Participation

None of the members of the Compensation Committee has been or will be one of the Company’s officers or employees. The Company does not have any interlocking relationships between its executive officers and the Compensation Committee and the executive officers and compensation committees of any other entities, nor has any such interlocking relationship existed in the past.

Consideration of Director Nominees

Board Membership Criteria

The Board of Directors has established criteria for Board membership. These criteria include the following specific, minimum qualifications that the NCG Committee believes must be met by an NCG Committee-recommended nominee for a position on the Board:

- The candidate must have experience at a strategic or policymaking level in a business, government, non-profit or academic organization of high standing;
- The candidate must be highly accomplished in his or her field, with superior credentials and recognition;
- The candidate must be well regarded in the community and must have a long-term reputation for high ethical and moral standards;
- The candidate must have sufficient time and availability to devote to the Company's affairs, particularly in light of the number of boards on which the nominee may serve; and
- The candidate's principal business or occupation must not be such as to place the candidate in competition with the Company or conflict with the discharge of a director's responsibilities to the Company or its shareholders.

In addition to the minimum qualifications for each nominee set forth above, the NCG Committee will recommend director candidates to the full Board for nomination, or present director candidates to the full Board for consideration, to help ensure that:

- A majority of the Board of Directors shall be "independent" as defined by the NYSE rules;
- Each of its Audit, Compensation and NCG Committees shall be comprised entirely of independent directors; and
- At least one member of the Audit Committee shall have such experience, education and qualifications necessary to qualify as an "audit committee financial expert" as defined by the rules of the SEC.

Consideration of Shareholder Nominated Directors

The NCG Committee's current policy is to review and consider any director candidates who have been recommended by shareholders in compliance with the procedures established from time to time by the NCG Committee. All shareholder recommendations for director candidates must be submitted in writing to our Secretary at Sun Communities, Inc., 27777 Franklin Road, Suite 200, Southfield, MI 48034, who will forward all recommendations to the NCG Committee. The Company did not receive any shareholder recommendations for director candidates

Edgar Filing: SUN COMMUNITIES INC - Form 10-K/A

for election at the Annual Meeting. All shareholder recommendations for director candidates for election at the 2010 annual meeting of shareholders must be submitted to our Secretary on or before January 1, 2010 and must include the following information:

- The shareholder's name, address, number of shares owned, length of period held and proof of ownership;
- The name, age, business and residential address, educational background, current principal occupation or employment, and principal occupation or employment for the preceding five full fiscal years of the proposed director candidate;
- A description of the qualifications and background of the proposed director candidate which addresses the minimum qualifications and other criteria for Board membership as approved by the Board from time to time;
- A description of all arrangements or understandings between the shareholder and the proposed director candidate;
- The consent of the proposed director candidate (1) to be named in the proxy statement relating to the Company's annual meeting of stockholders and (2) to serve as a director if elected at such annual meeting; and

- Any other information regarding the proposed director candidate that is required to be included in a proxy statement filed pursuant to the rules of the SEC.

Identifying and Evaluating Nominees

The NCG Committee may solicit recommendations for director nominees from any or all of the following sources: non-management directors, executive officers, third-party search firms or any other source it deems appropriate. The NCG Committee will review and evaluate the qualifications of any proposed director candidate that it is considering or has been recommended to it by a shareholder in compliance with the NCG Committee's procedures for that purpose, and conduct inquiries it deems appropriate into the background of these proposed director candidates. When nominating a sitting director for re-election, the NCG Committee will consider the director's performance on the Board and the director's qualifications in respect to the criteria set forth above. Other than circumstances in which the Company's legally required by contract or otherwise to provide third parties with the ability to nominate directors, the NCG Committee will evaluate all proposed director candidates based on the same criteria and in substantially the same manner, with no regard to the source of the initial recommendation of the proposed director candidate.

Item 11 Executive Compensation

Compensation Discussion and Analysis

Compensation Committee Composition and Charter

The Compensation Committee assists the Board in fulfilling its responsibilities for determining the compensation offered to the Company's executive officers. The Compensation Committee, among other functions:

- consults with executive management in developing a compensation philosophy;
- evaluates and approves compensation for the Company's Chief Executive Officer and other executive officers; and
- oversees and administers the Company's cash and equity incentive plans.

Edgar Filing: SUN COMMUNITIES INC - Form 10-K/A

The Compensation Committee has the authority to retain and terminate independent, third-party compensation consultants and to obtain independent advice and assistance from internal and external legal, accounting and other advisors. Each member of the Compensation Committee is independent under NYSE rules. A copy of the Compensation Committee Charter is available under the “Investor Relations-Officers and Directors” section of the Company’s website www.suncommunities.com.

Compensation Philosophy and Objectives

The goals and objectives of the Company’s executive compensation program are to attract and retain a skilled executive team to manage, lead and direct the Company’s personnel and capital to obtain the best possible economic results given the severely depressed cycle in the manufactured housing industry.

The executive compensation program supports the Company’s commitment to providing superior shareholder value. This program is designed to:

- attract, retain and reward executives who have the motivation, experience and skills necessary to lead the Company effectively and encourage them to make career commitments to the Company;
- base executive compensation levels on the overall financial and operational performance of the Company and the individual contribution of an executive officer to the success of the Company;

- create a link between the performance of the Company's stock and executive compensation; and
- position executive compensation levels to be competitive with other similarly situated public companies including the real estate industry in general and manufactured housing REITs in particular.

Annual salary and bonuses are intended to be competitive in the marketplace to attract and retain executives. Stock options and restricted stock awards are intended to provide longer-term motivation which has the effect of linking stock price performance to executive compensation. Restricted stock is also intended to provide post-retirement financial security in lieu of other forms of more costly supplemental retirement programs. The Company has not implemented any policies related to stock ownership guidelines for its executive management or for members of the Company's Board of Directors.

Role of Executive Officers in Compensation Decisions

The Compensation Committee makes all decisions regarding the compensation of executive officers, including cash-based and equity-based incentive compensation programs. The Compensation Committee reviews the performance, and determines the bonus compensation, of the Chief Executive Officer. The Compensation Committee and the Chief Executive Officer annually review the performance of the other executive officers. The conclusions reached and recommendations based on the reviews of the other executive officers, including with respect to bonuses and annual award amounts, are presented by the Chief Executive Officer to the Compensation Committee, which can exercise its discretion in modifying any recommended bonuses or awards.

Compensation Components and Processes

In order to implement the Company's executive compensation philosophy, the Compensation Committee exercises its independent discretion in reviewing and approving the executive compensation program as a whole, as well as specific compensation levels for each executive officer. Final aggregate compensation determinations for each fiscal year are generally made after the end of the fiscal year, after financial statements for such year become available. At that time, the Compensation Committee determines bonuses, if any, for the past year's performance, sets base salaries for those executive officers that are not bound by employment agreements for the following fiscal year and makes awards of equity-based compensation, if any. In addition, the Compensation Committee bases its decisions on the most recent publicly available compensation data for senior executive officers of comparable REITs, as well as various compensation studies and surveys, to ensure that compensation packages are in line with the Company's peer group and the real estate industry in general. While comparative market data is a valuable tool to assist the Compensation Committee in setting reasonable and fair compensation for the Company's executive officers, the stated philosophy of the Company's executive compensation program is to recognize individual contributions to the performance of the Company and to create a link between the Company's financial performance and executive compensation.

The key components of executive officer compensation are salary, bonuses, restricted stock awards and stock option grants. Salary is generally based on factors such as an individual officer's level of responsibility, prior years' compensation, comparison to compensation of other officers in the Company, and compensation provided at competitive companies and companies of similar size. Cash bonuses, restricted stock awards and stock option awards are intended to reward exceptional performance by the individual executive officer and the Company. Benchmarks for determining bonus levels include individual performance, Company performance against budget and growth in funds from operations ("FFO"), in each case as measured against targets established by the Compensation Committee. FFO is defined by the National Association of Real Estate Investment Trusts ("NAREIT") as net income (computed in accordance with generally accepted accounting principles), excluding gains (or losses) from sales of depreciable operating property, plus real estate-related depreciation and amortization, and after adjustments for unconsolidated partnerships and joint ventures. FFO is a non-GAAP financial measure that management believes is a useful supplemental measure of the Company's operating performance. Management generally considers FFO to be a useful measure for reviewing comparative operating and financial performance because, by excluding gains and losses related to sales of previously depreciated operating real estate assets and excluding

Edgar Filing: SUN COMMUNITIES INC - Form 10-K/A

real estate asset depreciation and amortization (which can vary among owners of identical assets in similar condition based on historical cost accounting and useful life estimates), FFO provides a performance measure that, when compared year over year, reflects the impact to operations from trends in occupancy rates, rental rates and operating costs, providing perspective not readily apparent from net income. The Compensation Committee, in its sole discretion, may make adjustments to the NAREIT definition of FFO in determining FFO performance targets and achievement.

Edgar Filing: SUN COMMUNITIES INC - Form 10-K/A

Stock options grants that were outstanding as of December 31, 2008 were awarded in 1998, 1999 and 2001. Stock option grants are valued on the date of grant. Stock option grants vest ratably over three years from the date of grant and expire on the tenth anniversary of the date of grant. As stock options can be fully exercised after three years, they represent a medium-term incentive, the value of which is directly aligned with the achievement of enhanced value for shareholders. Stock options are issued at the market price of the stock on the date of grant except that the options issued in 2001 were granted at 85% of the market price. This differential has been amortized as expense. All of the unexercised options issued to executives in prior years are currently "out of the money" due to the current market value of the Company's stock. In addition, options to acquire 45,000 shares of common stock awarded to the named executives in 1998 expired unexercised in January of 2008.

Restricted stock awards that are currently outstanding were awarded in 1998, 2001, 2002, 2004 and 2008. Restricted stock awards generally begin to vest after three to four years from the date of grant and then vest over the following six to nine years. The Company's executive officers (as well as the Company's employees that receive restricted stock awards) receive dividends on the restricted stock awards that have been granted to date, including restricted stock awards that have not vested. The Company believes that restricted stock awards represent a long-term incentive to key executives to remain committed to the Company and its objectives. The Company has not awarded any restricted stock to executives since 2008 but may find it necessary to award such shares in the future particularly due to the need to attract and retain talented executives. Restricted stock awards encourage the development of a longer term view and strategy for the growth and success of the Company's business along with providing motivation for a long term commitment to the Company by its executives.

2008 Compensation

The base salaries for the current and former named executive officers for the year ended December 31, 2008, were paid in accordance with existing employment agreements or arrangements with the Company.

In addition to their base salaries, the current and former named executive officers earned, in the aggregate, bonuses of \$534,343 for the year ended December 31, 2008. Although bonuses were earned for the year ended December 31, 2008, such bonuses were not paid until March of 2009. Each named executive officer or former executive officer is entitled, under the terms of their employment agreements with the Company (in the case of Messrs. Shiffman and Jorissen), to receive a bonus of up to 75% of his base salary, in the sole discretion of the Compensation Committee, if certain annual individual and Company performance criteria, as established by the Compensation Committee, are met and up to 25% of his base salary at the sole discretion of the Compensation Committee. In the case of Mr. McLaren and Ms. Dearing, each named executive officer is entitled, under the terms of their employment agreements with the Company, to receive a bonus of up to 50% of his or her base salary, subject to the discretion of the Compensation Committee, if certain annual individual and/or Company performance criteria, as established by the Compensation Committee, are met and up to 50% of his or her base salary at the sole discretion of the Compensation Committee. In the case of Mr. Colman, who does not have an employment agreement with the Company, an annual bonus may be awarded up to 50% of his base salary if certain annual individual and Company performance criteria are met, as established by the Chief Executive Officer and approved by the Compensation Committee, and up to 50% of his base salary at the sole discretion of the Compensation Committee.

After review of the individual performance of each executive and former executive officer in relation to the agreed upon individual and Company performance objectives, the achievement of Adjusted FFO⁽¹⁾ growth of 2.9 percent in relation to the agreed to FFO growth objective of three to five percent, the performance of the Company in relation to budgeted revenue producing site and net operating income targets and the overall performance of the Company during the year and in relation to the manufactured housing industry in general, the Compensation Committee determined that certain individual and/or Company performance objectives were met and that the efforts of the current and former named executive officers were substantial in relation to the achievement of the Company results. Based on such analysis, the Compensation Committee awarded the following bonuses:

	Percentage of Base Salary Awarded for Achievement of Individual and/or Corporate Performance Objectives	Discretionary Percentage of Base Salary Awarded	Bonus
Gary A. Shiffman	25.00	% 15.00	\$ 239,260
Karen J. Dearing	25.00	% 10.00	\$ 85,750
John B. McLaren	4.50	% 25.00	\$ 78,175
Jonathan M. Colman	25.00	% 0.00	\$ 44,888
Jeffrey P. Jorissen	25.00	% 0.00	\$ 86,250

Edgar Filing: SUN COMMUNITIES INC - Form 10-K/A

- ⁽¹⁾ Adjusted FFO was determined by excluding the effect of certain equity losses and impairment charges related to the Company's investment in Origen Financial, Inc., impairment charges related to certain real estate assets and certain other non-recurring or unusual charges as determined in the sole discretion of the Compensation Committee

In February 2008, equity incentive awards of 10,000 shares each were granted to Ms. Dearing and Mr. McLaren in conjunction with their appointment as Chief Financial Officer and Chief Operating Officer of the Company, respectively. Thirty-five percent of the shares vest on February 5, 2012 and February 5, 2013, twenty percent of the shares vest on February 5, 2014 and the remaining ten percent will vest in two equal installments on February 5, 2015 and February 5, 2018.

The performance based equity awards issued to Messer's Shiffman, Jorissen and Fannon in 2004 were cancelled in March of 2008.

Tax and Accounting Implications

Deductibility of Executive Compensation.

Section 162(m) of the Internal Revenue Code limits the deductibility on the Company's tax return of compensation over \$1 million to any of its named executive officers. However, compensation that is paid pursuant to a plan that is performance-related, non-discretionary and has been approved by the Company's stockholders is not subject to section 162(m). The Company has such a plan and may utilize it to mitigate the potential impact of section 162(m). The Company did not pay any compensation during 2008 that would be subject to section 162(m). The Company believes that, because it qualifies as a REIT under the Internal Revenue Code and therefore is not subject to federal income taxes on its income to the extent distributed, the payment of compensation that does not satisfy the requirements of section 162(m) will not generally affect the Company's net income. However, to the extent that compensation does not qualify for deduction under section 162(m) or under short term incentive plans approved by shareholders to, among other things, mitigate the effects of section 162(m), a larger portion of shareholder distributions may be subject to federal income taxation as dividend income rather than return of capital. The Company does not believe that section 162(m) will materially affect the taxability of shareholder distributions, although no assurance can be given in this regard due to the variety of factors that affect the tax position of each shareholder. For these reasons, the Compensation Committee's compensation policy and practices are not directly governed by section 162(m).

409A Considerations.

The Company has also taken into consideration Internal Revenue Code Section 409A in the design and implementation of the Company's compensation programs. If an executive is entitled to nonqualified deferred compensation benefits that are subject to Section 409A, and such benefits do not comply with Section 409A, then the benefits are taxable in the first year they are not subject to a substantial risk of forfeiture. In such case, the executive is subject to regular federal income tax, interest and an additional federal income tax of 20% of the benefit includible in income.

Director Compensation Tables

Directors of the Company who are also employees receive no additional compensation for their services as directors. During 2008, the Company paid directors that are not employees of the Company the following annual fees:

	Chairman	Member
Annual Retainer	\$ —	\$ 50,000
Compensation Committee	\$ 10,000	\$ 5,000
Audit Committee	\$ 32,500	\$ 30,000
NCG Committee	\$ 10,000	\$ 5,000
Special Litigation Committee	\$ 52,877	\$ —

Edgar Filing: SUN COMMUNITIES INC - Form 10-K/A

Although Arthur A. Weiss earned director's fees of \$50,000 for services during the fiscal year ended December 31, 2008, he declined such fees (See "Certain Relationships and Related Transactions, and Director Independence-Legal Counsel").
