EX-10.1: REVOLVING CREDIT AGREEMENT

Table of Contents

Item 1.01 Entry into a Material Definitive Agreement.

On June 29, 2007, UST Inc. (the Company) entered into a new five-year revolving credit agreement (the Credit Agreement) by and among the Company, certain financial institutions and other persons from time to time parties thereto (the Lenders) and Citibank, N.A., as the Administrative Agent for the Lenders, Citigroup Global Markets Inc. and The Bank of Nova Scotia, as Joint Lead Arrangers and Joint Book Runners and The Bank of Nova Scotia, Calyon New York Branch, PNC Bank, National Association, US Bank, National Association and Citizens Bank of Massachusetts, as Co-Syndication Agents, which will primarily be used for general corporate purposes, including back up to the Company's issuance of commercial paper, if necessary. The Credit Agreement matures on June 29, 2012, the fifth anniversary of June 29, 2007, subject to the Company's ability to extend the commitments pursuant to the Credit Agreement. The Credit Agreement replaces the Company's existing \$300 million, three-year revolving credit facility which will expire on July 9, 2007 (the Previous Credit Facility). The Company had no direct borrowings under the Previous Credit Facility at June 29, 2007.

The Credit Agreement provides for a \$300 million revolving credit facility, which the Company may elect to increase to \$500 million subject to certain terms as described in the Credit Agreement. The Credit Agreement also includes a subfacility for letters of credit issued by the Lenders and competitive bids. The Company is not borrowing under the Credit Agreement at this time, but may borrow from time to time as opportunities and needs arise.

Amounts outstanding under the Credit Agreement bear interest, at the Company's option, at Citibank, N.A.'s base rate or at the Eurodollar rate equal to the London InterBank Offered Rate (LIBOR) plus, in the case of Eurodollar loans, the applicable margin for such loans which ranges between (a) 0.175% and 0.450% per annum if less than 50% of the revolving credit facility has been drawn, and (b) 0.225% and 0.550% per annum if 50% or more of the revolving credit facility has been drawn, calculated on the basis of the Company's long-term senior unsecured non-credit-enhanced debt ratings (the Rating). The Company will pay a quarterly commitment fee on the undrawn portion of the revolving credit facility equal to 0.045% to 0.100%, calculated on the basis of the Rating.

The Credit Agreement contains customary representations and warranties, as well as customary negative and affirmative covenants. Negative covenants include, among others, certain restrictions on business activities, liens, consolidations, mergers, sales of all or substantially all assets and transactions with affiliates. In addition, the Credit Agreement requires that the Company maintain the following financial covenant: a ratio of EBITDA minus capital expenditures to interest and dividends not less than 1.00 to 1.00.

The Credit Agreement also contains customary events of default. Upon the occurrence and during the continuance of an event of default, the Lenders may declare the outstanding advances and all other obligations under the Credit Agreement immediately due and payable.

The description of the Credit Agreement contained herein is qualified in its entirety by reference to such agreement, a copy of which is filed herewith as Exhibit 10.1 and is incorporated herein by reference.

Item 1.02. Termination of a Material Definitive Agreement.

The information set forth above in item 1.01 with respect to the termination of the Company's Previous Credit Facility is incorporated herein by reference into this Item 1.02. The Previous Credit Facility is among the Company, The Bank of Nova Scotia, as Administrative Agent, and Calyon New York Branch, PNC Bank, National Association, and US Bank, National Association, as Co-Syndication Agents.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information set forth above in Item 1.01 regarding the Credit Agreement is incorporated herein by reference
