Table of Contents**VORNADO OPERATING COMPANY****NOTES TO CONSOLIDATED FINANCIAL STATEMENTS****1. ORGANIZATION**

Vornado Operating Company (the Company) holds its assets and conducts its business through Vornado Operating L.P., a Delaware limited partnership (Company L.P.). The Company is the sole general partner of, and as of March 31, 2002 owned a 90.1% partnership interest in, Company L.P. All references to the Company refer to Vornado Operating Company and its subsidiaries including Company L.P.

2. BASIS OF PRESENTATION

The consolidated balance sheet as of March 31, 2002, the consolidated statements of operations for the three months ended March 31, 2002 and 2001 and the consolidated statements of cash flows for the three months ended March 31, 2002 and 2001 are unaudited. In the opinion of management, all adjustments (which include only normal recurring adjustments) necessary to present fairly the financial position, results of operations and changes in cash flows have been made. Certain information and footnote disclosures normally included in financial statements prepared in accordance with accounting principles generally accepted in the United States of America have been condensed or omitted. These condensed consolidated financial statements should be read in conjunction with the consolidated financial statements and notes thereto included in the Company's annual report on Form 10-K for the year ended December 31, 2001 as filed with the Securities and Exchange Commission. The results of operations for the three months ended March 31, 2002 are not necessarily indicative of the operating results for the full year.

The accompanying consolidated financial statements include the accounts of the Company and Company L.P. All significant intercompany amounts have been eliminated.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ from those estimates.

Certain reclassifications to prior year amounts have been made to conform with the current year's presentation.

3. INVESTMENT IN PARTNERSHIP

The Company's investment in and advances to AmeriCold Logistics are as follows:

	March 31, 2002	December 31, 2001
AmeriCold Logistics (60% interest)	\$15,130,615	\$18,943,309

During the year ended December 31, 2001, the Company made two secured loans totaling \$8,940,000 to AmeriCold Logistics. The first loan, made on April 30, 2001, was \$3,840,000 and is secured by a mortgage on AmeriCold Logistics' quarries and is in addition to the \$3,000,000 advanced in 2000. This loan bears interest at 12% and requires monthly payments of interest until maturity on March 31, 2002. The second loan, made on June 6, 2001, was \$5,100,000 and is secured by property, plant and equipment. This loan bears interest at 14% and requires monthly payments of principal and interest of \$98,933 until maturity on December 31, 2002. On March 11, 2002 all three of these loans were amended to extend the maturity date to December 31, 2004.

Table of Contents**VORNADO OPERATING COMPANY****NOTES TO CONSOLIDATED FINANCIAL STATEMENTS-(Continued)**

The Company's \$6,000,000 contribution to AmeriCold Logistics in March 2000 was unmatched by the Company's partner, whose 100% owner recently announced its intention to file for bankruptcy protection. Accordingly, the \$4,000,000 contribution receivable shown in partners capital of the Vornado Crescent Logistics Operating Partnership's (which does business under the name AmeriCold Logistics) financial statements was cancelled at December 31, 2001. In the first quarter of 2002, the Company's \$6,000,000 became a special equity contribution that has priority over the original equity amounts. The Company's share of AmeriCold Logistics remains at 60%.

AmeriCold Logistics (60% interest)	\$(3,310,695)	\$(1,921,200)

The following condensed operating data represents 100% of AmeriCold Logistics of which the Company's share is 60%:

Net loss	\$ (6,140,000)	\$ (3,352,000)

AmeriCold Logistics anticipates that the Vornado REIT/Crescent REIT Partnership (the Landlord) may further restructure the leases to provide additional cash flow.

On February 22, 2001, AmeriCold Logistics' leases with the Landlord were restructured to, among other things, (i) reduce 2001's contractual rent to \$146,000,000 (\$14,500,000 less than 2000's contractual rent), (ii) reduce 2002's contractual rent to \$150,000,000 (plus additional contingent rent in certain circumstances), (iii) increase the Landlord's share of annual maintenance capital expenditures by \$4,500,000 to \$9,500,000 effective January 1, 2000 and (iv) extend the deferred rent period to December 31, 2003 from March 11, 2002.

During the first quarter of 2002, AmeriCold Logistics exercised its right, pursuant to the terms of its leases to defer payment of rent. AmeriCold Logistics' current balance of deferred rent is as follows:

	Total	The Company's Share
Deferred during quarter ended March 31, 2002	\$ 3,014,000	\$ 1,808,400
Aggregate deferral at December 31, 2001		
10,068,000 6,040,800		

Total deferred rent at March 31, 2002
\$13,082,000 \$7,849,200

On January 23, 2002, the leases with the Landlord were restructured to consolidate four of the non-encumbered leases into one non-encumbered lease. The restructuring did not affect total contractual rent due under the combined leases.

4. VORNADO AGREEMENT

The Company and Vornado Realty Trust (Vornado) have entered into an agreement (Vornado Agreement) pursuant to which, among other things, (a) Vornado will under certain circumstances offer the Company an opportunity to become the lessee of certain real property owned now or in the future by Vornado (under mutually satisfactory lease terms) and (b) the Company will not make any real estate investment or other REIT-Qualified Investment unless it first offers Vornado the opportunity to make such investment and Vornado has rejected that opportunity.

Under the Vornado Agreement, Vornado provides the Company with certain administrative, corporate, accounting, financial, insurance, legal, tax, data processing, human resources and operational services. Also, Vornado makes available to the Company, at Vornado s offices, space for the Company s principal corporate office. For these services, the Company compensates Vornado in an amount determined in good faith by Vornado as the amount an unaffiliated third party would charge the Company for comparable services and reimburses Vornado for certain costs incurred and paid to third parties on behalf of the Company. The Company incurred \$82,500 and \$99,046 for the three months ended March 31, 2002 and 2001, respectively for such services.

Vornado and the Company each have the right to terminate the Vornado Agreement if the other party is in material default of the Vornado Agreement or upon 90 days written notice to the other party at any time after December 31, 2003. In addition, Vornado has the right to terminate the Vornado Agreement upon a change in control of the Company.

7. COMMITMENTS AND CONTINGENCIES

The Company is from time to time involved in legal actions arising in the ordinary course of its business. In the opinion of management, after consultation with legal counsel, the outcome of such matters will not have a material adverse effect on the Company's financial condition, results of operations or cash flows.

8. RECENTLY ISSUED ACCOUNTING STANDARDS

In June 2001, the Financial Accounting Standards Board (FASB) issued SFAS No. 141, *Business Combinations* and SFAS No. 142, *Goodwill and Other Intangible Assets*. SFAS No. 141 was effective in July 2001 and SFAS 142 was effective in January 2002. The implementation of these standards did not have an impact on the Company's financial statements.

In June 2001, the FASB issued SFAS No. 143, *Accounting for Asset Retirement Obligations* (effective January 1, 2003). SFAS No. 143 requires the recording of the fair value of a liability for an asset retirement obligation in the period in which it is incurred. The Company does not believe that the adoption of SFAS No. 143 will affect the Company's financial statements.

In August 2001, the FASB issued SFAS No. 144 *Accounting for the Impairment or Disposal of Long-Lived Assets* (effective January 1, 2002). SFAS No. 144 provides for a single accounting model for long lived-assets to be disposed of by sale and requires discontinued operations presentation for disposals of a component of an entity. The implementation of this standard did not have an impact on the Company's financial statements.

Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations

Certain statements contained herein constitute forward-looking statements as such term is defined in Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. Certain factors could cause actual results to differ materially from those in the forward-looking statements. Factors that might cause such a material difference include, but are not limited to: (a) the Company's limited operating history; (b) restrictions on the Company's business and future opportunities; (c) dependence upon Vornado Realty Trust; (d) the substantial influence of the Company's controlling stockholders and conflicts of interest; (e) risks associated with potential investments and ability to manage those investments; (f) competition; (g) the Company's obligations under the Revolving Credit Agreement; (h) AmeriCold Logistics' obligations under the lease agreements with the Vornado REIT/Crescent REIT Partnership; (i) the Company's limited financial resources; (j) dependence on key personnel; (k) potential anti-takeover effects of the Company's charter documents and applicable law; (l) dependence on dividends and distributions of subsidiaries; (m) potential costs of compliance with environmental laws; (n) changes in the general economic climate; and (o) government regulations. See "Risk Factors" in the Company's Annual Report on Form 10-K for the year ended December 31, 2001.

Results of Operations

The Company's operations and business are subject to a variety of risks. In considering the Company's results of operations, please read "Risk Factors" in the Company's Annual Report on Form 10-K for the year ended December 31, 2001.

There was no interest income for the three months ended March 31, 2002, compared to \$3,329 for the three months ended March 31, 2001. The decrease resulted from a lower average invested balance during the first quarter of 2002.

General and administrative expenses were \$273,021 for the three months ended March 31, 2002, compared to \$507,408 for the three months ended March 31, 2001, a decrease of \$234,387. This decrease resulted from lower payroll costs relating to the Company's former Chief Operating Officer, Emanuel R. Pearlman, who resigned, effective June 15, 2001.

The Company's loss from AmeriCold Logistics was \$3,310,695 for the three months ended March 31, 2002, compared to \$1,921,200 for the three months ended March 31, 2001, an increase of \$1,389,495. These losses are reduced by interest income earned on loans advanced to AmeriCold Logistics by the Company. Interest income was \$373,305 for the three months ended March 31, 2002, compared to \$90,000 for the three months ended March 31, 2001. This increase of \$283,305 is the result of higher average loans outstanding during the current period than the prior period. Excluding interest income, the loss from AmeriCold Logistics was \$3,684,000 and \$2,011,200 for the three months ended March 31, 2002 and 2001 (these amounts are discussed below).

On February 22, 2001, AmeriCold Logistics' leases with the Landlord were restructured to, among other things, (i) reduce 2001's contractual rent to \$146,000,000 (\$14,500,000 less than 2000's contractual rent), (ii) reduce 2002's contractual rent to \$150,000,000 (plus additional contingent rent in certain circumstances), (iii) increase the Landlord's share of annual maintenance capital expenditures by \$4,500,000 to \$9,500,000 effective January 1, 2000 and (iv) extend the deferred rent period to December 31, 2003 from March 11, 2002.

Table of Contents

The AmeriCold Logistics results are discussed below:

AmeriCold Logistics Results of Operations for the Three Months Ended March 31, 2002 and 2001

The following are discussions of the results of operations of AmeriCold Logistics, the Company's Temperature Controlled Logistics business see the Company's Annual Report on Form 10-K for a discussion of this business. The data below represents 100% of this business, of which the Company owns 60%. For the purpose of the discussions below, Leased Operations refer to operations at warehouses leased by AmeriCold Logistics and Other Operations refer to (i) warehouses managed by AmeriCold Logistics for the accounts of customers (Managed Warehouses), (ii) Transportation Management Services, which includes freight routing, dispatching, freight rate negotiation, backhaul coordination, and distribution channel assessments, and (iii) Quarry Operations.

Revenues were \$154,628,000 for the three months ended March 31, 2002, compared to \$159,775,000 for the three months ended March 31, 2001, a decrease of \$5,147,000. Revenues from Leased Operations were \$105,761,000 for the three months ended March 31, 2002, compared to \$108,121,000 for the three months ended March 31, 2001, a decrease of \$2,360,000. Revenues from Other Operations were \$48,867,000 for the three months ended March 31, 2002, compared to \$51,654,000 for the three months ended March 31, 2001, a decrease of \$2,787,000.

The revenue decrease in Leased Operations for the three months ended March 31, 2002, resulted from a reduction in customer inventory turns, a rate restructuring with a major customer and temporary plant shut-downs. The decrease in revenue from Other Operations is primarily a decline in Transportation Management Services due to a reduction in volume and the loss of one customer.

The gross margin for Leased Operations was \$40,215,000, or 38.0% for the three months ended March 31, 2002, compared to \$39,848,000, or 36.9% for the three months ended March 31, 2001, an increase of \$367,000. The increase in gross margin is primarily attributable to a reduction in payroll expenses.

Operating income from Other Operations was \$3,690,000 for the three months ended March 31, 2002, compared to \$3,292,000 for the three months ended March 31, 2001, an increase of \$398,000. The increase in operating income is attributable to reduced payroll in quarry operations.

Rent expense was \$37,541,000 for the three months ended March 31, 2002, compared to \$35,480,000 for the three months ended March 31, 2001. One half of this increase results from the February 2001 lease modification and the balance comes from seasonality effects.

General and administrative expenses were \$8,667,000 for the three months ended March 31, 2002, compared to \$8,326,000 for the three months ended March 31, 2001, an increase of \$341,000. The increase resulted primarily from higher payroll expense offset by lower contract labor.

Depreciation and amortization expense was \$2,873,000 for the three months ended March 31, 2002, compared to \$2,187,000 for the three months ended March 31, 2001. The increase of \$686,000 is primarily the result of an adjustment for changes in useful asset lives and additional equipment purchased since the prior year's quarter.

Interest expense was \$1,092,000 for the three months ended March 31, 2002, compared to \$689,000 for the three months ended March 31, 2001. This \$403,000 increase resulted from higher average borrowings outstanding in the current year.

Other income was \$128,000 for the three months ended March 31, 2002, compared to \$190,000 for the three months ended March 31, 2001, a decrease of \$62,000. This decrease resulted primarily from lower cash balances and lower interest rates in the current year.

As a result of the aforementioned factors, AmeriCold Logistics' net loss for the three months ended March 31, 2002 increased by \$2,788,000 to \$6,140,000. The Company's share of this loss is \$3,684,000.

Table of Contents

Interest and debt expense to Vornado Realty Trust was \$491,000 for the three months ended March 31, 2002, compared to \$601,000 for the three months ended March 31, 2001, a decrease of \$110,000 which resulted primarily from interest calculated on lower LIBOR rates under the Revolving Credit Agreement with Vornado.

As a result of the aforementioned factors, the Company had a net loss of \$4,074,228 for the three months ended March 31, 2002, compared to \$3,804,399 for the three months ended March 31, 2001, an increase of \$269,829.

Liquidity and Capital Resources

The Company has a \$75,000,000 unsecured Revolving Credit Agreement with Vornado that expires on December 31, 2004. Borrowings under this facility bear interest at LIBOR plus 3% (4.88% at March 31, 2002). The Company pays Vornado a commitment fee equal to 1% per annum on the average daily unused portion of the facility pursuant thereto. Principal payments are not required under the Revolving Credit Agreement during its term. The Revolving Credit Agreement prohibits the Company from incurring indebtedness to third parties (other than certain purchase money debt and certain other exceptions) and prohibits the Company from paying dividends. The Company has no external sources of financing except this facility.

During the three months ended March 31, 2002, the Company increased its note payable to Vornado by \$65,000. At March 31, 2002, \$43,512,000 remains available under this facility.

During the year ended December 31, 2001, the Company made two secured loans totaling \$8,940,000 to AmeriCold Logistics. The first loan, made on April 30, 2001, was \$3,840,000 and is secured by a mortgage on AmeriCold Logistics' quarries and is in addition to the \$3,000,000 advanced in 2000. This loan bears interest at 12% and requires monthly payments of interest until maturity on March 31, 2002. The second loan, made on June 6, 2001, was \$5,100,000 and is secured by property, plant and equipment. This loan bears interest at 14% and requires monthly payments of principal and interest of \$98,933 until maturity on December 31, 2002. On March 11, 2002 all three of these loans were amended to extend the maturity date to December 31, 2004.

AmeriCold Logistics anticipates that the Landlord may further restructure the leases to provide additional cash flow.

During the first quarter of 2002, AmeriCold Logistics exercised its right, pursuant to the terms of its leases to defer payment of rent. AmeriCold Logistics' current balance of deferred rent is as follows:

	Total	The Company's Share
Deferred during quarter ended March 31, 2002	\$ 3,014,000	\$ 1,808,400
Aggregate deferral at December 31, 2001		
10,068,000 6,040,800		
<hr/>		
<hr/>		
Total deferred rent at March 31, 2002		
\$13,082,000 \$7,849,200		
<hr/>		
<hr/>		

On January 23, 2002, the leases with the Landlord were restructured to consolidate four of the non-encumbered leases into one non-encumbered lease. The restructuring did not affect total contractual rent due under the combined leases.

Edgar Filing: VORNADO OPERATING CO - Form 10-Q

The Company's \$6,000,000 contribution to AmeriCold Logistics in March 2000 was unmatched by the Company's partner, whose 100% owner recently announced its intention to file for bankruptcy protection. Accordingly, the \$4,000,000 contribution receivable shown in partners capital of the Vornado Crescent Logistics Operating Partnership's financial statements was cancelled at December 31, 2001. In the first quarter of 2002, the Company's \$6,000,000 became a special equity contribution that has priority over the original equity amounts. The Company's share of AmeriCold Logistics remains at 60%.

Recently Issued Accounting Standards

In June 2001, the Financial Accounting Standards Board (FASB) issued SFAS No. 141, *Business Combinations* and SFAS No. 142, *Goodwill and Other Intangible Assets*. SFAS No. 141 was effective in July 2001 and SFAS 142 was effective in January 2002. The implementation of these standards did not have an impact on the Company's financial statements.

In June 2001, the FASB issued SFAS No. 143, *Accounting for Asset Retirement Obligations* (effective January 1, 2003). SFAS No. 143 requires the recording of the fair value of a liability for an asset retirement obligation in the period in which it is incurred.
