ULTRAPAR ANNOUNCES THE SUCCESSION OF ITS CHIEF EXECUTIVE OFFICER

Ultrapar Participações S.A. (BOVESPA: UGPA4 / NYSE: UGP), a company engaged in the distribution of LPG (Ultragaz), the production of chemicals (Oxiten), as well as logistics for chemical products and fuels (Ultracargo), today announces the succession of its Chief Executive Officer. Paulo Guilherme Aguiar Cunha will be succeeded by Pedro Wongtschowski from January 1, 2007.

The appointment of Pedro Wongtschowski to this post represents the final consolidation of the professionalization process of the Ultra group, begun in 1984 and which now focuses basically on the sustainable growth of the group's businesses and the continued improvement of its corporate governance practices.

Pedro Wongtschowski began his professional career at Oxiten, where he is currently the Chief Executive Officer. He has been a member of the Executive Board of Ultrapar since 1985, and is therefore extremely familiar with all the company's businesses.

After this succession, Paulo Guilherme Aguiar Cunha will act solely as Ultrapar's Chairman of the Board of Directors, a position he occupied together with his role as Chief Executive Officer of the Group since 1998.

For the position of chief executive officer at Oxiten, the group has nominated João Benjamin Parolin, currently the sales director of that company.

São Paulo, October 16, 2006.

Paulo G. A. Cunha

Chairman of the Board of Directors
