Itau BBA USA Securities Inc. (“Itaú BBA USA”) and Morgan Stanley & Co. LLC (“Morgan Stanley LLC” and, together with Itaú BBA USA, the “Managers”) on behalf of the several underwriters named in Schedule II hereto (the “International Underwriters”), for whom they are acting as managers, confirm their agreement to purchase, and TIM Participações S.A., a sociedade anônima incorporated under the laws of the Federative Republic of Brazil (the “Company”), confirms its agreement to issue and sell to the International Underwriters, the number of shares of its common stock, without par value, (the “Firm Shares”) in the form of American Depositary Shares (the “Firm ADSs”), set forth in Schedule I hereto. The Company also agrees to issue and sell to the several International Underwriters not more than the number of additional shares of its common stock, without par value, (the “Additional Shares”) in the form of American Depositary Shares (the “Additional ADSs”), set forth in Schedule I hereto if and to the extent that the Managers shall have determined to exercise, on behalf of the International Underwriters, the right to purchase such shares of common stock granted to the International Underwriters in Section 2 hereof, minus the number of Option Brazilian Shares (as defined below) sold by the Company as a result of the exercise by Banco Morgan Stanley S.A. (“Banco Morgan Stanley” and, together with Banco Itaú BBA S.A., or “Banco Itaú BBA,” the “Brazilian Underwriters”) of its option regarding the Option Brazilian Shares (as defined below) under the Brazilian Underwriting Agreement (as defined below). The Firm Shares and the Additional Shares are hereinafter collectively referred to as the “Shares” and the Firm ADSs and the Additional ADSs are hereinafter referred to as the “ADSs.” The shares of common stock, without par value, of the Company to be outstanding after giving effect to the sales contemplated hereby are hereinafter referred to as the “Common Stock.” If the firm or firms listed in Schedule II hereto include only the Managers listed in Schedule I hereto, then the terms “International Underwriters” and “Managers” as used herein shall each be deemed to refer to such firm or firms.

In addition to the ADSs subject to this agreement (“Agreement”), 29,016,455 common shares (“Firm Brazilian Shares”) will be placed by the Brazilian Underwriters pursuant to an underwriting agreement dated as of the date hereof, among the Company, BM&FBovespa S.A. - Bolsa de Valores, Mercadorias e Futuros (“BM&FBOVESPA”), and the Brazilian Underwriters in connection with the offering and sale of the Brazilian Shares (as defined below) in Brazil (“Brazilian Underwriting Agreement” and, together with this Agreement, the “Underwriting Agreements”). The Brazilian

Underwriting Agreement provides for an option of Banco Morgan Stanley to, upon notice to Banco Itaú BBA, cause the Company to sell an aggregate of not more than 9,461,510 additional Shares (“Option Brazilian Shares”), minus the number of Additional ADSs sold by the Company as a result of the exercise by Morgan Stanley LLC of its option regarding such Additional ADSs under this Agreement. The Firm Brazilian Shares and the Option Brazilian Shares are hereinafter called collectively the “Brazilian Shares.” The Brazilian Shares, the Shares and the ADSs are hereinafter called collectively the “Securities.”

The International Underwriters, acting as placement agents for the Brazilian Underwriters, intend to offer Firm Brazilian Shares outside Brazil subject to the terms and conditions stated in this Agreement. Shares purchased by investors resident outside of Brazil will be placed outside Brazil by the International Underwriters (as placement agents), settled in Brazil and paid for in Brazilian reais and their offer is being underwritten by the Brazilian Underwriters pursuant to the Brazilian Underwriting Agreement. Investors resident outside Brazil purchasing Shares must be authorized to invest in Brazilian securities under applicable Brazilian law and the requirements established by the Conselho Monetário Nacional (Brazilian National Monetary Council), the Comissão de Valores Mobiliários (Brazilian Securities Commission) (“CVM”) and the Banco Central do Brasil (the “Brazilian Central Bank”).

Each ADS will represent five Shares. The ADSs purchased by the International Underwriters will be evidenced by American Depositary Receipts (“ADRs”) to be issued pursuant to a Deposit Agreement, dated June 24, 2002, as amended by Amendment No. 1, dated June 26, 2007, further amended by Amendment No. 2, dated January 6, 2011 and Amendment No. 3, dated July 20, 2011 (“Deposit Agreement”) among the Company, J.P. Morgan Chase Bank, N.A. (the “Depository”), as Depository, and holders and beneficial owners from time to time of the ADRs issued thereunder. The Shares underlying the ADSs are called the “Underlying Shares.”

The ADSs will be sold pursuant to a Prospectus (as defined below) to be filed with the United States Securities and Exchange Commission (the “Commission”), and the Brazilian Shares will be sold pursuant to a registration statement, including a preliminary prospectus (consisting of a Formulário de Referência and a preliminary prospectus), including any and all exhibits, amendments and supplements thereto (the “Brazilian Preliminary Prospectus”) and a final prospectus (consisting of a Formulário de Referência and a final prospectus), including any and all exhibits, amendments and supplements thereto (the “Brazilian Final Prospectus”), filed with and approved by the CVM, with respect to the offer and sale of the Brazilian Shares.

The Company has filed with the Commission an automatic shelf registration statement, as defined in Rule 405 of the Securities Act of 1933, as amended (the “Securities Act”), including a related base prospectus, (the file number of which is set forth in Schedule I hereto) on Form F-3, to register under the Securities Act the offering and sale from time to time of certain equity securities, including the Shares, which

registration statement became effective upon filing under Rule 462(e) of the rules and regulations of the Commission under the Securities Act. Promptly after execution and delivery of this Agreement, the Company will prepare and file a prospectus relating to the Securities in accordance with paragraph (B) of Rule 424 of the rules and regulations of the Commission under the Securities Act. This registration statement as amended to the date of this Agreement, including the information (if any) deemed to be part of the registration statement at the time of effectiveness pursuant to Rule 430A, Rule 430 B or Rule 430 C under the Securities Act, is hereinafter referred to as the “Registration Statement,” and the related prospectus covering the Securities in the form first used to confirm sales of the ADSs (or in the form first made available to the International Underwriters by the Company to meet requests of purchasers pursuant to Rule 173 under the Securities Act) is hereinafter referred to as the “Prospectus”, and the term “preliminary prospectus” means any preliminary form of the Prospectus. For purposes of this Agreement, “free writing prospectus” has the meaning set forth in Rule 405 under the Securities Act, “Time of Sale Prospectus” means the documents and pricing information set forth opposite the caption “Time of Sale Prospectus” in Schedule I hereto, and “broadly available road show” means a “bona fide electronic road show” as defined in Rule 433(h)(5) under the Securities Act that has been made available without restriction to any person. As used herein, the terms “Registration Statement,” “preliminary prospectus,” “Time of Sale Prospectus” and “Prospectus” shall include the documents, if any, incorporated by reference therein as of the date hereof. The terms “supplement,” “amendment,” and “amend” as used herein with respect to the Registration Statement, the Time of Sale Prospectus, any preliminary prospectus or the Prospectus shall include all documents subsequently filed by the Company with the Commission pursuant to the Securities Exchange Act of 1934, as amended (the “Exchange Act”), that are deemed to be incorporated by reference therein.

The Company and the Depositary have prepared and filed with the Commission a registration statement relating to the ADSs on Form F-6 (No. 333-175684) and a related prospectus, which may be in the form of the ADR certificate, for registration under the Securities Act of the ADSs evidenced by ADRs, have filed such amendments thereto and such amended prospectuses as may have been required to the date hereof, and will file such additional amendments thereto and such amended prospectuses as may hereinafter be required. The registration statement on Form F-6 for registration of the ADSs evidenced by ADRs, as amended at the time it becomes effective (including by the filing of any post-effective amendments thereto), and the prospectus included therein, as then amended are hereinafter called the “ADS Registration Statement.”

(f) If the Time of Sale Prospectus is being used to solicit offers to buy the ADSs or the Brazilian Shares at a time when the Prospectus is not yet available to prospective purchasers and any event shall occur or condition exist as a result of which it is necessary to amend or supplement the Time of Sale Prospectus in order to make the statements therein, in the light of the circumstances, not misleading, or if any event shall occur or condition exist as a result of which the Time of Sale Prospectus conflicts with the information contained in the Registration Statement then on file, or if, in the opinion of counsel for the International Underwriters, it is necessary to amend or supplement the

Time of Sale Prospectus to comply with applicable law, forthwith to prepare, file with the Commission and furnish, at its own expense, to the International Underwriters and to any dealer upon request, either amendments or supplements to the Time of Sale Prospectus so that the statements in the Time of Sale Prospectus as so amended or supplemented will not, in the light of the circumstances when the Time of Sale Prospectus is delivered to a prospective purchaser, be misleading or so that the Time of Sale Prospectus, as amended or supplemented, will no longer conflict with the Registration Statement, or so that the Time of Sale Prospectus, as amended or supplemented, will comply with applicable law.

(g) If, during such period after the first date of the public offering of the ADSs or Brazilian Shares as in the opinion of counsel for the International Underwriters the Prospectus (or in lieu thereof the notice referred to in Rule 173(a) of the Securities Act) is required by law to be delivered in connection with sales by an International Underwriter or dealer, any event shall occur or condition exist as a result of which it is necessary to amend or supplement the Prospectus in order to make the statements therein, in the light of the circumstances when the Prospectus (or in lieu thereof the notice referred to in Rule 173(a) of the Securities Act) is delivered to a purchaser, not misleading, or if, in the opinion of counsel for the International Underwriters, it is necessary to amend or supplement the Prospectus to comply with applicable law, forthwith to prepare, file with the Commission and furnish, at its own expense, to the International Underwriters and to the dealers (whose names and addresses the Managers will furnish to the Company) to which ADSs or Brazilian Shares may have been sold by the Managers on behalf of the International Underwriters and to any other dealers upon request, either amendments or supplements to the Prospectus so that the statements in the Prospectus as so amended or supplemented will not, in the light of the circumstances when the Prospectus (or in lieu thereof the notice referred to in Rule 173(a) of the Securities Act) is delivered to a purchaser, be misleading or so that the Prospectus, as amended or supplemented, will comply with applicable law.

(h) The Company will furnish such information as may be required and otherwise will cooperate with the International Underwriters in qualifying the ADSs for offering and sale under the applicable securities laws of such states and other jurisdictions (domestic or foreign) as the International Underwriters may designate and to maintain such qualifications in effect for a period of not less than one year from the later of the effective date of the Registration Statement; provided, however, that the Company shall not be obligated to qualify as a foreign corporation or consent to the service of process under the laws of any jurisdiction (except service of process with respect to the offering and sale of the Securities) or to subject itself to taxation in respect of doing business in any jurisdiction in which it is not otherwise so subject; and to reasonably promptly advise the International Underwriters of the receipt by the Company of any notification with respect to the suspension of the qualification of the Securities for sale in any jurisdiction, including Brazil, or the initiation or threatening in writing of any proceeding for such purpose.

(i) To make generally available to the Company's security holders and to the Managers as soon as practicable an earning statement covering a period of at least twelve months beginning with the first fiscal quarter of the Company occurring after the date of this Agreement which shall satisfy the provisions of Section 11(a) of the Securities Act and the rules and regulations of the Commission thereunder.

(j) Subject to the terms of the engagement letter relating to the offering of the Securities among the Company and the Brazilian Underwriters, and whether or not the transactions contemplated in this Agreement are consummated or this Agreement is terminated, to pay or cause to be paid all expenses incident to the performance of its obligations under this Agreement, including: (i) the fees, disbursements and expenses of counsel for the Company, the International Underwriters and the Depositary and the Company's accountants in connection with the registration and delivery of the ADSs and Brazilian Shares under the Securities Act and all other fees or expenses in connection with the preparation and filing of the Registration Statement, any preliminary prospectus, the Time of Sale Prospectus, the Prospectus, any free writing prospectus prepared by or on behalf of, used by, or referred to by the Company and amendments and supplements to any of the foregoing, including the filing fees payable to the Commission relating to the ADSs and Brazilian Shares (within the time required by Rule 456 (b)(1), if applicable), all printing costs associated therewith, and the mailing and delivering of copies thereof to the International Underwriters and dealers, in the quantities hereinabove specified, (ii) all costs and expenses related to the transfer and delivery of the ADSs and Brazilian Shares to the International Underwriters, including any transfer or other taxes payable thereon, (iii) the cost of printing or producing any Blue Sky or Legal Investment memorandum in connection with the offer and sale of the ADSs and Brazilian Shares under state securities laws and all expenses in connection with the qualification of the ADSs and Brazilian Shares for offer and sale under state securities laws as provided in Section 6(h) hereof, including filing fees and the reasonable fees and disbursements of counsel for the International Underwriters in connection with such qualification and in connection with the Blue Sky or Legal Investment memorandum, (iv) all filing fees and the reasonable fees and disbursements of counsel to the International Underwriters incurred in connection with the review and qualification of the offering of the ADSs and Brazilian Shares by the Financial Industry Regulatory Authority, (v) all costs and expenses incident to listing the ADSs on the NYSE, (vi) the cost of printing certificates representing the ADSs, (vii) the costs and charges of any transfer agent, registrar or depositary, (viii) the costs and expenses of the Company relating to investor presentations on any "road show" undertaken in connection with the marketing of the offering of the ADSs or Brazilian Shares, including, without limitation, expenses associated with the preparation or dissemination of any electronic road show, expenses associated with the production of road show slides and graphics, fees and expenses of any consultants engaged in connection with the road show presentations with the prior approval of the Company, travel and lodging expenses of the representatives and officers of the Company, International Underwriters and any such consultants, and the cost of any aircraft chartered in connection with the road show, (ix) the document production charges

and expenses associated with printing this Agreement and (x) all other costs and expenses incident to the performance of the obligations of the Company hereunder for which provision is not otherwise made in this Section. It is understood, however, that except as provided in this Section, Section 8 entitled "Indemnity and Contribution" and the last paragraph of Section 10 below, the International Underwriters will pay all of their costs and expenses, including fees and disbursements of their counsel, stock transfer taxes payable on resale of any of the ADSs or Brazilian Shares by them and any advertising expenses connected with any offers they may make.

(k) If requested by the Managers, to prepare a final term sheet relating to the offering of the ADSs, containing only information that describes the final terms of the offering in a form consented to by the Managers, and to file such final term sheet within the period required by Rule 433(d)(5)(ii) under the Securities Act following the date the final terms have been established for the offering of the ADSs.

(l) The Company will not take, directly or indirectly, any action designed to or that could reasonably be expected to cause or result in any stabilization or manipulation of the price of the Securities, except for stabilization activities to be carried out by Morgan Stanley LLC in the United States or by Banco Morgan Stanley, acting through Morgan Stanley Corretora de Títulos e Valores Mobiliários S.A., in Brazil pursuant to the Brazilian Stabilization Agreement. The Company will comply in all respects with Regulation M under the Exchange Act with respect to stabilization bids, including, without limitation, the stabilization requirements of Rule 104 of Regulation M.

(m) The Company will, pursuant to reasonable procedures developed in good faith, retain copies of each Free Writing Prospectus that is not filed with the Commission in accordance with Rule 433 under the Securities Act.

The Company also covenants with each International Underwriter that, without the prior written consent of the Managers, it will not, during the restricted period set forth in Schedule I hereto, (1) offer, pledge, sell, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant to purchase, lend, or otherwise transfer or dispose of, directly or indirectly, any shares of Common Stock or any securities convertible into or exercisable or exchangeable for Common Stock or (2) enter into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of the Common Stock, whether any such transaction described in clause (1) or (2) above is to be settled by delivery of Common Stock or such other securities, in cash or otherwise or (3) file any registration statement with the Commission relating to the offering of any shares of Common Stock or any securities convertible into or exercisable or exchangeable for Common Stock. The foregoing sentence shall not apply to (a) the ADSs and Brazilian Shares to be sold hereunder, (b) the issuance by the Company of options pursuant to its existing stock option plan or shares of Common Stock upon the exercise of an option or warrant or the conversion of a security outstanding on the date hereof, (c) the establishment of a trading plan pursuant to Rule 10b5-1 under the Exchange Act for the

transfer of shares of Common Stock, provided that such plan does not provide for the transfer of Common Stock during the 90-day restricted period and no public announcement or filing under the Exchange Act regarding the establishment of such plan shall be required of or voluntarily made by or on behalf of the undersigned or the Company. Notwithstanding the foregoing, if (1) during the last 17 days of the 90-day restricted period the Company issues an earnings release or material news or a material event relating to the Company occurs; or (2) prior to the expiration of the 90-day restricted period, the Company announces that it will release earnings results during the 16-day period beginning on the last day of the 90-day period, the restrictions imposed by this agreement shall continue to apply until the expiration of the 18-day period beginning on the issuance of the earnings release or the occurrence of the material news or material event. The Company shall promptly notify the Managers of any earnings release, news or event that may give rise to an extension of the initial 90-day restricted period.

(n) All payments to be made by the Company under this Agreement will be made without set-off or counterclaim or withholding or deduction for or on account of any present or future taxes, duties or governmental charges whatsoever, unless the Company is compelled by law to deduct or withhold such taxes, duties or charges. In that event, the Company will pay such additional amounts as may be necessary in order that the net amounts received after such withholding or deduction shall equal the amounts that would have been received if no withholding or deduction had been made; provided, however, that no such additional amounts shall be payable on account of (i) taxes which would not have been imposed but for the existence of any present or former connection between any of the International Underwriters and the jurisdiction imposing such taxes, including such International Underwriter having been a resident thereof or being or having been present or engaged in trade or business therein or having had a permanent establishment therein (other than a connection arising solely from the mere entering into, receipt of payments or enforcement of rights under this Agreement) or (ii) any taxes imposed or withheld by reason of the failure by the International Underwriters to comply with a request of the payer addressed to the International Underwriters to provide certification, information, documents or other evidence concerning the nationality, residence or identity of the International Underwriters to make any declaration or similar claim or satisfy any other reporting requirement relating to such matters, which is required by a statute, treaty, regulation or administrative practice of the jurisdiction imposing such taxes as a precondition to exemption from all or part of such taxes.

7. Covenants of the International Underwriters. Each International Underwriter hereby represents and agrees, severally and not jointly, with the Company that:

(a) It will not to take any action that would result in the Company being required to file with the Commission under Rule 433(d) a free writing prospectus prepared by or on behalf of such International Underwriter, or that would otherwise constitute a “free writing

prospectus,” as defined in Rule 405, that otherwise would not be required to be filed by the Company thereunder, but for the action of the International Underwriter.

(b) It has not and will not, without the prior written consent of the Company, use any free writing prospectus that contains the final terms of the ADSs or the Brazilian Shares unless such terms have previously been included in a free writing prospectus filed with the Commission.

(c) It is not subject to any pending proceeding under Section 8A of the Securities Act with respect to the offering (and will promptly notify the Company if any such proceeding against it is initiated during the Prospectus Delivery Period).

(d) Neither such International Underwriter nor any of its affiliates nor any person acting on its or their behalf has taken any action that would permit a public offering of the Securities, or permit the possession or distribution of any Prospectus, or any amendment or supplement thereto, in any country or jurisdiction outside Brazil or the United States where action for that purpose is required in connection with the sale of the Securities.

8. Indemnity and Contribution. (a) The Company agrees to indemnify and hold harmless each International Underwriter, each person, if any, who controls any International Underwriter within the meaning of either Section 15 of the Securities Act or Section 20 of the Exchange Act and each affiliate of any International Underwriter within the meaning of Rule 405 under the Securities Act from and against any and all losses, claims, damages and liabilities (including, without limitation, any legal or other expenses reasonably incurred in connection with defending or investigating any such action or claim) caused by any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement or any amendment thereof, any preliminary prospectus, the Time of Sale Prospectus or any amendment or supplement thereto, any issuer free writing prospectus as defined in Rule 433(h) under the Securities Act, any Company information that the Company has filed, or is required to file, pursuant to Rule 433(d) under the Securities Act, any “road show” as defined in Rule 433(h) under the Securities Act (a “road show”), or the Prospectus or any amendment or supplement thereto, or caused by any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, except insofar as such losses, claims, damages or liabilities are caused by any such untrue statement or omission or alleged untrue statement or omission based upon information relating to any International Underwriter furnished to the Company in writing by such International Underwriter through the Managers expressly for use therein, it being understood and agreed that the only such information furnished by the International Underwriters consists of the information described as such in subsection 8(b) below.

(b) Each International Underwriter agrees, severally and not jointly, to indemnify and hold harmless the Company, its directors, its officers who sign the Registration Statement and each person, if any, who controls the Company within the

meaning of either Section 15 of the Securities Act or Section 20 of the Exchange Act to the same extent as the foregoing indemnity from the Company to such International Underwriter, but only with reference to information relating to such International Underwriter furnished to the Company in writing by such International Underwriter through the Managers expressly for use in the preliminary prospectus, the Time of Sale Prospectus and the Prospectus, it being understood and agreed upon that the only such information furnished by the International Underwriters consist of the following information in the Prospectus: paragraphs 18-22 in the section "Underwriting" of the Prospectus Supplement as filed under Rule 424(b)2 on September 15, 2011 contained in the Registration Statement, provided, that the International Underwriters shall not be liable under this Section 8(b) to make any indemnification in excess of the net underwriting discounts and commissions (after taxes and expenses) received by such International Underwriter with respect to the offering of the ADSs, provided further, that the International Underwriters shall not be liable for any losses, claims, damages or liabilities arising out of or based upon the Company's failure to perform its obligations under Section 6 of this Agreement.

(c) In case any proceeding (including any governmental investigation) shall be instituted involving any person in respect of which indemnity may be sought pursuant to Section 8(a) or 8(b), such person (the "indemnified party") shall promptly notify the person against whom such indemnity may be sought (the "indemnifying party") in writing and the indemnifying party, upon request of the indemnified party, shall retain counsel reasonably satisfactory to the indemnified party to represent the indemnified party and any others the indemnifying party may designate in such proceeding and shall pay the fees and disbursements of such counsel related to such proceeding. In any such proceeding, any indemnified party shall have the right to retain its own counsel, but the fees and expenses of such counsel shall be at the expense of such indemnified party unless (i) the indemnifying party and the indemnified party shall have mutually agreed to the retention of such counsel or (ii) the named parties to any such proceeding (including any impleaded parties) include both the indemnifying party and the indemnified party and representation of both parties by the same counsel would be inappropriate due to actual or potential differing interests between them. It is understood that the indemnifying party shall not, in respect of the legal expenses of any indemnified party in connection with any proceeding or related proceedings in the same jurisdiction, be liable for the fees and expenses of more than one separate firm (in addition to any local counsel) for all such indemnified parties and that all such fees and expenses shall be reimbursed as they are incurred. Such firm shall be designated in writing by the Managers, in the case of parties indemnified pursuant to Section 8(a), and by the Company, in the case of parties indemnified pursuant to Section 8(b). The indemnifying party shall not be liable for any settlement of any proceeding effected without its written consent, but if settled with such consent or if there be a final judgment for the plaintiff, the indemnifying party agrees to indemnify the indemnified party from and against any loss or liability by reason of such settlement or judgment. Notwithstanding the foregoing sentence, if at any time an indemnified party shall have requested an indemnifying party to reimburse the

indemnified party for fees and expenses of counsel as contemplated by the second and third sentences of this paragraph, the indemnifying party agrees that it shall be liable for any settlement of any proceeding effected without its written consent if (i) such settlement is entered into more than 30 days after receipt by such indemnifying party of the aforesaid request and (ii) such indemnifying party shall not have reimbursed the indemnified party in accordance with such request prior to the date of such settlement. No indemnifying party shall, without the prior written consent of the indemnified party, effect any settlement of any pending or threatened proceeding in respect of which any indemnified party is or could have been a party and indemnity could have been sought hereunder by such indemnified party, unless such settlement includes an unconditional release of such indemnified party from all liability on claims that are the subject matter of such proceeding.

(d) To the extent the indemnification provided for in Section 8(a) or 8(b) is unavailable to an indemnified party or insufficient in respect of any losses, claims, damages or liabilities referred to therein, then each indemnifying party under such paragraph, in lieu of indemnifying such indemnified party thereunder, shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages or liabilities (i) in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and the International Underwriters on the other hand from the offering of the ADSs or (ii) if the allocation provided by clause 8(d)(i) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause 8(d)(i) above but also the relative fault of the Company on the one hand and of the International Underwriters on the other hand in connection with the statements or omissions that resulted in such losses, claims, damages or liabilities, as well as any other relevant equitable considerations. The relative benefits received by the Company on the one hand and the International Underwriters on the other hand in connection with the offering of the ADSs shall be deemed to be in the same respective proportions as the net proceeds from the offering of the ADSs (before deducting taxes and expenses) received by the Company and the total net underwriting discounts and commissions (after taxes and expenses) received by the International Underwriters bear to the aggregate initial public offering price of the ADSs set forth in the Prospectus. The relative fault of the Company on the one hand and the International Underwriters on the other hand shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company or by the International Underwriters and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The International Underwriters' respective obligations to contribute pursuant to this Section 8 are several in proportion to the respective number of ADSs they have purchased hereunder, and not joint.

(e) The Company and the International Underwriters agree that it would not be just or equitable if contribution pursuant to this Section 8 were determined by pro rata

allocation (even if the International Underwriters were treated as one entity for such purpose) or by any other method of allocation that does not take account of the equitable considerations referred to in Section 8(d). The amount paid or payable by an indemnified party as a result of the losses, claims, damages and liabilities referred to in Section 8(d) shall be deemed to include, subject to the limitations set forth above, any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this Section 8, no International Underwriter shall be required to contribute any amount in excess of the amount by which the total net underwriting discounts and commissions (after taxes and expenses) received by such International Underwriter with respect to the offering of the ADSs exceeds the amount of any damages that such International Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The remedies provided for in this Section 8 are not exclusive and shall not limit any rights or remedies which may otherwise be available to any indemnified party at law or in equity.

(f) The indemnity and contribution provisions contained in this Section 8 and the representations, warranties and other statements of the Company contained in this Agreement shall remain operative and in full force and effect regardless of (i) any termination of this Agreement, (ii) any investigation made by or on behalf of any International Underwriter, any person controlling any International Underwriter or any affiliate of any International Underwriter or by or on behalf of the Company, its officers or directors or any person controlling the Company and (iii) acceptance of and payment for any of the ADSs.

9. Termination. The International Underwriters may terminate this Agreement by notice given by the Managers to the Company, if after the execution and delivery of this Agreement and prior to the Closing Date (i) trading generally shall have been suspended or materially limited on, or by, as the case may be, any of the New York Stock Exchange, the American Stock Exchange, the NASDAQ Global Market or the BM&FBOVESPA, (ii) trading of any securities of the Company shall have been suspended on any exchange or in any over-the-counter market, (iii) a material disruption in securities settlement, payment or clearance services in the United States or Brazil shall have occurred, (iv) any moratorium on commercial banking activities shall have been declared by Federal or New York State or Brazilian authorities or (v) there shall have occurred any outbreak or escalation of hostilities, or any change in financial markets, currency exchange rates or controls or any calamity or crisis that, in the Managers' judgment, causes a Material Adverse Effect and which, singly or together with any other event specified in this clause (v), makes it, in the judgment of the Managers after consultation with the Company, if practicable, impracticable or inadvisable to proceed with the offer, sale or delivery of the ADSs on the terms and in the manner contemplated in the Time of Sale Prospectus or the Prospectus.

10. Effectiveness; Defaulting International Underwriters. This Agreement shall become effective upon the execution and delivery hereof by the parties hereto.

If, on the Closing Date or an Option Closing Date, as the case may be, any one or more of the International Underwriters shall fail or refuse to purchase ADSs that it has or they have agreed to purchase hereunder on such date, and the aggregate number of ADSs which such defaulting International Underwriter or International Underwriters agreed but failed or refused to purchase is not more than one-tenth of the aggregate number of the ADSs to be purchased on such date, the other International Underwriters shall be obligated severally in the proportions that the number of Firm ADSs set forth opposite their respective names in Schedule II bears to the aggregate number of Firm ADSs set forth opposite the names of all such non-defaulting International Underwriters, or in such other proportions as the Managers may specify, to purchase the ADSs which such defaulting International Underwriter or International Underwriters agreed but failed or refused to purchase on such date; provided that in no event shall the number of ADSs that any International Underwriter has agreed to purchase pursuant to this Agreement be increased pursuant to this Section 10 by an amount in excess of one-ninth of such number of ADSs without the written consent of such International Underwriter. If, on the Closing Date, any International Underwriter or International Underwriters shall fail or refuse to purchase Firm ADSs and the aggregate number of Firm ADSs with respect to which such default occurs is more than one-tenth of the aggregate number of Firm ADSs to be purchased on such date, and arrangements satisfactory to the Managers and the Company for the purchase of such Firm ADSs are not made within 36 hours after such default, this Agreement shall terminate without liability on the part of any non-defaulting International Underwriter or the Company. In any such case either the Managers or the Company shall have the right to postpone the Closing Date, but in no event for longer than seven days, in order that the required changes, if any, in the Registration Statement, in the Time of Sale Prospectus, in the Prospectus or in any other documents or arrangements may be effected. If, on an Option Closing Date, any International Underwriter or International Underwriters shall fail or refuse to purchase Additional ADSs and the aggregate number of Additional ADSs with respect to which such default occurs is more than one-tenth of the aggregate number of Additional ADSs to be purchased on such Option Closing Date, the non-defaulting International Underwriters shall have the option to i) terminate their obligation hereunder to purchase the Additional ADSs to be sold on such Option Closing Date or ii) purchase not less than the number of Additional ADSs that such non-defaulting International Underwriters would have been obligated to purchase in the absence of such default. Any action taken under this paragraph shall not relieve any defaulting International Underwriter from liability in respect of any default of such International Underwriter under this Agreement.

If this Agreement shall be terminated by the International Underwriters, or any of them, because of any failure or refusal on the part of the Company to comply with the terms or to fulfill any of the conditions of this Agreement, or if for any reason the Company shall be unable to perform its obligations under this Agreement, the Company,

subject to the terms of the engagement letter relating to the offering of the Securities among the Company and the Brazilian Underwriters, will reimburse the International Underwriters or such International Underwriters as have so terminated this Agreement with respect to themselves, severally, for all out-of-pocket expenses (including the fees and disbursements of their counsel) reasonably incurred by such International Underwriters in connection with this Agreement or the offering contemplated hereunder.

11. [RESERVED]

12. Jurisdiction and Process Agent. The Company hereby submits to the non-exclusive jurisdiction of the federal and state courts in the Borough of Manhattan in the City of New York in any suit or proceeding arising out of or relating to this Agreement or the transactions contemplated hereby. The Company irrevocably appoints Telecom Italia Sparkle of North America, Inc., located at 745 Fifth Avenue, 27th Floor, New York, New York 10151, as its authorized agent in the Borough of Manhattan in the City of New York upon which process may be served in any suit or proceeding, and agree that service of process upon such agent, and written notice of said service to the Company, by the person serving the same to the address provided in herein, shall be deemed in every respect effective service or process upon the Company in any suit of proceeding. Such appointment shall be irrevocable. The Company hereby represents and warrants that their authorized agent has accepted such appointment and has agreed to act as said agent for service of process, and the Company agrees to take any and all action, including the filing of any and all documents that may be necessary to continue such appointment in full force and effect as aforesaid. The parties hereto each hereby waive any right to trial by jury in any action, proceeding or counterclaim arising out of or relating to this Agreement.

13. Waiver of Immunities. To the extent that the Company or any of its properties, assets or revenues may have or may hereafter become entitled to, or have attributed to the Company, any right of immunity, on the grounds of sovereignty or otherwise, from any legal action, suit or proceeding, from the giving of relief in any such legal action, suit or proceeding from set-off or counterclaim, from the jurisdiction of any Brazilian, New York, U.S. federal or other court, from service of process, from attachment upon or prior to judgment, from attachment in aid of execution of judgment, or from execution of judgment, or other legal process or proceedings for the giving of any relief or for the enforcement of any judgment, in any such court in which proceedings may at any time be commenced, with respect to the obligations and liabilities of the Company, or any other matter under or arising out of or in connection with this Agreement, the Company hereby irrevocably and unconditionally waives or will waive such right to the extent permitted by law, and agree not to plead or claim, any such immunity and consents to such relief and enforcement.

14. Entire Agreement. (a) This Agreement, together with any contemporaneous written agreements and any prior written agreements (to the extent not superseded by this Agreement) that relate to the offering of the ADSs, represents the entire agreement

between the Company and the International Underwriters with respect to the preparation of any preliminary prospectus, the Time of Sale Prospectus, the Prospectus, the conduct of the offering, and the purchase and sale of the ADSs.

(b) The Company acknowledges that in connection with the offering of the ADSs and the Brazilian Shares: (i) the International Underwriters have acted at arms length, are not agents of, and owe no fiduciary duties to, the Company or any other person, (ii) the International Underwriters owe the Company only those duties and obligations set forth in this Agreement and prior written agreements (to the extent not superseded by this Agreement), if any, and (iii) the International Underwriters may have interests that differ from those of the Company. The Company waives to the full extent permitted by applicable law any claims it may have against the International Underwriters arising from an alleged breach of fiduciary duty in connection with the offering of the ADSs or the Brazilian Shares.

15. Counterparts. This Agreement may be signed in two or more counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument.

16. APPLICABLE LAW. THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK.

17. TIME. TIME SHALL BE OF THE ESSENCE OF THIS AGREEMENT. EXCEPT AS OTHERWISE SET FORTH HEREIN, SPECIFIED TIMES OF DAY REFER TO EASTERN STANDARD TIME.

18. Judgment Currency. The Company agrees to indemnify each International Underwriter, its directors and officers, and each person if any, who controls any International Underwriter within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, and each International Underwriter severally agrees to indemnify the Company, its directors and officers, and each person, if any, who controls the Company within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act against any loss incurred, as incurred, as a result of any judgment being given in connection with this Agreement for which indemnification is provided by such person pursuant to Section 8 of this Agreement and any such judgment or order being paid in a currency (the "Judgment Currency") other than U.S. dollars as a result of any variation as between (i) the spot rate of exchange in New York at which the Judgment Currency would have been convertible into U.S. dollars as of the date such judgment or order is entered, and (ii) the spot rate of exchange at which the Indemnified Party is first able to purchase U.S. dollars with the amount of the Judgment Currency actually received by the Indemnified Party. If, alternatively, the Indemnified Party receives a profit as a result of such currency conversion it will return any such profits to the Indemnifying Party (after taking into account any taxes or other costs arising in connection with such conversion and repayment). The foregoing indemnity shall constitute a separate and

independent, several and not joint, obligation of the Company and each International Underwriter, and shall continue in full force and effect notwithstanding any such judgment or order as aforesaid. The term “spot rate of exchange” shall include any premiums and costs of exchange payable in connection with the purchase of, or conversion into, the relevant currency.

19. Headings. The headings of the sections of this Agreement have been inserted for convenience of reference only and shall not be deemed a part of this Agreement.

20. Notices. All communications hereunder shall be in writing and effective only upon receipt and if to the International Underwriters shall be delivered, mailed or sent to the Managers at the address set forth in Schedule I hereto; and if to the Company shall be delivered, mailed or sent to the address set forth in Schedule I hereto.
