ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

On September 17, 2009, Old National Bancorp s (the Company) wholly-owned subsidiary, Old National Bank (the Bank), and its wholly-owned subsidiary, Indiana Old National Insurance Company (the Insurance Co.) completed a sale (the Sale) to National City Commercial Capital Company, LLC (National City) of the Bank s and Insurance Co. s right, title and interest in, to and under certain financing contracts (collectively, the Contracts) in respect of the leasing and financing of the acquisition, ownership, and operation of various types of equipment and other goods, software and other personal property to, among others, governmental authorities.

The Sale was completed pursuant to a purchase agreement (the Purchase Agreement) entered into on the same date. In consideration for the sale of the Contracts, National City paid the Bank an aggregate cash amount equal to \$259.6 million, which represents a 4.25% discount on the present value of the payment stream of the Contracts. In addition to the cash consideration, National City assumed certain obligations of the Bank and Insurance Co. with respect to the Contracts. The Purchase Agreement contains representations and warranties which are standard in a transaction of this nature, and indemnification provisions which may, upon the occurrence of certain events, result in the Bank and Insurance Co. becoming obligated to repurchase some, or all, of the Contracts.

Also on September 17, 2009, the Bank entered into a servicing agreement (the Servicing Agreement) with National City pursuant to which the Bank agreed to service and administer the Contracts until November 1, 2009. The Servicing Agreement is subject to extension by National City through December 31, 2009. In consideration for servicing and administering the Contracts on behalf of National City through November 1, 2009, the Bank shall receive no consideration in addition to the consideration it received under the Purchase Agreement. In the event that the Servicing Agreement is extended beyond November 1, 2009, the Bank shall receive a monthly servicing fee of \$20,000.00 for the additional periods.

The foregoing descriptions of the Purchase Agreement and the Servicing Agreement do not purport to be complete and are qualified in their entirety by reference to the Purchase Agreement and the Servicing Agreement which are attached as Exhibits 10.01 and 10.02 hereto, and are incorporated into this report by reference.

ITEM 7.01. REGULATION FD DISCLOSURE.

The Company expects to recognize an after tax loss related to the Sale of the Contracts of approximately \$(0.9) million, including fees associated with the Sale, in the third quarter of 2009.
