**FORWARD-LOOKING STATEMENTS**

Certain statements contained in this filing are forward-looking statements related to the Company's plans, projections, strategies or future performance. Such statements, made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995, are based on our current expectations, are inherently uncertain, are subject to risks and should be viewed with caution. Actual results and experience may differ materially as a result of many factors, including but not limited to: our ability to comply with the definitive terms and conditions of various commercial and financing arrangements with GM; global economic conditions; availability of financing for working capital, capital expenditures, R&D or other general corporate purposes, including our ability to comply with financial covenants; our customers (including GM and Chrysler) and suppliers' availability of financing for working capital, capital expenditures, R&D or other general corporate purposes; reduced purchases of our products by GM, Chrysler or other customers; reduced demand for our customers' products (particularly light trucks and SUVs produced by GM and Chrysler); the impact on us and our customers of requirements imposed on, or actions taken by, our customers in response to the U.S. government's ownership interest, the Troubled Asset Relief Program or similar programs; our ability to achieve cost reductions through ongoing restructuring actions; additional restructuring actions that may occur; our ability to achieve the level of cost reductions required to sustain global cost competitiveness; our ability to maintain satisfactory labor relations and avoid future work stoppages; our suppliers' ability to maintain satisfactory labor relations and avoid work stoppages; our suppliers, our customers and their suppliers' ability to maintain satisfactory labor relations and avoid work stoppages; our ability to implement improvements in our U.S. labor cost structure; supply shortages or price increases in raw materials, utilities or other operating supplies; our ability or our customers' and suppliers' ability to successfully launch new product programs on a timely basis; our ability to realize the expected revenues from our new and incremental business backlog; our ability to attract new customers and programs for new products; our ability to develop and produce new products that reflect market demand; lower-than-anticipated market acceptance of new or existing products; our ability to respond to changes in technology, increased competition or pricing pressures; continued or increased high prices for or reduced availability of fuel; adverse changes in laws, government regulations or market conditions affecting our products or our customers' products (such as the Corporate Average Fuel Economy regulations); adverse changes in the political stability of our principal markets (particularly North America, Europe, South America and Asia); liabilities arising from warranty claims, product liability and legal proceedings to which we are or may become a party; changes in liabilities arising from pension and other postretirement benefit obligations; risks of noncompliance with environmental regulations or risks of environmental issues that could result in unforeseen costs at our facilities; our ability to attract and retain key associates; other unanticipated events and conditions that may hinder our ability to compete.

It is not possible to foresee or identify all such factors and we make no commitment to update any forward-looking statement or to disclose any facts, events or circumstances after the date hereof that may affect the accuracy of any forward-looking statement.
