Effective April 4, 2003, Pennsylvania Real Estate Investment Trust (together with its subsidiaries and affiliated entities, "PREIT") and MPM Acquisition Corp., an affiliate of Morgan Properties, Ltd. (together, "Morgan"), entered into a Second Amendment to Purchase and Sale Agreement with respect to PREIT's multifamily portfolio, a copy of which is attached hereto as Exhibit 2.1. Among other things, the amendment reflects a modification of Morgan's deposit toward the purchase price and a reduction in the dollar amounts payable by either party as a consequence of terminating the transaction. The amendment also reflects the exclusion from the transaction of two properties held by PREIT in joint venture form as the result of the failure of PREIT's joint venture partners to consent to the transaction, resulting in a reduction of approximately \$12.8 million (approximately \$8.2 million of which consists of assumed indebtedness) from the original \$420 million purchase price. PREIT also announced that Morgan has secured and accepted debt and equity financing

This report contains certain "forward-looking statements" within the meaning of Section 21E of the Securities Exchange Act of 1934 and the U.S. Private Securities Litigation Reform Act of 1995. Forward-looking statements relate to expectations, beliefs, projections, future plans and strategies, anticipated events or trends and other matters that are not historical facts. These forward-looking statements reflect PREIT's current views about future events and are subject to risks, uncertainties, assumptions and changes in circumstances that may cause future events, achievements or results to differ materially from those expressed by the forward-looking statements. In particular, PREIT may not be able to consummate the proposed transaction on previously announced terms, favorable terms to PREIT, or at all, or if such transaction is consummated, PREIT's actual results may differ significantly from those expressed in any forward-looking statement. Certain factors that could cause PREIT not to consummate the transaction include, without limitation, the satisfaction of closing conditions applicable to the transaction (some of which are beyond PREIT's control). In addition, PREIT's business is subject to uncertainties regarding the revenues, operating expenses, leasing activities, occupancy rates, and other competitive factors relating to PREIT's portfolio and changes in local market conditions as well as general economic, financial and political conditions, including the possibility of outbreak or escalation of war or terrorist attacks, any of which may cause future events, achievements or results to differ materially from those expressed by the forward-looking statements. PREIT does not intend to and disclaims any duty or obligation to update or revise any forward-looking statements set forth in this report to reflect new information, future events or otherwise.
