Safe Harbor

ICICI Limited and ICICI Bank expect to make available Notice of the Shareholders' Meeting, a copy of the Scheme of Amalgamation and an Information Statement or Prospectus to shareholders of ICICI Limited and ICICI Bank and the investors in each company's ADSs. These documents contain important information about the merger. Shareholders and investors in the ADSs are urged to read these documents carefully when they are available. Free copies of these documents may also be obtained from ICICI Limited and ICICI Bank.

ICICI Limited`s and ICICI Bank's filings with the Securities and Exchange Commission are also available to the public from commercial document-retrieval services or from the website maintained by the SEC at www.sec.gov.

Safe Harbor

This presentation contains forward-looking statements based on the current beliefs and expectations of ICICI Limited's and ICICI Bank's management and are subject to significant risks and uncertainties. Forward-looking statements include the information concerning possible or assumed future results of operations. Actual results may differ from those set forth in the forward-looking statements. These uncertainties include: the ability to obtain governmental and other approvals of the merger on the proposed terms and schedule; the failure of ICICI Limited and ICICI Bank shareholders to approve the merger or the failure of the High Courts of Mumbai and Gujarat to approve the Scheme of Amalgamation; the impact of the regulations applicable to banks under Indian law to which the business being conducted by ICICI would for the first time become subject consequent to the merger; the risk that the businesses will not be integrated as swiftly as planned; the risk that the revenue synergies and cost savings from the merger may not be fully realized or may take longer to realize than expected; disruption of the merger making it more difficult to maintain relationships with clients, employees or suppliers; the effect of economic conditions and interest rates on a national, regional or international basis and market volatility in the securities markets or foreign exchange rates or indices; the risk of new and changing regulation in India and internationally; competitive pressures in the financial services industries; and unfavourable political or other developments in Indian or international markets.

29

Safe Harbor

These uncertainties may have an adverse effect on the results of our operations, financial condition, liquidity and the price of our equity shares and our ADSs. Additional factors that could cause ICICI Limited's and ICICI Bank's results to differ materially from those described in the forward-looking statements can be found in the 2001 Annual Reports on Form 20-F of ICICI Limited and ICICI Bank, filed with the SEC and will be contained in the Information Statement or Prospectus.
