Please read the relevant prospectus, which contains material terms of the securities and important risks that you should consider, before investing. Capital Protected Notes protects your principal invested only against any decline in the underlying market measure at maturity. They are not guaranteed or insured by the Federal Deposit Insurance Corporation (FDIC) or secured by collateral, nor are they obligations of or guaranteed by the UK government. All payments due on Capital Protected Notes remain subject to the credit risk of the issuer and its parent company.
