**Section 5 Corporate Governance and Management**

**Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

(d) At its meeting held August 5, 2010, the Board of Directors of Armstrong World Industries, Inc. (the Company) elected Matthew J. Espe, Chief Executive Officer and President of the Company, to serve on the Board until the next annual meeting of shareholders, and until his successor has been selected and qualified or until his earlier death, resignation or removal. Mr. Espe will not be appointed to any of the Board's standing committees.

(e) On August 6, 2010, the Company entered into an indemnification agreement with Mr. Espe providing for indemnification, to the fullest extent permitted by law, against liabilities relating to his services as a director and an officer and advancement of expenses under certain circumstances. The form of indemnification agreement is incorporated by reference from the Current Report on Form 8-K dated June 4, 2010, wherein it appeared as Exhibit 10.1.

Also on August 6, 2010, the Company entered into a change in control agreement with Stephen F. McNamara, Vice President and Controller. The form of such change in control agreement is incorporated by reference from the Current Report on Form 8-K dated July 2, 2010, wherein it appeared as Exhibit 10.1. As noted below, Mr. McNamara's agreement differs in two respects from the form change in control agreement. Mr. McNamara's agreement provides that if a change in control occurs and Mr. McNamara's employment terminates within twenty-four (24) months thereafter, the Company shall pay to him: (1) a severance payment amounting to one and one-half times the sum of the annual base salary plus his target annual bonus for the year of termination (the form change in control agreement provides for two times the sum); (2) a prorated bonus based on actual results achieved in the bonus plan year during which the termination occurs if a change in control termination occurs prior to the completion of a bonus plan year; (3) welfare benefit continuation for a period of eighteen months (the form change of control agreement provides continuation for two years); and (4) outplacement fees not to exceed \$30,000. In addition, any amounts paid under the change in control agreement will be reduced to the maximum amount that can be paid without being subject to the excise tax imposed under Internal Revenue Code Section 280G, but only if the after-tax benefit of the reduced amount is higher than the after-tax benefit of the unreduced amount.
