Item  
4. Purpose of Transaction.

The Reporting Persons acquired their Shares of the Issuer for investment purposes.

The Reporting Persons have no plans or proposals which, other than as expressly set forth below, would relate to or would result in: (a) the acquisition of additional securities of the Issuer or the disposition of presently-owned securities of the Issuer; (b) any extraordinary corporate transaction involving the Issuer; (c) a sale or transfer of a material amount of assets of the Issuer; (d) any change in the present Board of Directors or management of the Issuer; (e) any material change in the present capitalization or dividend policy of the Issuer; (f) any material change in the operating policies or corporate structure of the Issuer; (g) any change in the Issuer's charter or by-laws; (h) the Shares of the Issuer ceasing to be authorized to be quoted in the over-the-counter security markets; or (i) causing the Issuer to become eligible for termination of registration pursuant to Section 12(g)(4) of the Securities Exchange Act of 1934. The Reporting Persons, however, reserve the right, at a later date, to effect one or more of such changes or transactions in the number of shares they may be deemed to beneficially own.

The Reporting Persons have been and may continue to be in contact with members of the Issuer's management, the Issuer's Board of Directors, other significant shareholders and others regarding alternatives that the Issuer could employ to further improve shareholder value.

The Reporting Persons believe that, as a result of diligent effort, the Issuer's improved management team has made substantial progress in overcoming the Issuer's previous setbacks—thereby addressing many of the obstacles that were preventing the Issuer from realizing its substantial long-term growth opportunity. This progress has begun to result in improved business results and somewhat greater investor recognition. Because of the Reporting Persons' longstanding belief in the Issuer's proprietary technology and substantial long-term growth opportunity, the Reporting Persons increased their ownership of the Issuer's shares from time to time over the last two decades, most recently in 2016.

The Reporting Persons are also encouraged by the Issuer's progress over the last two years with respect to certain corporate governance matters, and recognize the effort that has resulted in the substantial progress that has been made. In particular, the Reporting Persons recognize the strong results achieved by the Issuer's current Board of Directors, particularly since three directors joined the Board in 2014-2016 as a result of dialogue between shareholders and the Board. These three directors have long records of involvement in shareholder-oriented corporate governance and the creation of large amounts of shareholder value over time. The Reporting Persons intend to remain in dialogue with members of the Board and other shareholders about the Issuer's corporate governance and strategies for continued long-term shareholder value creation.
