This Amendment No. 1 to Schedule 14A is being filed to include the correct text of the Charter of the Audit Committee of the Board of Directors of IMCO Recycling Inc. as Annex A to the Company's definitive Proxy Statement for its 2003 Annual Meeting of Stockholders. The text of the Annex A to the definitive Proxy Statement filed by the Company with the Securities and Exchange Commission on April 7, 2003 was an earlier draft version of the Charter and was not the correct version that was finalized and approved and adopted by the Board of Directors of the Company.

Dear Stockholder:

You were recently sent a copy of the Proxy Statement dated April 7, 2003 of IMCO Recycling Inc. for our Annual Meeting of Stockholders to be held on May 7, 2003.

The current version of the Charter of the Audit Committee of the Board of Directors of our Company was to be attached to that Proxy Statement as *Annex A*. Unfortunately, due to an administrative oversight, the version of the Charter that was attached was not the correct version. The correct version that was approved and adopted by our Audit Committee and our Board of Directors is attached as *Annex A* to this communication. In this regard, please disregard the version of the Audit Committee Charter that was attached to the Proxy Statement. We apologize for this oversight and for any confusion that this may have caused you.

In the event that you have already returned your proxy card and wish now to change your vote, please contact Paul V. Dufour or Jeffrey S. Mecom at (972) 401-7200 to obtain another proxy card. Proxy cards will of course also be available at the Annual Meeting.

Sincerely,

Paul V. Dufour

Secretary

**CHARTER OF THE
AUDIT COMMITTEE OF THE
BOARD OF DIRECTORS OF
IMCO RECYCLING INC.**

PURPOSE

The Audit Committee is a committee of the Board of Directors of IMCO Recycling Inc. Its purpose is to:

Assist the Board in fulfilling its oversight responsibilities by:

Overseeing the accounting and financial reporting processes of the Company and the audits of the financial statements of the Company.

Monitoring the integrity of financial information that will be provided to the shareholders and others and the Company's compliance with legal and regulatory requirements.

Reviewing areas of potential significant financial risk to the Company including evaluation of the system of internal controls and procedures for financial reporting which management and the Board of Directors has established.

Monitoring the qualifications and independence of the Company's external auditors.

Monitoring the performance of the Company's external auditors and internal auditing function.

Reporting on all such matters to the Board of Directors.

Prepare the report required by the rules of the Securities and Exchange Commission (SEC) to be included in the Company's annual proxy statement.

While the Audit Committee has the responsibilities and powers set forth in this charter, it is not the duty of the Audit Committee to plan or conduct audits or to determine that the Company's financial statements are complete and accurate and are in accordance with generally accepted accounting principles and requirements of law. Management is responsible for the preparation, presentation and integrity of the Company's

The external auditors are responsible for auditing the Company's financial statements annually, for reviewing the Company's unaudited interim financial statements and for reporting on certain matters to the Audit Committee.

MEMBERSHIP & MEETINGS

Committee members shall meet the requirements of the New York Stock Exchange.

The Committee shall consist of not less than three members and all members must be directors of the Company, affirmatively determined by the Board of Directors to be independent directors as defined by New York Stock Exchange requirements, the Sarbanes-Oxley Act of 2002 and applicable rules of the Securities and Exchange Commission. Notwithstanding the foregoing, no member of the Committee may be an affiliated person of the Company or any of its subsidiaries as defined by the Sarbanes-Oxley Act of 2002, and the rules and regulations promulgated thereunder.

All members of the Committee shall be financially literate and able to read and understand fundamental financial statements.

At least one member of the Committee shall be determined by the Board to be a financial expert as that term is defined by the Sarbanes-Oxley Act of 2002, and the rules and regulations promulgated thereunder. Disclosures concerning any financial experts serving on the Committee will be made in

accordance with SEC rules. Notwithstanding the foregoing, the failure of the Committee at any time to have such a financial expert serving on the Committee will not, by itself, render the Committee in violation of this charter, so long as the Board and Committee are attempting in good faith to find such a replacement financial expert to serve on the Board and Committee, and the Committee meets other requirements of the New York Stock Exchange and applicable law, rules and regulations.

The Committee shall meet at least four times each year.

The Committee should meet privately in executive session at least quarterly with the Vice President of Audit Services (or any other officer of the Company having overall responsibility at the time in question for the Company's internal auditing function) and the external auditors, to discuss any matters that the Committee believes should be discussed.

Director's fees shall be the only compensation a Committee member shall be permitted to receive from the Company. Without limiting the foregoing, no member of the Committee may accept from the Company any consulting, advisory or other compensatory fees (other than director's fees for service on the Company's Board, this Committee, or other Board Committees).
