ITEM 2.02 RESULTS OF OPERATIONS AND FINANCIAL CONDITION.

As previously announced on October 10, 2017, Honeywell International Inc. (the “Company”) realigned its Smart Energy business, previously part of the Home and Building Technology (“HBT”) segment, into the Process Solutions business within the Performance Materials and Technologies (“PMT”) segment. Smart Energy enables utilities and distribution companies to deploy advanced capabilities that transform operations, improve reliability and environmental sustainability, and better serve customers. Its wide array of meter offerings will complement an existing meter portfolio within Process Solutions. Honeywell’s Process Solutions business is a pioneer in process automation control and industrial cyber-security, and a global leader in optimizing and protecting manufacturing assets in the refining, pulp and paper, industrial power generation, chemicals and petrochemicals, biofuels, pharmaceuticals, and metals, minerals and mining industries. This realignment has no impact on the Company’s historical consolidated financial position, results of operations or cash flows. To provide historical information on a basis consistent with its new reporting structure, the Company has recast certain historical segment information to conform to the new reporting structure.

Attached as Exhibit 99.1 is a supplemental schedule containing unaudited segment information for the three months ended March 31, 2017 and 2016, three and six months ended June 30, 2017 and 2016, three and nine months ended September 30, 2017 and 2016, and years ended December 31, 2016 and 2015. The recast financial information contained in Exhibit 99.1 does not represent a restatement or reissuance of previously issued financial statements.

The information in this item 2.02, including the exhibits in item 9.01, should be read in conjunction with the Company’s Annual Report on Form 10-K for the year ended December 31, 2016 and the Company’s quarterly reports on Form 10-Q for the periods ended March 31, 2017, June 30, 2017 and September 30, 2017.

The information furnished pursuant to this Item 2.02, including Exhibit 99.1, shall not be deemed “filed” for purposes of Section 18 of the Securities Exchange Act of 1934 (the “Exchange Act”) or otherwise subject to the liabilities of that Section, and shall not be deemed incorporated by reference into any filing of the Company under the Securities Act of 1933 or the Exchange Act, except as shall be expressly set forth by specific reference in such filing.

ITEM 9.01 FINANCIAL STATEMENTS AND EXHIBITS.

(d) Exhibit 99.1 Honeywell International Inc. – Supplemental unaudited historical business segment information based on realignment of business segments effective with the announced realignment in October 2017 (furnished pursuant to Item 2.02 hereof).
