Announcement Regarding the Lawsuit Against MTN in South Africa

Subject: Statement made pursuant to Circular VIII, No: 54 of the Capital Markets Board

As previously announced, Turkcell had filed a lawsuit against the South African mobile operator MTN in the United States, seeking the compensation of damages resulting from the acts of MTN during the tender process for Iran's first private GSM license and then decided to re-file the case in another jurisdiction due to procedural reasons.

As a continuation of this process, Turkcell today filed a lawsuit against MTN before the South Gauteng High Court in Johannesburg, South Africa, seeking damages resulted from the MTN's illegal acts.
