Settlement Agreement

As previously disclosed in the notes to our financial statements and elsewhere in our SEC reports, we have been involved with a lawsuit filed by Howmedica Osteonics Corp. (Howmedica), a subsidiary of Stryker Corporation alleging that we infringed Howmedica's U.S. Patent No. 5,824,100 related to our ADVANCE® knee product line. The lawsuit sought an order of infringement, injunctive relief, unspecified damages, and various other costs and relief. We contended that our products did not infringe the patent and that the patent was invalid and unenforceable.

On May 27, 2010, we resolved this matter by entering into a settlement agreement with Howmedica. As a result of the settlement agreement, we are entitled to continue to sell our ADVANCE® knee product line without any current or future monetary payments to Howmedica. We had not established a reserve for the litigation. Therefore, the settlement resulted in no impact to our consolidated financial position or results of operations.
