**CANADIAN PACIFIC RAILWAY ANNOUNCES DIVIDEND INCREASE**

CALGARY The Board of Directors of Canadian Pacific Railway Limited (TSX: CP) (NYSE: CP) today declared an increase in CP's next quarterly dividend to thirty cents (\$0.30) Canadian per share on the outstanding Common Shares, from twenty-seven cents (\$0.27) per share. The increased dividend is payable on July 25, 2011 to holders of record at the close of business on June 24, 2011, and is an eligible dividend pursuant to subsection 89(14) of the Income Tax Act.

With the growing demand in our bulk and energy franchises, we feel positive about the long-term fundamentals of our business, stated Kathryn McQuade, Executive Vice-President and Chief Financial Officer. The Company believes that increasing the dividends as earnings grow provides a balanced approach to total shareholder return.

**Note on forward-looking information**

This news release contains certain forward-looking statements relating but not limited to our operations, anticipated financial performance and business prospects. Undue reliance should not be placed on forward-looking information as actual results may differ materially.

By its nature, CP's forward-looking information involves numerous assumptions, inherent risks and uncertainties, including but not limited to the following factors: changes in business strategies; general North American and global economic, credit and business conditions; risks in agricultural production such as weather conditions and insect populations; the availability and price of energy commodities; the effects of competition and pricing pressures; industry capacity; shifts in market demand; changes in laws and regulations, including regulation of rates; changes in taxes and tax rates; potential increases in maintenance and operating costs; uncertainties of litigation; labour disputes; risks and liabilities arising from derailments; transportation of dangerous goods, timing of completion of capital and maintenance projects; currency and interest rate fluctuations; effects of changes in market conditions and discount rates on the financial position of pension plans and investments, including long-term floating rate notes; and various events that could disrupt operations, including severe weather conditions, security threats and governmental response to them, and technological changes.

Except as required by law, CP undertakes no obligation to update publicly or otherwise revise any forward-looking information, whether as a result of new information, future events or otherwise.
