Item 8.01.

Other Events.

On May 12, 2010, we sold our equity interests in a series of unconsolidated joint ventures relating to properties in Des Moines, Iowa. The assets in the joint ventures included 2.5 million square feet of office (1.7 million square feet), industrial (788,000 square feet) and retail (45,000 square feet) as well as 418 apartment units. In connection with the

closing, we received \$15 million in cash. We had a negative book basis in certain of the ventures, primarily as a result of prior cash distributions to the partners. Accordingly, we will record a net gain of approximately \$25 million, which will be reflected in our second quarter financial results. As of the closing date, the joint ventures had approximately \$170 million of secured debt, which was non-recourse to us except (1) in the case of customary exceptions pertaining to matters such as misuse of funds, borrower bankruptcy, unpermitted transfers, environmental conditions and material misrepresentations and (2) approximately \$9.0 million of direct and indirect guarantees. We have been released by the applicable lenders from all such direct and indirect guarantees and we have no ongoing lender liability relating to such customary exceptions to non-recourse liability with respect to some, but not all, of the debt. The buyer has agreed to indemnify and hold us harmless from any and all future losses that we suffer as a result of our prior investment in the joint ventures (other than losses directly resulting from our acts or omissions). In the event we are exposed to any such future loss, our financial condition and results of operations would not be adversely affected unless the buyer defaults on its indemnification obligation.
