Item 1.01 Entry into a Material Definitive Agreement.

On July 1, 2010, Century Aluminum Company (the "Company") and certain of its direct and indirect domestic subsidiaries (together with the Company, the "Borrowers") entered into a new four-year \$100.0 million senior secured revolving credit facility pursuant to a Loan and Security Agreement, dated as of July 1, 2010, among the Borrowers and Wells Fargo Capital Finance, LLC, as lender and agent (the "New Credit Facility"). The New Credit Facility, which expires on July 1, 2014, provides for borrowings of up to \$100.0 million in the aggregate, including up to \$50.0 million under a letter of credit sub-facility. The New Credit Facility replaces the Company's existing \$100.0 million senior secured revolving credit facility (the "Prior Credit Facility"). The Prior Credit Facility was schedule to expire on September 19, 2010. No amounts have been borrowed under the New Credit Facility through the date hereof, although the Borrowers may in the future use the New Credit Facility to repay existing indebtedness, to issue standby or commercial letters of credit, to finance capital expenditures and for ongoing working capital needs and other general corporate purposes.

The Borrowers' obligations under the New Credit Facility are guaranteed by certain of the Company's domestic subsidiaries and secured by a first priority security interest in favor of the lenders in all of the Borrowers' accounts receivable, inventory and certain bank accounts. The availability of funds under the revolving credit facility is limited by a specified borrowing base consisting of accounts receivable and inventory which meet customary eligibility criteria. Any amounts outstanding under the New Credit Facility will bear interest, at the Company's option, at LIBOR or a base rate, plus, in each case, an applicable interest margin.

The New Credit Facility contains customary covenants, including restrictions on mergers and acquisitions, indebtedness, affiliate transactions, liens, dividends and distributions, dispositions of collateral, investments and prepayments of indebtedness, as well as a covenant that requires the Borrowers to maintain certain minimum liquidity or availability requirements. The New Credit Facility also includes customary events of default, including nonpayment, misrepresentation, breach of covenant, bankruptcy, change of ownership, certain judgments and certain cross defaults. Upon the occurrence of an event of default, commitments under the New Credit Facility may be terminated and amounts outstanding may be accelerated and declared immediately due and payable.

Affiliates of Wells Fargo Capital Finance, LLC have from time to time provided financial advisory and/or commercial banking services for the Company in the ordinary course of business for customary fees.

The description of the New Credit Facility set forth above is necessarily limited and is qualified in its entirety by reference to the full terms and conditions of the New Credit Facility, a copy of which is filed as Exhibit 10.1 to this Current Report on Form 8-K.

Item 1.02 Termination of a Material Definitive Agreement.

The information described above under "Item 1.01. Entry into a Material Definitive Agreement" with respect to the Prior Credit Facility is incorporated by reference into this Item 1.02. The description of the Prior Credit Facility set forth above is necessarily limited and is qualified in its entirety by reference to the full terms and conditions of the Prior Credit Facility as set forth in the Loan and Security Agreement, dated as of September 19, 2005, among the Company, certain of its direct and indirect domestic subsidiaries and Bank of America, N.A., as lead arranger and agent and the other lenders party thereto, a copy of which is filed as Exhibit 10.2 to this Current Report on Form 8-K. Certain affiliates of Bank of America, N.A. and the other lenders party to the Prior Credit Agreement have from time to time participated as underwriters or initial purchasers in various offerings of the Company's securities and have also provided financial advisory, commercial banking and/or investment banking services for the Company in the ordinary course of business for customary fees.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information described above under “Item 1.01. Entry into a Material Definitive Agreement” is incorporated herein by reference into this Item 2.03. No borrowings were made on the closing date under the New Credit Facility.
