By Order of the Board of Directors,

/s/ Nanette W. Mantell

Nanette W. Mantell, Esq.
Secretary

Dated: April 26, 2002

DUSA PHARMACEUTICALS, INC.

PROXY STATEMENT

The accompanying proxy is solicited on behalf of the Board of Directors of DUSA Pharmaceuticals, Inc. ("DUSA" or the "Company"). If properly signed and returned, and not revoked, the proxy will be voted in accordance with the instructions it contains. The persons named in the accompanying proxy will vote the proxy for the Board of Directors' slate of directors and for the other matters listed on the proxy as recommended by the Board of Directors unless contrary instructions are given.

The Company, a New Jersey corporation, maintains principal executive offices at 25 Upton Drive, Wilmington, Massachusetts. This proxy statement and the accompanying form of proxy are being mailed to shareholders on or about April 26, 2002. DUSA's Annual Report for 2001, including financial statements for the year ended December 31, 2001, is being mailed to shareholders at the same time.

SHAREHOLDERS ENTITLED TO VOTE.

Holders of record of shares of DUSA common stock at the close of business on April 17, 2002 are entitled to notice of and to vote at the annual meeting and at any and all adjournments or postponements of the meeting. On the record date there were 13,865,390 shares of common stock without par value ("Common Stock") outstanding and entitled to vote. These shares were the only shares outstanding of the Company. Each share entitles its owner to one vote. The holders of one-third of the shares that are outstanding and entitled to vote at the annual meeting must be present, in person or represented by proxy, in order to constitute a quorum for all matters to come before the meeting.

Other than the vote for the election of directors, which requires a plurality of the votes cast, each matter to be submitted to the shareholders requires the affirmative vote of a majority of the votes cast at the meeting. For purposes of determining the number of votes cast with respect to a particular matter, only those votes cast "For" or "Against" are included. Abstentions and broker non-votes are counted only for purposes of determining whether a quorum is present at the meeting. A broker "non-vote" occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received voting instructions from the beneficial owner. The nominees may vote the shares only on matters deemed routine, such as the election of directors and ratification of the selection of the auditors. The Company's management currently owns less than one percent of the Company's outstanding Common Stock.

HOW TO VOTE.

If you are a shareholder of record (that is a shareholder who holds shares in his/her own name), you can vote by signing, dating and returning your proxy card in the enclosed postage-paid envelope. If you sign and return your proxy

Edgar Filing: DUSA PHARMACEUTICALS INC - Form DEF 14A

card but do not give voting instructions, the shares represented by that proxy will be voted "FOR" Proposals 1 and 2 and will be voted in the proxy holder's discretion as to other matters that may come before the annual meeting.

If your shares are held in the name of a bank, broker or other holder of record (that is, "street name"), you will receive instructions from the holder of record that you must follow in order for your shares to be voted.

CHANGING YOUR VOTE.

You may change your vote at any time before the proxy is exercised, by executing and delivering a timely and valid later-dated proxy, by voting by ballot at the annual meeting or by giving written notice to the Secretary of the Company. Attendance at the meeting will not have the effect of revoking a proxy unless you give proper written notice of revocation to the Secretary before the proxy is exercised or you vote by written ballot at the annual meeting.

REDUCE DUPLICATE MAILINGS.

The Company is required to provide an Annual Report and proxy statement to all shareholders. If you are a shareholder of record and have more than one account in your name or at the same address as other shareholders of record, you may authorize the Company to discontinue mailings of multiple proxy statements, Annual Reports and other information statements. To do so, please mark the designated box on each proxy card for which you wish to discontinue to receive duplicate documents. Your consent to cease delivery of the Annual Report, proxy statements and other information statements shall be effective for five (5) years or until you revoke your consent. You may revoke your consent at any time by contacting Ms. Shari Lovell, in writing, at the Company's office located at 181 University Avenue,

Suite 1208, Toronto, Ontario M5H 3M7 Canada, or by calling 1-800-607-2530. Delivery of individual copies of the documents shall resume within thirty (30) days of our receipt of your request.

PROPOSAL NO. 1 - ELECTION OF DIRECTORS

Five (5) directors will be elected to hold office until the next Annual Meeting of Shareholders and/or until their successors have been duly elected and qualified. The persons named on the accompanying proxy will vote all shares for which they have received proxies for the election of the nominees named below unless contrary instructions are given. In the event that any nominee should become unavailable, shares will be voted for a substitute nominee unless the number of directors constituting a full board is reduced. Directors are elected by plurality vote.

MEETINGS AND COMMITTEES OF THE BOARD

During the year ended December 31, 2001, there were six meetings of the Board of Directors. Except for David Bartash, each incumbent director attended at least 75% of the meetings of the Board and its committees. Mr. Bartash attended 100% of the meetings of the Board and its committees since his appointment to the Board in November, 2001. The Board has established an Audit Committee, a Nominating Committee, and a Compensation Committee.

The Audit Committee currently consists of all the outside directors: Mr. Haft, Mr. Lufkin, Dr. Abeles and Mr. Bartash. The Audit Committee provides oversight of the Company's accounting functions and acts as liaison between the Board of Directors and the outside independent auditors. The Committee reviews with the independent auditors the unaudited quarterly financial statements, the planning and scope of the audits of the financial statements, the results of those audits and the adequacy of internal accounting controls, and monitors other corporate and financial policies. The Audit Committee met five times during 2001.

The Nominating Committee consists of the entire Board acting as a Committee of the Whole. The Nominating Committee reviews all matters concerning the selection of candidates as nominees for election as directors. The Nominating Committee met once during 2001 to consider candidates to fill the vacancy being created by Mr. Doherty's planned retirement. Shareholders who wish to suggest qualified candidates should write to: Administrator, Nominating Committee, DUSA Pharmaceuticals, Inc., 25 Upton Drive, Wilmington, Massachusetts 01887 stating, in detail, the qualifications of such persons for consideration by the Nominating Committee.

The Compensation Committee currently consists of Mr. Haft and Mr. Bartash. The Compensation Committee considers executive compensation of the Company's key officers and compensation of directors. It met twice in 2001 and in February 2002 to establish compensation for the year and to award bonuses for 2001.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THIS PROPOSAL.

BOARD AUDIT COMMITTEE REPORT(1)

The Audit Committee assists the Board of Directors by providing oversight of the Company's financial reporting process and the independent auditors. Management is responsible for preparing the Company's financial statements and the Company's independent auditors are responsible for auditing those financial statements. The Audit Committee is responsible for overseeing the conduct of these activities by the Company's management and the independent auditors. A brief description of the responsibilities of the Committee is set forth above under the caption "Meetings and Committees of the Board".

During 2001, the Audit Committee was composed of four non-employee directors: Mr. Abeles, Mr. Haft, Mr. Lufkin and Mr. Doherty. Following Mr. Doherty's retirement in November 2001, Mr. Bartash joined the Audit Committee in December 2001. The Audit Committee operates under a written charter adopted and approved by the Board of Directors. Each Committee member is independent as defined by NASD listing standards. A copy of the Audit Committee Charter was attached to the Company's proxy statement for the 2001 Annual Meeting of Shareholders.

The Committee has reviewed and discussed the audited consolidated financial statements for the fiscal year ended December 31, 2001 with management. The Committee also discussed with Deloitte & Touche LLP, the independent auditors, the matters required to be discussed by Statement on Auditing Standards No. 61, "Communication with Audit Committees." In addition, the Committee received from Deloitte & Touche the written disclosures and the letter required by Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees," and the Committee discussed with the independent auditors their independence from the Company and its management. Additionally, the Committee considered whether their provision of services to the Company beyond those rendered in connection with their audit and review of the Company's consolidated financial statements was compatible with maintaining their independence and the fees and costs billed and to be billed for those services as shown on page 4 of this proxy statement.

Based on its review, and the discussions with the Company's management and

Edgar Filing: DUSA PHARMACEUTICALS INC - Form DEF 14A

its independent auditors, the Committee recommended to the Board of Directors that the Company's audited consolidated financial statements for the fiscal year ended December 31, 2001 be included in the Company's Annual Report on Form 10-K. The Committee has also recommended the selection of the Company's independent auditors, and, the Board has selected, Deloitte & Touche LLP as the Company's independent auditors for the fiscal year ended December 31, 2002.

BOARD COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION(1)

The Compensation Committee of the Board of Directors (the "Committee") is composed of two (2) non-employee directors. The Committee is responsible for setting and administering the policies which govern annual executive salaries and cash bonus awards, and recommends participants and amounts of stock option awards to the Company's Board of Directors. The Committee evaluates, on a yearly basis, the performance, and determines the compensation of, the executive officers of DUSA. The Committee evaluates compensation based upon the achievement by the individual of corporate goals, and the performance of individual responsibilities. DUSA's President and Chief Executive Officer, Dr. D. Geoffrey Shulman, is not a member of the Committee, however, the Committee seeks input from Dr. Shulman regarding the performance of DUSA's Vice Presidents, as well as his recommendations for their compensation. Dr. Shulman is present, at the invitation of the Committee, at its meetings.

DUSA's executive compensation programs consist of base salary, cash bonus incentives, and stock option awards. The goals of the Company's executive officer compensation policies are to attract, retain, and reward executive officers who contribute to DUSA's success, to align executive officer compensation with DUSA's performance and to motivate executive officers to achieve the Company's business objectives. The executive officers were evaluated by the Committee against established goals for 2001 including corporate goals, the Company's stock performance and individual goals within each executive officer's area of responsibility.

With regard to base salary, the Committee believes that DUSA's officers should be compensated at levels comparable to the base salary of executive officers at similar small public biotechnology or pharmaceutical companies. During 2000, the Committee received survey data reporting the salaries for executives of companies in these groups which was prepared by independent consultants. For 2002, base salaries for DUSA's executive officers will not increase above 2001 base salaries due to the weak performance of the Company's first products and the reduction in stock value.

Generally, DUSA's Vice Presidents are eligible to receive up to 30% of their base salary as a cash bonus award. The Committee concluded that DUSA's

Edgar Filing: DUSA PHARMACEUTICALS INC - Form DEF 14A

operational performance, particularly implementing the construction of the Company's new manufacturing facilities and supporting the sales and marketing of the Company's new products, as well as the strategic analysis and due diligence concerning the evaluation of new business opportunities, justified favorable consideration of performance with regard to bonus awards. However, in establishing the bonus award amounts, the Committee recognized that certain Company goals for 2001 were not achieved. Accordingly, DUSA's Vice Presidents received cash bonus awards ranging from approximately 11% to 17% of their base salaries. These cash awards were paid in 2002.

The Committee also is using the 2000 survey data from independent consultants to monitor and evaluate the long-term incentive compensation levels of its officers and directors. The Committee believes that a strong stock ownership program is essential to the long-term growth of the Company. In 2002, the Committee intends to grant to DUSA's key executive officers awards of stock options to emphasize the long-term focus required for success in the pharmaceutical industry.

COMPENSATION OF THE PRESIDENT AND CHIEF EXECUTIVE OFFICER

Dr. Shulman's base salary and cash bonus award for 2001 were determined with reference to the same measures used for all DUSA's executive officers, but with particular emphasis on the maintenance of our financial strength and the transition from a development-stage company to an operating company. Dr. Shulman's base salary for 2001 was \$340,000. With regard to a cash bonus award, Dr. Shulman is eligible to receive up to 50% of base salary plus additional amounts for outstanding performance. For 2001, Dr. Shulman's bonus award was approximately 25% of his base salary. Dr. Shulman's cash bonus award was paid to him in 2002. The Committee has determined that for 2002, Dr. Shulman's base salary shall remain the same. The Compensation Committee exercised its subjective judgment and discretion in determining the amounts of Dr. Shulman's base salary, bonus award, and stock option awards for 2001.

OTHER COMPENSATION

The Company has employment agreements with each of the executive officers named in the Summary Compensation Table of this proxy statement, except for Dr. McIntyre. Pursuant to these agreements, the executive officers are entitled to receive compensation as determined by the Board of Directors and are eligible to receive the benefits generally made available to employees of the Company. DUSA may terminate any employment agreement at any time, with or without cause on sixty (60) days prior written notice. If an executive officer's employment is terminated without cause, DUSA shall pay a severance allowance equivalent to one year of the executive officer's then-current base salary payable in a lump sum, within sixty (60) days following the date of termination. In addition to the foregoing, Dr. Shulman's employment agreement also provides that he shall have the right to exercise, for a period of one year from the date of termination, all stock options granted to him prior to his termination as to all or any part of the shares covered by such options, including shares with respect to which such options would not otherwise be exercisable, subject to restrictions under U.S. or Canadian law.

In the event an executive officer should die while employed by DUSA, his heirs or beneficiaries will be entitled to any Company paid death benefits in force at the time of such death and will also be entitled to exercise any vested but unexercised stock options which were held by him at the time of his death, within a period of one (1) year from the date of death.

The employment agreements also provide for certain severance benefits following a change in control of the Company and termination of employment. Upon any "change of control," as defined in the agreements, DUSA shall pay to the executive officer a lump sum payment equal to three (3) times his base salary for the last fiscal year within five (5) days after such termination.

Under the Company's 1996 Omnibus Plan, as amended, any and all outstanding options not fully vested shall automatically vest in full and shall be immediately exercisable upon a "change of control," as defined in the grant agreements. The date on which such accelerated vesting and immediate exercisability shall occur shall be the date of the occurrence of the change of control.
