Item 1.01 Entry into Material Definitive Agreement.

On April 28, 2011, AK Steel Corporation (the “Company”) entered into a new a \$1.0 billion, five-year senior secured revolving credit facility (the “New Credit Facility”) pursuant to a Loan and Security Agreement with Bank of America, N.A., as Agent, JP Morgan Chase Bank, N.A. and Wells Fargo Capital Finance, LLC, as Co-Syndication Agents, Citibank, N.A. and Deutsche Bank Securities Inc., as Co-Documentation Agents, Fifth Third Bank and PNC Bank, National Association, as Managing Agents, and Merrill Lynch, Pierce, Fenner & Smith Incorporated, J.P. Morgan Securities LLC and Wells Fargo Capital Finance, LLC, as Joint Lead Arrangers and Co-Book Managers, and certain financial institutions, as lenders (the “Loan and Security Agreement”). The New Credit Facility includes a \$75.0 million swingline sublimit and a \$300.0 million letter of credit sublimit. The Loan and Security Agreement also provides that, under certain circumstances, at the Company’s request the New Credit Facility’s revolving credit line may be increased by \$300.0 million. The Company will use borrowings under the New Credit Facility for general corporate purposes.

The Company’s obligations under the New Credit Facility will be secured by the Company’s inventory and accounts receivable and will be guaranteed by its parent company, AK Steel Holding Corporation (“AK Holding”). Availability of borrowings under the New Credit Facility from time to time is subject to a borrowing base calculation based upon a valuation of the Company’s eligible inventories (including raw materials, finished and semi-finished goods, work-in-process inventory, and in-transit inventory) and eligible accounts receivable, each multiplied by an applicable advance rate. In addition, availability of borrowings is reduced in an amount equal to the Company’s outstanding letters of credit. Borrowings under the New Credit Facility will bear interest at a base rate or, at the Company’s option, LIBOR, plus an additional interest rate percentage that is determined by the average daily availability of borrowings under the New Credit Facility. This additional interest rate percentage ranges (i) from 0.75% to 1.50% per annum in the case of base rate borrowings, and (ii) from 1.75% to 2.50% per annum in the case of LIBOR borrowings. In addition, the Company will pay a commitment fee on the undrawn commitments under the New Credit Facility from time to time according to the average daily balance of borrowings (which balance also will include outstanding letters of credit) under the New Credit Facility during any month. This commitment fee on the undrawn commitments applies (i) at a rate of 0.50% per annum, if such average daily balance of borrowings is equal to or less than \$500.0 million, and (ii) at a rate of 0.37% per annum, if such average daily balance of borrowings exceeds \$500.0 million. The New Credit Facility contains representations and warranties, affirmative and restrictive covenants, and events of default (applicable to the Company, AK Holding and its subsidiaries) that are customary for credit agreements of this type.

As of April 28, 2011, the Company has outstanding borrowings under the New Credit Facility of \$200.0 million and outstanding letters of credit totaling approximately \$155.2 million.

The foregoing description does not constitute a complete summary of the New Credit Facility and is qualified by reference in its entirety to the full text of the New Credit Facility, a copy which is filed as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated herein by reference.

Item 1.02 Termination of a Material Definitive Agreement.

All outstanding amounts under the Replaced Credit Facility were repaid in full using proceeds of the New Credit Facility. The foregoing description of the Replaced Credit Agreement does not constitute a complete summary and is qualified by reference in its entirety to the full text of the Replaced Credit Facility, a copy which was filed as Exhibit 10.1 to AK Holding's Quarterly Report on Form 10-Q for the quarter ended September 30, 2010, as filed with the Securities and Exchange Commission on November 1, 2010, and is incorporated herein by reference.
