FOR IMMEDIATE RELEASE

Nordic American Tanker Shipping Ltd. (NAT) - (AMEX: NAT) (OSE: NAT) announces

## Edgar Filing: NORDIC AMERICAN TANKER SHIPPING LTD - Form 6-K

-----  
 results for 4th quarter 2003 .  
 -----

As of 12/31/03 (full year 2003) NAT had an operating profit of \$29.9 m as against \$10.6 m during the same period last year. The net profit for 2003 was \$28.1 m as against \$8.8 m in the same period last year. The 4th quarter 2003 net profit was \$9.6 m as against \$4.6 m in 2002. The increase in the earnings in 2003 compared to 2002 is a result of tanker rates being stronger in 2003.

The results for the 4th quarter of 2003 enable the Company to pay a 1st quarter 2004 dividend of \$1.15 per share. The total dividend paid in 2003 was \$3.05 per share. The total dividend paid in 2002 and 2001 were \$1.35 and \$3.87 per share, respectively. The 1st quarter 2004 dividend of \$1.15 will be paid on or about February 16th to shareholders of record as of January 28th 2004. The next dividend payment from NAT will be declared in April 2004.

Under the contracts with BP Shipping, NAT achieves rates that correspond to the spot market for modern Suezmax tankers, but not below \$ 22,000 per day (T/C equivalent), which is the agreed minimum rate with BP Shipping. The spot market for modern Suezmax tankers in the 4th quarter of 2003 was above the agreed minimum rate the NAT vessels have with the charterer BP Shipping. The 4th quarter 2003 time charter (T/C) equivalent for the NAT vessels was \$51,501 per day compared to \$23,243 in the 3rd quarter, \$38,291 in the 2nd quarter and \$57,756 in the 1st quarter of 2003.

The existing contracts for the NAT vessels are drawn up in a way that secures income 365 days a year for the vessels and no off-hire. The contracts with BP Shipping commenced on October 1, 1997 and will terminate on 1 October 2004 (see below).

The quarterly \$ per day T/C equivalent for the NAT vessels has since 1999 been as follows:

Period	1999	2000	2001	2002	2003
1st Quarter	22,000	26,079	51,607	22,000	57,756
2nd Quarter	22,000	33,701	35,088	22,000	38,291
3rd Quarter	22,000	48,153	28,668	22,000	23,243
4th Quarter	22,000	59,059	22,617	33,868	51,501

NAT has 9,706,606 shares in issue.

The results for the 4th quarter of 2003 and 2004 compared to the same periods last year, are as follows:

As previously announced by the Company, BP Shipping the charterer of the Company's 3 Suezmax tankers, has not delivered notice of exercise of its options to extend the charters. Accordingly, the existing charters will terminate on October 1, 2004, subject to a redelivery window for the vessels of between September 1, 2004 and November 1, 2004.

Under the Company's Bye-Laws, the Company is obligated to call a special meeting of shareholders no later than April 1, 2004, to consider a proposal to sell the vessels and distribute the net proceeds to shareholders or to assess other alternatives. The proposal is to be accompanied by the recommendation of the Company's Board of Directors as to whether it believes that the sale of the vessels is in the Company's best interests, or whether an alternative plan, such as attempting to arrange replacement charters, might be of greater benefit.

## Edgar Filing: NORDIC AMERICAN TANKER SHIPPING LTD - Form 6-K

In the absence of the renewal by BP Shipping of its option for all 3 vessels, the following alternatives are possible:

- o The renegotiation by the Company and BP Shipping of the charters.
- o The employment by the Company of the vessels in the spot market as from October 1, 2004.
- o The long-term charter of the vessels to other end-users than BP Shipping.
- o The sale of the vessels and the distribution of the proceeds to the company's shareholders.
- o Any combination of these alternatives.

In connection with the special shareholders' meeting, the Board is expected to consider whether the alternatives other than the sale of all of the vessels, might be of greater benefit to shareholders.

During the last few weeks the Company has been approached by major international shipping and energy companies, expressing an interest in co-operating with the Company.

### CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING STATEMENTS

Matters discussed in this press release may constitute forward-looking statements. The Private Securities Litigation Reform Act of 1995 provides safe harbor protections for forward-looking statements in order to encourage companies to provide prospective information about their business. Forward-looking statements include statements concerning plans, objectives, goals, strategies, future events or performance, and underlying assumptions and other statements, which are other than statements of historical facts.

The Company desires to take advantage of the safe harbor provisions of the Private Securities Litigation Reform Act of 1995 and is including this cautionary statement in connection with this safe harbor legislation. The words "believe," "except," "anticipate," "intends," "estimate," "forecast," "project," "plan," "potential," "will," "may," "should," "expect" "pending and similar expressions identify forward-looking statements.

Edgar Filing: NORDIC AMERICAN TANKER SHIPPING LTD - Form 6-K

The forward-looking statements in this press release are based upon various assumptions, many of which are based, in turn, upon further assumptions, including without limitation, our management's examination of historical operating trends, data contained in our records and other data available from third parties. Although we believe that these assumptions were reasonable when made, because these assumptions are inherently subject to significant uncertainties and contingencies which are difficult or impossible to predict and are beyond our control, we cannot assure you that we will achieve or accomplish these expectations, beliefs or projections.

In addition to these important factors, important factors that, in our view, could cause actual results to differ materially from those discussed in the forward-looking statements include the strength of world economies and currencies, general market conditions, including fluctuations in charterhire rates and vessel values, changes in demand in the tanker market, as a result of changes in OPEC's petroleum production levels and world wide oil consumption and storage, changes in the Company's operating expenses, including bunker prices, drydocking and insurance costs, the market for the Company's vessels, availability of financing and refinancing, changes in governmental rules and regulations or actions taken by regulatory authorities, potential liability from pending or future litigation, general domestic and international political conditions, potential disruption of shipping routes due to accidents or political events, and other important factors described from time to time in the reports filed by the Company with the Securities and Exchange Commission.
