Table of Contents

This Current Report on Form 8-K may contain forward-looking statements within the meaning of the federal securities laws, including statements regarding the intent, belief or current expectations of the Company and its management which are made with words such as will, expect, believe, and similar words. These forward-looking statements involve a number of risks, uncertainties and other factors, which may cause the actual results to be materially different from those expressed or implied in the forward-looking statements. Such risks, uncertainties and other factors include, among other matters, the uncertainties inherent in oil and gas activities; the effects of the Company's impaired financial condition; the effects of actions by third parties including creditors and government officials; fluctuations in world oil prices and other risks detailed in the Company's reports on Forms 10-K and 10-Q previously filed with the Securities and Exchange Commission; the ability of the Company and its subsidiaries to arrive at a successful negotiation with its creditors and to prosecute, develop and consummate one or more plans of reorganization with respect to any possible Chapter 11 proceeding; the effects of any possible Chapter 11 filing on the Company and the interests of various creditors, equity holders and other constituents; Bankruptcy Court rulings in any possible Chapter 11 case and the outcome of any such proceedings in general; the length of time the Company will operate under a possible Chapter 11 proceeding; the risks associated with third party motions in any possible Chapter 11 proceeding, which may interfere with the Company's ability to develop and consummate one or more plans of reorganization; the potential adverse effects of a possible Chapter 11 proceeding on the Company's liquidity or results of operations; continued compliance with conditions for funding under any secured credit facility that may be obtained to fund the Company while in any possible Chapter 11 proceeding; the ability to execute the Company's business and restructuring plan; management of cash resources; restrictions imposed by, and as a result of, the Company's substantial leverage; increased legal costs related to a possible bankruptcy case and other litigation and the Company's ability to maintain contracts that are critical to its operation, to obtain and maintain normal terms with customers, suppliers and service providers and to retain key executives, managers and employees.

The Company does not intend to review, revise, or update any particular forward-looking statements in light of future events.
