***Temporary Salary Reductions***

In connection with its ongoing cost containment initiatives, Huttig Building Products, Inc. (the Company) is instituting a temporary 10% reduction in the annual base salaries of certain employees, including each of its executive officers, effective September 28, 2009. The temporary reductions are being made in response to the continued prolonged decline in housing market activity and to mitigate the impact of seasonal decreases in construction activity, which generally adversely affect the Company's first and fourth quarters.

The reduction in the salary of Mr. Jon P. Vrabely, the Company's President and Chief Executive Officer, was approved by the Company's Board of Directors (the Board) at its meeting on September 23, 2009, based on a recommendation by the Management Organization and Compensation Committee of the Board. The current and reduced salaries for each of the Company's executive officers are as follows:

Name	Current Base Salary	Base Salary after 10% Reduction
Jon Vrabely	\$ 400,000	\$ 360,000
Phil Keipp	\$ 250,000	\$ 225,000
Greg Gurley	\$ 225,000	\$ 202,500
Brian Robinson	\$ 199,500	\$ 179,550
Rick Baltz	\$ 190,000	\$ 171,000

The Board also approved, at its meeting on September 23, 2009, (i) the execution by the Company of an amendment to Mr. Vrabely's employment agreement to reflect the above-described temporary reduction and to provide that any severance benefits payable thereunder shall be calculated without regard to such salary reduction, and (ii) the execution by the Company of amendments to each of the existing change of control agreements with the other executive officers to provide that any severance benefits payable thereunder shall be calculated without regard to the above-described salary reductions.
