Item 2.02 Results of Operations and Financial Condition

The information disclosed under item 7.01 is hereby incorporated by reference into this Item 2.02.

Item 7.01 Regulation FD Disclosure

On December 15, 2010, Equity LifeStyle Properties, Inc. (the Company) issued a news release announcing that the Company will incur a non-cash charge related to the write-off of goodwill in the fourth quarter of 2010 of approximately \$3.6 million, or \$0.10 per share. The goodwill was recorded in connection with the Company's August 2009 acquisition of a small Florida internet and media based advertising business. Excluding this item, the Company reiterates its previously announced 2010 and 2011 earnings guidance. The press release discussing these matters is furnished as Exhibit 99.1 to this report and is furnished pursuant to Item 7.01 and shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the Exchange Act), or subject to the liabilities of that Section. The information in this Item 7.01 shall not be incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act, except as shall be expressly set forth by specific reference in such filing.

This report includes certain forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. When used, words such as anticipate, expect, believe, project, intend, may be and will similar words or phrases, or the negative thereof, unless the context requires otherwise, are intended to identify forward-looking statements. These forward-looking statements are subject to numerous assumptions, risks and uncertainties, including, but not limited to:

our ability to control costs, real estate market conditions, the actual rate of decline in customers, the actual use of sites by customers and our success in acquiring new customers at our Properties (including those recently acquired);

our ability to maintain historical rental rates and occupancy with respect to Properties currently owned or that we may acquire;

our assumptions about rental and home sales markets;

in the age-qualified Properties, home sales results could be impacted by the ability of potential homebuyers to sell their existing residences as well as by financial, credit and capital markets volatility;

results from home sales and occupancy will continue to be impacted by local economic conditions, lack of affordable manufactured home financing and competition from alternative housing options including site-built single-family housing;

impact of government intervention to stabilize site-built single family housing and not manufactured housing;

the completion of future acquisitions, if any, and timing with respect thereto and the effective integration and successful realization of cost savings;

ability to obtain financing or refinance existing debt on favorable terms or at all;

the effect of interest rates;

the dilutive effects of issuing additional common stock;

the effect of accounting for the sale of agreements to customers representing a right-to-use the Properties under the Codification Topic *Revenue Recognition*; and

other risks indicated from time to time in our filings with the Securities and Exchange Commission.

These forward-looking statements are based on management's present expectations and beliefs about future events. As with any projection or forecast, these statements are inherently susceptible to uncertainty and changes in circumstances. The Company is under no obligation to, and expressly disclaims any obligation to, update or alter its forward-looking statements whether as a result of such changes, new information, subsequent events or otherwise.
