Item 5.05. Amendments to the Registrant's Code of Ethics, or Waiver of a Provision of the Code of Ethics.

On October 25, 2011, the Board of Directors of Noble Energy, Inc. (the Company) approved and adopted a revised Company Code of Business Conduct and Ethics (the Code), which shall be effective as of November 1, 2011.

Principal revisions to the Code include the following:

Improving the Code's readability and removing detailed policy discussions that previously were included in the body of the Code.

Adding the following policies:

an intellectual property policy governing the protection of the Company's intellectual property and enforcement of the Company's intellectual property rights;

an electronic communications policy governing the use of Company electronic communications devices; and

a separate policy on gifts and hospitality and commercial bribery, some of which previously had been incorporated into other policy and program provisions.

Expanding the policy prohibiting any adverse or retaliatory employment action against an employee who in good faith reports suspected violations of the Code.

The Code no longer designates the Chief Financial Officer as the Chief Compliance Officer. Instead, the Company has appointed a separate Chief Compliance Officer, who is responsible for, among other things, the Code's implementation, maintenance, monitoring and documentation.

A copy of the Code, as revised effective November 1, 2011, is filed as Exhibit 14.1 to this report on Form 8-K and is incorporated in this Item 5.05 by reference.
