All documents subsequently filed by the Registrant with the Commission pursuant to Sections 13(a), 13(c), 14 or 15(d) of the Exchange Act and prior to the filing of a post-effective amendment which indicates that all securities offered hereby have been sold or which deregisters all securities then remaining unsold, shall be deemed to be incorporated by reference in this registration statement and to be a part hereof from the date of filing of such documents. Any statement contained in a document incorporated or deemed to be incorporated by reference herein shall be deemed to be modified or superseded for purposes of this registration statement to the extent that a statement contained herein, or in any other subsequently filed document, that also is or is deemed to be incorporated by reference herein, modifies or supersedes such statement. Any such statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute a part of this registration statement.

**Item 4. Description of Securities.**

Not applicable.

**Item 5. Interests of Named Experts and Counsel.**

Not applicable.

**Item 6. Indemnification of Officers and Directors.**

The Certificate of Incorporation of the Registrant (the "Certificate") provides that to the fullest extent permitted by applicable law, no director of the Corporation shall be personally liable to the Corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except (i) for any breach of such director's duty of loyalty to the Corporation or its stockholders; (ii) for acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of the law; (iii) under Section 174 of the General Corporation Law of the State of Delaware; or (iv) for any transaction from which such director derived an improper benefit.

The Second Amended and Restated Bylaws of the Registrant (the "Bylaws") provide that the Registrant will indemnify an officer or director who was or is a party, or is threatened to be made a party, to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative by reason of the fact that such person is or was a director or officer of the Registrant or is or was serving at the request of the Registrant as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the corporation, and with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. However, in the context of an action by or in the right of the Registrant, the Registrant will only indemnify an officer or director against expenses (including attorneys' fees) and will not indemnify an officer or director if such person has been adjudged liable for negligence or misconduct in the performance of such person's duty to the Registrant, unless and only to the extent that a court determines that in view of all circumstances of the case, such person is fairly and reasonably entitled to indemnity for expenses that the court deems proper.

If any director or officer of the Registrant has been successful on the merits or otherwise in defense of any such action, suit or proceeding, or in defense of any such claim, issue or matter therein, the Bylaws require the Registrant to indemnify such person against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection therewith. Any such indemnification may be made only as authorized in each specific case upon a determination by the disinterested directors, independent legal counsel or the stockholders that indemnification is proper because the indemnitee has met the applicable standard of conduct.

The Bylaws also provide that the Registrant will advance reasonable expenses, including court costs and attorneys' fees incurred by a person who was, or is, a witness or who was, or is, named as a defendant or respondent in any threatened, pending or completed action, claim, suit or proceeding, whether civil, criminal, administrative or investigative, any appeal in such action, suit or proceeding, and any inquiry or investigation that could lead to such an action, suit or proceeding, by reason of the fact that such individual is, or was, a director or officer of the Registrant, or while a director or officer of the Registrant, is or was serving at the request of the Registrant as a director, officer, partner, venturer, proprietor, trustee, employee, agent or similar functionary of another corporation, partnership, trust, employee benefit plan or other enterprise, upon receipt by the Registrant of an undertaking by or on behalf of such officer or director to repay all such amounts paid or reimbursed by the Registrant if it should ultimately be determined that such person is not entitled to be indemnified by the Registrant. The rights of indemnification and to receive advancement of expenses as provided in the Bylaws shall not be deemed exclusive of any other rights to which the indemnified party may be entitled under the Certificate or any agreement, vote of stockholders or disinterested directors or otherwise.

The Bylaws and Section 145 of the General Corporation Code of the State of Delaware further authorize the Registrant to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation or enterprise, against any liability asserted against such person and

incurred by such person in any such capacity, or arising out of such person's status as such, whether or not the corporation would otherwise have the power to indemnify such person.

The Registrant has also entered into indemnification agreements with each of its directors and officers (each, an Indemnification Agreement). Under each Indemnification Agreement, the Registrant agreed to indemnify each director and officer who was, is or becomes involved in any threatened, pending, or completed action, suit, proceeding or alternative dispute resolution mechanism, or any hearing, inquiry or investigation that such director or officer in good faith believes might lead to the foregoing actions, of any nature, as a result of his service to the Registrant, against any and all expenses (including attorneys' fees) and all other costs, expenses and obligations incurred in connection with investigating, defending, being a witness in or participating in (including on appeal), or preparing to defend, or to be a witness in or to participate in connection with such action. Additionally, the Registrant agreed to advance any and all expenses actually incurred by such director or officer within ten days after the Registrant receives evidence of the incurrence of such expenses.

**Item 7. Exemption from Registration Claimed.**

Not Applicable.

**Item 8. Exhibits.**

The exhibits listed in the accompanying Index to Exhibits are furnished as part of this registration statement.

**Item 9. Undertakings.**

The undersigned Registrant hereby undertakes:

(a)(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) to include any prospectus required by section 10(a)(3) of the Act;

(ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.

*Provided, however,* that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to section 13 or section 15(d) of the Exchange Act that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) That, for purposes of determining any liability under the Act, each filing of the Registrant's annual report pursuant to section 13(a) or section 15(d) of the Exchange Act that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

(d) The undertaking regarding indemnification of officers and directors is included as part of Item 6, which is incorporated into Item 9 by reference.
