Sincerely yours,

/S/ George C. McNamee

PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

Edgar Filing: FIRST ALBANY COMPANIES INC - Form DEF 14A

APRIL 29, 2003

This Proxy Statement is being furnished to the Shareholders of First Albany Companies Inc., a New York corporation (the "Company"), in connection with the solicitation by the Board of Directors of the Company (the "Board") of proxies for use at the Annual Meeting of Shareholders of the Company to be held at the offices of the Company, 30 South Pearl Street, Albany, New York, on Tuesday, April 29, 2003 at 10:00 A.M. (EDT), and any postponements or adjournments thereof (the "Meeting"). The mailing address of the principal executive office of the Company is 30 South Pearl Street, Albany, New York 12207 and its telephone number is (518) 447-8500.

At the Meeting, the Shareholders of the Company will be asked (i) to elect three directors of the Company whose terms will expire at the 2006 Annual Meeting of Shareholders and one director whose term will expire at the 2005 Annual Meeting of Shareholders, (ii) to consider and act upon a proposal to adopt the Second Amendment to the First Albany Companies Inc. 1999 Long-Term Incentive Plan, (iii) to consider and act upon a proposal to approve the adoption of the Senior Management Bonus Plan and (iv) to consider and act upon a proposal to approve the adoption of the 2003 Directors' Stock Plan.

PROXY SOLICITATION

This Proxy Statement and the enclosed form of proxy are expected to be mailed on or about March 28, 2003. All expenses of the Company in connection with this solicitation of proxies will be borne by the Company. Proxies may be solicited by directors, officers and other employees of the Company in person or by mail, telephone, facsimile or e-mail, without additional compensation. The Company will also request brokerage firms, nominees, custodians and fiduciaries to forward proxy materials to the beneficial owners of shares held of record by such persons and will reimburse such persons and the Company's transfer agent for their reasonable out-of-pocket expenses in forwarding such materials but these individuals will receive no additional compensation for these solicitation services.

3

VOTING BY MAIL, INTERNET OR TELEPHONE

Shareholders who cannot attend the Annual Meeting in person can be represented by proxy. Most shareholders have a choice of voting over the Internet, using a toll-free telephone number or completing the proxy card in the form enclosed and mailing it in the envelope provided. Please refer to your proxy card or the information forwarded by your bank, broker or other nominee to see which options are available to you.

A proxy may be revoked at any time before it is exercised by giving notice of revocation to the Secretary of the Company, by executing a later-dated proxy (including an Internet or telephone vote) or by attending and voting in person at the Meeting. The execution of a proxy will not affect a shareholder's right to attend the Meeting and vote in person, but attendance at the Meeting will not, by itself, revoke a proxy. Proxies properly completed and received prior to the Annual Meeting and not revoked will be voted at the Annual Meeting.

MULTIPLE SHAREHOLDERS SHARING THE SAME ADDRESS

In accordance with a notice sent to eligible shareholders who share a single address, we are sending only one annual report and proxy statement to that address unless we received instructions to the contrary from any shareholder at that address. This practice, known as "householding," is designed

Edgar Filing: FIRST ALBANY COMPANIES INC - Form DEF 14A

to reduce the Company's printing and postage costs. However, if a shareholder of record residing at such address wishes to receive a separate annual report or proxy statement in the future, he or she may contact our transfer agent, American Stock Transfer, at (212) 936-5100 or write to American Stock Transfer, 59 Maiden Lane, New York, New York 10038, Attention: Shareholder Services Department. If you are an eligible shareowner of record receiving multiple copies of our annual report and proxy statement, you can request householding by contacting us in the same manner. If you own your shares through a bank, broker or other nominee, you can request householding by contacting the nominee.

VOTING, RECORD DATE AND QUORUM

Proxies will be voted as specified or, if no direction is indicated on a proxy, will be voted (i) "FOR" the election of the four persons named under the caption "Election of Directors"; (ii) "FOR" the adoption of the Second Amendment to the First Albany Companies Inc. 1999 Long-Term Incentive Plan; (iii) "FOR" the adoption of the Senior Management Bonus Plan; and (iv) "FOR" the adoption of the 2003 Directors' Stock Plan.

The persons named in the proxy also may vote in favor of a proposal to adjourn the Meeting to a subsequent date or dates without further notice in order to solicit and obtain sufficient votes to approve the matters being considered at the Meeting. If a proxy is returned which specifies a vote against a proposal, such discretionary authority will not be used to adjourn the Meeting in order to solicit additional votes in favor of such proposal. As to any other matter or business which may be brought before the Meeting including any adjournment(s) or postponement(s) thereof, a vote may be cast pursuant to the proxy in accordance with the judgment of the person or persons voting the same, but the Board does not know of any such other matter or business.

4

The close of business on March 17, 2003 has been fixed as the record date for the determination of Shareholders entitled to vote at the Meeting. 10,470,978 shares of common stock were outstanding as of the record date. Each Shareholder will be entitled to cast one vote, in person or by proxy, for each share of common stock held. The presence, in person or by proxy, of the holders of at least a majority of the shares of common stock entitled to vote at the Meeting is necessary to constitute a quorum at the Meeting. Abstentions, broker non-votes and votes to "withhold authority" are counted in determining whether a quorum has been reached on a particular matter.

The affirmative vote of the holders of a plurality of the shares of common stock cast at the Meeting is required for the election of directors. The affirmative vote of the holders of a majority of the votes cast at the Meeting is required for the approval of (i) the Second Amendment to the First Albany Companies Inc. 1999 Long-Term Incentive Plan, (ii) the Senior Management Bonus Plan and (iii) the 2003 Directors' Stock Plan. Accordingly, abstentions, broker non-votes and votes against will have no effect on the items to be voted on at the Meeting.

THE BOARD RECOMMENDS (I) THE ELECTION OF THE FOUR PERSONS NAMED AS NOMINEES UNDER "ELECTION OF DIRECTORS," (II) THE APPROVAL OF THE ADOPTION OF THE SECOND AMENDMENT TO THE FIRST ALBANY COMPANIES INC. 1999 LONG-TERM INCENTIVE PLAN, (III) THE APPROVAL OF THE ADOPTION OF THE SENIOR MANAGEMENT BONUS PLAN, AND (IV) THE APPROVAL OF THE ADOPTION OF THE 2003 DIRECTORS' STOCK PLAN.

PROPOSAL NO. 1
ELECTION OF DIRECTORS

The Bylaws of the Company currently provide that the Board shall consist of seven directors elected in three classes. Three directors will be elected at the Meeting to serve for a three-year term expiring at the Annual Meeting of Shareholders in 2006, and one director will be elected at the Meeting to serve for a two-year term expiring at the Annual Meeting of Shareholders in 2005. The Board has nominated Hugh A. Johnson, Jr., Nicholas A. Gravante, Jr. and Dale Kutnick as directors whose terms will expire in 2006 and Shannon P. O'Brien as a director whose term will expire in 2005. The Board recommends that shareholders vote FOR the election of these nominees.

If the enclosed proxy card is duly executed and received in time for the Meeting, and if no contrary specification is made as provided therein, it will be voted in favor of the election of persons nominated as directors by the Board.

Each of the nominees has consented to serve as a director if elected. Should any nominee for director become unable or unwilling to accept election, proxies will be voted for a nominee selected by the Board, or the size of the Board may be reduced accordingly. The Board has no reason to believe that any of the nominees will be unable or unwilling to serve if elected to office. Any vacancy occurring during the term of office of any director may be filled by the remaining directors for a term expiring at the next meeting of Shareholders at which the election of directors is in the regular order of business. Two of the nominees, Hugh A. Johnson, Jr., and Shannon O'Brien, are presently directors of the Company. The terms of Daniel V. McNamee III and Charles L. Schwager as directors expire at the Meeting. The Company expresses its utmost appreciation to Messrs. McNamee and Schwager for their dedicated service as Directors.

Mr. Fiederowicz served as chairman of Colonial Data Technologies Corp., from August 1994 to March 1996. Mr. Wink participates on a number of industry-related committees, including the New York Stock Exchange's Compliance Advisory Committee, and as Chair of the Bond Market Association's Municipal Legal Advisory Committee, as well as a number of community boards.

9

At a meeting of the Board of Directors on March 10, 2003, a provision of the By-Laws was amended to defer the need to approve all Board of Director nominations by the Committee on Directors and Corporate Governance until the 2004 Annual Shareholders Meeting. This provision was added to the Company's By-Laws in November 2002 in anticipation of the adoption of NASDAQ's proposed corporate governance reforms. The NASDAQ proposed rules have not yet been adopted and remain subject to change. In addition, at the time of the March 10, 2003 Board meeting, the Governance Committee had not completed its process of recommending nominees to serve as directors of the Company.

On March 12, 2003, in a letter to the Secretary of the Company, Ms. Benaree P. Wiley resigned as a director of the Company. In the letter, Ms. Wiley expressed her disagreement with the Company's practices and commitment in the area of corporate governance. Ms. Wiley stated that she was "particularly troubled" by the decision at the special meeting of the Board on March 10, 2003

Edgar Filing: FIRST ALBANY COMPANIES INC - Form DEF 14A

to amend the Company's By-laws because it "completely undermined" the Company's compliance with mandated corporate governance procedures. Ms. Wiley also indicated that she believed that the independence of the Company's Board has been "materially compromised".

On March 17, 2003, in a letter to the Chairman of the Board, Mr. J. Anthony Boeckh also resigned as a director of the Company. His letter raised concerns regarding corporate governance and Board independence similar to those set forth in Ms. Wiley's March 12th letter.

The Company disagrees with Ms. Wiley's and Mr. Boeckh's assertions. Contrary to their claims, the Company is fully committed to sound corporate governance. The actions taken at the Board meeting did not "undermine" corporate governance standards. The only amendment to the By-laws of the Company deferred implementation of the one provision described above until next year's Annual Meeting. In fact, at the March 10, 2003 Board meeting, the Board unanimously selected Ms. Shannon O'Brien, an independent director. In addition, the Board nominated three other persons, as described above, to fill positions of directors whose terms expire at this Meeting. Two of these nominees, Messrs. Gravante and Kutnick, if elected, will be new and independent directors; the third is a continuing employee director. Overall, the continuing directors together with the nominees would have comprised a Board of six independent directors - an increase from four. The two new nominees and Ms. O'Brien will enhance and broaden the Board's expertise and strengthen its independence.

10

GOVERNANCE OF THE COMPANY

The Board of Directors held 5 meetings during the Company's fiscal year ended December 31, 2002. Each current Director attended 75% or more of the aggregate of (i) the total number of meetings of the Board and (ii) the total number of meetings held by all committees of the Board on which he or she served. The Board of Directors has been monitoring the corporate governance rules that the Securities and Exchange Commission has enacted pursuant to the Sarbanes-Oxley Act of 2002 and the new corporate governance rules proposed by NASDAQ. The Company will adopt changes to its corporate governance policies and practices in order to comply with the final rules.

COMMITTEES OF THE BOARD

The Board of Directors has three standing committees: the Audit Committee, the Executive Compensation Committee and the Committee on Directors and Corporate Governance.

THE AUDIT COMMITTEE. The Audit Committee, responsible for reviewing the Company's financial statements, met 8 times during the fiscal year. The Audit Committee operates pursuant to a written charter that the Board reviews each year to assess its adequacy. The current Audit Committee Charter is attached as Exhibit A to this Proxy Statement. As fully set forth in the attached charter, the Audit Committee reviews the Company's expenditures, reviews the Company's internal accounting controls and financial statements, reviews with the Company's independent auditors the scope of their audit, their report and their recommendations and recommends the selection of the Company's independent auditors. During 2002, this Committee was comprised of Mr. Fiederowicz, who serves as the chairman, Mr. Schwager and Ms. Wiley. Ms. O'Brien was appointed to the Committee in 2003 to replace Ms. Wiley. Each member of the Audit Committee is an "independent director" as defined in Rule 4200 of the National Association of Securities Dealers, Inc. listing standards.

THE EXECUTIVE COMPENSATION COMMITTEE. The Executive Compensation Committee

Edgar Filing: FIRST ALBANY COMPANIES INC - Form DEF 14A

is responsible for reviewing and approving the compensation of executive officers of the Company. The Compensation Committee also administers the Company's 1999 Long-Term Incentive Plan, 2001 Long-Term Incentive Plan and the 2003 Senior Management Bonus Plan. During 2002, the Executive Compensation Committee met once and was comprised of Co-Chairmen Messrs. Boeckh and Schwager. Mr. Fiederowicz was appointed to the Committee in 2003 to replace Mr. Boeckh.

THE COMMITTEE ON DIRECTORS AND CORPORATE GOVERNANCE. The Board established the Committee on Directors and Corporate Governance in fiscal year 2002. The Committee held one meeting in 2002. Among its specific duties, the Committee determines criteria for service as director, reviews candidates and considers appropriate governance practices. The Committee considers nominees for director proposed by shareholders. To recommend a prospective nominee for the Committee's consideration, shareholders should submit the candidate's name and qualifications to the Company's Corporate Secretary in writing to the following address: First Albany Companies, Inc., 30 South Pearl Street, Albany, New York 12207, Attn: Corporate Secretary. During 2002, Ms. Wiley served as chairperson and Messrs. Boeckh and Fiederowicz were members of this Committee.

11

DIRECTOR COMPENSATION

During 2002, the Company paid directors who are not executive officers of the Company (the "Non-Employee Directors") an annual retainer of \$6,000 and \$2,500 per board meeting attended (\$1,000 for attendance by conference call), plus reimbursement of reasonable expenses. In addition, the Chair of any committee and the Non-Employee Directors who are members of such committees were paid \$1,250 and \$1,000, respectively, per committee meeting attended. Employee directors do not receive any compensation for their service as members of the Board.

On March 10, 2003, the Board of Directors approved the 2003 Directors' Stock Plan (the "Directors' Plan"), subject to the approval of the Company's shareholders at the Annual Meeting. If the Directors' Plan is approved by shareholders, the Non-Employee Directors will be eligible to receive an annual grant of stock options and restricted share awards as of the date of each annual meeting. The number of options or restricted shares awarded are generally within the discretion of the Board, except that no Non-Employee Director may receive an option covering more than 5,000 shares or 2,000 shares of restricted stock in any year. Pursuant to this annual grant provision, all of the Company's Non-Employee Directors following the Annual Meeting will receive stock options to purchase 1,000 shares of Common Stock.

All options that may be granted under the Directors' Plan will have an exercise price equal to the fair market value of the Common Stock on the date of grant, become exercisable in three equal installments beginning on the first anniversary of the date of grant, and have a ten-year term. In addition to any annual grant of options or restricted shares, under the Directors' Plan, the Board may permit a Non-Employee Director to elect to receive all or a portion of his/her annual cash retainer in restricted shares.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

In the ordinary course of its business, First Albany Corporation extends credit to employees, including directors and executive officers, under Regulation T, which regulates credit in cash and margin accounts. Such extensions of credit are performing and are made on the same terms as for customers.

The Company has committed to invest as a limited partner up to \$20 million

Edgar Filing: FIRST ALBANY COMPANIES INC - Form DEF 14A

in FA Technology Ventures, L.P. (the "Fund"), a technology fund with total limited partner equity commitments of \$100 million. The Company has also committed to invest up to an additional \$15 million in parallel with the Fund; this parallel commitment may be satisfied by investments from the Company's employee funded investment vehicles established by the Company to allow select employees to invest along with the Fund. Messrs. Boeckh, Goldberg, Schwager and Fiederowicz are also (directly or indirectly) limited partners in this Fund. The Fund is managed by FA Technology Ventures Corporation a wholly-owned subsidiary of the Company, which receives management fees for its services. George McNamee is an employee of this subsidiary and received compensation from it, which is reflected in the summary compensation table below. In addition, Mr. McNamee is a member of FATV GP LLC, the general partner of the Fund, with a current 17.251% membership interest. As a result of this interest in the general partner, he would be entitled to receive a corresponding percentage of the 20% carried interest that may

12

become payable by the Fund to its general partner if the Fund's investments are successful. Mr. McNamee is required under the partnership agreement for the Fund to devote a majority of his business time to the conduct of the Fund and any parallel funds.

In addition, as of December 31, 2002, the Company owned approximately 10.8% of Mechanical Technology Incorporated ("MTI"). Mr. G. McNamee was Chairman and Chief Executive Officer of MTI until October, 2002 and Mr. Goldberg was a director of MTI until December, 2002. In 2002, Mr. G. McNamee received no compensation for his services as Chief Executive Officer at MTI and received options to purchase 20,000 shares of common stock of MTI for his services as a director, and Mr. Goldberg received options to purchase 28,000 shares of common stock of MTI for his services as a director, in each case similar to compensation granted to other non-employee directors at MTI.

First Albany Corporation (the "Corporation") has an exclusive arrangement with Meta Group Inc. ("Meta"), an information technology research advisor. Through the arrangement, the Corporation has access to Meta's research and analysts and uses this information in support of its own research products. Mr. Kutnick, a nominee for election to the Board of Directors of the Company, is the Chairman of the Board of Directors of Meta and holder of approximately 13.5% of Meta common stock. In 2002, the Corporation paid Meta \$1,099,253 (including \$56,753 in expense reimbursements) pursuant to this arrangement. For 2003, the Corporation expects to pay at least this amount to Meta based on equity trading volumes.

2001 LONG-TERM INCENTIVE PLAN

On October 18, 2001, the Board of Directors adopted the 2001 Long-Term Incentive Plan (the "2001 Plan"). The 2001 Plan provides for the granting of

Edgar Filing: FIRST ALBANY COMPANIES INC - Form DEF 14A

non-qualified stock options, performance units, restricted shares and stock appreciation rights to the employees of the Company and its subsidiaries. Upon adoption of the 2001 Plan, the Company reserved a total of 800,000 common shares for issuance under the 2001 Plan. In November 2002, an additional 800,000 common shares were reserved for issuance under the 2001 Plan. The committee of the Board administering the 2001 Plan has the authority to establish the exercise price and term for options grants. The options generally vest and become exercisable in four equal installments beginning on the first anniversary of the grant date. The options vest on an accelerated basis in the event of a change in control of the company. The 2001 Plan is intended to function as a

17

broad-based incentive plan, and no awards under the 2001 Plan have been made to directors or executive officers of the Company.

As of March 17, 2003, options covering 1,509,683 shares of the Company's common stock were outstanding under the 2001 Plan and options covering 18,283 shares had been exercised during the fiscal year. Also as of March 17, 2003, 605,502 Restricted Shares had been granted under the 2001 Plan. No performance units or stock appreciation rights have been granted. 33,646 shares remained available for granting of future awards.

The 2001 Plan is included as Exhibit 10.15 in the Company's Annual Report on Form 10-K for the period ended December 31, 2002, filed with the Securities and Exchange Commission.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Based on the Company's review of reports filed by directors, executive officers and 10% shareholders of the Company on Forms 3, 4 and 5 pursuant to Section 16(a) of the Securities Exchange Act of 1934, the Company believes that all such reports were filed on a timely basis during fiscal year 2002.

EXECUTIVE COMPENSATION COMMITTEE REPORT

OVERVIEW

The Executive Compensation Committee establishes the compensation policies applicable to the executive officers of the Company. The Compensation Committee also administers the Company's Long-Term Incentive Plans and will administer the Senior Management Bonus Plan if such plan is approved by shareholders at the Annual Meeting.

COMPENSATION POLICIES

Compensation for senior executives of the Company has been strongly influenced by the principle that the compensation of senior executives should be structured to directly link the executives' financial reward to Company performance. Thus, senior executives would both share in the success of the Company as a whole and be adversely affected by poor Company performances, thereby aligning their interests with the interests of the Company's shareholders.

Salaries of executive officers are intended to be relatively moderate, and are set at levels, which the Executive Compensation Committee believes are generally competitive with salaries of executives in similar positions at comparable financial services companies. In addition, substantial emphasis is placed on incentive compensation directly related to short and long-term corporate performance through annual cash bonuses and stock option grants.

ANNUAL BONUS

As is common in the financial services industry, a significant portion of total compensation of the Company's executive officers is paid in the form of annual bonuses. For example, in 2002 executive officers received annual bonuses ranging from 87.5% to 166.7% of their base salaries. This practice is intended to maximize the portion of an individual's compensation that is subject to fluctuation each year based upon corporate and individual performance, as discussed below. The compensation program is structured to recognize each executive's level of responsibility and to reward exceptional individual and corporate performance.

The specific bonus an executive receives is dependent on his level of responsibility and individual performance. Levels of responsibility are evaluated annually by the Executive Compensation Committee without regard to any specific formula. Assessments of individual performance are also made annually by the Executive Compensation Committee after receiving the recommendations of the Co-CEOs, Messrs. G. McNamee and Goldberg. Such assessments are based on a number of subjective factors, including individual and corporate performance, initiative, business judgment, and management skills.

Section 162(m) of the Internal Revenue Code generally prohibits publicly held companies, such as the Company, from deducting from corporate income all compensation paid to a chief executive officer or any of the four other most highly compensated officers that exceeds for each officer \$1 million during the tax year. Qualifying performance-based compensation paid pursuant to plans approved by the Company's shareholders will not be subject to this deduction limitation. Therefore, the Board has adopted, and presented to shareholders for their approval, the Senior Management Bonus Plan. This plan will condition the payment of an executive's annual bonus on the attainment of specific targets that the Executive Compensation Committee establishes and that are related to the Company's financial performance. The Committee intends for compensation paid under the Senior Management Bonus Plan to officers covered by Section 162(m) to satisfy the requirements of performance-based compensation.

BASE SALARY

A competitive base salary is important in fostering a career orientation among executives consistent with the long-term nature of the Company's business objectives. The Executive Compensation Committee determines the salary of each of the executive officers based on its consideration of the Co-CEOs' recommendations.

Salaries and salary adjustments are based on the responsibilities, performance, and experience of each executive, regular reviews of competitive positioning (comparing the Company's salary structure with that of similar companies) and business performance. While there is no specific weighing of these factors, the responsibilities, performance and experience of each executive and reviews of competitive positioning are the most important considerations.

THE STOCK INCENTIVE PLAN

Awards under the 1999 Long-Term Incentive Plan supplement the bonuses paid to the Named Executive Officers. The number of options granted to the executive officers, in general, reflects the decision of the Executive Compensation

Edgar Filing: FIRST ALBANY COMPANIES INC - Form DEF 14A

Committee to allocate a portion of compensation in stock options, the value of which is directly linked to the future financial success of the Company. In December 2002, the Executive Compensation Committee granted stock options to the executive officers as part of their 2002 compensation. The Long-Term Incentive Plan also allows the Executive Compensation Committee to grant performance units, restricted shares and stock appreciation rights. In 2002, the Executive Compensation Committee also awarded Steven Jenkins 25,000 restricted shares.

COMPENSATION OF CO-CHIEF EXECUTIVE OFFICERS

For fiscal year 2002, the total cash compensation paid to Co-CEO Mr. Goldberg was \$808,333 and the total compensation paid to Co-CEO Mr. McNamee was \$600,000. For fiscal year 2002, each of the Co-CEOs received a base salary of \$300,000, the same level of base salary for 2001. Mr. Goldberg received bonus compensation of \$500,000 and Mr. McNamee received bonus compensation of \$300,000. In fiscal year 2002, Mr. Goldberg was awarded options to purchase 50,000 shares of the common stock of the Company. In determining the bonus and other compensation of the Company's Co-CEOs for the fiscal year 2002, the Committee compared the Company's performance to that of industry peers, as well as to the market's performance as a whole. Among other things, the Committee considered the performance of the Company's common stock, its return on investments made in other businesses, its pre-tax return on equity, its earnings per share and comparable market data. Messrs. G. McNamee and Goldberg's fiscal year 2002 award reflects each of their significant personal contributions to the business and leadership in building the Company's revenues, earnings, and capital position, and the financial results for fiscal year 2002

AUDIT COMMITTEE REPORT

The Audit Committee of the Company is composed of three independent directors and operates under a written charter adopted by the Board which was amended in November of 2002 and is included as Exhibit A to this proxy statement. Each of the members of the Audit Committee meets the independent and experience requirements of the NASDAQ Stock Market.

During the year 2002, at each of its meetings, the Committee met with the Company's Chief Financial Officer and General Counsel. In addition, the Committee meets with its independent accountants on a quarterly basis as requested by the independent accountants. At each meeting, the Committee is provided with the opportunity to meet privately with the independent accountants as well as with management. In addition, once each year the Committee meets with the Director of the Company's Internal Audit Department and the Director of the Company's Compliance Department for reports on the status of internal controls.

The Committee recommended to the Board that the Company's current independent accountants, PricewaterhouseCoopers LLP, be appointed as the independent accountants to conduct the audit for the fiscal year ended December 31, 2002. Pursuant to the revised written charter, going forward the Committee will be directly responsible for the appointment of the Company's independent accountants who shall report directly to the Committee. The Company's independent accountants have provided to the Committee a written disclosure required by Independent Standards Board Standard No. 1 (Independent Discussion with Audit Committees), and the Committee discussed with the independent

Edgar Filing: FIRST ALBANY COMPANIES INC - Form DEF 14A

accountants that firm's independence.

Management represented to the Committee that the Company's consolidated financial statements for fiscal 2002 were prepared in accordance with generally accepted accounting principals and the Committee has reviewed and discussed the consolidated financial statements with management and the independent accountants. The Committee discussed with the independent accountants what is required to be discussed by Statement on Auditing Standards No. 61 (Communication With Audit Committees), as amended by Statement on Auditing Standards No. 90 (Audit Committee Communications). Based on these discussions and reviews, the Committee recommended that the Board of Directors include the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2002 for filing with the Securities and Exchange Commission.

The Audit Committee has determined that the provision of the non-audit services described in "All Other Fees" below is compatible with maintaining PricewaterhouseCoopers LLP's independence.

As noted above, Ms. Wiley, who served on the Audit Committee during 2002, resigned from the Board prior to the preparation of this report, and Ms. O'Brien, who was appointed to the Audit Committee in March 2003, did not participate in the preparation of this report. Accordingly,

this report is being submitted by the following two Directors serving on the Audit Committee at the time this report was prepared.

PRINCIPAL ACCOUNTING FIRM FEES

Audit Fees. The aggregate fees billed by the Company's principal accounting firm, PricewaterhouseCoopers, LLP, for professional services rendered for the audit of the Company's annual financial statement for the year ended December 31, 2002 and review of the financial statements included in the Company's Forms 10-Q for that year were \$212,000.

Financial Information Systems Design and Implementation Fees. No amounts were billed by PricewaterhouseCoopers, LLP in 2002 for financial information systems design and implementation services.

All other fees. The aggregate fees billed for services rendered by PricewaterhouseCoopers, L.L.P. for 2002, other than the services described above, for tax preparation and advice were \$103,000 and for review of the Company's filings related to employee benefit plans and other services were \$21,000. The Audit Committee has considered the non-audit services by PricewaterhouseCoopers, LLP compatible with maintaining auditor independence.

Representatives of PricewaterhouseCoopers LLP will be present at the annual meeting. They will be given the opportunity to make a statement if they desire to do so, and they will be available to respond to appropriate questions after the meeting.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The Company has an Executive Compensation Committee responsible for approving the compensation of the Company's executive officers. Messrs. Boeckh and Schwager served on the Executive Compensation Committee during the 2002 fiscal year. Neither of the Executive Compensation Committee members is involved in a relationship requiring disclosure as an interlocking executive officer/director under any paragraph of Item 404 of Regulation S-K or as a former officer or employee of the Company. Mr. McNamee, who serves as Chairman and Co-Chief Executive Officer of the Company, and Mr. Goldberg, who serves as President and Co-Chief Executive Officer of the Company, are not members of the Executive Compensation Committee and cannot vote on matters decided by the Executive Compensation Committee.

PROPOSAL NO. 2 ADOPTION OF THE SECOND AMENDMENT TO THE FIRST ALBANY COMPANIES INC. 1999 LONG-TERM INCENTIVE PLAN

In March of 1999, the First Albany Companies Inc. 1999 Long-Term Incentive Plan (the "Plan") was adopted by the Board of Directors (the "Board") of First Albany Companies Inc. (the "Company"), and on May 18, 1999, it was approved by the Company's shareholders. On March 28, 2002, the Board adopted the First Amendment to the First Albany Companies Inc. 1999 Long-Term Incentive Plan to increase the number of shares that may be granted under the Plan from 800,000 shares to 1.6 million shares, and the Company's shareholders approved the First Amendment at last year's annual meeting of shareholders.

Edgar Filing: FIRST ALBANY COMPANIES INC - Form DEF 14A

On March 10, 2003, the Board adopted the Second Amendment to the Plan to increase the number of shares that may be granted under the Plan from 1.6 million shares to 2.4 million shares. As of December 31, 2002, options granted and outstanding under the Plan covered an aggregate of 1,310,696 shares, leaving 245,227 shares remaining for issuance pursuant to subsequent grants. The Company needs the additional shares to further promote the interests of the Company and its shareholders by enabling the Company to attract, retain and motivate employees and officers. The Company's shareholders are now requested to approve the Second Amendment, the only purpose of which is to increase the number of shares that may be granted under the Plan.

The Second Amendment will not be effective unless and until it is approved by the affirmative vote of a majority of the votes cast at the Annual Meeting on this proposal by the holders of the shares of Common Stock entitled to vote thereat. Should such shareholder approval not be obtained, then the Second Amendment will not be implemented but the Plan in effect prior to the Second Amendment will continue to remain in effect.

THE BOARD RECOMMENDS THAT THE COMPANY'S SHAREHOLDERS VOTE FOR ADOPTION OF THE SECOND AMENDMENT TO THE FIRST ALBANY COMPANIES INC. 1999 LONG-TERM INCENTIVE PLAN.

24

Set forth below for the convenience of the Company's shareholders is the description of the Plan.

PURPOSE

The purpose of the Plan is to further and promote the interests of the Company, its subsidiaries and its shareholders by enabling the Company and its subsidiaries to attract, retain and motivate employees and officers or those who will become employees or officers of the Company and/or its subsidiaries, and to align the interests of those individuals and the Company's stockholders. To do this, the Plan offers performance-based incentive awards and equity-based opportunities to provide such persons with a proprietary interest in maximizing the growth, profitability and overall success of the Company.

NUMBER OF SHARES

The maximum number of shares of Common Stock as to which awards could be granted may not exceed 1,600,000 shares or, if the Second Amendment is approved, 2,400,000 shares. The maximum amount payable in respect of awards subject to performance criteria in any calendar year may not exceed 500,000 shares of common stock in the aggregate to all participants and 300,000 shares of common stock in the case of any individual participant. The limits on the numbers of shares described in this paragraph are subject to proportional adjustment to reflect certain stock changes, such as stock dividends and stock splits.

If, however, any awards expire or terminate unexercised, the shares of Common Stock allocable to the unexercised or terminated portion of such award shall again be available for awards under the Plan to the extent of such expiration or termination, subject to certain limitations under the Plan.

ADMINISTRATION

The administration, interpretation and operation of the Plan will be vested in the Executive Compensation Committee. Members of the Executive Compensation Committee will serve at the pleasure of the Board, which may at any time remove or add members to it. No member of the Executive Compensation Committee will be eligible to receive an award under the Plan. The day-to-day administration of

Edgar Filing: FIRST ALBANY COMPANIES INC - Form DEF 14A

the Plan will be carried out by persons other than members of the Executive Compensation Committee of the Company designated by the Executive Compensation Committee. The Executive Compensation Committee may, in its sole discretion, delegate its authority to one or more senior executive officers for the purposes of making awards to participants who are not subject to Section 16 of the Securities Exchange Act of 1934.

ELIGIBILITY

Key employees and officers or those who will become key employees or officers of the Company are eligible to receive awards under the Plan. Awards under the Plan will be made by the Executive Compensation Committee or by a senior executive officer who has been delegated authority to grant awards to participants who are not subject to Section 16 of the Securities Exchange Act of 1934 pursuant to the Plan by the Executive Compensation Committee. Awards

25

will be made pursuant to individual award agreements between the Company and each participant.

AWARDS UNDER THE PLAN

Introduction. Awards under the Plan may consist of stock options, stock appreciation rights, restricted shares or performance unit awards, each of which is described below. All awards will be evidenced by an agreement approved by the Executive Compensation Committee. In the discretion of the Executive Compensation Committee, an eligible employee may receive awards from one or more of the categories described below, and more than one award may be granted to an eligible employee. In the event of any change in the outstanding shares of Common Stock of the Company by reason of certain stock changes, including without limitation stock splits, the terms of awards and number of shares of any outstanding award may be equitably adjusted by the Board in its sole discretion. However, in the event of a stock dividend, the terms of awards and number of shares of any outstanding award will be equitably adjusted automatically, with no action being required by the Board. No determination has been made as to future awards which may be granted under the Plan, although it is anticipated that recipients of awards will include the current executive officers of the Company.

Stock Options and Stock Appreciation Rights. A stock option is an award that entitles a participant to purchase shares of Common Stock at a price fixed at the time the option is granted. Stock options granted under the Plan may be in the form of incentive stock options (which qualify for special tax treatment) or non-qualified stock options and may be granted alone or in addition to other awards under the Plan. Stock options may be granted alone or in tandem with stock appreciation rights (SARs).

SARs entitle a participant to receive, upon exercise, cash, restricted shares or unrestricted shares of Common Stock as provided in the relevant award agreement, with a value equal to (a) the difference between (i) the fair market value on the exercise date of the shares with respect to which a SAR is exercised and (ii) the fair market value on the date the SAR was granted, multiplied by (b) the number of shares of Common Stock for which the SAR has been exercised.

No SAR may be exercised until six months after its grant or prior to the exercisability of the stock option with which it is granted in tandem, whichever is later.

The exercise price and other terms and conditions of such options will

Edgar Filing: FIRST ALBANY COMPANIES INC - Form DEF 14A

be determined by the Executive Compensation Committee at the time of grant, and in the case of incentive stock options, such exercise price will not be less than 100 percent of the fair market value of the Common Stock on the date of the grant. No term of any incentive stock options shall exceed ten years after grant. An option or SAR grant under the Plan does not provide an optionee any rights as a shareholder and such rights will accrue only as to shares actually purchased through the exercise of an option or the settlement of a SAR.

Exercise of an option (or a SAR) will result in the cancellation of the related option (or SAR) to the extent of the number of shares in respect of which such option (or SAR) has been exercised. Unless otherwise determined by the Executive Compensation Committee or provided

26

in the relevant award agreement, stock options shall become exercisable over a four-year period from the date of grant with 25% vesting on each anniversary of the grant in that time period.

Payment for shares issuable pursuant to the exercise of an option may be made either in cash, by certified check, bank draft, or money order by delivery of shares of Common Stock already owned by the participant for at least six months, or, if permitted by the Executive Compensation Committee and applicable law, by delivery of a fully-secured promissory note or some other form of payment acceptable to the Executive Compensation Committee.

Restricted Share Awards. Restricted share awards are grants of Common Stock made to a participant subject to conditions established by the Executive Compensation Committee in the relevant award agreement. The restricted shares only become unrestricted in accordance with the conditions and vesting schedule, if any, provided in the relevant award agreement, but in no event shall restricted shares vest prior to six months after the date of grant. A participant may not sell or otherwise dispose of restricted shares until the conditions imposed by the Executive Compensation Committee have been satisfied. Restricted share awards under the Plan may be granted alone or in addition to any other awards under the Plan. Restricted shares which vest will be reissued as unrestricted Common Stock.

Each participant who receives a grant of restricted shares will have the right to receive all dividends and vote or execute proxies for such shares. Any stock dividends will be treated as additional restricted shares.

Performance Units. Performance units (with each unit representing a monetary amount designated in advance by the Executive Compensation Committee) are awards which may be granted to participants alone or in addition to any other awards under the Plan. Participants receiving performance unit grants will only earn such units if the Company and/or the participant achieve certain performance goals during a designated performance period. The Executive Compensation Committee will establish such performance goals and may use such measures as total shareholder return, return on equity, net earnings growth, sales or revenue growth, comparison to peer companies, individual or aggregate participant performance or such other measures the Executive Compensation Committee deems appropriate. The participant may forfeit such units in the event the performance goals are not met. If all or a portion of a performance unit is earned, payment of the designated value thereof will be made in cash, in unrestricted Common Stock or in restricted shares or in any combination thereof, as provided in the relevant award agreement.

FORFEITURE UPON TERMINATION

Unless otherwise provided in the relevant award agreement, if a

Edgar Filing: FIRST ALBANY COMPANIES INC - Form DEF 14A

participant's employment is terminated for any reason, any unexercisable stock option or SAR shall be forfeited and canceled by the Company. Such participant's right to exercise any then-exercisable stock option or SAR will terminate 90 days after the date of such termination (but not beyond the stated term of such stock option or SAR); provided, however, the Executive Compensation Committee may (to the extent options were exercisable on the date of termination) extend such period. If a participant dies, becomes totally disabled or retires, such participant (or the estate or other legal representative of the participant), to the extent the stock options of SARs are

27

exercisable immediately prior to the date of death, total disability or retirement, will be entitled to exercise any stock options or SARs at any time within the one-year period following such death, disability or retirement, but not beyond the stated term of such stock option or SAR.

Unless otherwise provided in the relevant award agreement, if a participant's employment is terminated for any reason (other than due to death, total disability or retirement) (a) prior to the lapsing of any applicable restriction period, or the satisfaction of any other restrictions, applicable to any grant of restricted shares, or, (b) prior to the completion of any performance period in respect of any grant of performance units, such restricted shares or performance units, as the case may be, will be forfeited by such participant; provided, however, that the Executive Compensation Committee may, in its sole discretion, determine within 90 days after such termination that all or a portion of such restricted shares or performance units, as the case may be, shall not be so forfeited. In the case of death, total disability or retirement, the participant (or the estate or other legal representatives of the participant) shall become 100% vested in any restricted shares as of the date of termination or shall be entitled to earn into the participant's performance units.

CHANGE OF CONTROL

If a Change of Control, as defined in the Plan, occurs (i) all Stock Options and/or SARs then unexercised and outstanding will become fully vested and exercisable, (ii) all restrictions, terms and conditions applicable to restricted shares then outstanding will be deemed lapsed and satisfied and (iii) all performance units will be deemed to have been fully earned, each as of the date of the Change of Control; provided, however, that such Change of Control provisions will only apply to those participants who are employed by the Company as of the date of the Change of Control or who are terminated before the Change of Control and reasonably demonstrate that such termination was in connection with or in anticipation of the Change of Control.

RECAPITALIZATION ADJUSTMENTS

In the event of any change in capitalization affecting the Common Stock of the Company, including without limitation, a distribution, recapitalization, stock split, reverse stock split, consolidation, subdivision, split-up, spin-off, split-off, combination, or exchange of Common Stock or other corporate transaction or event that affects the Common Stock such that an adjustment is determined by the Board, in its sole discretion, to be necessary or appropriate in order to prevent dilution or enlargement of benefits or potential benefits intended to be made available under the Plan, the Board may, in any manner that it in good faith deems equitable, adjust any or all of (i) the maximum number of shares of Common Stock of the Company with respect to which awards may be granted, (ii) the number of shares of Common Stock of the Company (or number and kind of other securities or property) subject to outstanding awards, and (iii) the exercise price or other price per share with respect to any outstanding

awards.

MERGERS

If the Company enters into or is involved in any merger, reorganization or other business combination with any person or entity (a "Merger Event") and the Company will be or is the surviving entity, the Board may, as of the date of such Merger Event, replace such stock

28

options with substitute stock options and/or SARs in respect of the shares of the surviving corporation on such terms and conditions, as to the number of shares, pricing and otherwise, which shall substantially preserve the value, rights and benefits of any affected stock options or SARs granted hereunder as of the date of the consummation of the Merger Event. If any Merger Event occurs, the Company has the right, but not the obligation, to pay to each affected participant an amount in cash or certified check equal to the excess of the fair market value of the Common Stock underlying any unexercised stock options or SARs (whether then exercisable or not) over the aggregate exercise price of such unexercised stock options and/or SARs, as the case may be. If, in the case of a Merger Event in which the Company will not be, or is not, the surviving corporation, and the Company determines not to make the cash or certified check payment described above, the Company shall compel and obligate, as a condition of the consummation of the Merger Event that the surviving entity grant substitute stock options in the manner described in the Plan. Upon receipt by any affected participant of any such substitute stock options, SARs (or payment) as a result of any such Merger Event, such participant's affected stock options and/or SARs for which such substitute options and/or SARs (or payment) were received shall be thereupon cancelled without the need for obtaining the consent of any such affected participant.

AMENDMENT, SUSPENSION OR TERMINATION OF THE PLAN

The Board may amend, suspend or terminate the Plan (or any portion thereof) at any time; provided, however, that no amendment by the Board may, without the approval of a majority of the stockholders, (i) increase the number of shares of Common Stock which may be issued under the Plan, except as provided therein, (ii) materially modify the requirements as to eligibility for participation in the Plan, (iii) materially increase the benefits accruing to participants under the Plan except as permitted therein, provided Rule 16b-3 of the Securities and Exchange Act of 1934 does not require shareholder approval. No amendment, suspension or termination by the Board of Directors shall (a) materially adversely affect the rights of any participant under any outstanding share grants, without the consent of such participant, or (b) make any change that would disqualify the Plan from the exemption provided by Rule 16b-3 of the Exchange Act or from the benefits or entitlements to deductions provided under Sections 422 and 162(m) of the Internal Revenue Code of 1986 (the "Code"), respectively.

CERTAIN FEDERAL INCOME TAX CONSEQUENCES OF THE PLAN

The following is a brief and general summary of some United States federal income tax consequences applicable to the Plan. The summary does not reflect any provisions of the income tax laws of any state, local or foreign taxing jurisdiction. Because the tax consequences of events and transactions under the Plan depend upon various factors, including an individual's own tax status, each participant who receives an award under the Plan should consult a tax advisor.

Incentive Stock Options. Stock options granted under the Plan may be incentive stock options (within the meaning of Section 422 of the Code) or non-qualified

Edgar Filing: FIRST ALBANY COMPANIES INC - Form DEF 14A

stock options. Upon the grant of an incentive stock option, the optionee will not recognize any income. Generally, no income is recognized by the optionee upon the exercise of an incentive stock option. The optionee must increase his or her alternative minimum taxable income for the taxable year in which he or she

29

exercised the incentive stock option by the amount that would have been ordinary income had the option not been an incentive stock option.

Upon the subsequent disposition of shares acquired upon the exercise of an incentive stock option, the federal income tax consequences will depend upon when the disposition occurs and the type of disposition. If the shares are disposed of by the optionee after the later to occur of (i) the end of the two-year period beginning the day after the day the incentive stock option is awarded to the optionee, or (ii) the end of the one-year period beginning on the day after the day the shares are issued to the optionee (the later of (i) or (ii) being the "ISO Holding Period"), any gain or loss realized upon such disposition will be long-term capital gain or loss, and the Company (or a subsidiary) will not be entitled to any income tax deduction in respect of the option or its exercise. For purposes of determining the amount of such gain or loss, the optionee's tax basis in the shares will be the option price.

Generally, if the shares are disposed of by the optionee in a taxable disposition within (i) the two-year period beginning on the day after the day the option was awarded to the optionee, or (ii) the one-year period beginning on the day after the day the shares are issued to the optionee, the excess, if any, of the amount realized (up to the fair market value of the shares on the exercise date) over the option price will be compensation taxable to the optionee as ordinary income, and the Company generally will be entitled to a deduction (subject to the provisions of Section 162(m) of the Code discussed below under the caption "Limits on Deductions") equal to the amount of ordinary income realized by the optionee. Any amount realized upon such a disposition by the optionee in excess of the fair market value of the shares on the exercise date will be capital gain.

If an optionee has not remained an employee of the Company during the period beginning with the grant of an incentive stock option and ending on the day three months (one year if the optionee becomes disabled) before the date the option is exercised (other than in the case of the optionee's death), the exercise of such option will be treated as the exercise of a non-qualified stock option with the tax consequences described below.

Non-Qualified Stock Options. In general, upon the grant of a non-qualified stock option, an optionee will not recognize any income. At the time a nonqualified option is exercised, the optionee will recognize compensation taxable as ordinary income, and the Company generally will be entitled to a deduction (subject to the provisions of Section 162(m) of the Code discussed below under the caption "Limits on Deductions"), in an amount equal to the difference between the fair market value on the exercise date of the shares acquired pursuant to such exercise and the option price. Upon a subsequent disposition of the shares, the optionee will recognize long- or short-term capital gain or loss, depending upon the holding period of the shares. For purposes of determining the amount of such gain or loss, the optionee's tax basis in the shares will be the fair market value of such shares on the exercise date.

Effect of Share-for-Share Exercise. If an optionee elects to tender shares of Common Stock in partial or full payment of the option price for shares to be acquired through the exercise of an option, generally the optionee will not recognize any gain or loss on such tendered shares. However, if the shares

Edgar Filing: FIRST ALBANY COMPANIES INC - Form DEF 14A

tendered in connection with any share-for-share exercise were previously acquired upon the exercise of an incentive stock option, and such share-for-share exercise occurs

30

during the ISO Holding Period for such shares, then there will be a taxable disposition of the tendered shares with the tax consequences described above for the taxable dispositions during the ISO Holding Period of the shares acquired upon the exercise of an incentive stock option.

If the optionee tenders shares upon the exercise of a nonqualified option, the optionee will recognize compensation taxable as ordinary income and the Company generally will be entitled to a deduction (subject to the provisions of Section 162(m) of the Code discussed below under the caption "Limits on Deductions") in an amount equal only to the fair market value of the number of shares received by the optionee upon exercise which is in excess of the number of tendered shares, less any cash paid by the optionee.

Restricted Shares. A participant will not recognize any income upon the award of restricted shares unless the participant makes an election under Section 83(b) of the Code in respect of such grant, as described below. Unless a participant has made an election under Section 83(b) of the Code in respect of any restricted shares, any dividends received by the participant with respect to restricted shares prior to the date the participant recognizes income with respect to such award (as described below) must be treated by the participant as compensation taxable as ordinary income, and the Company will be entitled to a deduction, in an amount equal to the amount of ordinary income recognized by the participant. After the terms and conditions applicable to the restricted shares are satisfied, or if the participant has made an election under Section 83(b) of the Code in respect of the restricted shares, any dividends received by the participant in respect of such award will be treated as a dividend taxable as ordinary income, and the Company will not be entitled to a deduction in respect of any such dividend payment.

Unless the participant has made an election under Section 83(b) of the Code (as described below), at the time the terms and conditions applicable to the restricted shares are satisfied, a participant will recognize compensation taxable as ordinary income, and the Company generally will be entitled to a deduction, in an amount equal to the then fair market value of the shares of Common Stock for which the terms and conditions applicable to the restricted share award have been satisfied. The participant's tax basis for any such shares of Common Stock would be the fair market value on the date such terms and conditions are satisfied.

A participant may irrevocably elect under Section 83(b) of the Code to recognize compensation taxable as ordinary income, and the Company will be entitled to a corresponding deduction, in an amount equal to the fair market value of such restricted shares (determined without regard to any restrictions thereon) on the date of grant. Such an election must be made by the participant not later than 30 days after the date of grant. If such an election is made, no income would be recognized by the participant (and the Company will not be entitled to a corresponding deduction) at the time the applicable terms and conditions are satisfied. The participant's tax basis for the restricted shares received and for any shares of Common Stock subsequently held in respect thereof would be the fair market value of the restricted shares (determined without regard to any restrictions thereon) on the date of grant. If a participant makes such an election and subsequently all or part of the award is forfeited, the participant will not be entitled to a deduction as a result of such forfeiture.

The holding period for capital gain or loss purposes in respect of the Common

Edgar Filing: FIRST ALBANY COMPANIES INC - Form DEF 14A

Stock underlying an award of restricted shares shall commence when the terms and conditions applicable to the

31

restricted shares are satisfied, unless the participant makes a timely election under Section 83(b) of the Code. In such case, the holding period will commence immediately after the grant of such restricted shares.

Performance Units. A participant will not recognize any income upon the award of a performance unit. If the performance goals applicable to the performance unit are achieved during the applicable performance period and such performance units are earned, a participant will recognize compensation taxable as ordinary income when he or she receives payment with respect to such performance unit, and at such time the Company will be entitled to a deduction equal to the amount of cash or the then fair market value of unrestricted Common Stock received by the participant in payment of the performance units. The participant's tax basis for any such shares of Common Stock would be the fair market value on the date such unrestricted shares are transferred to the participant. If all or a portion of the performance units are paid in restricted shares, see "Restricted Shares" above for a discussion of the applicable tax treatment.

Limits on Deductions. Under Section 162(m) of the Code, the amount of compensation paid to the chief executive officer and the four other most highly paid executive officers of the Company in the year for which a deduction is claimed by the Company (including its subsidiaries) is limited to \$1,000,000 per person in any year, except that qualified performance-based compensation will be excluded for purposes of calculating the amount of compensation subject to this \$1,000,000 limitation. The ability of the Company to claim a deduction for compensation paid to any other executive officer or employee of the Company (including its subsidiaries) is not affected by this provision.

The Company has structured the Plan so that the Company may claim a deduction in connection with (i) the exercise of non-qualified stock options and/or SARs, (ii) the disposition during the ISO Holding Period by an optionee of shares acquired upon the exercise of incentive stock options, and (iii) the payment of any performance units, provided that, in each case, the requirements imposed on qualified performance-based compensation under Section 162(m) of the Code and the regulations thereunder are satisfied with respect to such awards. Because restricted share awards under the Plan are not deemed to be qualified performance-based compensation under Section 162(m) of the Code, amounts for which the Company may claim a deduction upon the lapse of any restrictions on such restricted share awards will be subject to the limitations on deductibility under Section 162(m).

Additional Information. The recognition by an employee of compensation income with respect to a grant or an award under the Plan will be subject to withholding for federal income and employment tax purposes. If an employee, to the extent permitted by the terms of a grant or award under the Plan, uses shares of Common Stock to satisfy the federal income and employment tax withholding obligation, or any similar withholding obligation for state and local tax obligations, the employee will recognize a capital gain or loss, short-term or long-term, depending on the tax basis and holding period for such shares of Common Stock.

If the provisions of the Plan relating to a change in control become applicable, certain compensation payments or other benefits received by "disqualified individuals" (as defined in Section 280G(c) of the Code) under the Plan or otherwise may cause or result in "excess parachute payments" (as defined in Section 280G(b) (I) of the Code). Pursuant to Section 280G

of the Code, any amount that constitutes an excess parachute payment is not deductible by the Company. In addition, Section 4999 of the Code generally imposes a 20% excise tax on the amount of any such excess parachute payment received by such a disqualified individual, and any such excess parachute payments will not be deductible by the Company (or a subsidiary).

2002 AWARDS UNDER THE 1999 LONG-TERM INCENTIVE PLAN

During the last fiscal year, the executive officers named in the Summary Compensation Table were granted the number of options set forth in the Option Grant Table under the Plan, and the current executive officers as a group were granted 120,000 options in the aggregate under the Plan. The current directors who are not executive officers were granted no options under the Plan, and all employees who are not executive officers were granted 195,500 options in the aggregate. Mr. Jenkins also received 25,000 restricted shares under the Plan in 2002. All employees who are not executive officers were granted 471,391 shares of restricted stock under the Plan in 2002.

PROPOSAL NO. 3
ADOPTION OF THE
SENIOR MANAGEMENT BONUS PLAN

The Board adopted the Senior Management Bonus Plan (the "Management Bonus Plan") on March 10, 2003, subject to approval by the Company's shareholders. The Management Bonus Plan provides for the issuance of awards of annual cash incentive compensation to senior executives of the Company. The Company's shareholders are now requested to approve the Management Bonus Plan. A general description of the purpose and principal terms of the Management Bonus Plan is set forth below. The full text of the Management Bonus Plan is set forth as Exhibit B hereto.

The Management Bonus Plan will not be effective unless and until it is approved by the affirmative vote of a majority of the votes cast at the Annual Meeting on this proposal by the holders of the shares of Common Stock entitled to vote thereat.

THE BOARD RECOMMENDS THAT THE COMPANY'S SHAREHOLDERS VOTE FOR THE ADOPTION OF THE SENIOR MANAGEMENT BONUS PLAN.

SUMMARY OF SENIOR MANAGEMENT BONUS PLAN

PURPOSE. The Management Bonus Plan will permit the Company to provide senior officers of the Company with the incentive to assist the Company in meeting and exceeding its business goals. The Management Bonus Plan is intended to satisfy the requirements for performance-based compensation under Section 162(m) of the Internal Revenue Code. Section 162(m) eliminates a federal income tax deduction for annual compensation in excess of one million dollars paid by the Company to any officer named in the Summary Compensation Table unless that compensation is paid on account of attainment of one or more "performance-based" goals. One requirement for compensation to be performance-based is that the compensation is paid pursuant to a plan that the shareholders have approved.

ADMINISTRATION. The Compensation Committee, which is composed solely of non-employee Directors, will administer the Management Bonus Plan. The Compensation Committee may permit any executive officer of the Company to participate in the Management Bonus Plan. It is anticipated that the participants will include the executive officers required to be named in the

Edgar Filing: FIRST ALBANY COMPANIES INC - Form DEF 14A

Executive Compensation Table in the proxy statement.

PERFORMANCE TARGETS. The awards under the Management Bonus Plan may only be paid if the performance targets for the performance period are attained. The Compensation Committee will establish the performance targets for the performance period no later than 90 days after the beginning of the performance period. The performance targets shall be based on one or more of the following business criteria: (a) earnings, (b) revenues, (c) stock price, (d) earnings per share, (e) return on equity, (f) return on capital, (g) total shareholder return, (h) before or after tax profit margins, (i) book value per share, (j) expense management, (k) budget comparison, (l) improvements in capital structure and (m) the relative performance of the Company against a peer group of companies on any of the measures above.

34

DETERMINATION OF AWARDS. For each participant, the Compensation Committee will establish a target award for attainment of each performance target, percentages of the target award for various levels of performance and a threshold level of performance below which no bonus payment may be made. The Compensation Committee has the discretion to decrease or eliminate, though not increase, the amount of any award. In no event will a participant receive awards during a performance period that exceed \$5 million in the aggregate.

PRORATED AWARDS. A participant must be employed at the end of the performance period to receive an award under the Management Bonus Plan, unless the participant dies, becomes disabled or retires, in which event the award will be prorated. In the event that a person is hired or promoted into a position eligible for the Management Bonus Plan after the beginning of a performance period, the Compensation Committee may allow such person to participate during that performance period and be eligible for a prorated award based on the target award established for similarly situated participants.

AMENDMENT OR TERMINATION. The Board or the Compensation Committee can terminate, suspend or amend the Management Bonus Plan at any time. However, no amendment which requires shareholder approval in order for the Management Bonus Plan to continue to comply with Section 162(m) of the Code will be effective until approved by the shareholders.

NO LIMITS ON OTHER AWARDS AND PLANS. The Company retains the discretion of establishing other incentive compensation or paying other cash bonuses to employees who are also participating in the Management Bonus Plan.

NEW BENEFITS UNDER THE MANAGEMENT BONUS PLAN. Awards under the Management Bonus Plan will be based on the Company's future performance. No incentive compensation under these terms has yet been earned by any participant because the performance period for 2003 has not yet been completed. Accordingly, the amount of awards to be paid in the future to the participants cannot be determined at this time. Actual awards will depend on the Company's actual performance and whether the Compensation Committee elects to reduce such amounts.

35

PROPOSAL NO. 4 ADOPTION OF THE 2003 DIRECTORS' STOCK PLAN

The Board adopted the 2003 Directors' Stock Plan (the "Directors' Plan") on March 10, 2003, subject to the approval of the Company's shareholders. The Company's shareholders are now requested to approve the Directors' Plan, which

Edgar Filing: FIRST ALBANY COMPANIES INC - Form DEF 14A

is set forth as Exhibit C hereto.

The Directors' Plan will not be effective unless and until it is approved by the affirmative vote of a majority of the votes cast at the Annual Meeting on this proposal by the holders of the shares of Common Stock entitled to vote thereat. If the Directors' Plan receives shareholder approval, each of the two current Non-Employee Directors who will continue service as a director after the Annual Meeting and each of the two persons who will become Non-Employee Director upon election at the Annual Meeting will be granted an option to purchase 1,000 shares of Common Stock on the date of the Annual Meeting on the terms described below. If stockholder approval of the Directors' Plan is not obtained, no such grants will be made.

THE BOARD RECOMMENDS THAT THE COMPANY'S SHAREHOLDERS VOTE FOR ADOPTION OF THE 2003 DIRECTORS' STOCK PLAN.

Set forth below for the convenience of the Company's shareholders is the description of the Directors' Plan.

PURPOSE

The purpose of the Directors' Plan is to promote the interests of the Company, its subsidiaries and its shareholders by further aligning the intentions of directors with those of the Company's shareholders. To do this, the Directors' Plan offers equity-based opportunities providing directors with a proprietary interest in maximizing the growth, profitability and overall success of the Company.

NUMBER OF SHARES

The maximum number of shares of Common Stock as to which awards could be granted may not exceed 100,000 shares. The limits on the numbers of shares that can be issued are subject to proportional adjustment to reflect certain stock changes, such as stock dividends and stock splits.

If, however, any awards expire or terminate unexercised, the shares of Common Stock allocable to the unexercised or terminated portion of such award shall again be available for awards under the Directors' Plan to the extent of such expiration or termination, subject to certain limitations under the Directors' Plan.

36

ADMINISTRATION AND ELIGIBILITY

The administration, interpretation and operation of the Directors' Plan will be vested in the Board. The day-to-day administration of the Directors' Plan will be carried out by persons other than members of the Board designated by the Board. Each Non-Employee Director shall be eligible to receive awards under the Directors' Plan.

AWARDS UNDER THE DIRECTORS' PLAN

Both stock options and restricted shares may be awarded under the Directors' Plan. Each type of award is described below. All awards will be evidenced by an agreement approved by the Board.

Each person who is or becomes a Non-Employee Director on the date of an annual meeting of the Company's shareholders and whose service will continue after such meeting shall be eligible to receive a grant of restricted shares and options to purchase shares of Common Stock. The number of options or restricted

Edgar Filing: FIRST ALBANY COMPANIES INC - Form DEF 14A

shares to be awarded is within the discretion of the Board, except that no Non-Employee Director may receive an option covering more than 5,000 shares or 2,000 shares of restricted stock. The Directors' Plan will also permit the Board to allow each Non-Employee Director to elect to receive all or a portion of his or her annual cash retainer in the form of restricted shares. The Board shall determine the terms of such restricted shares.

STOCK OPTION AWARDS

The exercise price of all options granted under the Directors' Plan shall be equal to the fair market value of a share of Common Stock on the date of grant. Each option will have a term of ten years and will vest as to one-third of the shares on the first three anniversaries of the grant date. Payment for the upon exercise of an option may be made either in cash, by certified check, bank draft, or money order by delivery of shares of Common Stock already owned by the Non-Employee Director for at least six months, or, if permitted by the Board and applicable law, some other form of payment acceptable to the Board. Unless the Board establishes otherwise, the options granted under the Directors' Plan shall not entitle a Non-Employee Director to receive dividend equivalents with respect to his or her shares subject to the option.

RESTRICTED SHARE AWARDS

Restricted share awards are grants of Common Stock made to a Non-Employee Director subject to conditions established by the Board in the relevant award agreement. The restricted shares only become unrestricted in accordance with the conditions and vesting schedule, if any, provided in the relevant award agreement, but in no event shall restricted shares vest prior to six months after the date of grant. A Non-Employee Director may not sell or otherwise dispose of restricted shares until the conditions imposed by the Board have been satisfied. Restricted share awards under the Directors' Plan may be granted alone or in addition to stock options. Restricted shares which vest will be reissued as unrestricted Common Stock. Each Non-Employee Director who receives a grant of restricted shares will have the right to receive all dividends and vote or execute proxies for such shares. Any stock dividends will be treated as additional restricted shares.

37

FORFEITURE UPON TERMINATION

If a person ceases to be a Non-Employee Director on the Board for any reason (other than death or total disability), any unexercisable stock option shall be forfeited and canceled by the Company. Such Non-Employee Director's right to exercise any then-exercisable stock option will terminate 90 days after the date of such termination (but not beyond the stated term of such stock option). If a Non-Employee Director dies or becomes totally disabled, such director (or the estate or other legal representative of the Non-Employee Director), to the extent the stock options are exercisable immediately prior to the date of death or total disability, will be entitled to exercise any stock options at any time within the one-year period following such death or disability, but not beyond the stated term of such stock option.

If a person ceases to be a Non-Employee Director on the Board for any reason (other than death or total disability) prior to the lapsing of any applicable restriction period, or the satisfaction of any other restrictions, applicable to any grant of restricted shares, such restricted shares will be forfeited by such Non-Employee Director. In the case of death or total disability of a Non-Employee Director, he or she (or the estate or other legal representatives of the Non-Employee Director) shall become 100% vested in any restricted shares as of the date of termination.

Edgar Filing: FIRST ALBANY COMPANIES INC - Form DEF 14A

CHANGE OF CONTROL

If a Change of Control, as defined in the Directors' Plan, occurs (i) all stock options then unexercised and outstanding will become fully vested and exercisable and (ii) all restrictions, terms and conditions applicable to restricted shares then outstanding will be deemed lapsed and satisfied, each as of the date of the Change of Control.

RECAPITALIZATION ADJUSTMENTS

In the event of any change in capitalization affecting the Common Stock of the Company, including without limitation, a distribution, recapitalization, stock split, reverse stock split, consolidation, subdivision, split-up, spin-off, split-off, combination, or exchange of Common Stock or other corporate transaction or event that affects the Common Stock such that an adjustment is determined by the Board, in its sole discretion, to be necessary or appropriate in order to prevent dilution or enlargement of benefits or potential benefits intended to be made available under the Directors' Plan, the Board may, in any manner that it in good faith deems equitable, adjust any or all of (i) the maximum number of shares of Common Stock of the Company with respect to which awards may be granted, (ii) the number of shares of Common Stock of the Company (or number and kind of other securities or property) subject to outstanding awards, and (iii) the exercise price or other price per share with respect to any outstanding awards.

38

MERGERS

If the Company enters into or is involved in any merger, reorganization or other business combination with any person or entity (a "Merger Event") and the Company will be or is the surviving entity, the Board may, as of the date of such Merger Event, replace such stock options with substitute stock options in respect of the shares of the surviving corporation on such terms and conditions, as to the number of shares, pricing and otherwise, which shall substantially preserve the value, rights and benefits of any affected stock options granted hereunder as of the date of the consummation of the Merger Event. If any Merger Event occurs, the Company has the right, but not the obligation, to pay to each affected Non-Employee Director an amount in cash or certified check equal to the excess of the fair market value of the Common Stock underlying any unexercised stock options (whether then exercisable or not) over the aggregate exercise price of such unexercised stock options. If, in the case of a Merger Event in which the Company will not be, or is not, the surviving corporation, and the Company determines not to make the cash or certified check payment described above, the Company shall compel and obligate, as a condition of the consummation of the Merger Event that the surviving entity grant substitute stock options in the manner described in the Directors' Plan. Upon receipt by any affected Non-Employee Director of any such substitute stock options (or payment) as a result of any such Merger Event, such Non-Employee Director's affected stock options for which such substitute options (or payment) were received shall be thereupon cancelled without the need for obtaining the consent of any such affected Non-Employee Director.

AMENDMENT, SUSPENSION OR TERMINATION OF THE DIRECTORS' PLAN

The Board may suspend or terminate the Directors' Plan (or any portion thereof) at any time and may amend the Directors' Plan at any time and from time to time in such respects as the Board may deem advisable to ensure that any and all Awards conform to or otherwise reflect any change in applicable laws or

Edgar Filing: FIRST ALBANY COMPANIES INC - Form DEF 14A

regulations, or to permit the Company or the Non-Employee Directors to benefit from any change in applicable laws or regulations, or in any other respect the Board may deem to be in the best interests of the Company or any Subsidiary. No such amendment, suspension or termination shall (x) materially adversely effect the rights of any Non-Employee Director under any outstanding Stock Options or Restricted Share grants, without the consent of such Non-Employee Director or (y) be effective without shareholder approval if such approval is required to comply with any applicable law or stock exchange rule (such as increasing the number of shares of Common Stock that may be issued under the Directors' Plan.

CERTAIN FEDERAL INCOME TAX CONSEQUENCES OF THE DIRECTORS' PLAN

The following is a brief and general summary of some United States federal income tax consequences applicable to the Directors' Plan. The summary does not reflect any provisions of the income tax laws of any state, local or foreign taxing jurisdiction. Because the tax consequences of events and transactions under the Directors' Plan depend upon various factors, including an individual's own tax status, each Non-Employee Director who receives an award under the Directors' Plan should consult a tax advisor.

39

STOCK OPTIONS

Options granted under the Directors' Plan will be "non-qualified" stock options and are not intended to qualify as incentive stock options under Section 422 of the Internal Revenue Code. In general, upon the grant of a non-qualified stock option, an optionee will not recognize any income. At the time a nonqualified option is exercised, the optionee will recognize compensation taxable as ordinary income, and the Company generally will be entitled to a deduction in an amount equal to the difference between the fair market value on the exercise date of the shares acquired pursuant to such exercise and the option price. Upon a subsequent disposition of the shares, the optionee will recognize long- or short-term capital gain or loss, depending upon the holding period of the shares. For purposes of determining the amount of such gain or loss, the optionee's tax basis in the shares will be the fair market value of such shares on the exercise date.

If an optionee elects to tender shares of Common Stock in partial or full payment of the option price for shares to be acquired through the exercise of an option, generally the optionee will not recognize any gain or loss on such tendered shares. If the Non-Employee Director tenders shares upon the exercise of an option, he or she will recognize compensation taxable as ordinary income and the Company generally will be entitled to a deduction in an amount equal only to the fair market value of the number of shares received by the Non-Employee Director upon exercise which is in excess of the number of tendered shares, less any cash paid by the Non-Employee Director.

If a Non-Employee Director makes a timely election to receive additional options in lieu of a portion of his or her annual cash retainer, there will be no income realized upon grant of the options. The income tax consequences upon the exercise of such options will be as described above.

RESTRICTED SHARES

A Non-Employee Director will not recognize any income upon the award of restricted shares unless the Non-Employee Director makes an election under Section 83(b) of the Code in respect of such grant, as described below. Unless a Non-Employee Director has made an election under Section 83(b) of the Code in respect of any restricted shares, any dividends received by the Non-Employee

Edgar Filing: FIRST ALBANY COMPANIES INC - Form DEF 14A

Director with respect to restricted shares prior to the date the Non-Employee Director recognizes income with respect to such award (as described below) must be treated by the Non-Employee Director as compensation taxable as ordinary income, and the Company will be entitled to a deduction, in an amount equal to the amount of ordinary income recognized by the Non-Employee Director. After the terms and conditions applicable to the restricted shares are satisfied, or if the Non-Employee Director has made an election under Section 83(b) of the Code in respect of the restricted shares, any dividends received by the Non-Employee Director in respect of such award will be treated as a dividend taxable as ordinary income, and the Company will not be entitled to a deduction in respect of any such dividend payment.

40

Unless the Non-Employee Director has made an election under Section 83(b) of the Code (as described below), at the time the terms and conditions applicable to the restricted shares are satisfied, a Non-Employee Director will recognize compensation taxable as ordinary income, and the Company generally will be entitled to a deduction, in an amount equal to the then fair market value of the shares of Common Stock for which the terms and conditions applicable to the restricted share award have been satisfied. The Non-Employee Director's tax basis for any such shares of Common Stock would be the fair market value on the date such terms and conditions are satisfied.

A Non-Employee Director may irrevocably elect under Section 83(b) of the Code to recognize compensation taxable as ordinary income, and the Company will be entitled to a corresponding deduction, in an amount equal to the fair market value of such restricted shares (determined without regard to any restrictions thereon) on the date of grant. Such an election must be made by the Non-Employee Director not later than 30 days after the date of grant. If such an election is made, no income would be recognized by the Non-Employee Director (and the Company will not be entitled to a corresponding deduction) at the time the applicable terms and conditions are satisfied. The Non-Employee Director's tax basis for the restricted shares received and for any shares of Common Stock subsequently held in respect thereof would be the fair market value of the restricted shares (determined without regard to any restrictions thereon) on the date of grant. If a Non-Employee Director makes such an election and subsequently all or part of the award is forfeited, the Non-Employee Director will not be entitled to a deduction as a result of such forfeiture.

The holding period for capital gain or loss purposes in respect of the Common Stock underlying an award of restricted shares shall commence when the terms and conditions applicable to the restricted shares are satisfied, unless the Non-Employee Director makes a timely election under Section 83(b) of the Code. In such case, the holding period will commence immediately after the grant of such restricted shares.

280G EXCISE TAX

If the provisions of the Directors' Plan relating to a change in control become applicable, certain compensation payments or other benefits received by "disqualified individuals" (as defined in Section 280G(c) of the Code) under the Directors' Plan or otherwise may cause or result in "excess parachute payments" (as defined in Section 280G(b)(I) of the Code). Pursuant to Section 280G of the Code, any amount that constitutes an excess parachute payment is not deductible by the Company. In addition, Section 4999 of the Code generally imposes a 20% excise tax on the amount of any such excess parachute payment received by such a disqualified individual, and any such excess parachute payments will not be deductible by the Company (or a subsidiary).

NEW BENEFITS UNDER THE 2003 DIRECTORS' SHARE PLAN

Edgar Filing: FIRST ALBANY COMPANIES INC - Form DEF 14A

If the Directors' Plan is approved by the shareholders at the Annual Meeting, each Non-Employee Director who continues to serve on the Board after the Annual Meeting and each other person elected to be a Non-Employee Director at the Annual Meeting will receive an option to purchase 1,000 shares of Common Stock but will not receive any restricted shares of Common Stock on the date of the Annual Meeting.

41

NAME AND POSITION -----	NUMBER OF SECURITIES UNDERLYING OPTIONS GRANTED (#) -----	NUMBER OF RESTRICTED SHARES GRANTED (#) -----
All Nonemployee Directors (4)	4,000	0

Because Non-Employee Directors have the opportunity to elect to exchange a portion of their annual cash retainer for restricted shares, the remaining benefits that may be received by Non-Employee Directors under the Directors' Plan are not determinable.

OTHER MATTERS

At the date of this Proxy Statement, the Company has no knowledge of any business other than that described above that will be presented at the Meeting. If any other business should come before the Meeting, it is intended that the persons named in the enclosed proxy will have discretionary authority to vote the shares that they represent.

You are urged to sign and to return your Proxy promptly in the enclosed return envelope to make certain your shares will be voted at the Meeting.

The Committee shall determine whether to recommend inclusion of these financial statements in these reports.

- The Committee shall inquire into evidence of illegal conduct or non-compliance with Company policies.
- The Committee shall review related party transactions.

45

PROCEDURES

- In discharging its oversight role, the Committee is empowered to investigate any matter brought to its attention with full access to all books, records, facilities and personnel of the Company and the power to retain outside counsel, auditors or other experts for this purpose.
- The Committee shall have the authority to retain such outside counsel, experts and other advisors as it determines appropriate to assist in the full performance of its functions.
- The Committee shall meet as often as deemed necessary or appropriate in its judgment, generally at least four times each year, either in person or by phone. The Committee shall meet with the outside auditors at least quarterly.

6.4 TERM. The term of each Stock Option shall be ten (10) years after the date immediately preceding the date on which the Stock Option is granted.

6.5 METHOD OF EXERCISE. A Stock Option may be exercised, in whole or in part, by giving written notice of exercise to the Secretary of the Company, or the Secretary's designee, specifying the number of shares to be purchased. Such notice shall be accompanied by payment in full of the exercise price in cash, by certified check, bank draft, or money order payable to the order of the Company, by delivery of shares of Common Stock already owned by the Non-Employee Director for at least six (6) months, or, if permitted by the Board (in its sole discretion) and applicable law, by delivery of, alone or in conjunction with a partial cash or instrument payment, some other form of payment acceptable to the Board. Payment instruments shall be received by the Company subject to collection. The proceeds received by the Company upon exercise of any Stock Option may be used by the Company for general corporate purposes. Any portion of a Stock Option that is exercised may not be exercised again.

6.6 EXERCISABILITY. In respect of any Stock Option granted under the Plan, such Stock Option shall become exercisable as to the aggregate number of shares of Common Stock underlying such Stock Option, as determined on the date of grant, as follows:

- One third (1/3), on the first anniversary of the date of grant of the Stock Option, provided the Non-Employee Director continuously remains a director of the Company;
- Two thirds (2/3), on the second anniversary of the date of grant of the Stock Option, provided the Non-Employee

54

Director continuously remains a director or consultant of the Company;

- 100%, on the third anniversary of the date of grant of the Stock Option, provided the Non-Employee Director continuously remains a director or consultant of the Company.

Notwithstanding anything to the contrary contained in this Section 6.7, such Stock Option shall become one hundred percent (100%) exercisable as to the aggregate number of shares of Common Stock underlying such Stock Option upon the death or Disability of the Non-Employee Director.

7. RESTRICTED SHARES.

7.1 TERMS AND CONDITIONS; ANNUAL GRANT OF RESTRICTED SHARES. Grants of Restricted Shares shall be subject to the terms and conditions set forth in this Section 7 and any additional terms and conditions, not inconsistent with the express terms and provisions of the Plan, as the Board shall set forth in the relevant Award Agreement.

7.2 ANNUAL GRANT OF RESTRICTED SHARES Restricted Shares may be granted alone or in addition to Stock Options. Each person who is or becomes a Non-Employee Director on the date of an annual meeting of the Company's shareholders and whose service will continue after such meeting shall be granted a number of Restricted Shares, if any, determined annually by the

Edgar Filing: FIRST ALBANY COMPANIES INC - Form DEF 14A

Board; provided, however, that no Non-Employee Director may receive more than 2,000 Restricted Shares in any Service Year (not including Restricted Shares granted in lieu of a Non-Employee Director's annual cash retainer pursuant to Section 7.3). Any such Restricted Shares shall be granted as of the date of the annual meeting.

7.3 ELECTION TO RECEIVE RESTRICTED SHARES IN LIEU OF ANNUAL CASH RETAINER. In addition to any Awards granted pursuant to Sections 6.2 and 7.2, the Board, in its discretion, may permit a Non-Employee Director to elect to receive Restricted Shares in lieu of all or a portion of his or her annual cash retainer. If the Board permits such an election, it, in its discretion, shall determine the appropriate terms of such Restricted Shares. Any such election, if permitted by the Board, shall be made in accordance with such procedures as are adopted from time to time by the Board.

7.4 RESTRICTIVE LEGEND. With respect to each Non-Employee Director receiving an Award of Restricted Shares, there shall be issued a stock certificate (or certificates) in respect of such Restricted Shares. Such stock certificate(s) shall be registered in the name of such Non-Employee Director, shall be accompanied by a stock power duly executed by such Non-Employee Director, and shall bear, among other required legends, the following legend:

"The transferability of this certificate and the shares of stock represented hereby are subject to the terms and conditions (including, without limitation, forfeiture events) contained in the First Albany Companies Inc. 2003 Non-

55

Employee Directors Stock Plan and an Award Agreement entered into between the registered owner hereof and First Albany Companies Inc. Copies of such Plan and Award Agreement are on file in the office of the Secretary of First Albany Companies Inc., 30 S. Pearl Street, Albany, New York 12207. First Albany Companies Inc. will furnish to the recordholder of the certificate, without charge and upon written request at its principal place of business, a copy of such Plan and Award Agreement. First Albany Companies Inc. reserves the right to refuse to record the transfer of this certificate until all such restrictions are satisfied, all such terms are complied with and all such conditions are satisfied."

Such stock certificate evidencing such shares shall, in the sole discretion of the Board, be deposited with and held in custody by the Company until the restrictions thereon shall have lapsed and all of the terms and conditions applicable to such grant shall have been satisfied.

7.5 NATURE OF RESTRICTED SHARES. A grant of Restricted Shares is an Award of shares of Common Stock granted to a Non-Employee Director, subject to such restrictions, terms and conditions as the Board deems appropriate, including, without limitation, (a) restrictions on the sale, assignment, transfer, hypothecation or other disposition of such shares, (b) the requirement that the Non-Employee Director deposit such shares with the Company while such shares are subject to such restrictions, and (c) the requirement that such shares be forfeited if the Non-Employee Director ceases to be a director for specified reasons within a specified period of time or for other reasons.

7.6 RESTRICTION PERIOD. In accordance with this Section 7 of the Plan and unless otherwise determined by the Board (in its sole discretion) at

Edgar Filing: FIRST ALBANY COMPANIES INC - Form DEF 14A

any time and from time to time, Restricted Shares shall only become unrestricted and vested in the Non-Employee Director in accordance with such vesting schedule relating to such Restricted Shares, if any, as the Board may establish in the relevant Award Agreement (the "Restriction Period"). Notwithstanding the preceding sentence, in no event shall the Restriction Period be less than six (6) months after the date of grant. During the Restriction Period, such stock shall be and remain unvested and a Non-Employee Director may not sell, assign, transfer, pledge, encumber or otherwise dispose of or hypothecate such Award. Upon satisfaction of the vesting schedule and any other applicable restrictions, terms and conditions, the Non-Employee Director shall be entitled to receive payment of the Restricted Shares or a portion thereof, as the case may be, as provided in Section 7.7 of the Plan.

7.7 PAYMENT OF RESTRICTED SHARE GRANTS. After the satisfaction and/or lapse of the restrictions, terms and conditions established by the Board in respect of a grant of Restricted Shares, a new certificate, without the legend set forth in Section 7.4 of the Plan, for the number of shares of Common Stock which are no longer subject to such restrictions, terms and conditions shall, as soon as practicable thereafter, be delivered to the Non-Employee Director.

56

7.8 SHAREHOLDER RIGHTS. A Non-Employee Director shall have, with respect to the shares of Common Stock underlying a grant of Restricted Shares, all of the rights of a shareholder of such stock (except as such rights are limited or restricted under the Plan or in the relevant Award Agreement). Any stock dividends paid in respect of unvested Restricted Shares shall be treated as additional Restricted Shares and shall be subject to the same restrictions and other terms and conditions that apply to the unvested Restricted Shares in respect of which such stock dividends are issued.

8. DEFERRAL ELECTIONS. The Board may permit a Non-Employee Director to elect to defer receipt of any payment of cash or any delivery of shares of Common Stock that would otherwise be due to such Non-Employee Director by virtue of the exercise or settlement of any Award made under the Plan. If any such election is permitted, the Board shall establish rules and procedures for such deferrals, including, without limitation, the payment or crediting of reasonable interest on such deferred amounts credited in cash, and the payment or crediting of dividend equivalents in respect of deferrals credited in units of Common Stock. The Board may also provide in the relevant Award Agreement for a tax reimbursement cash payment to be made by the Company in favor of any Non-Employee Director in connection with the tax consequences resulting from the grant, exercise or settlement of any Award made under the Plan.

9. DIVIDEND EQUIVALENTS. In addition to the provisions of Section 7.8 of the Plan, Awards of Stock Options may, in the sole discretion of the Board and if provided for in the relevant Award Agreement, earn dividend equivalents. In respect of any such Award which is outstanding on a dividend record date for Common Stock, the Non-Employee Director shall be credited with an amount equal to the amount of cash or stock dividends that would have been paid on the shares of Common Stock covered by such Award had such covered shares been issued and outstanding on such dividend record date. The Board shall establish such rules and procedures governing the crediting of such dividend equivalents, including, without limitation, the amount, the timing, form of payment and payment contingencies and/or restrictions of such dividend equivalents, as it deems appropriate or necessary.

10. TERMINATION OF SERVICE.

Edgar Filing: FIRST ALBANY COMPANIES INC - Form DEF 14A

10.1 OPTIONS. If a Non-Employee Director ceases to be a member of the Board for any reason, any then unexercisable Stock Options shall be forfeited and cancelled by the Company. Except as otherwise provided in this Section 10.1, if a Non Employee Director ceases to be a member of the Board for any reason, such Non-Employee Director's rights, if any, to exercise any then exercisable Stock Options, if any, shall terminate ninety (90) days after the date of such termination of service (but not beyond the stated term of any such Stock Option as determined under Sections 6.5) and thereafter such Stock Options shall be forfeited and cancelled by the Company. If a Non-Employee Director ceases to be a member of the Board due to death or Disability, a Non-Employee Director (and such Non-Employee Director's estate, designated beneficiary or other legal representative, as the case may be and as determined by the Board) shall have the right, to the extent exercisable immediately prior to any such termination of service, to exercise such Stock Options, if any, at any time within the one (1) year period following such termination due to death or Disability (but not beyond the term of any such Stock Option as determined under Sections 6.5).

57

10.2 RESTRICTED SHARES. If a Non-Employee Director ceases to be a member of the Board for any reason (other than due to Disability or death) prior to the satisfaction and/or lapse of the restrictions, terms and conditions applicable to a grant of Restricted Shares, such Restricted Shares shall immediately be cancelled and the Non-Employee Director (and such Non-Employee Director's estate, designated beneficiary or other legal representative) shall forfeit any rights or interests in and with respect to any such Restricted Shares. If the Non-Employee Director ceases to be a member of the Board due to death or Disability, the Non-Employee Director shall become 100% vested in any such Non-Employee Director's Restricted Shares as of the date of any such termination.

11. NON-TRANSFERABILITY OF AWARDS. No Award under the Plan or any Award Agreement, and no rights or interests herein or therein, shall or may be assigned, transferred, sold, exchanged, encumbered, pledged, or otherwise hypothecated or disposed of by a Non-Employee Director or any beneficiary(ies) of any Non-Employee Director, except by testamentary disposition by the Non-Employee Director or the laws of intestate succession; provided, however, that an Award may be transferred to a Non-Employee Director's family members or to one or more trusts established in whole or in part for the benefit of one or more of such family members. No such interest shall be subject to execution, attachment or similar legal process, including, without limitation, seizure for the payment of the Non-Employee Director's debts, judgements, alimony, or separate maintenance. During the lifetime of a Non-Employee Director, Stock Options are exercisable only by the Non-Employee Director.

12. CHANGES IN CAPITALIZATION AND OTHER MATTERS.

12.1 NO CORPORATE ACTION RESTRICTION. The existence of the Plan, any Award Agreement and/or the Awards granted hereunder shall not limit, affect or restrict in any way the right or power of the Board or the shareholders of the Company to make or authorize (a) any adjustment, recapitalization, reorganization or other change in the Company's or any Subsidiary's capital structure or its business, (b) any merger, consolidation or change in the ownership of the Company or any Subsidiary, (c) any issue of bonds, debentures, capital, preferred or prior preference stocks ahead of or affecting the Company's or any Subsidiary's capital stock or the rights thereof, (d) any dissolution or liquidation of the Company or any Subsidiary, (e) any sale or transfer of all or any part of the Company's or

Edgar Filing: FIRST ALBANY COMPANIES INC - Form DEF 14A

any Subsidiary's assets or business, or (f) any other corporate act or proceeding by the Company or any Subsidiary. No Non-Employee Director, beneficiary or any other person shall have any claim against any member of the Board, the Company or any Subsidiary, or any employees, officers or agents of the Company or any Subsidiary, as a result of any such action.

12.2 RECAPITALIZATION ADJUSTMENTS. In the event of any change in capitalization affecting the Common Stock of the Company, including, without limitation, a distribution, stock split, reverse stock split, recapitalization, consolidation, subdivision, split-up, spin-off, split-off, combination or exchange of shares or other form of reorganization or recapitalization, or any other change affecting the Common Stock, the Board shall authorize and make such proportionate adjustments, if any, as the Board deems appropriate to reflect such change, including, without limitation, with respect to the aggregate number of shares of the Common Stock for which Awards in respect thereof may be granted under the Plan, the maximum number of shares of the Common Stock which may be granted or awarded to any

58

Non-Employee Director, the number of shares of the Common Stock covered by each outstanding Award, and the exercise price or other price per share of Common Stock in respect of outstanding Awards. Notwithstanding the foregoing, in the event of a stock dividend, the proportionate adjustments described in this Section 12.2 shall occur automatically, without any Board action being required.

12.3 CERTAIN MERGERS.

12.3.1 If the Company enters into or is involved in any merger, reorganization or other business combination with any person or entity (such merger, reorganization or other business combination to be referred to herein as a "Merger Event") and as a result of any such Merger Event the Company will be or is the surviving corporation, a Non-Employee Director shall be entitled, as of the date of the execution of the agreement evidencing the Merger Event (the "Execution Date") and with respect to both exercisable and unexercisable Stock Options (but only to the extent not previously exercised), to receive substitute stock options in respect of the shares of the surviving corporation on such terms and conditions, as to the number of shares, pricing and otherwise, which shall substantially preserve the value, rights and benefits of any affected Stock Options granted hereunder as of the date of the consummation of the Merger Event. Notwithstanding anything to the contrary in this Section 12.3, if any Merger Event occurs, the Company shall have the right, but not the obligation, to pay to each affected Non-Employee Director an amount in cash or certified check equal to the excess of the Fair Market Value of the Common Stock underlying any affected unexercised Stock Options or as of the Execution Date (whether then exercisable or not) over the aggregate exercise price of such unexercised Stock Options, as the case may be.

12.3.2 If, in the case of a Merger Event in which the Company will not be, or is not, the surviving corporation, and the Company determines not to make the cash or certified check payment described in Section 12.3.1 of the Plan, the Company shall compel and obligate, as a condition of the consummation of the Merger Event, the surviving or resulting corporation and/or the other party to the Merger Event, as necessary, or any parent, subsidiary or acquiring corporation thereof, to grant, with respect to both exercisable and unexercisable

Edgar Filing: FIRST ALBANY COMPANIES INC - Form DEF 14A

Stock Options (but only to the extent not previously exercised), substitute stock options in respect of the shares of common or other capital stock of such surviving or resulting corporation on such terms and conditions, as to the number of shares, pricing and otherwise, which shall substantially preserve the value, rights and benefits of any affected Stock Options previously granted hereunder as of the date of the consummation of the Merger Event.

12.3.3 Upon receipt by any affected Non-Employee Director of any such cash, certified check, or substitute stock options as a result of any such Merger Event, such Non-Employee Director's affected Stock Options for which such cash, certified check or substitute awards was received shall be thereupon cancelled without the need for obtaining the consent of any such affected Non-Employee Director.

59

12.3.4 The foregoing adjustments and the manner of application of the foregoing provisions, including, without limitation, the issuance of any substitute stock options, shall be determined in good faith by the Board in its sole discretion. Any such adjustment may provide for the elimination of fractional shares.

13. CHANGE OF CONTROL.

13.1 ACCELERATION OF AWARDS VESTING. Anything in the Plan to the contrary notwithstanding, if a Change of Control of the Company occurs (a) all Stock Options then unexercised and outstanding shall become fully vested and exercisable as of the date of the Change of Control and (b) all restrictions, terms and conditions applicable to all Restricted Shares then outstanding shall be deemed lapsed and satisfied as of the date of the Change of Control. The immediately preceding sentence shall apply to only those Non-Employee Directors (i) who are serving on the Board as of the date of the Change of Control or (ii) to whom Section 13.3 below is applicable.

13.2 PAYMENT AFTER CHANGE OF CONTROL. Notwithstanding anything to the contrary in the Plan, within thirty (30) days after a Change of Control occurs, (a) the holder of an Award of Restricted Shares vested under Section 13.1(b) above shall receive a new certificate for such shares without the legend set forth in Section 7 of the Plan (and, in the case only of a Change of Control under Section 13.3.1 of the Plan, such holder shall have the right, but not the obligation, to elect, within ten (10) business days after the Non-Employee Director has actual or constructive knowledge of the occurrence of such Change of Control, to require the Company to purchase such shares from the Non-Employee Director at their then Fair Market Value and (b) in the case only of a Change of Control under Section 13.3.1 of the Plan, the holders of any Stock Options shall have the right, but not the obligation, to elect, within ten (10) business days after the Non-Employee Director has actual or constructive knowledge of the occurrence of such Change of Control, to require the Company to purchase such Stock Options from the Non-Employee Director for an aggregate amount equal to the then aggregate Fair Market Value of the Common Stock underlying such Stock Option tendered, less the aggregate exercise price of such tendered Stock Option.

13.3 CHANGE OF CONTROL. For the purpose of this Agreement, "Change of Control" shall mean:

13.3.1 The acquisition, after the effective date of the Plan, by an individual, entity or group (within the meaning of Section 13(d)(3)

Edgar Filing: FIRST ALBANY COMPANIES INC - Form DEF 14A

or 14(d)(2) of the Exchange Act) of beneficial ownership (within the meaning of Rule 13d-3 promulgated under the Exchange Act) of 30% or more of either (a) the shares of the Common Stock, or (b) the combined voting power of the voting securities of the Company entitled to vote generally in the election of directors (the "Voting Securities"); provided, however, that the following acquisitions shall not constitute a Change of Control: (i) any acquisition by any individual who, on the effective date of the Plan, beneficially owned 10% or more of the Common Stock, (ii) any acquisition by any employee benefit plan (or related trust) sponsored or maintained by the Company or any Subsidiary, (iii) any acquisition by any underwriter in connection with any firm commitment underwriting of securities to be issued by the Company, or (iv) any acquisition by any corporation if,

60

immediately following such acquisition, more than 70% of the then outstanding shares of common stock of such corporation and the combined voting power of the then outstanding voting securities of such corporation (entitled to vote generally in the election of directors), is beneficially owned, directly or indirectly, by all or substantially all of the individuals and entities who, immediately prior to such acquisition, were the beneficial owners of the Common Stock and the Voting Securities in substantially the same proportions, respectively, as their ownership, immediately prior to such acquisition, of the Common Stock and Voting Securities; or

13.3.2 Individuals who, as of the effective date of the Plan, constitute the Board (the "Incumbent Board") cease thereafter for any reason to constitute at least a majority of the Board; provided, however, that any individual becoming a director subsequent to the effective date of the Plan whose election, or nomination for election by the Company's shareholders, was approved by at least a majority of the directors then serving and comprising the Incumbent Board shall be considered as though such individual were a member of the Incumbent Board, but excluding, for this purpose, any such individual whose initial assumption of office occurs as a result of either an actual or threatened election contest (as such terms are used in Rule 14a-11 of Regulation 14A promulgated under the Exchange Act) or other actual or threatened solicitation of proxies or consents; or

13.3.3 Approval by the shareholders of the Company of a reorganization, merger or consolidation, other than a reorganization, merger or consolidation with respect to which all or substantially all of the individuals and entities who were the beneficial owners, immediately prior to such reorganization, merger or consolidation, of the Common Stock and Voting Securities beneficially own, directly or indirectly, immediately after such reorganization, merger or consolidation more than 70% of the then outstanding common stock and voting securities (entitled to vote generally in the election of directors) of the corporation resulting from such reorganization, merger or consolidation in substantially the same proportions as their respective ownership, immediately prior to such reorganization, merger or consolidation, of the Common Stock and the Voting Securities; or

13.3.4 Approval by the shareholders of the Company of (a) a complete liquidation or substantial dissolution of the Company, or (b) the sale or other disposition of all or substantially all of the assets of the Company, other than to a Subsidiary, wholly-owned, directly or indirectly, by the Company.

14. AMENDMENT, SUSPENSION AND TERMINATION.

14.1 IN GENERAL. The Board may suspend or terminate the Plan (or any portion thereof) at any time and may amend the Plan at any time and from time to time in such respects as the Board may deem advisable to ensure that any and all Awards conform to or otherwise reflect any change in applicable laws or regulations, or to permit the Company or the Non-Employee Directors to benefit from any change in applicable laws or regulations, or in any other respect the Board may deem to be in the best interests of the Company or any Subsidiary. No such amendment, suspension or termination shall (x) materially adversely effect the rights of

61

any Non-Employee Director under any outstanding Stock Options or Restricted Share grants, without the consent of such Non-Employee Director or (y) be effective without shareholder approval if such approval is required to comply with any applicable law or stock exchange rule.

14.2 AWARD AGREEMENT MODIFICATIONS. No modification, extension, renewal or other change in any Award granted under the Plan shall be made after grant, unless the same is consistent with the provisions of the Plan.

15. MISCELLANEOUS.

15.1 NO RIGHT TO REELECTION. Neither the adoption of the Plan, the granting of any Award, nor the execution of any Award Agreement, shall confer upon any Non-Employee Director any right to remain a member of the Board for any period of time, nor shall it create any obligation on the part of the Board to nominate any of its members for reelection by the Company's shareholders.

15.2 UNFUNDED PLAN. The Plan shall be unfunded and the Company shall not be required to segregate any assets in connection with any Awards under the Plan. Any liability of the Company to any person with respect to any Award under the Plan or any Award Agreement shall be based solely upon the contractual obligations that may be created as a result of the Plan or any such award or agreement. No such obligation of the Company shall be deemed to be secured by any pledge of, encumbrance on, or other interest in, any property or asset of the Company or any Subsidiary. Nothing contained in the Plan or any Award Agreement shall be construed as creating in respect of any Non-Employee Director (or beneficiary thereof or any other person) any equity or other interest of any kind in any assets of the Company or any Subsidiary or creating a trust of any kind or a fiduciary relationship of any kind between the Company, any Subsidiary and/or any such Non-Employee Director, any beneficiary thereof or any other person.

15.3 PAYMENTS TO A TRUST. The Board is authorized to cause to be established a trust agreement or several trust agreements or similar arrangements from which the Board may make payments of amounts due or to become due to any Non-Employee Directors under the Plan.

15.4 OTHER COMPANY BENEFIT AND COMPENSATION PROGRAMS. Awards under the Plan may be made in addition to, in combination with, or as alternatives to, grants, awards or payments under any other plans or arrangements of the Company or its Subsidiaries. The existence of the Plan notwithstanding, the Company or any Subsidiary may adopt such other compensation plans or programs and additional compensation arrangements as it deems necessary to attract, retain and motivate directors.

15.5 LISTING, REGISTRATION AND OTHER LEGAL COMPLIANCE. No Awards or

Edgar Filing: FIRST ALBANY COMPANIES INC - Form DEF 14A

shares of the Common Stock shall be required to be issued or granted under the Plan unless legal counsel for the Company shall be satisfied that such issuance or grant will be in compliance with all applicable federal and state securities laws and regulations and any other applicable laws or regulations. The Board may require, as a condition of any payment or share issuance, that certain agreements, undertakings, representations, certificates, and/or information, as the Board

62

may deem necessary or advisable, be executed or provided to the Company to assure compliance with all such applicable laws or regulations. Certificates for shares of the Restricted Shares and/or Common Stock delivered under the Plan may be subject to such stock-transfer orders and such other restrictions as the Board may deem advisable under the rules, regulations, or other requirements of the Securities and Exchange Commission, any stock exchange upon which the Common Stock is then listed, and any applicable federal or state securities law. In addition, if, at any time specified herein (or in any Award Agreement or otherwise) for (a) the making of any Award, or the making of any determination, (b) the issuance or other distribution of Restricted Shares and/or Common Stock, or (c) the payment of amounts to or through a Non-Employee Director with respect to any Award, any law, rule, regulation or other requirement of any governmental authority or agency shall require either the Company, any Subsidiary or any Non-Employee Director (or any estate, designated beneficiary or other legal representative thereof) to take any action in connection with any such determination, any such shares to be issued or distributed, any such payment, or the making of any such determination, as the case may be, shall be deferred until such required action is taken. Transactions under the Plan are intended to comply with all applicable conditions of SEC Rule 16b-3. To the extent any provision of the Plan or any action by the administrators of the Plan fails to so comply with such rule, it shall be deemed null and void, to the extent permitted by law and deemed advisable by the Board.

15.6 AWARD AGREEMENTS. Each Non-Employee Director receiving an Award under the Plan shall enter into an Award Agreement with the Company in a form specified by the Board. Each such Non-Employee Director shall agree to the restrictions, terms and conditions of the Award set forth therein and in the Plan.

15.7 DESIGNATION OF BENEFICIARY. Each Non-Employee Director to whom an Award has been made under the Plan may designate a beneficiary or beneficiaries to exercise any option or to receive any payment which under the terms of the Plan and the relevant Award Agreement may become exercisable or payable on or after the Non-Employee Director's death. At any time, and from time to time, any such designation may be changed or cancelled by the Non-Employee Director without the consent of any such beneficiary. Any such designation, change or cancellation must be on a form provided for that purpose by the Board and shall not be effective until received by the Board. If no beneficiary has been designated by a deceased Non-Employee Director, or if the designated beneficiaries have predeceased the Non-Employee Director, the beneficiary shall be the Non-Employee Director's estate. If the Non-Employee Director designates more than one beneficiary, any payments under the Plan to such beneficiaries shall be made in equal shares unless the Non-Employee Director has expressly designated otherwise, in which case the payments shall be made in the shares designated by the Non-Employee Director.

15.8 GOVERNING LAW. The Plan and all actions taken thereunder shall be governed by and construed in accordance with the laws of the State of New
