PROXY STATEMENT

GENERAL INFORMATION

We are providing this proxy statement to you in connection with the solicitation of proxies by the Board of Directors of Northeast Community Bancorp, Inc. for the 2009 annual meeting of stockholders and for any adjournment or postponement of the meeting. Northeast Community Bancorp is the holding company for Northeast Community Bank.

We are holding the 2009 annual meeting at the Renaissance Westchester Hotel, 80 West Red Oak Lane, White Plains, New York on Wednesday, May 20, 2009 at 1:00 p.m., local time.

We intend to mail this proxy statement and the enclosed proxy card to stockholders of record beginning on or about April 10, 2009.

INFORMATION ABOUT VOTING

Who Can Vote at the Meeting

You are entitled to vote the shares of Northeast Community Bancorp common stock that you owned as of the close of business on March 31, 2009. As of the close of business on March 31, 2009, a total of 13,225,000 shares of Northeast Community Bancorp common stock were outstanding, including 7,273,750 shares of common stock held by Northeast Community Bancorp, MHC. Each share of common stock has one vote.

The Company's Charter provides that, until July 5, 2011, record holders of the Company's common stock, other than Northeast Community Bancorp, MHC, who beneficially own, either directly or indirectly, in excess of 10% of the Company's outstanding shares are not entitled to any vote in respect of the shares held in excess of the 10% limit.

Ownership of Shares; Attending the Meeting

You may own shares of Northeast Community Bancorp in one or more of the following ways:

- Directly in your name as the stockholder of record; or
- Indirectly through a broker, bank or other holder of record in "street name."

If your shares are registered directly in your name at our transfer agent, Registrar and Transfer Company, you are the holder of record of these shares and we are sending these proxy materials directly to you. As the holder of record, you have the right to give your proxy directly to us or to vote in person at the annual meeting.

If you hold your shares in street name, your broker, bank or other holder of record is sending these proxy materials to you. As the beneficial owner, you have the right to direct your broker, bank or other holder of record how to vote by filling out a voting instruction form that accompanies your proxy materials. Your broker, bank or other holder of record may allow you to provide voting instructions by telephone or by the Internet. Please see the voting instruction form provided by your broker, bank or other holder of record that accompanies this proxy statement. If you hold your shares in street name, you will need proof of ownership to be admitted to the meeting. A recent brokerage statement or letter from a bank or broker are examples of proof of ownership. If you want to vote your shares of Northeast Community Bancorp common stock held in street name in person at the annual meeting, you must obtain a written proxy in your name from the broker, bank or other holder of record of your shares.

Quorum and Vote Required

Quorum. We will have a quorum and will be able to conduct the business of the annual meeting if the holders of a majority of the outstanding shares of common stock entitled to vote are present at the meeting, either in person or by proxy.

Votes Required for Proposals. At this year's annual meeting, stockholders will elect three directors to each serve a term of three years. In voting on the election of directors, you may vote in favor of all the nominees for director, withhold votes as to all nominees, or withhold votes as to specific nominees. There is no cumulative voting for the election of directors. Directors must be elected by a plurality of the votes cast at the annual meeting. This means that the nominees receiving the greatest number of votes will be elected.

In voting on the ratification of the appointment of Beard Miller Company LLP as the Company's independent registered public accounting firm, you may vote in favor of the proposal, vote against the proposal or abstain from voting. To ratify the appointment of Beard Miller Company LLP as our independent registered public accounting firm for 2009, the affirmative vote of a majority of the shares represented at the annual meeting and entitled to vote is required.

Routine and Non-Routine Proposals. The rules of the New York Stock Exchange determine whether proposals presented at stockholder meetings are routine or non-routine. If a proposal is routine, a broker, bank or other entity holding shares for an owner in street name may vote on the proposal without receiving voting instructions from the owner. If a proposal is non-routine, the broker, bank or other entity may vote on the proposal only if the owner has provided voting instructions. A broker non-vote occurs when a broker, bank or other entity holding shares for an owner in street name is unable to vote on a particular proposal and has not received voting instructions from the owner. The election of directors and the ratification of Beard Miller Company LLP as our independent accounting firm for 2009 are currently considered routine matters.

How We Count Votes. If you return valid proxy instructions or attend the meeting in person, we will count your shares for purposes of determining whether there is a quorum, even if you abstain from voting. Broker non-votes, if any, also will be counted for purposes of determining the existence of a quorum.

In the election of directors, votes that are withheld will have no effect on the outcome of the election. In counting votes on the proposal to ratify the selection of the independent registered public accounting firm, abstentions will have the same effect as a vote against the proposal.

Because Northeast Community Bancorp, MHC owns in excess of 50% of the outstanding shares of Northeast Community Bancorp, Inc. common stock, the votes it casts will ensure the presence of a quorum and control the outcome of the vote on both proposals.

Voting by Proxy

The Company's Board of Directors is sending you this proxy statement to request that you allow your shares of Company common stock to be represented at the annual meeting by the persons named on the enclosed proxy card. All shares of Company common stock represented at the meeting by properly executed and dated proxy cards will be voted according to the instructions indicated on the proxy card. If you sign, date and return a proxy card without giving voting instructions, your shares will be voted as recommended by the Company's Board of Directors. The Board of Directors recommends that you vote "FOR" each of the nominees for director and "FOR" ratification of the appointment of Beard Miller Company LLP as the Company's independent registered public accounting firm.

If any matters not described in this proxy statement are properly presented at the annual meeting, the persons named in the proxy card will use their judgment to determine how to vote your shares. This includes a motion to adjourn or postpone the annual meeting in order to solicit additional proxies. If the annual meeting is postponed or adjourned, your Company common stock may be voted by the persons named in the proxy card on the new annual meeting date, provided you have not revoked your proxy. We do not know of any other matters to be presented at the annual meeting.

You may revoke your proxy at any time before the vote is taken at the meeting. To revoke your proxy, you must either advise the Corporate Secretary of the Company in writing before your common stock has been voted at the annual meeting, deliver a later dated proxy or attend the meeting and vote your shares in person. Attendance at the annual meeting will not itself constitute revocation of your proxy.

Participants in the Bank's ESOP or 401(k) Plan

If you participate in the Northeast Community Bank Employee Stock Ownership Plan (the "ESOP") or if you hold Company common stock through the Northeast Community Bank 401(k) Plan (the "401(k) Plan"), you will receive a voting instruction form for each plan in which you participate that reflects all shares that you may direct the trustee to vote on your behalf under such plan. Under the terms of the ESOP, the ESOP trustee votes all shares held by the ESOP, but each ESOP participant may direct the trustee how to vote the shares of common stock allocated to his or her account. The ESOP trustee, subject to the exercise of its fiduciary duties, will vote all unallocated shares of Company common stock held by the ESOP and all allocated shares for which no voting instructions are received in the same proportion as shares for which the trustee has received timely voting instructions. Under the terms of the 401(k) Plan, a participant is entitled to direct the trustee how to vote the shares in the Northeast Community Bancorp, Inc. Stock Fund credited to his or her account. The trustee, subject to its fiduciary duties, will vote all shares for which no instructions are given or for which instructions were not timely received in the same proportion as shares for which the trustee received voting instructions. The deadline for returning your voting instructions to each plan's trustee is May 13, 2009.

In determining the independence of its directors, the Board considered transactions, relationships and arrangements between the Company and its directors that are not required to be disclosed in this proxy statement under the heading "Transactions with Related Persons," including: (i) consultant services provided to the Bank by director Kenneth H. Audit Committee

The Audit Committee assists the Board of Directors in its oversight of the Company's accounting and reporting practices, the quality and integrity of the Company's financial reports and the Company's compliance with applicable laws and regulations. The Audit Committee is also responsible for engaging the Company's independent registered public accounting firm and monitoring its conduct and independence. The Board of Directors has determined that Arthur M. Levine is an audit committee financial expert under the rules of the Securities and Exchange Commission. The report of the Audit Committee required by the rules of the Securities and Exchange Commission is included in this proxy statement. See "Report of the Audit Committee."

Compensation Committee

The Compensation Committee approves the compensation objectives for the Company and the Bank and establishes the compensation for the Chief Executive Officer and other executives. Our Chief Executive Officer makes recommendations to the Compensation Committee from time to time regarding the appropriate mix and level of compensation for other executives. Those recommendations consider the objectives of our compensation philosophy and the range of compensation programs authorized by the Compensation Committee. The Compensation Committee reviews all compensation components for the Company's Chief Executive Officer and other highly compensated executive officers' compensation including base salary, annual incentive, long-term incentives and other perquisites. In addition to reviewing competitive market values, the Compensation Committee also examines the total compensation mix, pay-for-performance relationship, and how all elements, in the aggregate, comprise the executive's total compensation package. Decisions by the Compensation Committee with respect to the compensation of executive officers are approved by the full Board of Directors. The Compensation Committee also assists the Board of Directors in evaluating potential candidates for executive positions.

Nominating/Corporate Governance Committee

The Company's Nominating/Corporate Governance Committee assists the Board of Directors in identifying qualified individuals to serve as Board members, in determining the composition of the Board of Directors and its committees, in monitoring a process to assess Board effectiveness and in developing and implementing the Company's corporate governance guidelines. The Nominating/Corporate Governance Committee also considers and recommends the nominees for director to stand for election at the Company's annual meeting of stockholders. The procedures of the Nominating/Corporate Governance Committee required to be disclosed by the rules of the Securities and Exchange Commission are set forth below.

Minimum Qualifications. The Nominating/Corporate Governance Committee has adopted a set of criteria that it considers when it selects individuals to be nominated for election to the Board of Directors. A candidate must meet the eligibility requirements set forth in the Company's bylaws, which include a requirement that the candidate not have been subject to certain criminal or regulatory actions. A candidate also must meet any qualification requirements set forth in any Board or committee governing documents.

Candidates deemed eligible for election to the Board of Directors are evaluated by the Nominating/Corporate Governance Committee using the following criteria for selecting nominees:

- financial, regulatory and business experience;
- familiarity with and participation in the local community;
- integrity, honesty and reputation in connection with upholding a position of trust with respect to customers;
- dedication to the Company and its stockholders; and
- independence.

The Nominating/Corporate Governance Committee will also consider any other factors the Committee deems relevant, including age, diversity, size of the Board of Directors and regulatory disclosure obligations.

With respect to nominating an existing director for re-election to the Board of Directors, the Nominating/Corporate Governance Committee will consider and review an existing director's Board and committee attendance and performance; length of Board service; experience, skills and contributions that the existing director brings to the Board; and the director's independence.

Director Nomination Process. The process that the Nominating/Corporate Governance Committee follows to identify and evaluate individuals to be nominated for election to the Board of Directors is as follows:

Identification. For purposes of identifying nominees for the Board of Directors, the Nominating/Corporate Governance Committee relies on personal contacts of the committee members and other members of the Board of Directors, as well as its knowledge of members of the communities served by the Bank. The Nominating/Corporate Governance Committee will also consider director candidates recommended by stockholders in accordance with the policy and procedures set forth below. The Nominating/Corporate Governance Committee has not previously used an independent search firm to identify nominees.

Evaluation. In evaluating potential nominees, the Nominating/Corporate Governance Committee determines whether the candidate is eligible and qualified for service on the Board of Directors by evaluating the candidate under the selection criteria described above. If such individual fulfills these criteria, the Nominating/Corporate Governance Committee will conduct a check of the individual's background and interview the candidate to further assess the qualities of the prospective nominee and the contributions he or she would make to the Board.

Consideration of Recommendations by Stockholders. It is the policy of the Nominating/Corporate Governance Committee of the Board of Directors of the Company to consider director candidates recommended by stockholders who appear to be qualified to serve on the Company's Board of Directors. The Nominating/Corporate Governance Committee may choose not to consider an unsolicited recommendation if no vacancy exists on the Board of Directors and the Nominating/Corporate Governance Committee does not perceive a need to increase the size of the Board of Directors. To avoid the unnecessary use of the Nominating/Corporate Governance Committee's resources, the Nominating/Corporate Governance Committee will consider only those director candidates recommended in accordance with the procedures set forth below.

Procedures to be Followed by Stockholders. To submit a recommendation of a director candidate to the Nominating/Corporate Governance Committee, a stockholder should submit the following information in writing, addressed to the Chairman of the Nominating/Corporate Governance Committee, care of the Corporate Secretary, at the main office of the Company:

1. The name of the person recommended as a director candidate;
2. All information relating to such person that is required to be disclosed in solicitations of proxies for election of directors pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended;
3. The written consent of the person being recommended as a director candidate to being named in the proxy statement as a nominee and to serving as a director if elected;
4. As to the stockholder making the recommendation, the name and address of such stockholder as they appear on the Company's books; provided, however, that if the stockholder is not a registered holder of the Company's common stock, the stockholder should submit his or her name and address along with a current written statement from the record holder of the shares that reflects ownership of the Company's common stock; and

5. A statement disclosing whether such stockholder is acting with or on behalf of any other person and, if applicable, the identity of such person.

In order for a director candidate to be considered for nomination at the Company's annual meeting of stockholders, the recommendation must be received by the Nominating/Corporate Governance Committee at least 120 calendar days before the date the Company's proxy statement was released to stockholders in connection with the previous year's annual meeting, advanced by one year.

Cash Retainer and Meeting Fees for Non-Employee Directors. Each non-employee director of the Bank receives a \$3,000 quarterly retainer plus \$1,000 per meeting attended. Non-employee directors also receive a \$750 quarterly retainer plus \$750 per meeting attended for their service on the Board of Directors of the Company, \$500 per meeting attended for service on the Audit, Compensation, and Nominating/Corporate Governance Committees of the Board of the Company, and \$1,000 per meeting attended for service on the Strategic Planning Committee. Directors do not receive any fees for their service on the Board of Directors of Northeast Community Bancorp, MHC. Directors who are also employees received the same fees as non-employee directors until such compensation was discontinued for employee directors beginning in July, 2007.

Directors' Deferred Compensation Plan. The Bank maintains the Northeast Community Bank Directors' Deferred Compensation plan to provide director participants with a vehicle to defer fees until termination of service or a change in control. Director participants may elect on or before December 31st of each year to defer all or part of their fees earned during the following year. All deferrals are credited with interest on an annual basis at the prevailing rate payable by the Bank on its 60-month certificate of

deposit. Directors are fully vested at all times in their deferrals. Directors must determine when their deferrals will be distributed at the time a deferral election is made. Deferrals are also payable upon disability, termination of service, death, following a change in control or upon the occurrence of an unforeseeable emergency. All distributions will be made in cash.

Outside Director Retirement Plan. The Bank maintains the Northeast Community Bank Outside Director Retirement Plan to provide non-employee directors with long standing service with a supplemental retirement benefit. All current non-employee directors are participants in the plan. Participating directors are entitled to receive a retirement benefit calculated based on years of service and director fees paid during the 12 completed calendar months preceding a director's termination of service multiplied by a vesting percentage. Participating directors with less than 10 years of service will receive no benefit under the plan. Participating directors with 10 years but less than 15 years of service will receive a benefit based on 50% of the total directors fees paid during the 12 completed calendar months preceding the director's termination. Participating directors with 15 years but less than 20 years will receive 75% of the total directors fees paid during the 12 completed calendar months preceding the director's termination. Participating directors with 20 or more years of service will receive a benefit calculated using 100% of the director fees paid during the 12 months preceding the directors termination. Participating directors vest in their retirement benefit at a rate of 20% per year for years of service after January 1, 2006. The annual director retirement benefit is generally paid monthly over a 120-month period following the month in which a director terminates his service on the Board of Directors. In the event a participating director dies while in pay status, the director's beneficiary will receive his or her remaining installments beginning in the month immediately following the director's death. In the event a participating director is terminated in connection with a change in control (as defined in the plan), the director will receive a lump sum payment equal to the actuarial equivalent of the director's monthly benefit. In the event a participating director is removed from the Board of Directors for cause, the director will forfeit all rights and benefits under the plan.

Board and Committee Meetings

During 2008, the Board of Directors held 13 meetings. Each of our current directors attended at least 90% of the Board meetings and the committee meetings on which such director served during 2008.

Director Attendance at Annual Meeting of Stockholders

The Board of Directors encourages each director to attend annual meetings of stockholders. All directors attended the 2008 Annual Meeting of Stockholders.

Code of Ethics and Business Conduct

The Company has adopted a Code of Ethics and Business Conduct that is designed to promote the highest standards of ethical conduct by the Company's directors, executive officers and employees. The Code of Ethics and Business Conduct requires that the Company's directors, executive officers and employees avoid conflicts of interest, comply with all laws and other legal requirements, conduct business in an honest and ethical manner and otherwise act with integrity and in the Company's best interest. Under the terms of the Code of Ethics and Business Conduct, directors, executive officers and employees are required to report any conduct that they believe in good faith to be an actual or apparent violation of the Code of Ethics and Business Conduct. A copy of the Code of Ethics and Business Conduct can be found in the Investor Relations section of the Company's website, www.necommunitybank.com.

REPORT OF THE AUDIT COMMITTEE

The Company's management is responsible for the Company's internal controls and financial reporting process. The independent registered public accounting firm ("independent accountants") are responsible for performing an independent audit of the Company's consolidated financial statements and issuing an opinion on the conformity of those financial statements with generally accepted accounting principles. The Audit Committee oversees the Company's internal controls and financial reporting process on behalf of the Board of Directors.

In this context, the Audit Committee has met and held discussions with management and the independent accountants. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent accountants. The Audit Committee discussed with the independent accountants matters required to be discussed by Statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1 AV Section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T, including the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of the disclosures in the financial statements. In addition, the Audit Committee has received the written disclosures and the letter from the independent accountants required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence and has discussed with the independent accountants the independent accountants' independence. In concluding that the auditors are independent, the Audit Committee considered, among other factors, whether the non-audit services provided by the auditors were compatible with their independence.

The Audit Committee discussed with the Company's independent accountants the overall scope and plans for their audit. The Audit Committee meets with the independent accountants, with and without management present, to discuss the results of their examination, their evaluation of the Company's internal controls, and the overall quality of the Company's financial reporting.

In performing all of these functions, the Audit Committee acts only in an oversight capacity. In its oversight role, the Audit Committee relies on the work and assurances of the Company's management, which has the primary responsibility for financial statements and reports, and of the independent accountants who, in their report, express an opinion on the conformity of the Company's financial statements to generally accepted accounting principles. The Audit Committee's oversight does not provide it with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions with management and the independent accountants do not assure that the Company's financial statements are presented in accordance with generally accepted accounting principles, that the audit of the Company's consolidated financial statements has been carried out in accordance with the standards of the Public Company Accounting Oversight Board (United States) or that the Company's independent accountants are in fact "independent."

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board has approved, that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2008 for filing with the Securities and Exchange Commission. The Audit Committee and the Board of Directors

also have approved, subject to stockholder ratification, the selection of the Company's independent registered public accounting firm for the fiscal year ending December 31, 2009.
