***Arizona Public Service Company ( APS ) Facility***

On February 14, 2011, APS entered into an unsecured revolving credit facility with Barclays Bank PLC, as Agent and Issuing Bank, Credit Suisse Securities (USA) LLC, as Syndication Agent, Credit Suisse AG, Cayman Islands Branch, as Issuing Bank, and Bank of America, N.A. and Wells Fargo Bank, National Association, as Co-Documentation Agents, and the lender parties thereto, allowing APS to borrow, repay and reborrow, from time to time, up to \$500 million on or prior to February 13, 2015. On February 14, 2011, APS terminated its prior \$489 million revolving credit facility with Bank of America, N.A., as Administrative Agent and Issuing Bank, The Bank of New York, as Syndication Agent and Issuing Bank, Citibank, N.A., JPMorgan Chase Bank, N.A. and Credit Suisse, Cayman Islands Branch, as Co-Documentation Agents, and the lender parties thereto, which was replaced by the new facility. The prior revolving credit facility would have expired on September 28, 2011. APS will use the new facility for general corporate purposes, including as a standby facility to support commercial paper issuances. The facility can also be used for letters of credit.

Borrowings under the facility will bear interest based on APS' s then-current senior unsecured debt ratings.

Borrowings under the facility are conditioned on APS' s ability to make certain representations at the time each borrowing is made, except for representations concerning no material adverse effect and certain litigation matters, which were made only at the time the facility was entered into. The facility includes customary covenants, including that APS maintain a maximum consolidated debt-to-capitalization ratio and comply with certain lien restrictions. The facility also includes customary events of default, including a cross default provision and a change of control provision relating to Pinnacle West Capital Corporation ( Pinnacle West or the Company ), the parent company of APS. If an event of default occurs, lenders holding a specified percentage of the commitments, or the administrative agent with such lenders' consent, may terminate the obligations of the lenders to make loans under the facility and the obligations of the issuing banks to issue letters of credit and may declare the obligations outstanding under the facility to be due and payable.

APS and its affiliates maintain normal banking and other relationships with the agents and various other lenders in the new facility and in the prior \$489 million revolving credit facility that has been terminated.
