**General Information**

**Q: How do I give voting instructions?**

**A:** You may attend the meeting and give instructions in person or give instructions by the Internet, by telephone or by mail. Information for giving instructions is on the proxy form. The Proxies, named on the enclosed proxy form, will vote all properly executed proxies that are delivered pursuant to this solicitation and not subsequently revoked in accordance with the instructions given by you.

**Q: Can I change my vote?**

**A:** Yes, you may revoke your proxy by submitting a subsequent proxy or by written request received by the Company's corporate secretary before the meeting.

**Q: Who can vote?**

**A:** All stockholders of record on the record date of March 27, 2006. On that date, there were 742,329,365 shares of Southern Company common stock outstanding and entitled to vote.

**Q: How much does each share count?**

**A:** Each share counts as one vote, except votes for directors may be cumulative. Abstentions that are marked on the proxy form are included for the purpose of determining a quorum, but shares that a broker fails to vote are not counted toward a quorum. Neither is counted for or against the matters being considered.

**Q: What does it mean if I get more than one proxy form?**

**A:** You will receive a proxy form for each account that you have. Please vote proxies for all accounts to ensure that all your shares are voted. If you wish to consolidate multiple registered accounts, please contact Stockholder Services at (800) 554-7626.

**Q: Can the Company's Proxy Statement and Annual Report be accessed from the Internet?**

**A:** Yes. You can access the Company's website at [www.southerncompany.com](http://www.southerncompany.com) to view these documents.

**Q: Does the Company offer electronic delivery of proxy materials?**

**A:** Yes. Most stockholders can elect to receive an e-mail that will provide electronic links to the Annual Report and Proxy Statement. Opting to receive your proxy materials on-line will save us the cost of producing and mailing documents and also will give you an electronic link to the proxy voting site.

You may sign up for electronic delivery when you vote your proxy via the Internet or:

n Go to our investor web site at <http://investor.southerncompany.com/>;

n Click on the word "Enroll" for Electronic Delivery of Proxy Materials; and

n Follow the directions provided to complete your enrollment.

Once you enroll for electronic delivery, you will receive proxy materials electronically as long as your account remains active or until you cancel your enrollment. If you consent to electronic access, you will be responsible for your usual Internet-related charges (*e.g.*, on-line fees, telephone charges) in connection with electronic viewing and printing of proxy materials and annual reports. The Company will continue to distribute printed materials to stockholders who do not consent to access these materials electronically.

**Table of Contents**

**Q: What is householding ?**

**A:** Certain beneficial owners of the Company's common stock, sharing a single address, may receive only one copy of the Proxy Statement and Annual Report unless the broker, bank or nominee has received contrary instructions from any beneficial owner at that address. This practice known as householding is designed to reduce printing and mailing costs. If a beneficial owner does not wish to participate in householding, he or she may contact Stockholder Services at (800) 554-7626 or at 30 Ivan Allen Jr. Boulevard NW, Atlanta, Georgia 30308 and ask to receive a Proxy Statement or Annual Report. As noted earlier, beneficial owners may view the Proxy Statement and Annual Report on the Internet.

**Q: When are stockholder proposals due for the 2007 Annual Meeting of Stockholders?**

**A:** The deadline for the receipt of stockholder proposals to be considered for inclusion in the Company's proxy materials for the 2007 Annual Meeting of Stockholders is December 14, 2006. Proposals must be submitted in writing to Patricia L. Roberts, Assistant Corporate Secretary, Southern Company, 30 Ivan Allen Jr. Boulevard NW, Atlanta, Georgia 30308. Additionally, the proxy solicited by the Board of Directors for next year's meeting will confer discretionary authority to vote on any stockholder proposal presented at that meeting that is not included in the Company's proxy materials unless the Company is provided written notice of such proposal no later than March 1, 2007.

**Q: Who pays the expense of soliciting proxies?**

**A:** The Company pays the cost of soliciting proxies. The officers or other employees of the Company or its subsidiaries may solicit proxies to have a larger representation at the meeting. **Corporate Governance**

**COMPANY ORGANIZATION**

Southern Company is a holding company managed by a core group of officers and governed by a Board of Directors that is currently comprised of 10 members. The nominees for election as Directors consist of nine non-employees and one executive officer of the Company.

**DIRECTOR INDEPENDENCE**

No Director will be deemed to be independent unless the Board of Directors affirmatively determines that the Director has no material relationship with the Company, directly, or as an officer, shareowner or partner of an organization that has a relationship with the Company. The Board of Directors has adopted categorical guidelines which provide that a Director will not be deemed to be independent if within the preceding three years the Director:

- n Was employed by the Company or whose immediate family member was an executive officer of the Company.
- n Received or whose immediate family member received direct compensation from the Company, other than director and committee fees. (Compensation received by an immediate family member for services as a non-executive employee of the Company need not be considered.)
- n Was affiliated with or employed by or whose immediate family member was affiliated or employed in a professional capacity by a present or former external auditor of the Company.
- n Was employed or whose immediate family member was employed as an executive officer of a company where any member of the Company's present executives serve on that company's compensation committee.
- n Was an executive officer or an employee or whose immediate family member was an executive officer of a company that makes payments to or receives payments from the Company for property or services in an amount which in any single fiscal year exceeds the greater of \$1,000,000 or two percent of that company's consolidated gross revenues.

Additionally, a Director will be deemed not to be independent if the Director or the Director's spouse serves as an executive officer of a charitable organization to which the Company made discretionary contributions exceeding the greater of \$1,000,000 or two percent of the organization's total annual charitable receipts.

In making the independence determination, the Board reviews and considers all commercial, consulting, legal, accounting, charitable or other business relationships that a Director or the Director's immediate family members have with the Company. This review specifically includes the transactions described under the section entitled "Certain Relationships and Related Transactions" on page 26 of this Proxy Statement. The Board determined that those transactions are not material to either the Company or the entity with which the Director is associated. As a result of its annual review of Director independence, the Board affirmatively determined that none of the following Directors has a material relationship with the Company and, as a result, such Directors are determined to be independent: Juanita Powell Baranco, Dorrit J. Bern, Francis S. Blake, Thomas F. Chapman, Donald M. James, Zack T. Pate, J. Neal Purcell, William G. Smith, Jr. and Gerald J. St. Pé. The remaining Director, David M. Ratcliffe, is Chairman of the Board, President and Chief Executive Officer of the Company.

Mr. James has notified the Company that he has resigned from one outside board of which he is a member effective by the upcoming annual stockholders meeting of such board in 2006, bringing his number of outside board memberships to two.

The Corporate Governance Guidelines are available on the Company's website at [www.southerncompany.com](http://www.southerncompany.com) under Investors/Corporate Governance.

**COMMUNICATING WITH THE BOARD**

Roberts, Assistant Corporate Secretary, Southern Company, 30 Ivan Allen Jr. Boulevard NW, Atlanta, Georgia 30308. The electronic mail address is

**Table of Contents****ITEM NO. 2 RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee of the Board of Directors has appointed Deloitte & Touche LLP as the Company's independent registered public accounting firm for 2006. This appointment is being submitted to stockholders for ratification. Representatives of Deloitte & Touche LLP will be present at the Annual Meeting to respond to appropriate questions from stockholders and will have the opportunity to make a statement if they desire to do so.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR ITEM NO. 2.

**ITEM NO. 3 PROPOSAL TO APPROVE THE OMNIBUS INCENTIVE COMPENSATION PLAN**

Upon recommendation of the Compensation and Management Succession Committee (the Committee), the Board of Directors approved the Southern Company 2006 Omnibus Incentive Compensation Plan (the Plan), subject to stockholder approval. The Plan provides for awards of Nonqualified Stock Options, Incentive Stock Options, Stock Appreciation Rights, Restricted Stock Awards, Restricted Stock Units, Performance Units, Performance Shares and Cash-Based Awards (collectively, Awards). The Plan will replace the Omnibus Incentive Compensation Plan that was approved by the stockholders at the 2001 Annual Meeting of Stockholders held on May 23, 2001 (the 2001 Plan), which provided similar benefits as those to be provided under the Plan. We are seeking approval of the new plan, in part, so that we continue to satisfy the requirements of Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code). That Code section requires stockholder approval of incentive compensation plans every five years so that the Company can deduct all performance-based compensation. (See the section below entitled

Compliance with Section 162(m) of the Code for more information.)

The purposes of the Plan are to optimize the profitability and growth of the Company through annual and long-term incentives that are consistent with the Company's goals and to provide the potential for levels of compensation that will enhance the Company's ability to attract, retain and motivate employees. All employees will be eligible to participate in the Plan and in the initial Plan year, all employees will participate.

**Plan Administration**

The Plan will be administered by the Committee. The Committee consists of four independent directors of the Company. (See the description of the Committee under the Section headed Committees of the Board on page 6 for more information.) The Committee has broad authority to administer and interpret the Plan, including authority to make Awards, determine the size and terms applicable to Awards, establish performance goals, determine and certify the degree of goal achievement and amend the terms of Awards consistent with Plan terms.

The Board of Directors may terminate or amend the Plan at any time; provided, however, without stockholder approval, the Board may not increase the total number of shares of the Company's common stock (Common Stock) available for grants under the Plan. The Plan will terminate May 24, 2016, unless terminated sooner by the Board of Directors.

**Types of Awards**

*Stock Options:* The Committee may grant Incentive Stock Options or Nonqualified Stock Options (collectively, Stock Options). These entitle the participant to purchase up to the number of shares of Common Stock specified in the grant at a specified price (the Option Price). Under the terms of the Plan, the Option Price may not be less than the fair market value of the Common Stock on the date a Stock Option is granted. Incentive Stock Options are intended to comply with Section 422 of the Code. The Committee will establish the terms of Stock Options including the Option Price, vesting, duration, transferability and exercise procedures. Incentive Stock Options may not be sold, transferred, pledged, assigned or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution. A Stock Option may not be exercisable later than the tenth anniversary of the date granted. Stock Options must be paid in full when exercised either (i) in cash, (ii) by foregoing compensation that the Committee agrees otherwise would be owed, (iii) by tendering previously acquired shares of Common Stock held by the participant or (iv) by the attestation of shares of Common Stock or by any combination thereof.

**Table of Contents**

*Stock Appreciation Rights:* These are rights that, when exercised, entitle the participant to the appreciation in value of the number of shares of Common Stock specified in the grant, from the date granted to the date exercised. The exercised Stock Appreciation Right may be paid in cash or Common Stock, as determined by the Committee. Stock Appreciation Rights may be granted in the sole discretion of the Committee in conjunction with Stock Options.

*Restricted Stock Awards:* These are grants of shares of Common Stock, full rights to which are conditioned upon continued employment or the achievement of performance goals. The Committee will establish a Restriction Period for each Restricted Stock Award made. The Committee also can impose other restrictions or conditions on the Restricted Stock Awards such as payment of a stipulated purchase price. The participant may be entitled to dividends paid on the Restricted Stock and may have the right to vote such shares.

*Restricted Stock Units:* These are awards that entitle the participant to the value of shares of Common Stock at the end of a designated restriction period. Except for voting rights, they may have all of the characteristics of Restricted Stock Awards, as described above. Restricted Stock Units may be paid out in cash or shares of Common Stock. The maximum amount payable to any participant for Restricted Stock Units granted in any one year is the higher of \$10,000,000 or 1,000,000 shares of Common Stock

*Performance Units, Performance Stock Awards and Cash-Based Awards (collectively Performance Awards):* These are awards that entitle the participant to a level of compensation based on the achievement of pre-established performance goals over a designated performance period. Performance Units shall have an initial value determined by the Committee. The value of a Performance Share will be the fair market value of Common Stock on the grant date. A Cash-Based Award will have the value determined by the Committee. At the beginning of the performance period, the Committee will determine the number of Performance Units or Performance Shares awarded or the target value of Cash-Based Awards, the performance period and the performance goals. At the end of the performance period, the Committee will determine the degree of achievement of the performance goals which will determine the level of payout. The Committee may set performance goals using any combination of the following criteria:

- n Earnings per share;
- n Net income or net operating income (before or after taxes and before or after extraordinary items);
- n Return measures (including, but not limited to, return on assets, equity or sales);
- n Cash flow return on investments which equals net cash flows divided by owners' equity;
- n Earnings before or after taxes;
- n Gross revenues;
- n Gross margins;
- n Share price (including, but not limited to, growth measures and total shareholder return);
- n Economic Value Added, which equals net income or net operating income minus a charge for use of capital;
- n Operating margins;
- n Market share;
- n Gross revenues or revenues growth;
- n Capacity utilization;
- n Increase in customer base including associated costs;
- n Environmental, Health and Safety;
- n Reliability;
- n Price;
- n Bad debt expense;
- n Customer satisfaction;
- n Operations and maintenance expense;
- n Accounts receivable;
- n Diversity/Inclusion; and
- n Quality.

Performance Awards may be paid in cash or shares of Common Stock or a combination thereof in the Committee's discretion. The maximum amount payable to any participant for Performance Shares awarded in any one year is the higher of \$10,000,000 or 1,000,000 shares of Common Stock per award type. The maximum amount payable to any

participant for Cash-Based Awards or Performance Units awarded in any one year is \$10,000,000.

**Table of Contents****Shares Available for Grant under the Plan**

A total of 28,000,000 shares of Common Stock is available for grants under the plan. As of March 27, 2006 there are approximately 19,068,738 shares available under the 2001 Plan, which will be transferred to and available for grant under the Plan in addition to the 28,000,000 authorized under the Plan. If the Plan is approved, no further shares will be granted under the 2001 Plan after May 24, 2006. The following table summarizes the stock awards outstanding and the shares available for grant as of the end of the 2005 and as of March 27, 2006, the annual meeting record date, including those under the 2001 Plan that will be rolled into and added to the 28,000,000 shares authorized under the Plan.

	<b>As of December 31, 2005</b>	<b>As of Record Date (March 27, 2006)</b>

Total number of awards granted and outstanding	31,347,355	37,965,950

	25,687,333	

(1) Weighted average exercise price of \$28.30 and weighted average term to expiration of 7.25 years for options outstanding as of the Record Date.

(2) This reflects the grant of 6,618,595 stock options on February 20, 2006 under the 2001 Plan consistent with our longstanding practice to make most stock option grants, annually, at the regular meeting of the Compensation and Management Succession Committee in February.

Under the Plan, the maximum number of shares of Common Stock that may be the subject of any Award to a participant during any calendar year is 5,000,000 shares of Common Stock for Stock Options and Stock Appreciation Rights and 1,000,000 shares of Common Stock for Restricted Stock Awards. On March 27, 2006, the closing price per share of Common Stock reported on the New York Stock Exchange Composite Tape was \$33.01. If there are any changes in corporate capitalization, such as a stock split, stock dividend or reclassification, or a corporate transaction such as a merger, consolidation, separation, including a spin-off, or other distribution of stock or property of the Company, or any reorganization or any partial or complete liquidation of the Company, adjustments will be made in the number and class of shares of Common Stock which may be delivered under the Plan, in the number and class of and/or price of shares of Common Stock subject to outstanding Awards under the Plan, and in the maximum number of shares of Common Stock that may be granted to any individual during any calendar year, as may be determined to be appropriate and equitable by the Committee, to prevent dilution or enlargement of rights.

**Change in Control Provisions**

The Plan incorporates the terms of the Company's Change in Control Benefit Plan Determination Policy. It provides that if a change in control occurs, all Stock Options, Stock Appreciation Rights, Restricted Stock Awards and Restricted Stock Units will vest immediately; and, if the Plan is not continued or replaced with a comparable plan, pro-rata payments of all Performance Awards at not less than target-level performance will be paid. (See page 27 for a description of individual change in control agreements.)

**Treatment of Overpayments and Underpayments**

The Plan provides that if a participant receives an overpayment of shares of Common Stock or cash under the Plan, for any reason, the Committee, in its discretion, has the right to take whatever action it deems appropriate, including requiring

**Table of Contents**

repayment or reduction of future payments under the Plan to recover any overpayment. If the Company is required to prepare an accounting restatement due to the material noncompliance of the Company with any financial reporting requirements that resulted from grossly negligent or intentional misconduct of a participant, that participant or participants shall reimburse the Company the amount of any payment in settlement of an Award earned or accrued during the 12 month period following the first public issuance of the financial document embodying the financial reporting requirement. If there is an underpayment to a participant under the Plan, payment of the shortfall will be made as soon as administratively practicable.

**Federal Income Tax Consequences of Stock Options Granted under the Plan**

The following is a summary of some of the more significant Federal income tax consequences under present law of the granting and exercise of Stock Options under the Plan.

No taxable income is realized by a participant upon the grant of a Stock Option, and no deduction is then available to the Company.

Upon exercise of a Nonqualified Stock Option, the excess of the fair market value of the shares of Common Stock on the date of exercise over the Option Price will be taxable to the participant as ordinary income and, subject to any limitation imposed by Section 162(m) of the Code, deductible by the Company. If a participant disposes of any shares of Common Stock received upon the exercise of any Nonqualified Stock Option granted under the Plan, such participant will realize a capital gain or loss equal to the difference between the amount realized on disposition and the value of such shares at the time it was exercised. The gain or loss will be either long-term or short-term, depending on the holding period measured from the date of exercise. The Company will not be entitled to any further deduction at that time.

A participant will not recognize income (except for purposes of the alternative minimum tax) upon exercise of an Incentive Stock Option. If the shares acquired by exercise of an Incentive Stock Option are held for the longer of two years from the date the option was granted or one year from the date it was exercised, any gain or loss resulting from a subsequent disposition of such shares will be taxed as long-term capital gain or loss, and the Company will not be entitled to any deduction. If, however, such shares are disposed of within the above-described period, then in the year of such disposition the participant will recognize taxable income equal to the excess of the lesser of (i) the amount realized upon such disposition and (ii) the fair market value of such shares on the date of exercise over the Option Price, and the Company will be entitled to a corresponding deduction.

The Company is required to withhold and remit to the Internal Revenue Service income taxes on all compensation which is taxable as ordinary income. Upon exercise of Nonqualified Stock Options, as a condition of such exercise, a participant must pay or arrange for payment to the Company of cash representing the appropriate withholding taxes generated by the exercise.

**Compliance with Section 162(m) of the Code**

The Board is seeking stockholder approval of the Plan partly in order to qualify all compensation to be paid under the Plan for the maximum income tax deductibility under Section 162(m) of the Code. Section 162(m) of the Code generally limits tax deductibility of certain compensation paid to each of the Company's five most highly compensated executive officers to \$1,000,000 per officer, unless the compensation is paid under a performance plan, meeting certain criteria under the Code, that has been approved by its stockholders.

**Table of Contents****Estimated Awards under the Plan**

The following table sets forth the estimated amounts of Cash-Based Awards (Annual and Long-Term Incentives) at target-level performance that would be paid under the Plan and the estimated number of Stock Options that would have been granted under the Plan for the year ending December 31, 2006 if the Plan were in place at the time awards were granted in 2006.

**Table of Contents****Audit Committee Report**

The Audit Committee (the Committee) oversees the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for establishing and maintaining adequate internal controls over financial reporting, including disclosure controls and procedures, and for preparing the Company's consolidated financial statements. In fulfilling its oversight responsibilities, the Committee reviewed the audited consolidated financial statements of the Company and its subsidiaries and management's report on the Company's internal control over financial reporting in the Annual Report to stockholders with management. The Committee also reviews the Company's quarterly and annual reporting on Forms 10-Q and 10-K prior to filing with the Securities and Exchange Commission (SEC). The Committee's review process includes discussions of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and estimates and the clarity of disclosures in the financial statements.

The independent registered public accounting firm is responsible for expressing opinions on the conformity of the consolidated financial statements with accounting principles generally accepted in the United States and on the conformity of management's assessment of the effectiveness of the Company's internal control over financial reporting and the effectiveness of the Company's internal control over financial reporting with the criteria established in Internal Control - Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission. The Committee reviewed with the independent registered public accounting firm, the firm's judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Committee under generally accepted auditing standards, rules and regulations of the Public Company Accounting Oversight Board (PCAOB) and the SEC and the New York Stock Exchange corporate governance rules. In addition, the Committee has discussed with the independent registered public accounting firm its independence from management and the Company including the matters in the written disclosures made under Rule 3600T of the PCAOB, which, on an interim basis, has adopted Independence Standards Board No. 1,

Independence Discussions with Audit Committees. The Committee also has considered whether the independent registered public accounting firm's provision of non-audit services to the Company is compatible with maintaining the firm's independence.

The Committee discussed the overall scopes and plans with the Company's internal auditors and independent registered public accounting firm for their respective audits. The Committee meets with the internal auditors and independent registered public accounting firm with and without management present, to discuss the results of their audits, evaluations by management and the independent registered public accounting firm of the Company's internal control over financial reporting, and the overall quality of the Company's financial reporting. The Committee also meets privately with the Company's compliance officer. The Committee held 11 meetings during 2005.

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board of Directors (and the Board approved) that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2005 and filed with the SEC. The Committee also reappointed Deloitte & Touche LLP as the Company's independent registered public accounting firm for 2006. At the annual meeting of the Company's stockholders, the stockholders will be asked to ratify the Committee's selection of the independent registered public accounting firm.

**Compensation and Management Succession  
Committee Report**

The Compensation and Management Succession Committee of the Board (the Committee) is responsible for the oversight and administration of the Company's executive compensation program. The Committee also administers the Company's stock option program and reviews all system-wide compensation and benefit programs. The Committee is composed entirely of independent directors and operates pursuant to a written charter.

**TOTAL EXECUTIVE COMPENSATION**

**Executive Compensation Philosophy**

The Company's executive compensation program is based on a philosophy that total executive compensation must be competitive and must be tied to the Company's short- and long-term performance. With the objective of maximizing stakeholder value over time, our program aligns the interests of our executives and stockholders.

**Determination of Total Executive Compensation**

We retain an independent executive compensation consultant who provides information on total executive compensation paid at other large companies in the electric and gas utility industries. We review size-adjusted compensation data from electric and gas utilities having above \$2 billion in annual revenues from several sources, and general industry data in situations where utility data is unavailable. Most of the utility companies used are included in the 12 companies that comprise the S&P Electric Utility Index—the peer group used in the five-year performance graph. Based on the market data, total executive compensation targets are set at an appropriate size-adjusted level. This means that for median-level performance, our program is designed to pay executive officers, including those listed in the executive compensation tables in this Proxy Statement (the named executives) an amount that is at or near the median of the market for companies our size. Total executive compensation is paid through a market appropriate mix of both fixed and performance-based compensation. Because our program has significant performance-based compensation, actual total compensation paid can be above or below the targets based on actual corporate and individual performance.

**Components of Total Executive Compensation**

The primary components of our executive compensation program are:

- n Base pay (salary);
- n Short-term incentives (annual performance-based compensation); and
- n Long-term incentives (stock options and performance-based dividend equivalents).

The Company also provides certain perquisites to its executive officers that we review periodically to determine if they are reasonable and appropriate. The primary perquisites provided by the Company are financial planning services, club memberships (for business use) and home security.

**BASE PAY**

A range for base pay was determined for each named executive by analyzing the base pay at the appropriate peer group of companies described previously. The 2005 base pay level did not exceed the median by more than 10 percent for any of the named executive officers.

**ANNUAL PERFORMANCE BASED COMPENSATION**

Annual performance-based compensation is paid through the Omnibus Incentive Compensation Plan (the Plan). All named executives participated in this plan in 2005.

**Table of Contents**

**Performance Goals**

Annual performance-based compensation is based on the attainment of corporate goals and attainment of the business units' operational goals. All performance goals were set in the first quarter of the year.

For 2005, performance goals included specific targets for:

**Corporate Performance Goals**

- n Company earnings – earnings per share ( EPS )
- n Subsidiary companies' return on equity or net income

**Operational Goals**

- n Capital expenditures
- n Safety
- n Customer service
- n Plant availability
- n System reliability
- n Diversity

Also, certain business units establish additional operational goals unique to their business strategies. We believe that accomplishing these goals is essential for the Company's continued success and sustained financial performance. A target performance level and weight is set for each goal. Performance above or below the targets results in proportionately higher or lower performance-based compensation. The corporate performance goals are weighted 50 percent each and the average of the operational goals can adjust the total payout from zero to 110 percent. A target percentage of base pay is established for each named executive based on his position level for target-level performance. Annual performance-based compensation may range from zero percent of the target to 220 percent based on actual corporate and operational performance with an additional 10 percent of base salary possible for exceptional individual performance.

No performance-based compensation is paid if performance is below a threshold level or if a minimum earnings level is not reached. Also, none is paid if the Company's current earnings are not sufficient to fund the Company's common stock dividend at the same level as the prior year. We also capped the maximum amount for annual performance-based compensation for each executive officer at 0.6 percent of the Company's net income.

**Annual Performance-Based Compensation Payments**

The target percentage of base pay for the named executives, except the Chief Executive Officer ( CEO ), ranged from 50 to 75 percent. Corporate and operational performance met or exceeded the target levels in all areas in 2005, resulting in payments that exceeded the target levels.

**LONG-TERM INCENTIVES**

A significant portion of our total compensation program is in the form of long-term incentives including Company stock options and performance dividend equivalents.

**Stock Options**

The named executives and other employees were granted options with 10-year terms to purchase the Company's common stock ( Common Stock ) at the market price on the date of the grant under the terms of the Omnibus Incentive Compensation Plan. The stock option value was approximately 20 percent of total target compensation for the named executives, other than for the CEO. For purposes of determining total target compensation, stock options are valued at

**Table of Contents**

15 percent of the stock price on the date of grant. The size of prior grants was not considered in determining the size of the grants made in 2005. These options vest over a three-year period. The options fully vest upon retirement and expire at the earlier of five years from the date of retirement or the end of the 10-year term.

**Performance Dividends**

All optionholders, including the named executives, can receive performance-based dividend equivalents on post-1996 stock options held at the end of the year. Dividend equivalents can range from approximately five percent of the Common Stock dividend paid during the year if total stockholder return over a four-year period, compared to a group of other utility companies, is above the 10th percentile to 100 percent of the dividend paid if it reaches the 90th percentile. No dividend equivalents are paid if the Company's earnings are not sufficient to fund the current Common Stock dividend. For purposes of determining total target compensation, performance dividend equivalents are valued at 10 percent of the Common Stock price on the date stock options are granted. For eligible stock options held on December 31, 2005, all participants, including the named executives, received a payout of \$0.83 per option (56% of the common stock dividend paid in 2005), reflecting four-year total stockholder return that was above the median of the peer group.

**CHIEF EXECUTIVE OFFICER COMPENSATION**

The Committee meets without the presence of the CEO or other Company personnel to evaluate the CEO's performance as compared with previously established financial and nonfinancial goals. The Committee also meets privately with its consultant who provides independent recommendations for total target compensation for the CEO. It reviews comprehensive market data developed by its independent consultant each year.

During 2005, the Committee reviewed the CEO's pay package in the form of a tally sheet with the entire Board, including total target compensation, cumulative accrued interest on deferred compensation, lump sum value of pension benefits, possible cost of change in control benefits and all perquisites. Separately, the Committee reviewed a payout analysis developed by its independent consultant, which indicates that the Company's actual pay reflects both its pay philosophy and its actual performance.

Mr. Ratcliffe's total target compensation was determined in the same manner as that of the other named executives of the Company and consists of the same components: Base Pay, Annual Performance-Based Compensation and Long-Term Incentives, consisting of stock options and performance-based dividend equivalents as described above.

**Total Compensation Target**

Using the market data described above, the Committee established a 2005 total compensation target for Mr. Ratcliffe for target-level performance of approximately \$6.12 million, which was below the median of the market.

**Base Pay**

The base pay level for Mr. Ratcliffe was \$985,100, per year, which was below the size-adjusted market median. (Because base pay changes generally are effective March 1, the salary paid Mr. Ratcliffe in 2005, as shown in the Summary Compensation Table on page 28, is lower.) Base salary represents 16 percent of total target compensation for the CEO. The balance of Mr. Ratcliffe's compensation is performance-based and therefore is at risk.

**Annual Performance-Based Compensation Payment**

Mr. Ratcliffe's target annual performance-based compensation under the Plan, to be paid for target-level performance, was 100 percent of his base pay, and represented 16 percent of his total target compensation. His actual payment for 2005 performance was based on the degree of achievement of the Company's subsidiaries' operational and return on equity/net income goals, and the Company's EPS goal. The actual amount paid is determined as described above. Based on the Company and its subsidiaries' performance, Mr. Ratcliffe's annual performance-based compensation payout was \$1,960,399 which was 199 percent of his target award opportunity.

**Table of Contents**

**Stock Options**

For Mr. Ratcliffe, the estimated annualized value of the grants made in 2005 in establishing total target compensation was approximately \$2.52 million which was 41 percent of his total target compensation.

**Performance Dividends**

In establishing the total compensation target, the Committee considers the present value of the performance-based dividend equivalents associated with the current year's stock option grant. For 2005, that target value for Mr. Ratcliffe was approximately \$1.6 million which represented 26 percent of his total target compensation.

**OTHER COMPENSATION**

The Company maintains a Deferred Compensation Plan for eligible employees, including the named executives. Participation is voluntary and permits deferral of up to 50 percent of salary and up to 100 percent of incentive awards. Except for certain prescribed hardship conditions, all amounts are deferred until termination of employment with the Company. A participant has two investment options under that plan—a prime-rate investment option and an option that tracks the performance of Common Stock. This is an unfunded plan and all amounts deferred are payable out of the general assets of the Company. The Committee has reviewed the terms of this plan. The Committee does not consider earnings on deferred compensation in establishing total compensation targets.

The Company also maintains additional non-qualified deferred compensation plans and arrangements that provide post-retirement compensation. The text under the Pension Plan Table on page 30 discusses the supplemental pension arrangements for the named executives. The Committee reviews the supplemental pension arrangements of the executive officers as well as other benefit programs that are generally available to all employees of the Company.

**POLICY ON INCOME TAX DEDUCTIBILITY OF EXECUTIVE COMPENSATION**

Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code) limits the deductibility of certain executive officer's compensation that exceeds \$1 million per year unless the compensation is paid under a performance-based plan as defined in the Code and that has been approved by stockholders. The Company has obtained stockholder approval of the Omnibus Incentive Compensation Plan and is seeking approval of the 2006 Omnibus Incentive Compensation Plan (see Item No. 3 beginning on page 13). However, because our policy is to maximize long-term stockholder value, tax deductibility is only one factor considered in setting compensation.

**EXECUTIVE STOCK OWNERSHIP REQUIREMENTS**

Effective January 1, 2006, the Committee adopted stock ownership requirements for all officers of the Company and its subsidiaries that are in a position of Vice President or above. All of the named executives are covered by the requirements.

Officers are required to own Common Stock having a market value equal to or greater than a multiple of base salary:

<b>Position</b>	<b>Multiple</b>
Chairman and CEO, Southern Company	Five times salary without counting stock options or 10 times, counting one-third of vested stock options
Presidents, Subsidiary Companies, and Executive Vice Presidents	Three times salary without counting stock options or six times, counting one-third of vested stock options
Senior Vice Presidents	Two times salary without counting stock options or four times, counting one-third of vested stock options
Vice Presidents	One times salary without counting stock options or two times, counting one-third of vested stock options

The CEO is subject to the highest ownership requirement and the other named executives are subject to the second-highest requirement. For purposes of these requirements, the Committee will include Common Stock held in

Company-sponsored plans, Common Stock units held in the Company-sponsored non-qualified deferred compensation plan and other shares of

**Table of Contents**

Common Stock held outside of Company-sponsored plans. **Table of Contents****Five-Year Performance Graph**

This performance graph compares the cumulative total stockholder return on the Company's common stock with the Standard & Poor's Electric Utility Index and the Standard & Poor's 500 Index for the past five years. The graph assumes that \$100 was invested on December 31, 2000, in the Company's common stock and each of the above indices, and that all dividends are reinvested. The distribution of shares of Mirant Corporation stock to Company stockholders effective April 2, 2001, is treated as a special dividend for purposes of calculating stockholder return. The stockholder return shown below for the five-year historical period may not be indicative of future performance.

**Executive Compensation**

**EMPLOYMENT, CHANGE IN CONTROL AND SEPARATION AGREEMENTS**

The Company has Change in Control Agreements with each of its executive officers shown on the Summary Compensation Table on page 28. If an executive officer is involuntarily terminated, other than for cause, within two years following a change in control of the Company, the Agreements provide for:

- n lump sum payment of three times annual compensation,
- n up to five years of coverage under group health and life insurance plans,
- n immediate vesting of all stock options previously granted,
- n payment of any accrued long-term and short-term bonuses (performance-based compensation) and dividend equivalents, and
- n payment of any excise tax liability incurred as a result of payments made under the Agreement.

A change in control is defined under the Agreements as:

- n an acquisition of at least 20 percent of the Company's common stock,
- n a change in the majority of the members of the Company's Board of Directors in connection with an actual or threatened change in control,
- n a merger or other business combination that results in the Company's stockholders immediately before the merger owning less than 65 percent of the voting power after the merger, or
- n a sale of substantially all the assets of the Company.

If a change in control affects only a subsidiary of the Company, these payments would only be made to executives of the affected subsidiary who are involuntarily terminated as a result of that change in control.

The Company's Omnibus Incentive Compensation Plan provides for pro-rata payments of short-term and long-term incentive compensation at not less than target-level performance if a change in control occurs and the plan is not continued or replaced with a comparable plan or plans.

On February 22, 2002, Southern Company Services, Inc., Savannah Electric and Power Company and Gulf Power Company entered into an Amended and Restated Supplemental Pension Agreement with Mr. G. Edison Holland, Jr. that provides for a monthly payment to him after his retirement equal to the difference between the amount he will receive under the Southern Company Pension Plan and Supplemental Executive Retirement Plan and the amount he would receive under those plans had he been employed by subsidiaries of the Company an additional 12 years.

These compensation components are reported under the columns titled Salary and Bonus in the Summary Compensation Table on page 28.

As of December 31, 2005, the applicable compensation levels and years of accredited service for determination of pension benefits would have been:

For Mr. Holland, the number of years of accredited service includes an additional 12 years under a supplemental pension agreement.

As permitted by law (and subject to Section 3.1 herein), the Committee may delegate its authority as identified herein.

**3.3. Underpayments/Overpayments.** If any Participant or beneficiary receives an underpayment of Shares or cash payable under the terms of any Award, payment of any such shortfall shall be made as soon as administratively practicable. Additionally, any Shares available for issuance under the Southern Company Omnibus Incentive Compensation Plan effective May 23, 2001, as amended, (the 2001 Plan ) on May 24, 2006 in excess of 10,000,000 (ten million) Shares shall be transferred to the Plan, added to the reserved Shares and available for issuance to Participants under the Plan. Any remaining Shares under the 2001 Plan shall be cancelled and no further Shares will be granted under the 2001 Plan after May 24, 2006. No more than one-half of the Shares available for issuance under the Plan may be granted in the form of Awards other than Stock Options or Stock Appreciation Rights. The Shares available for issuance under this Plan may be authorized and unissued Shares, treasury Shares (if provided for in the Company's Articles of Incorporation), or previously issued Shares reacquired by the Company, including Shares purchased on the open market.

Unless and until the Committee determines that an Award to a Covered Employee shall not be designed to comply with the Performance-Based Exception, the following rules shall apply to grants of such Awards under the Plan:

- (a) **Stock Options:** The maximum aggregate number of Shares that may be granted in the form of Stock Options, pursuant to any Award granted in any one fiscal year to any one single Participant shall be 5,000,000 (five million).
- (b) **SARs:** The maximum aggregate number of Shares that may be granted in the form of Stock Appreciation Rights, pursuant to any Award granted in any one fiscal year to any one single Participant shall be 5,000,000 (five million).
- (c) **Restricted Stock:** The maximum aggregate grant with respect to Awards of Restricted Stock granted in any one fiscal year to any one Participant shall be 1,000,000 (one million).
- (d) **Restricted Stock Units:** The maximum aggregate payout (determined as of the end of the applicable restriction period) with respect to Awards of Restricted Stock Units granted in any one fiscal year to any one Participant shall be the greater of \$10,000,000 (ten million dollars) or 1,000,000 (one million) shares.
- (e) **Performance Shares.** The maximum aggregate payout (determined as of the end of the applicable performance period) with respect to Awards of Performance Shares granted in any one fiscal year to any one Participant shall be \$10,000,000 (ten million dollars) or 1,000,000 (one million) shares.
- (f) **Performance Units and Cash-Based Awards:** The maximum aggregate payout (determined as of the end of the applicable performance period) with respect to Performance Units or Cash-Based Awards awarded in any one fiscal year to any one Participant shall be \$10,000,000 (ten million dollars).

**4.2. Incentive Stock Option Limit.** The maximum number of Shares of the share authorization that may be issued pursuant to ISOs under this Plan shall be one-half of the Shares available for issuance under the Plan

**4.3. Adjustments in Authorized Shares.** In the event of any change in corporate capitalization, such as a stock split, stock dividend or reclassification, or a corporate transaction, such as any merger, consolidation, separation, including a spin-off, or other distribution of stock or property of the Company, any reorganization (whether or not such reorganization comes within the definition of such term in Code Section 368) or any partial or complete liquidation of the Company, such adjustment shall be made in the number and class of Shares which may be delivered under Section 4.1, in the number and class of and/or price of Shares subject to outstanding Awards granted under the Plan, and in the Award limits set forth in Section 4.1 as may be determined to be appropriate and equitable by the Committee, in its sole discretion, to prevent dilution or enlargement of rights; provided, however, that the number of Shares subject to any Award shall always be a whole number. The Committee shall not make any adjustment pursuant to this Section 4.3 that would cause an Award that is otherwise exempt from Code Section 409A to become subject to

Section 409A; or that would cause an Award that is subject to Code Section 409A to fail to satisfy the requirements of Section 409A.

**4.4. Share Usage.** Any Shares covered by an Award shall be counted as used as of the date of the grant. Any Shares related to Awards which terminate by expiration, forfeiture, cancellation, or otherwise without the issuance of such Shares, are settled in cash in lieu of Shares, or are exchanged with the Committee's permission, prior to the issuance of Shares, for Awards not involving Shares, shall be available again for grant under this Plan. The following Shares, however, may not again be made available for issuance as Awards under this Plan: (i) Shares not issued or delivered as a result of the net settlement of an outstanding Stock Appreciation Right, (ii) Shares used to pay the exercise price or withholding taxes related to an outstanding Award or (iii) Shares repurchased on the open market with the proceeds of the option exercise price.

## **Article 5. Eligibility and Participation**

**5.1. Eligibility.** Persons eligible to participate in this Plan include all Employees and Directors.

**5.2. Actual Participation.** Subject to the provisions of the Plan, the Committee may, from time to time, select from all eligible Employees and Directors, those to whom Awards shall be granted and shall determine the nature and amount of each Award.

## **Article 6. Stock Options**

**6.1. Grant of Options.** Subject to the terms and provisions of the Plan, Options may be granted to Participants in such number, and upon such terms, and at any time and from time to time as shall be determined by the Committee; provided that an ISO may be granted only to an eligible Employee.

**6.2. Award Agreement.** Each Option grant shall be evidenced by an Award Agreement that shall specify the Option Price, the duration of the Option, the number of Shares to which the Option pertains, and such other provisions as the Committee shall determine. The Award Agreement also shall specify whether the Option is intended to be an ISO within the meaning of Code Section 422, or an NQSO whose grant is intended not to fall under the provisions of Code Section 422.

The Committee, in its sole discretion, shall have the ability to require in the Award Agreement that the Participant must certify in a manner acceptable to the Committee that he/she is in compliance with the terms and conditions of the Plan and the Award Agreement. In the event that a Participant fails to comply with the provisions of this Section 6.2 prior to, or during the six (6) month period after any exercise, payment, or delivery pursuant to an Option, such exercise, payment, or delivery may be rescinded by the Committee within two (2) years thereafter. In the event of such rescission, the Participant shall pay to the Company the amount of any gain realized or payment received as a result of the rescinded exercise, payment, or delivery, in such manner and on such terms and conditions as may be required, and the Company shall be entitled to set-off against the amount of any such gain any amount owed to the Participant by the Company.

**6.3. Option Price.** The Option Price for each grant of an Option under this Plan shall be determined by the Committee in its sole discretion and shall be specified in the Award Agreement; provided that the Option Price shall in no event be less than one hundred percent (100%) of the Fair Market Value of a Share on the date of grant of the Option.

**6.4. Term of Options.** Each Option granted to a Participant shall expire at such time as the Committee shall determine at the time of grant; provided that no Option shall be exercisable later than the tenth (10th) anniversary of the date of grant of the Option.

**6.5. Exercise of Options.** Options granted under this Article 6 shall be exercisable at such times and be subject to such restrictions and conditions as the Committee shall in each instance approve, which need not be the same for each grant or for each Participant.

**6.6. Payment.** Options granted under this Article 6 shall be exercised by the delivery of a written notice of exercise to the Company and/or the Committee, setting forth the number of Shares with respect to which the Option is to be exercised, accompanied by full payment for the Shares. The Option Price upon exercise of any Option shall be payable to the Company in full either: (a) in cash or its equivalent, (b) except with regard to Executive Officers as defined in the Exchange Act, by forgoing compensation that the Committee agrees otherwise would be owed, (c) by tendering previously acquired Shares having an aggregate Fair Market Value at the time of exercise equal to the total Option Price, (d) by the attestation of Shares, or (e) by any combination of (a), (b), (c) or (d).

The Committee also may allow cashless exercise as permitted under Federal Reserve Board's Regulation T, subject to applicable securities law restrictions, or by any other means which the Committee determines to be consistent with the Plan's purpose and applicable law.

Subject to any governing rules or regulations, after receipt of a written notification of exercise and full payment, the Company may deliver to the Participant, in the Participant's name, Share certificates in an appropriate amount based upon the number of Shares purchased under the Option(s).

All payments under all of the methods indicated above shall be paid in United States dollars.

**6.7. Restrictions on Share Transferability.** The Committee may impose such restrictions on any Shares acquired pursuant to the exercise of an Option granted under this Article 6 as it may deem advisable, including, without limitation, restrictions under applicable federal securities laws, under the requirements of any stock exchange or market upon which such Shares are then listed and/or traded, and under any blue sky or state securities laws applicable to such Shares.

**6.8. Termination of Employment/Directorship.** Each Participant's Option Award Agreement shall set forth the extent to which the Participant shall have the right to exercise the Option following termination of the Participant's employment or directorship with the Company. Such provisions shall be determined in the sole discretion of the Committee, shall be included in the Award Agreement entered into with each Participant, need not be uniform among all Options issued pursuant to this Article 6, and may reflect distinctions based on the reasons for termination.

**Article 7. Stock Appreciation Rights**

**7.1. Grant of SARs.** Subject to the terms and conditions of the Plan, SARs may be granted to Participants at any time and from time to time as shall be determined by the Committee. The Committee may grant Freestanding SARs, Tandem SARs, or any combination of these forms of SAR.

The Committee shall have complete discretion in determining the number of SARs granted to each Participant (subject to Article 4 herein) and, consistent with the provisions of the Plan, in determining the terms and conditions pertaining to such SARs.

The grant price of a Freestanding SAR or a Tandem SAR shall equal the Fair Market Value of a Share on the date of grant of the SAR.

**7.2. Exercise of Tandem SARs.** Tandem SARs may be exercised for all or part of the Shares subject to the related Option upon the surrender of the right to exercise the equivalent portion of the related Option. A Tandem SAR may be exercised only with respect to the Shares for which its related Option is then exercisable.

Notwithstanding any other provision of this Plan to the contrary, with respect to a Tandem SAR granted in connection with an ISO: (i) the Tandem SAR will expire no later than the expiration of the underlying ISO; (ii) the value of the payout with respect to the Tandem SAR may be for no more than one hundred percent (100%) of the difference between the Option Price of the underlying ISO and the Fair Market Value of the Shares subject to the underlying ISO at the time the Tandem SAR is exercised; and (iii) the Tandem SAR may be exercised only when the Fair Market Value of the Shares subject to the ISO exceeds the Option Price of the ISO.

**7.3. Exercise of Freestanding SARs.** Freestanding SARs may be exercised upon whatever terms and conditions the Committee, in its sole discretion, imposes upon them.

**7.4. SAR Agreement.** Each SAR grant shall be evidenced by an Award Agreement that shall specify the grant price, the term of the SAR, and such other provisions as the Committee shall determine.

**7.5. Term of SARs.** The term of an SAR granted under the Plan shall be determined by the Committee, in its sole discretion, at the time of grant; provided, however, that such term shall not exceed ten (10) years.

**7.6. Payment of SAR Amount.** Upon exercise of an SAR, a Participant shall be entitled to receive payment from the Company in an amount determined by multiplying:

Edgar Filing: SOUTHERN CO - Form DEF 14A

- (a) The difference between the Fair Market Value of a Share on the date of exercise over the Fair Market Value of a Share on the date of grant; by
- (b) The number of Shares with respect to which the SAR is exercised.

At the discretion of the Committee, the payment upon SAR exercise may be in cash, in Shares of equivalent value, or in some combination thereof. The Committee's discretionary authority regarding the form of SAR payout shall be set forth in the Award Agreement pertaining to the grant of the SAR.

**7.7. Termination of Employment/Directorship.** Each SAR Award Agreement shall set forth the extent to which the Participant shall have the right to exercise the SAR following termination of the Participant's employment or directorship with the Company and/or its Subsidiaries. Such provisions shall be determined in the sole discretion of the Committee, and need not be uniform among all SARs issued pursuant to the Plan, and may reflect distinctions based on the reasons for termination.

## **Article 8. Restricted Stock and Restricted Stock Units**

**8.1. Grant of Restricted Stock/Units.** Subject to the terms and provisions of the Plan, the Committee, at any time and from time to time, may grant Shares of Restricted Stock and/or Restricted Stock Units to Participants in such amounts as the Committee shall determine. Restricted Stock Units shall be similar to Restricted Stock except that no shares are actually awarded to the Participant except that the Committee may designate that a portion of the Restricted Stock Unit be paid out in Shares.

**8.2. Award Agreement.** Each Restricted Stock and Restricted Stock Unit grant shall be evidenced by an Award Agreement that shall specify the Period(s) of Restriction, the number of Shares of Restricted Stock or Restricted Stock Units granted, and such other provisions as the Committee shall determine.

**8.3. Other Restrictions.** Except as provided in Article 12, each Restricted Stock Unit shall be paid in full to the Participant no later than the fifteenth (15th) day of the third month following the end of the first calendar year in which the Period of Restriction lapses. Subject to Article 10 herein, the Committee shall impose such other conditions and/or restrictions on any Shares of Restricted Stock or Restricted Stock Units granted pursuant to the Plan as it may deem advisable including, without limitation, a requirement that Participants pay a stipulated purchase price for each Share of Restricted Stock or each Restricted Stock Unit, restrictions based upon the achievement of specific performance goals (Company-wide, divisional, and/or individual), time-based restrictions on vesting following the attainment of the performance goals, and/or restrictions under applicable federal or state securities laws.

The Company, directly or through its designee, may retain the certificates representing Shares of Restricted Stock in the Company's possession until such time as all conditions and/or restrictions applicable to such Shares have been satisfied.

Except as otherwise provided in this Article 8, Shares of Restricted Stock covered by each Restricted Stock grant made under the Plan shall become freely transferable by the Participant after the last day of the applicable Period of Restriction.

**8.4. Voting Rights.** Subject to the terms of the Award Agreements, Participants holding Shares of Restricted Stock granted hereunder may be granted the right to exercise full voting rights with respect to those Shares during the Period of Restriction. A Participant has no voting rights with Restricted Stock Units.

**8.5. Dividends and Other Distributions.** Subject to the terms of the Award Agreements, during the Period of Restriction, Participants holding Shares of Restricted Stock or Restricted Stock Units granted hereunder may be credited with regular cash dividends paid with respect to the underlying Shares while they are so held. The Committee may apply any restrictions to the dividends that the Committee deems appropriate. Without limiting the generality of the preceding sentence, if the grant or vesting of Restricted Shares or Restricted Stock Units granted to a Covered Employee is designed to comply with the requirements of the Performance-Based Exception, the Committee may apply any restrictions it deems appropriate to the payment of dividends declared with respect to such Restricted Shares or Restricted Stock Units, such that the dividends and/or the Restricted Shares or Restricted Stock Units maintain eligibility for the Performance-Based Exception. Except as provided in Article 12, any cash dividends credited with respect to Restricted Stock or Restricted Stock Units shall be paid in full to the Participant no later than the fifteenth (15th) day of the third month following the end of the first calendar year in which such dividends are no longer subject to a Period of Restriction or other substantial risk of forfeiture.

**8.6. Termination of Employment/Directorship.** Each Award Agreement shall set forth the extent to which the Participant shall have the right to receive unvested Restricted Shares or Restricted Stock Units following termination of the Participant's employment or directorship with the Company. Such provisions shall be determined in the sole discretion of the Committee, shall be included in the Award Agreement entered into with each Participant, need not be uniform among all Shares of Restricted Stock or Restricted Stock Units granted pursuant to the Plan, and may reflect distinctions based on the reasons for termination; provided, however that, except in the cases of terminations connected with a Change in Control (as defined in the Change in Control Benefit Plan Determination Policy) and terminations by reason of retirement, death or Disability, the vesting of Shares of Restricted Stock or Restricted Stock Units which qualify for the Performance-Based Exception and which are held by Covered Employees shall not be accelerated.

## **Article 9. Performance Units, Performance Shares, and Cash-Based Awards**

**9.1. Grant of Performance Units/Shares and Cash-Based Awards.** Subject to the terms of the Plan, Performance Units, Performance Shares, and/or Cash-Based Awards may be granted to Participants in such amounts and upon such terms, and at any time and from time to time, as shall be determined by the Committee.

**9.2. Value of Performance Units/Shares and Cash-Based Awards.** Each Performance Unit shall have an initial value that is established by the Committee at the time of grant. Each Performance Share shall have an initial value equal to the Fair Market Value of a Share on the date of grant. Each Cash-Based Award shall have a value as may be determined by the Committee. The Committee shall set performance or other goals, including without limitation time-based goals, in its discretion which, depending on the extent to which they are met, will determine the number and/or value of Performance Units/Shares and Cash-Based Awards which will be paid out to the Participant.

**9.3. Earning of Performance Units/Shares and Cash-Based Awards.** Subject to the terms of this Plan, after the applicable Performance Period has ended, the holder of Performance Units/Shares and Cash-Based Awards shall be entitled to receive payout on the number and value of Performance Units/Shares and Cash-Based Awards earned by the Participant as of the end of the Performance Period, to be determined as a function of the extent to which the corresponding performance goals have been achieved.

**9.4. Determination of Awards.** The factors required to determine Awards under the Plan shall be fixed in all events by the end of the applicable performance period established by the Committee.

**9.5. Form and Timing of Payment of Performance Units/Shares and Cash-Based Awards.** Payment of earned Performance Units/Shares and Cash-Based Awards shall be made in such form and at such time as the Committee shall determine at the time of the Award. Subject to the terms of this Plan, the Committee, in its sole discretion, may pay earned Performance Units/Shares and Cash-Based Awards in the form of cash or in Shares (or in a combination thereof) which have an aggregate Fair Market Value equal to the value of the earned Performance Units/Shares and Cash-Based Awards at the close of the applicable Performance Period. Such Shares may be granted subject to any restrictions deemed appropriate by the Committee. The discretionary authority of the Committee with respect to the form of payout of such Awards shall be set forth in the Award Agreement pertaining to the grant of the Award. Notwithstanding anything in this Section 9.5 to the contrary and subject to Article 12, payment of any Performance Units/Shares and Cash-Based Awards shall be made no later than the fifteenth (15th) day of the third month following the end of the first calendar year in which the Performance Period ends or such Awards are no longer subject to a substantial risk of forfeiture.

At the discretion of the Committee, Participants may be entitled to receive any dividends declared with respect to Shares which have been earned in connection with grants of Performance Units and/or Performance Shares which have been earned, but not yet distributed to Participants (such dividends shall be subject to the same accrual, forfeiture, and payout restrictions as apply to dividends earned with respect to Shares of Restricted Stock, as set forth in Section 8.5 herein). In addition, Participants may, at the discretion of the Committee, be entitled to exercise their voting rights with respect to such Shares. Subject to Article 12, any dividends which a Participant is entitled to receive with respect to Shares that have been earned in connection with grants of Performance Units/Shares shall be paid no later than the fifteenth (15th) day of the third month following the end of the first calendar year in which the Performance Period for such dividends ends or such dividends are no longer subject to a substantial risk of forfeiture.

To the extent that any Performance Units/Shares or Cash-Based Award provides for the payment of all or a portion of any dividend based upon the number of shares underlying an Option or SAR, the right to such dividends shall be a separate and distinct arrangement from such Option or SAR and shall not be contingent upon the exercise of such Option or SAR. Subject to Article 12, any such dividend shall be paid no later than the fifteenth (15th) day of the third month following the end of the first calendar year in which the Performance Period for such dividends ends or such dividends are no longer subject to a substantial risk of forfeiture.

**9.6. Termination of Employment/Directorship Due to Death, Disability, or Retirement.** Unless determined otherwise by the Committee and set forth in the Award Agreement or the administrative specifications for such Award, in the event the employment or directorship of a Participant is terminated by reason of death, Disability, or Retirement during a Performance Period, the Participant shall receive a payout of the Performance Units/Shares or Cash-Based Awards which is prorated, as specified by the Committee in its discretion.

Payment of earned Performance Units/Shares or Cash-Based Awards shall be made at a time specified by the Committee in its sole discretion following the Performance Period subject to the limitations set forth in Section 9.5. Notwithstanding the foregoing, with respect to Covered Employees who retire during a Performance Period, payments shall be made at the same time as payments are made to Participants who did not retire during the applicable Performance Period.

**9.7. Termination of Employment/Directorship for Other Reasons.** In the event that a Participant's employment or directorship terminates for any reason other than those reasons set forth in Section 9.6 herein, all Performance Units/Shares and Cash-Based Awards shall be forfeited by the Participant to the Company unless determined otherwise by the Committee as set forth in the Participant's Award Agreement or in the administrative specifications for such Award.

#### **Article 10. Performance Measures**

Unless and until the Committee proposes for shareholder vote and shareholders approve a change in the general performance measures set forth in this Article 10, the attainment of which may determine the degree of payout and/or vesting with respect to Awards to Covered Employees which are designed to qualify for the Performance-Based Exception, the performance measure(s) to be used for purposes of such grants shall be chosen from among:

- (a) Earnings per share;
- (b) Net income or net operating income (before or after taxes and before or after extraordinary items);
- (c) Return measures (including, but not limited to, return on assets, equity, or sales);
- (d) Cash flow return on investments which equals net cash flows divided by owners equity;
- (e) Earnings before or after taxes;
- (f) Gross revenues;
- (g) Gross margins;

- (h) Share price (including, but not limited to, growth measures and total shareholder return);

13

- (i) Economic Value Added, which equals net income or net operating income minus a charge for use of capital;
- (j) Operating margins;
- (k) Market share;
- (l) Gross revenues or revenues growth;
- (m) Capacity utilization;
- (n) Increase in customer base including associated costs;
- (o) Environmental, Health and Safety;
- (p) Reliability
- (q) Price
- (r) Bad debt expense
- (s) Customer satisfaction
- (t) Operations and maintenance expense
- (u) Accounts receivable
- (v) Diversity/Inclusion; and
- (w) Quality.

The Committee, in its sole discretion, shall have the ability to set such performance measures at the corporate level or the subsidiary/business unit level. If the Company's Shares are traded on an established securities market, any Awards issued to Covered Employees are intended but not required to meet the requirements of the Treasury Regulations under Code Section 162(m) necessary to satisfy the Performance-Based Exception.

## Edgar Filing: SOUTHERN CO - Form DEF 14A

The Committee shall have the discretion to adjust the determinations of the degree of attainment of the preestablished performance goals; provided, however, that Awards which are designed to qualify for the Performance-Based Exception, and which are held by Covered Employee, may not be adjusted upward (the Committee shall retain the discretion to adjust such Awards downward).

In the event that applicable tax and/or securities laws change to permit Committee discretion to alter the governing performance measures without obtaining shareholder approval of such changes, the Committee shall have sole discretion to make such changes without obtaining shareholder approval. In addition, in the event that the Committee determines that it is advisable to

grant Awards which shall not qualify for the Performance-Based Exception, the Committee may make such grants without satisfying the requirements of Code Section 162(m).

No Award shall be paid unless the Committee certifies that the requirements necessary to receive the Award have been met.

**Article 11. Beneficiary Designation**

Each Participant under the Plan may, from time to time, name any beneficiary or beneficiaries (who may be named contingently or successively) to whom any benefit under the Plan is to be paid in case of his or her death before he or she receives any or all of such benefit. Each such designation shall revoke all prior designations by the same Participant, shall be in a form prescribed by the Company or the Committee, and will be effective only when filed by the Participant in writing with the Company or the Committee during the Participant's lifetime. In the absence of any such designation, benefits remaining unpaid at the Participant's death shall be paid to the Participant's estate.

**Article 12. Deferrals**

**12.1. Deferred Compensation Plan.** To the extent permitted under the Southern Company Deferred Compensation Plan, a Participant may elect to defer his or her receipt of the payment of cash or the delivery of Shares that would otherwise be due to such Participant with respect to Restricted Stock Units, Performance Units, Performance Shares or Cash-Based Awards (and any cash dividends credited with respect to any such Award). Any such deferral shall be made in accordance with the rules and procedures established under the Southern Company Deferred Compensation Plan.

**12.2. Award Agreement.** The Committee may require a Participant to defer such Participant's receipt of the payment of cash or the delivery of Shares that would otherwise be due to such Participant with respect to Restricted Stock Units, Performance Units, Performance Shares or Cash-Based Awards (and any cash dividends credited with respect to any such Award). Any such requirement shall be set forth in an Award Agreement or in the administrative specifications for such Award, which shall include terms that are designed to satisfy the requirements of Code Section 409A.

**Article 13. Rights of Employees/Directors**

**13.1. Employment.** Nothing in the Plan shall interfere with or limit in any way the right of the Company to terminate any Participant's employment at any time, nor confer upon any Participant any right to continue in the employ of the Company.

**13.2. Participation.** No Employee or Director shall have the right to be selected to receive an Award under this Plan, or, having been so selected, to be selected to receive a future Award.

**13.3. Rights as a Stockholder.** Except as otherwise provided in an Award Agreement, a Participant shall have none of the rights of a shareholder with respect to shares of Common Stock covered by any Award until the Participant becomes the record holder of such shares.

**Article 14. Amendment, Modification, and Termination**

**14.1. Amendment, Modification, and Termination.** Subject to Section 14.3, the Committee may, at any time and from time to time, alter, amend, modify, suspend, or terminate this Plan and any Award Agreement in whole or in part; provided, however, that, without the prior approval of the Company's shareholders and except as provided in Section 4.3, Options or SARs issued under this Plan will not be repriced, replaced, or regranted through cancellation, or by lowering the Option Price of a previously granted Option or the grant price of a previously granted SAR, and no material amendment of this Plan shall be made without shareholder approval if shareholder approval is required by law, regulation, or stock exchange rule. Notwithstanding the foregoing, Section 18.4 of the Plan may not be amended following a Change in Control or Southern Termination (as such terms are defined in the Change in Control Benefit Plan Determination Policy).

**14.2. Adjustment of Awards upon the Occurrence of Certain Unusual or Nonrecurring Events.** The Committee may make adjustments in the terms and conditions of, and the criteria included in, Awards in recognition of unusual or nonrecurring events (including, without limitation, the events described in Section 4.3 hereof) affecting the Company or the financial statements of the Company or of changes in applicable laws, regulations, or accounting principles, whenever the Committee determines that such adjustments are appropriate in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan; provided that, unless the Committee determines otherwise at the time such adjustment is considered, no such adjustment shall be authorized to the extent that such authority would be inconsistent with the Plan's meeting the requirements of Section 162(m) of the Code, as from time to time amended.

**14.3. Awards Previously Granted.** Notwithstanding any other provision of the Plan to the contrary, to the extent specifically set forth in an Award Agreement, no termination, amendment, or modification of the Plan shall adversely affect in any material way any such Award previously granted under the Plan without the written consent of the Participant holding such Award.

**14.4. Compliance with Code Section 162(m).** At all times when Code Section 162(m) is applicable, all Awards granted under this Plan shall comply with the requirements of Code Section 162(m); provided, however, that in the event the Board determines that such compliance is not desired with respect to any Award or Awards available for grant under the Plan, and such determination is communicated to the Committee, then compliance with Code Section 162(m) will not be required. In addition, in the event that changes are made to Code Section 162(m) to permit greater flexibility with respect to any Award or Awards available under the Plan, the Board or the Committee may, subject to this Article 14, make any adjustments it deems appropriate.

**Article 15. Withholding**

**15.1. Tax Withholding.** The Company shall have the power and the right to deduct or withhold, or require a Participant to remit to the Company, an amount sufficient to satisfy Federal, state, and local taxes, domestic or foreign, required by law or regulation to be withheld with respect to any taxable event arising as a result of this Plan.

**15.2. Share Withholding.** With respect to withholding required upon the exercise of Options or SARs, upon the lapse of restrictions on Restricted Stock, or upon any other taxable event arising as a result of Awards granted hereunder, Participants may elect, subject to the approval of the Committee, to satisfy the withholding requirement, in whole or in part, by having the Company withhold Shares having a Fair Market Value on the date the tax is to be determined equal to the minimum statutory total tax which could be imposed on the transaction. All such elections shall be irrevocable, made in writing, signed by the Participant, and shall be subject to any restrictions or limitations that the Committee, in its sole discretion, deems appropriate.

**Article 16. Indemnification**

Each person who is or shall have been a member of the Committee, or of the Board, shall be indemnified and held harmless by the Company against and from any loss, cost, liability, or expense that may be imposed upon or reasonably incurred by him or her in connection with or resulting from any claim, action, suit, or proceeding to which he or she may be a party or in which he or she may be involved by reason of any action taken or failure to act under the Plan and against and from any and all amounts paid by him or her in settlement thereof, with the Company's approval, or paid by him or her in satisfaction of any judgment in any such action, suit, or proceeding against him or her, provided he or she shall give the Company an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle and defend it on his or her own behalf. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such persons may be entitled under the Company's Certificate of Incorporation or Bylaws, as a matter of law, or otherwise, or any power that the Company may have to indemnify them or hold them harmless.

**Article 17. Successors**

All obligations of the Company under the Plan with respect to Awards granted hereunder shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation, or otherwise, of all or substantially all of the business and/or assets of the Company.

**Article 18. General Provisions**

**18.1. Gender and Number.** Except where otherwise indicated by the context, any masculine term used herein also shall include the feminine; the plural shall include the singular and the singular shall include the plural.

**18.2. Severability.** In the event any provision of the Plan shall be held illegal or invalid for any reason, the illegality or invalidity shall not affect the remaining parts of the Plan, and the Plan shall be construed and enforced as if the illegal or invalid provision had not been included, provided that the remaining provisions shall be construed in a manner necessary to accomplish the intentions of the Company upon execution of the Plan.

**18.3. Requirements of Law.** The granting of Awards and the issuance of Shares under the Plan shall be subject to all applicable laws, rules, and regulations, and to such approvals by any governmental agencies or national securities exchanges as may be required.

**18.4. Change in Control.** The provisions of the Change in Control Benefit Plan Determination Policy are incorporated herein by reference to determine the occurrence of a change in control or preliminary change in control of Southern Company or a Subsidiary, the funding of any trust and the benefits to be provided hereunder in the event of such a change in control. Any modifications to the Change in Control Benefit Plan Determination Policy are likewise incorporated herein.

**18.5. Delivery of Title.** The Company shall have no obligation to issue or deliver evidence of title for Shares under the Plan prior to:

- (a) Obtaining any approvals from governmental agencies that the Company determines are necessary or advisable;  
and
- (b) Completion of any registration or other qualification of the Shares under any applicable national or foreign law or ruling of any governmental body that the Company determines to be necessary or advisable.

**18.6. Securities Law Compliance.** With respect to Insiders, transactions under this Plan are intended to comply with all applicable conditions or Rule 16b-3 or its successors under the 1934 Act. To the extent any provision of the plan or action by the Board or Committee fails to so comply, it shall be deemed null and void, to the extent permitted by law and deemed advisable by the Board or Committee.

**18.7. No Additional Rights.** Nothing in the Plan shall interfere with or limit in any way the right of the Company to terminate any Participant's employment at any time, or confer upon any Participant any right to continue in the employ of the Company.

No Employee or Director shall have the right to be selected to receive an Award under this Plan or having been so selected, to be selected to receive a future Award.

Neither the Award nor any benefits arising under this Plan shall constitute part of a Participant's employment contract with the Company or any Subsidiary, and accordingly, this Plan and the benefits hereunder may be terminated at any time in the sole and exclusive discretion of the Committee without giving rise to liability on the part of the Company or any Subsidiary for severance payments.

**18.8. No Effect on Other Benefits.** This receipt of Awards under the Plan shall have no effect on any benefits and obligations to which a Participant may be entitled from the Company or any Subsidiary, under another plan or otherwise, or preclude a Participant from receiving any such benefits.

**18.9. Employees Based Outside of the United States.** Notwithstanding any provision of the Plan to the contrary, in order to comply with provisions of laws in other countries in which the Company and its Subsidiaries operate or have Employees, the Board or the Committee, in their sole discretion, shall have the power and authority to:

- (a) Determine which Employees employed outside the United States are eligible to participate in the Plan;
- (b) Modify the terms and conditions of any Award granted to Employees who are employed outside the United States; and
- (c) Establish subplans, modified exercise procedures, and other terms and procedures to the extent such actions may be necessary or advisable. Any subplans and modifications to Plan terms and procedures established under this Section 18.9 by the Board or the Committee shall be attached to this Plan document as Appendices.

**18.10. No Guarantee of Favorable Tax Treatment.** Although the Company intends to administer the Plan so that Awards will be exempt from, or will comply with, the requirements of Code Section 409A, the Company does not warrant that any Award under the Plan will qualify for favorable tax treatment under Code Section 409A or any other provision of federal, state, local, or foreign law. The Company shall not be liable to any Participant for any tax the Participant might owe as a result of the grant, holding, vesting, exercise, or payment of any Award under the Plan.

**18.11. Transferability.** During a Participant's lifetime, his or her Awards shall be exercisable only by the Participant. Awards shall not be transferable other than by will or the laws of descent and distribution; no Awards shall be subject, in whole or in part, to attachment, execution, or levy of any kind; and any purported transfer in violation hereof shall be null and void. Notwithstanding the forgoing, the Committee may, in its discretion, provide in an Award Agreement or in the administrative specifications for an Award that any or all Awards (other than ISOs) shall be transferable to and exercisable by such transferees, and subject to such terms and conditions, as the Committee may deem appropriate; provided, however, no Award may be transferred for value (as defined in the General Instructions to Form S-8).

**18.12. Shareholder Approval.** Notwithstanding anything in the Plan to the contrary, the ISO portion of this Plan shall be effective only if approved by the shareholders of the Company (excluding a Subsidiary) within 12 months before or after the date the Plan is adopted. If not so approved, any Options which were designated as ISOs hereunder shall be automatically converted to NQSOs.

**18.13. Governing Law.** To the extent not preempted by federal law, the Plan, and all agreements hereunder, shall be construed in accordance with and governed by the laws of the State of Delaware.
