Item 9. Regulation FD Disclosure.

Kenneth W. Freeman, Chairman and Chief Executive Officer of Quest Diagnostics Incorporated (the "Company"), is scheduled to speak at the Credit Suisse First Boston Thirteenth Annual Health Care Conference on November 14, 2001 at the Arizona Biltmore Resort and Spa in Phoenix, Arizona. To comply with the Securities and Exchange Commission's Regulation FD, the Company is filing this report to update all investors on its outlook.

Mr. Freeman will report the following: "Our outlook remains unchanged from the guidance we provided during our Third Quarter 2001 financial conference call on October 19, 2001. We remain comfortable with the consensus of analyst expectations for fourth quarter earnings of \$0.48 per diluted share, as reported by First Call. We continue to expect full year earnings per diluted share before special items to grow more than 65%. In 2002, we continue to expect to deliver earnings per share growth in excess of 30%. This increase is before the additional \$0.35 per diluted share we expect to realize from the change in goodwill accounting that becomes effective on January 1, 2002. We continue to

remain highly confident in our ability to deliver sustainable outstanding performance for our shareholders."

The statements in this report which are not historical facts or information may be forward-looking statements. These forward-looking statements involve risks and uncertainties that could cause the outcome to be materially different. Certain of these risks and uncertainties are listed in the Quest Diagnostics Incorporated 2000 Form 10-K and subsequent filings.
