Item 1. Security and Issuer.

STAAR Surgical Company, Common Stock, par value \$0.01 per share (the "Shares")

STAAR Surgical Company  
1911 Walker Avenue  
Monrovia, California 91016

Item 2. Identity and Background.

NO MATERIAL CHANGE FROM THE SCHEDULE 13D/A FILED ON APRIL 15, 2009.

Item 3. Source and Amount of Funds or Other Consideration.

NO MATERIAL CHANGE FROM THE SCHEDULE 13D/A FILED ON APRIL 15, 2009.

Item 4. Purpose of Transaction.

The Reporting Persons acquired their Shares of the Issuer for investment purposes.

The Reporting Persons have no plans or proposals which, other than as expressly set forth below, would relate to or would result in: (a) the acquisition of additional securities of the Issuer or the disposition of presently-owned securities of the Issuer; (b) any extraordinary corporate transaction involving the Issuer; (c) a sale or transfer of a material amount of assets of the Issuer; (d) any change in the present Board of Directors or management of the Issuer; (e) any material change in the present capitalization or dividend policy of the Issuer; (f) any material change in the operating policies or corporate structure of the Issuer; (g) any change in the Issuer's charter or by-laws; (h) the Shares of the Issuer ceasing to be authorized to be quoted in the over-the-counter security markets; or (i) causing the Issuer becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Securities Exchange Act of 1934. The Reporting Persons, however, reserve the right, at a later date, to effect one or more of such changes or transactions in the number of shares they may be deemed to beneficially own.

The Reporting Persons have been and may continue to be in contact with members of the Issuer's management, the Issuer's Board of Directors, other significant shareholders and others regarding alternatives that the Issuer could employ to improve shareholder value.

The Reporting Persons continue to closely monitor the substantial and ongoing improvement in the Issuer's business results that has followed its implementation of the governance reforms that the Reporting Persons requested in their letter of April 8, 2005. In the opinion of the Reporting Persons, the Issuer has made substantial progress improving its business operations globally. In particular, the Reporting Persons believe that the Issuer has significantly improved the rate at which it has achieved regulatory approvals of new products in various countries, most notably in the U.S. The Reporting Persons believe that the Issuer's international business is performing well, with particularly noteworthy improvement at STAAR Japan, Inc., the wholly-owned subsidiary that was formed when the Issuer successfully acquired its Japanese joint venture. The Reporting Persons believe that the Issuer's U.S. business results have improved following changes in strategy and management; however, there is room for continued improvement in the U.S. The Reporting Persons continue to support the Issuer's current management team, its current sales and marketing strategy, and its ongoing efforts to adopt an appropriate cost structure for its operations. The Reporting Persons intend to continue to closely monitor results in these areas, and may seek additional changes if significant progress does not continue over time. Because the Issuer's revenue growth and substantial margin improvement have not yet been reflected in its stock price, the Reporting Persons also continue to oppose any proposed acquisition of the Issuer at a price that does not represent a very large premium to its current market value.
