**PROXY STATEMENT
FOR ANNUAL MEETING OF SHAREHOLDERS
To be held on December 2, 2009**

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of Consulier Engineering, Inc., a Florida corporation (the Corporation), of the accompanying proxy for use at the 2009 Annual Meeting of Shareholders (the Annual Meeting) to be held on December 2, 2009, or at any adjournment or adjournments thereof. Only shareholders of record at the close of business on October 9, 2009 (the Record Date), are entitled to vote at the Annual Meeting. Proxy material is being mailed on or about November 2, 2009, to the Corporation's shareholders of record on the Record Date. All references to the Corporation herein include its subsidiaries.

THE PROXY

Shares of Common Stock represented by a duly executed proxy received by the Corporation will be voted in accordance with the instructions contained therein and, in the absence of specific instructions, will be voted **FOR** the election as directors of the persons nominated by the Board of Directors, **FOR** the ratification of the Board's engagement of Berenfeld Spritzer Shechter & Sheer, LLP, Certified Public Accountants, as the Corporation's independent auditors for the fiscal year ending December 31, 2009, and, in accordance with the judgment of the persons voting the proxy, on any other matter that may properly come before the Annual Meeting. The execution of a proxy will not affect a shareholder's right to attend the Annual Meeting and to vote in person. A shareholder may revoke a proxy at any time before it is voted at the Annual Meeting by written notice delivered to the Secretary of the Corporation.

This Proxy Statement and the accompanying proxy are being mailed on or about November 2, 2009, to shareholders entitled to vote at the Annual Meeting. The cost of solicitation of proxies will be borne by the Corporation. In addition to the use of the mails, proxy solicitations may be made by telephone and personal contact by officers, directors and employees of the Corporation. The Corporation will, upon request, reimburse brokerage houses and persons holding shares in their names or in the names of nominees for their reasonable expenses incurred in sending soliciting material to their principals.

Shareholders who execute proxies retain the right to revoke them by notifying the Corporation at any time before they are voted. Such revocation may be effected by execution of a subsequently dated proxy, or by a written notice of revocation, sent to the attention of the Secretary at the address of the Corporation's principal office set forth above in the introductory paragraph to this Proxy Statement or delivered to him at the Annual Meeting. Unless so revoked, the shares represented by proxies, if received in time, will be voted in accordance with the directions given therein. If no direction is given, a properly executed proxy will be voted in favor of the election

Table of Contents

of directors and for the ratification of the engagement of Berenfeld Spritzer Shechter & Sheer, LLP, Certified Public Accountants, as the Corporation's independent auditors for the fiscal year ending December 31, 2009. A plurality of the votes cast at the Annual Meeting shall be necessary to elect a director and to ratify the Corporation's engagement of this firm as the Corporation's independent auditors.

At the Annual Meeting ballots will be distributed with respect to each proposal to be voted upon to the management proxy holders and each shareholder (or the shareholder's proxy if not the management proxy holders) who is present and did not deliver a proxy to the management proxy holders or another person. The ballots shall then be tallied, one vote for each share owned of record, the votes being in three categories: FOR, AGAINST or ABSTAIN, except in the case of the proposal to elect directors, the two categories will be, with respect to each director to be elected, FOR the management nominee or WITHHOLD AUTHORITY from voting FOR the management nominee. Any shareholder who submits a proxy, even though the shareholder abstains as to one or more proposals, or who is present in person, shall be counted for the purpose of determining if a quorum is present, a quorum being a majority of the outstanding shares of the Common Stock. Because each of the directors will be elected by a plurality of the votes cast at the meeting, an abstention, whether by the shareholder of record or by a broker non-vote where the broker or its nominee is the record holder for the shareholder, reduces the number of votes cast for a particular nominee. Assuming that the voting for director is limited to the nominees, an abstention, including a broker non-vote, has no effect on the determination of who is elected. If there are one or more shareholder nominees opposing the management nominees, the candidates receiving the highest votes FOR will be elected, regardless of how many shares WITHHOLD AUTHORITY.

Each shareholder of record is entitled to cast, in person or by proxy, one vote for each share of Common Stock, \$.01 par value (the Common Stock), held by such shareholder at the close of business on the Record Date. As of October 9, 2009, the Corporation had issued and there were outstanding 5,466,298 shares of Common Stock.

Warren B. Mosler, Chairman of the Board of Directors, President, and Chief Executive Officer of the Corporation, has the right to vote sufficient shares to cause each of the proposed actions to be approved without any other shares being voted in favor thereof at the Annual Meeting. Mr. Mosler has indicated his intention to vote all of his shares for approval of the persons nominated as directors and for the appointment of the Corporation's existing independent auditors. Accordingly, any negative vote which a shareholder may cast will not have any effect on the outcome of any of the matters discussed in this proxy. As more than 50% of the Company's voting power is held by Mr. Mosler, the Corporation is a Controlled Company within the meaning of NASD Rule 4350(c) and is accordingly exempt from the requirements of that Rule, which relates to independent directors.

**PROPOSAL ONE
ELECTION OF DIRECTORS**

At each Annual Meeting, the successors to all directors are elected to serve until the next Annual Meeting or until their successors shall have been duly elected and qualified to serve. PROPOSAL TWO**RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITOR**

Berenfeld Spritzer Shechter & Sheer LLP ("Berenfeld") has been selected by the Board of Directors to serve as the Corporation's independent auditors for the current fiscal year.

Goldstein Lewin & Co., Certified Public Accountants, served as the Corporation's independent auditors for the years 2003 through 2007. On September 9, 2008, the Corporation dismissed Goldstein Lewin & Co. ("Goldstein Lewin") as its independent auditors. The Corporation's Audit Committee and Board of Directors participated in and approved the decision to change independent auditors.

The audit reports of Berenfeld and Goldstein Lewin on the consolidated financial statements of the Company and its subsidiaries as of and for the fiscal years ended December 31, 2008 and 2007, respectively (collectively, the "Financial Statements") did not contain any adverse opinion or disclaimer of opinion nor were they qualified or modified as to uncertainty, audit scope or accounting principles.

In connection with Berenfeld's and Goldstein Lewin's audits for the fiscal years ended December 31, 2008 and 2007, respectively, there were no disagreements with either auditor on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of such auditor, would have caused it to make reference to the subject matter of the disagreements in connection with its audit reports on the Financial Statements. Additionally, during the two most recent fiscal years, there have been no reportable events, as such term is defined in Item 304(a)(1)(v) of Registration S-K.

The Company requested that Goldstein Lewin furnish to the Company a letter addressed to the Securities and Exchange Commission stating whether or not it agreed with the above statements made with respect to Goldstein Lewin. A copy of such letter, dated September 9, 2008, confirming Goldstein Lewin's agreement with the above statements, was filed as Exhibit 16.1 to the Company's Form 8-K filed on September 10, 2008.

Table of Contents

On September 9, 2008, the Company engaged Berenfeld as the Company's new independent accountants to audit the Company's consolidated financial statements for the fiscal year ended December 31, 2008. The Audit Committee of the Company's Board of Directors approved the Company's engagement of Berenfeld.

During the two most recent fiscal years and through October 20, 2009, the Company did not consult with Berenfeld or Goldstein Lewin regarding either (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's financial statements, and neither a written report nor oral advice was provided to the Company that either Berenfeld or Goldstein Lewin concluded was an important factor considered by the Company in reaching a decision as to the accounting, auditing or financial reporting issue; or (ii) any matter that was the subject of either a disagreement (as defined in Item 304 (a)(1)(iv) of Regulation S-K or the related instructions thereto) or a reportable event (as defined in Item 304 (a)(1)(v) of Regulation S-K).

The following table sets forth fees billed to the Corporation by the Corporation's independent auditors for the years ended December 31, 2008 and December 31, 2007, for (i) services rendered for the audit of the Corporation's annual financial statements and the review of the Corporation's quarterly financial statements, (ii) services rendered that are reasonably related to the performance of the audit or review of the Corporation's financial statements that are not reported as audit fees, (iii) services rendered in connection with tax preparation, compliance, advice and assistance, and (iv) all other services.

Services	2007	2008
Audit Fees	\$180,000	\$213,556
Audit-Related Fees	10,506	-0-
Tax Fees	-0-	-0-
All Other Fees	-0-	-0-
Total Fees	\$190,506	\$213,556

The Corporation's audit committee has considered whether the non-audit services provided by the Corporation's auditors in connection with the year ended December 31, 2008, are compatible with the auditors' independence.

The Board of Directors unanimously recommends a vote FOR the ratification of the appointment of Berenfeld Spritzer Shechter & Sheer LLP as independent auditors of the Corporation and its subsidiaries for the fiscal year ending December 31, 2009, and proxies executed and returned will be so voted unless contrary instructions are indicated thereon.
