Notice to the Market

COSAN S.A. INDÚSTRIA E COMÉRCIO (Bovespa: CSAN3), in response to the article published by Agência Estado, entitled "Cosan deve formar holding até fim do ano" ("Cosan to set up holding company by year-end"), hereby announces that it has no intention of creating a holding company or of implementing a corporate restructuring that would alter the current ownership structure. As the market knows, the Company is formed of several business units, including Rumo Logística, Radar Propriedades Agrícolas, Cosan Combustíveis e Lubrificantes, Sugar and Ethanol, and Bioenergy. The changes that have been introduced into the Company and its subsidiaries have a purely organizational nature and are aimed at professionalizing administration and creating an independent management structure for each business unit, all of which will remain under the control of Cosan S.A.

It is worth emphasizing that the Company has been analyzing several funding possibilities for Rumo Logística, as stated in the Material Fact dated as of March 9, 2009, including direct investments through the acquisition of a minority interest in the business unit by third parties.
