Dear Sonic Franchisees,

I am reaching out to share that Sonic Corp. has entered into an agreement to be acquired by Inspire Brands, Inc. Following the completion of the transaction, Sonic will operate as a separate business unit within Inspire and will continue to be based in Oklahoma City and led by our management team. While the Company's ownership structure will change, our franchise structure, branding, operations, and commitment to exceeding the expectations of our guests will remain the same.

Our agreement with Inspire validates the actions we have taken over the last year to increase traffic and improve sales while delivering differentiated offerings and superior guest service. Thanks in large part to the strength of our franchisees and franchisee relationships, Sonic now has an all-time brand record of 3,606 drive-ins in operation in 45 states. In a challenging market with heightened competition and changing consumer needs, we have successfully implemented a number of key strategic initiatives, including mobile order ahead, operational simplification, and a more streamlined go-to-market strategy, to deliver the most personalized guest experience in the QSR industry, support our franchisees and drive growth.

Importantly, the Inspire team has great respect for the Sonic brand, our company and confidence in our future. Inspire recognizes our loyal customer base, strong differentiation in the marketplace, unique culture of collaboration with our franchisees and the important role that our franchisees play in driving our Company's success. We will continue to work closely with you and support your business with technology, new products and marketing and operational programs.

Joining a Leading Restaurant Group

Inspire is a multi-brand restaurant company whose portfolio includes more than 4,700 Arby's, Buffalo Wild Wings, and Rusty Taco locations worldwide. It is majority-owned by Roark Capital Group, an Atlanta-based private equity firm that specializes in consumer, multi-unit and franchise brands, including Focus Brands (Moe's, McAllister's, Jamba Juice), Seattle's Best Coffee, Auntie Anne's, Carl's Jr / Hardee's, Corner Bakery, and Culver's among others.

We have much to gain by joining forces with Inspire's powerful group of distinct restaurants. We have long recognized the advantages certain competitors have as private companies. As a privately-held company, we expect to have increased operational flexibility, and being part of a larger organization enables outsized investments in long-term growth initiatives and provides the ability to leverage scale to drive efficiencies. Working closely with Inspire, we will continue to provide made-to-order American classics, distinctive flavors and the most personalized guest experience in our industry.

Next Steps

There is much to do before the transaction is completed, which is expected to occur by the end of the year. Until then, day-to-day operations and implementation of strategic initiatives will continue as usual at Sonic. During this time, we know you will continue to serving your guests, growing your business and representing the Sonic brand like you always do.

A big part of the efforts between now and closing will be planning for Sonic's future as a private company, owned by Inspire. We will continue to keep you informed as we move forward with this planning process.

The FAC meeting currently scheduled for November will proceed as usual.
