Introductory Statement

This Amendment No. 4 to Schedule TO is being filed to terminate and withdraw i2 Technologies, Inc.'s offer to exchange options to purchase shares of its common stock, par value \$0.00025 per share, held by eligible employees, for new options pursuant to the terms of the Offer to Exchange, dated January 6, 2003 (the Offer to Exchange). Accordingly, i2 will not accept any options to purchase shares of its common stock returned for exchange and will return any options previously returned to i2 for exchange.

Pursuant to Section 7 of the Offer to Exchange, i2 has the right to terminate the offer if certain stated events have occurred. The reason for the termination of the offer was i2's announcement on January 27, 2003 that the audit committee of its board of directors has engaged Deloitte & Touche LLP to re-audit i2's financial statements for the years ended December 31, 2000 and 2001. The decision to re-audit the financial statements for those years was made at the recommendation of i2's management based on recent information developed during the audit committee's ongoing investigation of certain allegations regarding i2's revenue recognition with respect to certain customer contracts and its financial reporting for those years. Material adjustments to the previously reported financial statements may be required.

An email sent to all eligible employees announcing the termination and withdrawal of the offer is attached hereto as Exhibit (a)(39).
