MANAGEMENT INFORMATION CIRCULAR
AND PROXY STATEMENT

Solicitation of Proxies

THIS MANAGEMENT INFORMATION CIRCULAR AND PROXY STATEMENT (THE "INFORMATION CIRCULAR") IS FURNISHED IN CONNECTION WITH THE SOLICITATION BY THE MANAGEMENT OF ALTAIR INTERNATIONAL INC. (THE "CORPORATION") OF PROXIES TO BE USED AT THE ANNUAL MEETING OF SHAREHOLDERS OF THE CORPORATION TO BE HELD AT THE TIME AND PLACE AND FOR THE PURPOSES SET FORTH IN THE ENCLOSED NOTICE OF MEETING (THE "MEETING"). This Information Circular, the notice of Meeting attached hereto, the accompanying form of proxy and the annual report to shareholders of the Corporation for the year ended December 31, 2000 are first being mailed to the shareholders of the Corporation on or about May 23, 2001. It is expected that the solicitation will be primarily by mail, but proxies may also be solicited personally or by telephone by regular employees of the Corporation without additional compensation therefor. The cost of solicitation by management will be borne directly by the Corporation. Arrangements will be made with brokerage firms and other custodians, nominees and fiduciaries for the forwarding of solicitation materials to the beneficial owners of the Common Shares of the Corporation ("Common Shares") held by such persons, and the Corporation will reimburse such brokerage firms, custodians, nominees and fiduciaries for the reasonable out-of-pocket expenses incurred by them in connection therewith.

Appointment and Revocation of Proxies

The persons named in the enclosed form of proxy are officers of the Corporation. A SHAREHOLDER DESIRING TO APPOINT SOME OTHER PERSON TO REPRESENT HIM AT THE MEETING MAY DO SO either by inserting such person's name in the blank space provided in that form of proxy or by completing another proper form of proxy and, in either case, depositing the completed proxy at the office of the transfer agent indicated on the enclosed envelope not later than 48 hours (excluding Saturdays and holidays) before the time of holding the Meeting, or delivered to the chairman on the day of the Meeting or adjournment thereof.

A proxy given pursuant to this solicitation may be revoked by instrument in writing, including another proxy bearing a later date, executed by the shareholder or by his attorney authorized in writing, and deposited either at the registered office of the Corporation at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof, at which the proxy is to be used, or with the chairman of such Meeting on the day of the Meeting, or adjournment thereof, or in any other manner permitted by law.

Shareholders are not entitled to any dissenter's rights of appraisal with respect to any matter currently anticipated to be acted upon at the

Edgar Filing: ALTAIR INTERNATIONAL INC - Form DEF 14A

meeting. The exercise of a proxy does not constitute a written objection for the purposes of subsection 185(6) of the Business Corporations Act (Ontario).

Voting of Proxies

UNLESS OTHERWISE INDICATED ON THE FORM OF PROXY, SHARES REPRESENTED BY PROPERLY EXECUTED PROXIES IN FAVOR OF PERSONS DESIGNATED IN THE PRINTED PORTION OF THE ENCLOSED FORM OF PROXY WILL BE VOTED (I) TO ELECT MANAGEMENT'S FOUR NOMINEES FOR DIRECTOR, AND (II) TO APPOINT DELOITTE & TOUCHE LLP AS THE CORPORATION'S INDEPENDENT AUDITORS FOR THE FISCAL YEAR ENDING DECEMBER 31, 2001. IF SO INDICATED ON THE FORM OF PROXY, SHARES REPRESENTED BY PROPERLY EXECUTED PROXIES IN FAVOR OF PERSONS DESIGNATED IN THE PRINTED PORTION OF THE ENCLOSED FORM OF PROXY WILL BE WITHHELD FROM VOTING WITH RESPECT TO, OR VOTED AGAINST, ANY OR ALL OF THE TWO MATTERS IDENTIFIED IN THE PRECEDING SENTENCE. The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the notice of Meeting, or other matters which may properly come before the Meeting. At the time of printing this Information Circular, management of the Corporation knows of no such amendments, variations or other matters to come before the Meeting.

Voting Securities

The authorized capital of the Corporation consists of an unlimited number of Common Shares. As of May 15, 2001, the Corporation had issued and outstanding 19,244,318 Common Shares.

The Corporation shall make a list of all persons who are registered holders of Common Shares on May 14, 2001 (the "Record Date") and the number of Common Shares registered in the name of each person on that date. Each shareholder is entitled to one vote for each Common Share registered in his name as it appears on the list except to the extent that such shareholder has transferred any of his shares after the Record Date and the transferee of those shares produces properly endorsed share certificates or otherwise establishes that he owns the shares and demands, not later than ten days before the Meeting, that his name be included in the list. In such case the transferee is entitled to vote his shares at the Meeting.

Two persons present in person and each entitled to vote at a meeting of shareholders is required for a quorum. An abstention will be counted as "represented" for the purpose of determining the presence or absence of a quorum. A broker non-vote, which is an indication by a broker that it does not have discretionary authority to vote on a particular matter, will not be treated as "represented" for quorum purposes. Under the Business Corporations Act (Ontario), once a quorum is established, shareholder approval with respect to a particular resolution is generally obtained when the votes cast in favour of the proposal exceed the votes cast against such proposal. Accordingly, abstentions and broker non-votes will not have the effect of being considered as votes cast against any matter considered at the Meeting.

2

In connection with the election of directors, the four nominees receiving the highest number of votes will be elected. In order to approve the proposal in respect of the appointment of independent auditors and any other matters presented to shareholders at the Meeting, the votes cast in favour must exceed the votes cast against.

PROPOSAL NO. 1 -- ELECTION OF DIRECTORS

The Articles of Incorporation of the Corporation, as amended, provide that the board of directors of the Corporation may consist of a minimum of three and a maximum of nine directors, to be elected annually. Each director will hold office until the next annual meeting or until his successor is duly elected unless his office is earlier vacated in accordance with the By-laws of the Corporation. By special resolution of the shareholders of the Corporation passed on June 27, 1988, the directors have been empowered to set the size of the board of directors of the Corporation. The Business Corporations Act (Ontario) provides that the directors may not, between meetings of shareholders, appoint an additional director if, after such appointment, the total number of directors would be greater than one and one-third times the number of directors required to have been elected at the last annual meeting of shareholders.

At the Meeting, shareholders of the Corporation will be asked to elect four directors (the "Nominees"). The following table provides the names of the Nominees and information concerning them. The persons in the enclosed form of proxy intend to vote for the election of the Nominees. Management does not contemplate that any of the Nominees will be unable to serve as a director. None of the Nominees or current directors or officers was selected pursuant to any arrangement or understanding between him and any other person.

In addition to evaluating and approving employment contracts for key employees throughout the year, the board of directors formally considered compensation issues five times during the 2000 fiscal year in connection with the authorization of grants of options to purchase Common Shares. Dr. Long is the President of the Corporation. None of the other directors is an officer or employee of the Corporation. Although certain members of the board are executive officers, none participates in the determination of his own salary or bonus.

(g) Compensation Committee Report

Notwithstanding anything to the contrary set forth in any of the Corporation's previous filings under the United States Securities Act of 1933, as amended (the "Securities Act"), or the Exchange Act, that incorporates by reference, in whole or in part, subsequent filings including, without limitation, this Information Circular and Proxy Statement, the Compensation Committee Report and the Performance Graph set forth below shall not be deemed to be incorporated by reference into any such filings.

As required by the proxy rules promulgated by the Securities and Exchange Commission (the "SEC") and applicable Canadian securities laws, this Compensation Committee Report describes the overall compensation goals and policies applicable to the executive officers of the Corporation, including the basis for determining the compensation of executive officers for the 2000 fiscal year.

Edgar Filing: ALTAIR INTERNATIONAL INC - Form DEF 14A

Compensation Objectives and Policies

In determining the amount and composition of compensation for the Corporation's executive officers, the board of directors is guided by several factors. Because the Corporation has very few employees, compensation practices are flexible in response to the needs and talents of the individual officer, entrepreneurial, and geared toward rewarding contributions that enhance shareholder value. Because the Corporation has no significant revenues from operations and needs capital for research and development, the Corporation keeps salaries and bonuses at levels that the Corporation believes are lower than many of the Corporation's competitors and compensates employees (including executive officers) primarily in the form of stock options. The extensive use of stock options is also designed to align the interest of the executive officers and other employees with the long-term interests of the Corporation and to attract and retain talented employees who can enhance the Corporation's value.

Compensation Components

Annual Base Salary. The Corporation's compensation of its executive officers consists of three components: base salary, bonuses, and long-term incentive awards in the form of stock options. The board establishes base salaries based primarily on its subjective judgment, taking into consideration both qualitative and quantitative factors. Among the factors considered by the board are: (i) the qualifications and performance of each executive officer;

10

(ii) the performance of the Corporation as measured by such factors as progress in product development and increased shareholder value; (iii) salaries provided by other companies inside and outside the industry that are of a comparable size and at a similar development stage, to the extent known; and (iv) the capital position and needs of the Corporation. The board does not assign any specific weights to these factors in determining salaries. It does, however, try to keep base salaries as low as possible, consistent with the needs and status of the executive officers, in order to preserve capital for future growth and development.

Incentive Bonuses. The Corporation also compensates its executive officers in the form of bonuses. Pursuant to the terms of an employment agreement executed by the Corporation and the Corporation's President, William P. Long, Dr. Long is entitled to receive a bonus, the amount of which is determined by the board of directors but in no event is less than ten percent of his annual base salary. In addition, the Corporation may pay bonuses to other executive officers or key employees in the future as a reward for significant and specific achievements that have a significant impact on shareholder value. Because the Corporation does not have a history of earnings per share, net income, or other conventional data to use as a benchmark for determining the amount or existence of bonus awards, the board generally makes such determinations based on its subjective evaluation of each individual's contribution to the Corporation. In some cases, however, bonuses payable to individuals may be tied to specific criteria identified at the time of engagement. In the 2000 fiscal year, no executive officer received a bonus except that received by Dr. Long, as described in greater detail below. The board's action was based on its conclusion that, despite the superior personal performance of the executive officers, no cash incentive bonuses other than the bonus paid to Dr. Long should be awarded in the 2000 fiscal year due to the lack of revenue during the 2000 fiscal year.

Stock Options. The Corporation relies extensively on stock options to compensate executive officers and other key employees. The 1996 Plan and the

Edgar Filing: ALTAIR INTERNATIONAL INC - Form DEF 14A

1998 Plan are designed to give each option holder an interest in preserving and maximizing shareholder value in the longer term, to reward option holders for past performance and to give option holders the incentive to remain with the Corporation long term. Individual grants are determined on the basis of the board's assessment of an individual's current and expected future performance, level of responsibilities, and the importance of his or her position with, and contribution to, the Corporation. In the 2000 fiscal year, the board awarded options to purchase 50,000 Common Shares to Mr. Dickinson, in order to ensure that he has a continued interest in setting strategies and making decisions that enhance shareholder value.

Chief Executive Compensation for 2000

Based on the board's subjective impression of the salaries of presidents or chief executive officers of similarly situated development stage companies (both in and outside the industry), the value of the Common Shares, the Corporation's progress in finding a market niche and exploiting its assets, and the board's subjective assessment of the contribution of Dr. Long, the board of directors determined in January, 1998 to retain Dr. Long's base salary at U.S. \$7,600 per month and guarantee him a bonus equal to at least 10% of his annual salary. Based on all of the aforementioned factors, but primarily the Corporation's lack of significant revenue during the 2000 fiscal year, the board determined to pay Dr. Long a bonus of U.S. \$9,120 in respect of the 2000 fiscal year, the minimum permitted under his employment contract.

Section 16(a) of the Exchange Act requires the Corporation's officers and directors to file reports concerning their ownership of Common Shares with the SEC and to furnish the Corporation with copies of such reports. Based solely upon the Corporation's review of the reports required by Section 16 and amendments thereto furnished to the Corporation, the Corporation believes that all reports required to be filed pursuant to Section 16(a) of the Exchange Act were filed with the SEC on a timely basis, except for the following: A Form 4 with respect to 125,000 common shares and 125,000 warrants to purchase common shares purchased by MBRT Trust on August 4, 2000 was due on September 10, 2000 but was not filed until April 30, 2001. The MBRT Trust is an irrevocable trust established by William P. Long, President of the Company, and is administered by an independent trustee for the benefit of the children of Mr. Long. Mr. Long disclaims any beneficial interest in the common shares owned by the MBRT Trust.

Certain Relationships and Related Transactions

PROPOSAL NO. 2 -- RATIFICATION OF APPOINTMENT OF INDEPENDENT PUBLIC ACCOUNTANTS

Edgar Filing: ALTAIR INTERNATIONAL INC - Form DEF 14A

Ratification of the appointment by the board of directors of Deloitte & Touche LLP as the independent public accountants for the Company for the fiscal year ending December 31, 2001, and authorization of the board of directors to set their remuneration, is to be voted upon at the Meeting. Representatives of Deloitte & Touche LLP are not expected to be present at the Meeting to answer questions.

Change of Independent Auditors

McGovern, Hurley, Cunningham, LLP, Chartered Accountants, the independent public accountants initially retained by the Corporation for the fiscal year ended December 31, 2000, were dismissed as of March 20, 2001. The decision to change the Corporation's independent public auditors was recommended by management and approved by the board of directors and the audit committee of the Corporation. In connection with the audit of the Corporation's financial statements for the fiscal years ended December 31, 1999 and December 31, 1998 and the subsequent interim period ended March 20, 2001, there were no disagreements with McGovern, Hurley, Cunningham on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which disagreement if not resolved to McGovern, Hurley, Cunningham's satisfaction would have caused them to make reference in connection with their opinion to the subject matter of the disagreement. The audit reports of McGovern, Hurley, Cunningham on the consolidated financial statements of the Corporation and its subsidiaries as of and for the fiscal years ended December 31, 1999 and December 31, 1998 did not contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope, or accounting principles.

Pursuant to the recommendation of management and the approval of the board of directors and audit committee of the Corporation, the Corporation appointed Deloitte & Touche LLP as the Corporation's independent public accountants for the fiscal year ended December 31, 2000. No consultations occurred between the Corporation and Deloitte & Touche during the two fiscal years and any interim period preceding the appointment of Deloitte & Touche regarding the application of accounting principles, the type of audit opinion that might be rendered or other accounting, auditing or financial reporting issues. The Corporation engaged Deloitte & Touche effective March 20, 2001.

Audit Fees

The Corporation was billed \$120,000 for professional services rendered for the audit of its financial statements for the year ended December 31, 2000 and the review of the financial statements included in the Corporation's quarterly reports for such year. Neither of the principal accountants engaged with respect to the 2000 fiscal year were commissioned to provide any services other than the audit and review services described above.

Vote Required and Recommendation of the Board of Directors

The affirmative vote of a majority of the votes cast on this proposal shall constitute ratification of the appointment of Deloitte & Touche LLP. Under the Business Corporations Act (Ontario), once a quorum is established, shareholder approval with respect to a particular resolution is generally obtained when the votes cast in favour of the proposal exceed the votes cast against such proposal. Accordingly, abstentions and broker non-votes will not have the effect of being considered as votes cast against the ratification of the appointment of Deloitte & Touche LLP.

Edgar Filing: ALTAIR INTERNATIONAL INC - Form DEF 14A

The board of directors recommends a vote FOR ratification of the appointment of Deloitte & Touche LLP as independent public accountants for the fiscal year ending December 31, 2001 and authorization of the board of directors to set their remuneration.
